THE BONDS

Description of the Bonds: The Bonds will be dated December 1, 2018, and interest will be payable on March 1, 2019 (three months of interest) and on each September 1 and March 1 thereafter until the earlier of maturity or redemption. The Bonds will be issued in fully registered form only, in denominations of \$5,000 or any integral multiple of \$5,000 for any one maturity, and principal and interest will be paid, initially by The Bank of New York Mellon Trust Company, N.A., Dallas, Texas (the “Paying Agent/Registrar,” “Paying Agent” or “Registrar”). The Bonds will be registered in the name of Cede & Co., as nominee for The Depository Trust Company, New York, New York (“DTC”), which will act as securities depository for the Bonds. Beneficial Owners of the Bonds will not receive physical certificates representing the Bonds, but will receive a credit balance on the books of the nominees of such Beneficial Owners. So long as Cede & Co. is the registered owner of the Bonds, the principal of and interest on the Bonds will be paid by the Paying Agent directly to DTC, which will, in turn, remit such principal and interest to its participants for subsequent disbursement to the Beneficial Owners of the Bonds as described herein. See the Preliminary Official Statement (made a part hereof) for a more complete description of the Bonds. The Bonds will mature serially on September 1 in the years and amounts as follows:

<u>YEAR</u> <u>DUE</u>	<u>PRINCIPAL</u> <u>AMOUNT</u>	<u>YEAR</u> <u>DUE</u>	<u>PRINCIPAL</u> <u>AMOUNT</u>	<u>YEAR</u> <u>DUE</u>	<u>PRINCIPAL</u> <u>AMOUNT</u>

Serial Bonds and/or Term Bonds: Bidders may provide that all the Bonds be issued as serial bonds or may provide that any two or more consecutive annual principal amounts be combined into one or more term bonds.

Redemption Provisions: Bonds maturing on and after September 1, 2026, are subject to redemption prior to maturity, at the option of the District, as a whole or in part, on September 1, 2025, or on any date thereafter at a price equal to the principal amount of the Bonds to be redeemed plus accrued interest thereon to the date fixed for redemption. If fewer than all of the Bonds are redeemed at any time, the particular maturities of Bonds to be redeemed shall be selected by the District. If less than all the Bonds of any maturity are redeemed at any time, the particular Bonds within a maturity to be redeemed shall be selected by the Paying Agent/Registrar by lot or other customary method of selection (or by DTC in accordance with its procedures while the Bonds are in book-entry-only form).

Mandatory Sinking Fund Redemption: If the Initial Purchaser designates principal amounts to be combined into one or more term bonds, each such term bond shall be subject to mandatory sinking fund redemption commencing on September 1 of the first year which has been combined to form such term bond and continuing on September 1 in each year thereafter until the stated maturity date of that term bond. The amount redeemed in any year shall be equal to the principal amount for such year set forth on the cover page of Preliminary Official Statement under the caption "MATURITIES, PRINCIPAL AMOUNTS, INTEREST RATES, INITIAL REOFFERING YIELDS AND CUSIPS." Bonds to be redeemed in any year by mandatory sinking fund redemption shall be redeemed at par by lot or other customary method. The principal amount of term bonds to be mandatorily redeemed is subject to proportionate reduction by the amount of any prior optional redemption.

Successor Paying Agent/Registrar: Provision is made in the Bond Resolution for replacement of the Paying Agent/Registrar. If the Paying Agent/Registrar is replaced by the District, the new paying agent/registrar shall act in the same capacity as the previous Paying Agent/Registrar. Any paying agent/registrar selected by the District shall be a corporation organized and doing business under the laws of the United States of America or of any state authorized under such laws to exercise trust powers, and subject to supervision or examination by federal or state banking authorities.

Source of Payment: The Bonds will constitute valid and binding obligations of the District, payable as to principal and interest from the proceeds of a continuing, direct, annual ad valorem tax without legal limitation as to rate or amount, levied against taxable property located within the District, as further described in the Preliminary Official Statement. The Bonds are obligations solely of Harris County Municipal Utility District No. 406 and are not obligations of the State of Texas, Harris County, the City of Houston or any entity other than the District.

CONDITIONS OF THE SALE

Types of Bids and Interest Rates: The Bonds will be sold in one block, “all or none” and no bid of less than ninety-seven percent (97%) of the par value plus accrued interest to the date fixed for delivery will be considered. Bidders are to name the rate or rates of interest to be borne by the Bonds, provided that each interest rate bid must be in a multiple of 1/8 of 1% or 1/20 of 1%. No bid will be considered which results in a net effective interest rate as defined by Chapter 1204, Texas Government Code, as amended, in excess of two percentage points (2%) above the highest “20 Bond Index” as reported by the “Bond Buyer” during the thirty (30) day period prior to the date of this Official Notice of Sale. No bid generating a cash premium greater than \$5,000 will be accepted. Subject to the conditions below, no limitation will be imposed upon bidders as to the number of interest rates that may be used, but each rate of interest specified for the Bonds maturing in the years 2026 (base year) through 2043 shall not be less than the rate of interest specified for any earlier maturity in the years 2026 through 2043 and the highest interest rate bid may not exceed the lowest interest rate bid by more than two and one-half percent (2.5%) in rate. All Bonds maturing within a single year must bear the same rate of interest, and no bids for the Bonds involving supplemental interest rates will be considered. Each bidder shall state in its bid the total and net interest cost in dollars and the net effective interest rate determined thereby, which shall be considered informative only and not as a part of the bid.

Basis of Award: For the purpose of awarding the sale of the Bonds, the interest cost of each bid will be computed by determining, at the interest rate or rates specified therein, the total dollar value of all interest on the Bonds from the date thereof to their respective maturities and adding thereto the dollar amount of the discount bid, if any, or subtracting therefrom the dollar amount of the premium bid, if any. Subject to the District’s right to reject any or all bids, the Bonds will be awarded to the bidder whose bid, under the above computation, produces the lowest net effective interest rate to the District subject to compliance with Texas Government Code § 2252.908.

Provision of Texas Ethics Commission Form 1295 (“TEC Form 1295”) by Bidders: Pursuant to Texas Government Code § 2252.908 (the “Interested Party Disclosure Act” or the “Act”), the District may not award the Bonds to a bidder unless the bidder, and each syndicate member listed on the Official Bid Form, unless such bidder or syndicate member is exempt from such requirements pursuant to Texas Government Code § 2252.908(c)(4), have provided to the District (c/o Post Oak Municipal Advisors LLC, 820 Gessner Road, Suite 1350, Houston, Texas 77024, Attn: Mr. Misael Flores, Vice President, mflores@post oakma.com) a completed and signed TEC Form 1295 which has been assigned a certificate number by the Texas Ethics Commission (the “TEC”). Pursuant to the rules prescribed by the TEC, the TEC Form 1295 must be completed online through the TEC’s website, assigned a certificate number, printed and signed, and provided to the District. The TEC Form 1295 may accompany the Official Bid Form or may be submitted separately, but must be provided to the District prior to the time prescribed for the award of the Bonds. The TEC Form 1295 may be provided to the District via facsimile or electronically, however, the original signed TEC Form 1295 complete with certificate number must be physically delivered to the District (c/o Allen Boone Humphries Robinson LLP, 3200 Southwest Freeway, Suite 2600, Houston, Texas 77027, Attn: Ms. Shannon Lucas) within two business days of the award. Following the award of the Bonds, the District will notify the TEC of the receipt of each completed TEC Form 1295. The District reserves the right to reject any bid that does not comply with the requirements prescribed herein or to waive any such requirements. For purposes of completing the TEC Form 1295, the entity’s name is Harris County Municipal Utility District No. 406 and the contract ID number is **HCMUD406-S2018A-B**. Neither the District nor its consultants have the ability to verify the information included in a TEC Form 1295, and neither have an obligation nor undertake responsibility for advising any bidder with respect to the proper completion of the TEC Form 1295. Consequently, an entity intending to bid on the Bonds should consult its own advisors to the extent it deems necessary and be prepared to submit the completed form promptly upon notification from the District that its bid is the apparent winning bid.

Good Faith Deposit: Each bid must be accompanied by a bank cashier’s check payable to the order of “Harris County Municipal Utility District No. 406” in the amount of \$98,600, which represents two percent (2%) of the principal amount of the Bonds. The check will be considered as a Good Faith Deposit, and the check of the successful bidder will be retained uncashed by the District until the Bonds are delivered. In the event the Initial Purchaser should fail or refuse to accept delivery of and pay for the Bonds in accordance with its bid, then the Good Faith Deposit shall be cashed and the proceeds accepted by the District as full and complete liquidated damages against the Initial Purchaser. The Good Faith Deposit may accompany the Official Bid Form or it may be submitted separately. If submitted separately, it shall be made available to the District prior to the opening of the bids and shall be accompanied by instructions from the bank on which it is drawn to authorize its use as a Good Faith Deposit by the bidder, who shall

be named in such instructions. The Good Faith Deposit will be returned immediately after full payment has been made by the Initial Purchaser to the District in federal or immediately available funds in the amount of the purchase price plus accrued interest thereon. No interest will be paid on the Good Faith Deposit. The checks accompanying bids other than the winning bid will be returned immediately after the bids are opened and an award of the Bonds has been made.

COMPLIANCE WITH LAWS PROHIBITING CONTRACTS WITH COMPANIES THAT BOYCOTT ISRAEL AND CERTAIN COMPANIES ENGAGED IN BUSINESS WITH IRAN, SUDAN, OR FOREIGN TERRORIST ORGANIZATIONS: The District will not award the Bonds to a bidder unless the bidder verifies on behalf of itself and each syndicate member listed on the Official Bid Form that, to the extent the Official Bid Form represents a contract for goods or services within the meaning of Section 2270.002 of the Texas Government Code, as amended, solely for purposes of Chapter 2270 of the Texas Government Code, and except to the extent otherwise required by applicable federal law, at the time of execution and delivery of its bid and through the delivery date of the Bonds, neither the bidder nor a syndicate member listed on the Official Bid Form is a Company¹ that boycotts or will boycott Israel. The term “boycotts Israel” and “boycott Israel” as used in this paragraph have the meanings assigned to the term “boycott Israel” in Section 808.001 of the Texas Government Code, as amended. Additionally, the District will not award the Bonds to a bidder unless the bidder certifies that, to the extent the Official Bid Form represents a governmental contract within the meaning of Section 2252.151 of the Texas Government Code, as amended, solely for purposes of Chapter 2252 of the Texas Government Code, and except to the extent otherwise required by applicable federal law, at the time of execution and delivery of its bid, neither the bidder nor a syndicate member listed on the Official Bid Form is a Company² (i) that engages in business with Iran, Sudan, or any foreign terrorist organization as described in Chapter 2270 of the Texas Government Code, or Subchapter F of Chapter 2252 of the Texas Government Code, or (ii) listed by the Texas Comptroller of Public Accounts under Section 2270.0201 or 2252.153 of the Texas Government Code. The term “foreign terrorist organization” as used in this paragraph has the meaning assigned to such term in Section 2252.151 of the Texas Government Code.

Competitive Bidding and Certificate of Initial Purchaser: In the event that the District does not receive sufficient qualified bids to satisfy the competitive sale requirements of Treasury Regulation § 1.148-1(f)(3)(i), allowing the District to treat the reasonably expected initial offering price to the public as of the sale date as the issue price of the Bonds, the “hold-the-offering-price rule” shall apply, which will allow the District to treat the initial offering price to the public of each maturity as of the sale date as the issue price of that maturity (the “hold-the-offering-price rule”). So long as the hold-the-offering price rule applies to any maturity of the Bonds, the Initial Purchaser will neither offer nor sell that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following: (a) the date on which the Initial Purchaser has sold at least 10 percent of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public or (b) the close of the fifth business day after the sale date. The Initial Purchaser agrees to promptly report to the District’s financial advisor when it has sold 10 percent of a maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public if that occurs prior to the close of the fifth business day after the sale date. Alternative Issue Price Certificates are attached for use (I) when the competitive sale requirements of Treasury Regulation § 1.148-1(f)(3)(i) are met and (II) when such requirements are not met.

¹ “Company” means a for-profit sole proprietorship, organization, association, corporation, partnership, joint venture, limited partnership, limited liability partnership, or limited liability company, including a wholly owned subsidiary, majority-owned subsidiary, parent company, or affiliate of those entities or business associations that exists to make a profit.

² “Company” means a sole proprietorship, organization, association, corporation, partnership, joint venture, limited partnership, limited liability partnership, limited liability company, or other entity or business association whose securities are publicly traded, including a wholly owned subsidiary, majority-owned subsidiary, parent company, or affiliate of those entities or business associations, that exists to make a profit.

DELIVERY OF THE BONDS AND ACCOMPANYING DOCUMENTS

Initial Delivery of Initial Bond: Initial delivery (“Initial Delivery”) will be accomplished by the issuance of one initial bond (the “Initial Bond”), either in typed or printed form, in the aggregate principal amount of \$4,930,000, payable in stated installments, registered in the name of the Initial Purchaser, manually signed by the President and Secretary of the Board, or executed by the facsimile signatures of the President and Secretary of the Board, and approved by the Attorney General of Texas, and registered and manually signed by the Comptroller of Public Accounts of Texas or his authorized deputy. Initial Delivery will be at the corporate trust office of the Paying Agent/Registrar in Dallas, Texas. Payment for the Bonds must be made in immediately available funds for unconditional credit to the District, or as otherwise directed by the District. The Initial Purchaser will be given three (3) business days’ notice of the time fixed for delivery of the Bonds. It is anticipated that Initial Delivery can be made on or about December 19, 2018, and subject to the aforementioned notice it is understood and agreed that the Initial Purchaser will accept delivery of and make payment for the Bonds by 10:00 A.M., Houston Time, on December 19, 2018, or thereafter on the date the Bonds are tendered for delivery, up to and including January 16, 2019. If for any reason the District is unable to make delivery on or before January 16, 2019, then the District shall immediately contact the Initial Purchaser and offer to allow the Initial Purchaser to extend its offer for an additional thirty (30) days. If the Initial Purchaser does not elect to extend its offer within three (3) business days thereafter, then its Good Faith Deposit will be returned, and both the District and the Initial Purchaser shall be relieved of any further obligation.

CUSIP Numbers: It is anticipated that CUSIP identification numbers will be printed on the Bonds, but neither the failure to print such number on any Bond nor any error with respect thereto shall constitute cause for a failure or refusal by the Initial Purchaser to accept delivery of and pay for the Bonds in accordance with the terms of this Official Notice of Sale. The Financial Advisor will obtain CUSIP identification numbers from the CUSIP Service Bureau, New York, New York prior to the date of sale. CUSIP identification numbers will be made available to the Initial Purchaser at the time the Bonds are awarded or as soon thereafter as practicable. The CUSIP Service Bureau charge for the assignment of the numbers shall be the responsibility of and shall be paid by the Initial Purchaser.

Conditions to Delivery: The Initial Purchaser’s obligation to accept delivery of and pay for the Bonds is subject to the issuance of the legal opinion of the Attorney General of Texas as to the legality of the Bonds, and the legal opinions of Allen Boone Humphries Robinson LLP, Houston, Texas, Bond Counsel for the District (“Bond Counsel”) and the No-Litigation Certificate, all as further described in the Preliminary Official Statement.

Legal Opinions: The District will furnish without cost to the Initial Purchaser a transcript of certain certified proceedings incident to the issuance and authorization of the Bonds, including a certified copy of the unqualified approving legal opinion of the Attorney General of Texas, as recorded in the Bond Register of the Comptroller of Public Accounts of the State of Texas, to the effect that the Bonds are valid and binding obligations of the District, payable from the proceeds of an annual ad valorem tax, without limit as to rate or amount, levied upon all taxable property within the District and based upon an examination of such transcript of proceedings, the approving legal opinion of Bond Counsel to a like effect and to the effect that the interest on the Bonds is excludable from gross income for federal income tax purposes under existing law and interest on the Bonds is not subject to the alternative minimum tax on individuals.

Not Qualified Tax-Exempt Obligations: The Bonds have **not** been designated as “qualified tax-exempt obligations” for financial institutions.

No-Litigation Certificate: The District will furnish the Initial Purchaser a certificate executed by both the President or Vice President and Secretary or Assistant Secretary of the Board, dated as of the date of delivery of the Bonds, to the effect that to their best knowledge no litigation of any nature is pending or threatened, either in state or federal courts, contesting or attacking the Bonds; restraining or enjoining the levy, assessment and collection of ad valorem taxes to pay the interest on or principal of the Bonds; in any manner questioning the authority or proceedings for the issuance, execution or delivery of the Bonds; or affecting the validity of the Bonds or the titles of the present officers of the District.

Rule G-36 Requirements: It is the responsibility of the Initial Purchaser to comply with the Municipal Securities Rulemaking Board’s Rule G-36 within the required time frame. The Initial Purchaser must send two copies of the Official Statement along with two complete Form G-36’s to the appropriate address.

Certification Regarding Offering Price of Bonds: In order to provide the District with information to enable it to comply with certain conditions of the Internal Revenue Code of 1986, as amended, relating to the exclusion of interest on the Bonds from gross income for federal income tax purposes, the Initial Purchaser will be required to complete, execute and deliver to the District (on or before the date of delivery of the Bonds) a certification regarding “issue price” substantially in the form accompanying this Official Notice of Sale. Each bidder, by submitting its bid, agrees to complete, execute and deliver such a certificate by the date of delivery of the Bonds if its bid is accepted by the District. It will be the responsibility of the Initial Purchaser to institute such syndicate reporting requirements, to make such investigation, or otherwise to ascertain the facts necessary to enable it to make such certification with reasonable certainty. Any questions concerning such certification should be directed to Bond Counsel.

RULE 15c2-12 COMPLIANCE

Continuing Disclosure: The District will agree in the Bond Resolution to provide certain periodic information and notices of certain specified events in accordance with United States Securities and Exchange Commission (“SEC”) Rule 15c2-12, as described in the Preliminary Official Statement under “CONTINUING DISCLOSURE OF INFORMATION.” The Initial Purchaser’s obligation to accept and pay for the Bonds is conditioned upon delivery to the Initial Purchaser or its agent of a certified copy of the Bond Resolution containing the agreement described under such heading.

Substantive Requirements for Official Statement: The District has entered into previous continuing disclosure undertakings in written contracts or agreements specified in SEC Rule 15c2-12(b)(5)(i) and, in the last five years, has complied in all material respects with such undertakings, with the following exception.

On December 22, 2010, the District issued its \$3,340,000 Unlimited Tax Road Bonds, Series 2010 (the “Series 2010 Bonds”). The offering document for the Series 2010 Bonds stated that the District would provide certain financial information and operating data annually to the MSRB within six months after the end of each of its fiscal years ending in or after 2010. Due to an administrative oversight, the District did not file its audited financial statements for the fiscal year ended September 30, 2010 with the MSRB within six months after the end of the District’s 2010 fiscal year, as required. Subsequently, the District issued its \$9,130,000 Unlimited Tax Road Bonds, Series 2014 (the “Series 2014 Bonds”) and its \$6,850,000 Unlimited Tax Bonds, Series 2016 (the “Series 2016 Bonds”). Neither the offering document for the Series 2014 Bonds nor the offering document for the Series 2016 Bonds stated that the District failed to file its audited financial statements for the fiscal year ended September 30, 2010 within the required period of time. The District filed its audited financial statements for the fiscal year ended September 30, 2010 with the MSRB through the EMMA internet portal on April 13, 2017, which was more than six months after the end of the District’s 2010 fiscal year. The District filed a related Notice of Late Filing with the MSRB through the EMMA internet portal on April 13, 2017.

Final Official Statement: The District has approved and authorized distribution of the accompanying Preliminary Official Statement for dissemination to potential purchasers of the Bonds, but does not intend to prepare any other document or version thereof for such purpose, except as described below. Accordingly, the District intends the Preliminary Official Statement to be final as of its date, within the meaning of SEC Rule 15c2-12(b)(1), except for information relating to the offering prices, interest rates, final debt service schedule, selling compensation, identity of the Initial Purchaser and other similar information, terms and provisions to be specified in the competitive bidding process. The Initial Purchaser shall be responsible for promptly informing the District of the initial offering yields of the Bonds. Thereafter, the District will complete and authorize distribution of the Official Statement identifying the Initial Purchaser and containing such omitted information. The District does not intend to amend or supplement the Official Statement otherwise, except to take into account certain subsequent events, if any, as described below. By delivering the final Official Statement or any amendment or supplement thereto in the requested quantity to the Initial Purchaser on or after the sale date, the District intends the same to be final as of such date, within the meaning of SEC Rule 15c2-12(f)(3). Notwithstanding the foregoing, the only representations concerning the absence of material misstatements or omissions from the Official Statement which are being or which will be made by the District are those described and contained in the Official Statement under the caption “PREPARATION OF OFFICIAL STATEMENT-Certification of Official Statement.”

Changes to Official Statement: If subsequent to the date of the Official Statement, the District learns, through the ordinary course of business and without undertaking any investigation or examination for such purposes, or is notified by the Initial Purchaser, of any adverse event which causes the Official Statement to be materially misleading, and unless the Initial Purchaser elects to terminate its obligation to purchase the Bonds, as described above under “DELIVERY OF THE BONDS AND ACCOMPANYING DOCUMENTS-Conditions to Delivery,” the District will promptly prepare and supply to the Initial Purchaser an appropriate amendment or supplement to the Official Statement satisfactory to the Initial Purchaser provided, however, that the obligation of the District to so amend or supplement the Official Statement will terminate when the District delivers the Bonds to the Initial Purchaser, unless the Initial Purchaser notifies the District on or before such date that less than all of the Bonds have been sold to ultimate customers in which case the District’s obligations hereunder will extend for an additional period of time as provided in SEC Rule 15c2-12 (but not more than 90 days after the date the District delivers the Bonds).

Delivery of Official Statements: The District shall furnish to the Initial Purchaser (and to each participating underwriter of the Bonds, within the meaning of SEC Rule 15c2-12(a), designated by the Initial Purchaser), within seven (7) business days after the sale date, the aggregate number of Official Statements specified in the winning bid, not to exceed 250 copies. The District also shall furnish to the Initial Purchaser a like number of any supplements or amendments approved and authorized for distribution by the District for dissemination to potential purchasers of the Bonds, as well as such additional copies of the Official Statement or any such supplements or amendments as the Initial Purchaser may reasonably request prior to the 90th day after the end of the underwriting period described in SEC Rule 15c2-12(f)(2). The District shall pay the expense of preparing the number of copies of the Official Statement specified in the winning bid and an equal number of any supplements or amendments issued on or before the delivery date, but the Initial Purchaser shall pay for all other copies of the Official Statement or any supplement or amendment thereto.

GENERAL CONSIDERATIONS

Risk Factors: The Bonds involve certain risk factors. Prospective bidders are urged to examine carefully the entire Preliminary Official Statement, with respect to the risk factors associated with the Bonds. Particular attention should be given to the information set forth therein under the caption “RISK FACTORS.”

Municipal Bond Rating and Municipal Bond Insurance: Moody’s Investors Service (“Moody’s”) has assigned an underlying rating of “Baa2” to the Bonds. An explanation of the ratings may be obtained from Moody’s, 7 World Trade Center, 250 Greenwich Street, New York, New York 10007. The fee associated with the rating assigned to the District by Moody’s will be paid by the District; however, the fee associated with ratings provided by other agencies will be at the expense of the Initial Purchaser. Application has also been made to municipal bond insurance companies for the qualification of the Bonds for municipal bond insurance. If qualified, such insurance will be available at the option of the Initial Purchaser and at the Initial Purchaser’s expense. A downgrade of the insurer by any rating agency subsequent to submitting a bid with municipal bond insurance and before the closing of the transaction is not a material adverse change nor is it a basis for the Initial Purchaser to terminate its obligation to pay for the Bonds at closing. See “DELIVERY OF THE BONDS AND ACCOMPANYING DOCUMENTS-Conditions to Delivery” herein. It should be noted that there are risk factors related to the purchase of municipal bond insurance. Accordingly, investors should evaluate the underlying credit quality of the District. See “RISK FACTORS—Risk Factors Related to the Purchase of Municipal Bond Insurance” in the Preliminary Official Statement.

Reservation of Rights: The District reserves the right to reject any and all bids and to waive any and all irregularities, except time of filing.

Not an Offer to Sell: This Official Notice of Sale does not alone constitute an offer to sell the Bonds but is merely notice of sale of the Bonds. The invitation for bids on the Bonds is being made by means of this Official Notice of Sale, the Preliminary Official Statement and the Official Bid Form.

Registration and Qualification of Bonds for Sale: The offer and sale of the Bonds have not been registered or qualified under the Securities Act of 1933, as amended, in reliance upon the exemptions provided thereunder. The Bonds have not been registered or qualified under the Securities Act of Texas in reliance upon various exemptions contained therein, and the Bonds have not been registered or qualified under the securities acts of any other jurisdiction. The District assumes no responsibility for registration or qualification of the Bonds under the securities laws of any

jurisdiction in which the Bonds may be sold, assigned, pledged, hypothecated or otherwise transferred. This disclaimer of responsibility for registration or qualification for sale or other disposition of the Bonds shall not be construed as an interpretation of any kind with regard to the availability of any exemption from securities registration or qualification provisions. By submission of its bid, the Initial Purchaser represents that the sale of the Bonds in states other than the State of Texas will be made pursuant to exemptions from registration or qualification, or where necessary, the Initial Purchaser will register the Bonds in accordance with the securities laws of the state in which the Bonds are offered or sold. The District agrees to cooperate with the Initial Purchaser, at the Initial Purchaser's written request and expense, in registering or qualifying the Bonds or obtaining an exemption from registration or qualification (other than filing a consent to service of process in such state), in any state where such action is necessary.

Additional Copies of Documents: Additional copies of this Official Notice of Sale, the Preliminary Official Statement and the Official Bid Form may be obtained from the Financial Advisor, Post Oak Municipal Advisors LLC, 820 Gessner Road, Suite 1350, Houston, Texas 77024.

The bond insurance has been purchased from _____ (the “Insurer”) for a fee of \$ _____ (net of any nonguarantee cost, e.g., rating agency fees). The amount of such fee is set forth in the Insurer’s commitment and does not include any payment for any direct or indirect services other than the transfer of credit risk, unless the compensation for those other services is separately stated, reasonable, and excluded from such fee. Such fee does not exceed a reasonable, arms-length charge for the transfer of credit risk. The present value of the debt service savings expected to be realized as a result of such insurance exceeds the amount of the fee set forth above. For this purpose, present value is computed using the yield on the Bonds, determined by taking into account the amount of the fee set forth above, as the discount rate. No portion of the fee payable to the Insurer is refundable upon redemption of any of the Bonds in an amount which would exceed the portion of such fee that has not been earned.
