The Bonds maturing on or after April 1, 2025 are subject to redemption at the option of the District, prior to maturity, in whole or in part, on April 1, 2024, or on any date thereafter, at a price of the par value thereof plus accrued interest from the most recent interest payment date to the date fixed for redemption. If less than all of the Bonds are redeemed at any time, the Bonds to be redeemed shall be selected by the Paying Agent/Registrar on behalf of the District. The registered owner of any Bond, all or a portion of which has been called for redemption, shall be required to present same to the Paying Agent/Registrar for payment of the redemption price on the portion of the Bond so called for redemption and the issuance of a new Bond in the principal amount equal to the portion of the Bond not redeemed.

Term Bonds; Mandatory Sinking Fund:

Any successful bidder may elect in its written bid to alter the Maturity Schedule reflected on the cover by converting the principal amounts of a Serial Bond maturing in the years 2025 through 2045 into "Term Bonds," such "Term Bonds" shall be subject to mandatory redemption on the April 1 next following the last maturity for Serial Bonds in the same principal amount as shown on the Maturity Schedule shown on the cover page, and annually thereafter on each April 1, until the stated principal amount of the Term Bonds to be redeemed on each mandatory redemption date shall be the principal amount that would have been due and payable in the Maturity Schedule shown on the cover had no conversion to Term Bond occurred. At least 30 days prior to each mandatory redemption date, the Paying Agent/Registrar shall select by lot the term Bonds to be redeemed and issue a notice of redemption in the manner provided below.

Successor Paying Agent/Registrar:

Provision is made in the Bond Order for replacement of the Paying Agent/Registrar. If the Paying Agent/Registrar is replaced by the District, the new Paying Agent/Registrar shall accept the previous Paying Agent/Registrar's records and act in the same capacity as the previous Paying Agent/Registrar. Any Paying Agent/Registrar selected by the District shall be either a national or state banking institution, trust company, financial institution, or other entity duly qualified and legally authorized to serve and perform the duties as Paying Agent/Registrar.

Municipal Bond Rating:

In connection with the sale of the Bonds the District has made application to Standard & Poor's Credit Market Services (a division of McGraw-Hill Companies, Inc.) ("S&P"); the District anticipates that S&P will assign a rating of "BBB+" (stable outlook) to the Bonds, as it has in the past, based upon the District's underlying credit without bond insurance. An explanation of the significance of such rating may be obtained from S&P. The rating reflects only the view of S&P and the District makes no representation as to the appropriateness of such rating. The District can make no assurance that S&P rating will continue for any period of time or that such rating will not be revised downward or withdrawn entirely by S&P if in the judgment of S&P circumstances so warrant. Any such downward revision or withdrawal of the rating may have an adverse effect on the market price of the Bonds. See "Municipal Bond Insurance."

Municipal Bond Insurance:

The bond insurance companies are reviewing the District's credit and are currently considering qualifying the Bonds for insurance via their "optional bid program." The Underwriter (as defined herein) may bid for the Bonds with or without bond insurance. If the Underwriter purchases the Bonds with bond insurance and subsequent to the sale date and prior to the closing date, the Insurer's credit rating is downgraded the Underwriter is still obligated to accept delivery of the Bonds. If the Underwriter bids for the Bonds with bond insurance, then the cost of the bond insurance premium, along with the cost of any other rating other than the S&P rating, must be paid for by the Underwriter, unless otherwise specified by the bond insurance company. The District will pay for the cost of the S&P rating. There is no assurance that such ratings will continue for any given period of time or that they will not be revised downward or withdrawn entirely if circumstances so warrant. Any such rating revision or withdrawal of the rating may have an adverse effect on the market price of the Bonds. Information relative to the cost of the bond insurance premium will be available from the bond insurance companies on the day of the sale.

Security for Payment:

The Bonds, when issued, will constitute valid and binding obligations of the District, payable as to the principal and interest from the proceeds of a continuing, direct annual ad valorem tax, without legal limitation as to rate or amount, levied against all taxable property within the District, all to the extent and upon the conditions described in the Preliminary Official Statement.

CONDITIONS OF SALE

Types of Bids and Interest Rates:

The Bonds will be sold in one block on an "all or none" basis and at a price of not less than 97% of the par value thereof plus accrued interest from the date of the Bonds to the date of delivery. Bidders are to name the rates of interest to be borne by the Bonds, provided that each rate bid must be in a multiple of 1/8 of 1% or 1/20 of 1%. All Bonds maturing within a single year must bear the same rate of interest.

The net effective interest rate on the Bonds may not exceed 6.22% as calculated pursuant to Chapter 1204, Public Security Procedures Act Texas Government Code Annotated, as amended. Subject to the above conditions, no limitation will be imposed upon bidders as to the number of interest rates or changes in interest rates which may be used, but the highest interest rate bid in any maturity may not exceed the lowest interest rate bid in any maturity by more than two and one half (2-1/2%) percentage points. Each bidder shall state in its bid the total and net interest cost in dollars and the net effective interest rate determined thereby, which shall be considered informative only and not as a part of the bid.

Basis of Award:

For the purpose of awarding the sale of the Bonds, the interest cost of each bid will be computed by determining, at the interest rates specified therein, the total dollar value of all interest on the Bonds from the date thereof to their respective maturities and adding thereto the discount, if any. Subject to the District's right to reject any or all bids, sale of the Bonds will be awarded to the bidder (the "Underwriter") whose bid, under the above computation, produces the lowest net interest cost to the District. In the event of mathematical discrepancies between the interest rates and the interest costs determined therefrom, as both appear on the Official Bid Form the bid will be solely governed by the interest rates named therein.

Establishing the Issue Price for the Bonds

General: In order to provide the District with information that enables it to comply with certain requirements of the Internal Revenue Code of 1986, as amended, relating to the exclusion of interest on the Bonds from the gross income of their owners, the winning bidder will be required to complete, execute, and deliver to the District or to the District's Financial Advisor at least five business days before the delivery date of the Bonds, a certification as to the Bonds' "issue price" (the "Issue Price Certificate") substantially in one of the forms and to the effect attached hereto or accompanying this Notice of Sale. In the event the winning bidder will not reoffer any maturity of the Bonds for sale to the Public (as defined herein) by the delivery date of the Bonds, the Issue Price Certificate may be modified in a manner approved by the District and Bond Counsel (identified in the Preliminary Official Statement). Each bidder, by submitting its bid, agrees to complete, execute, and timely deliver the appropriate Issue Price Certificate, if its bid is accepted by the District. It will be the responsibility of the winning bidder to institute such syndicate reporting requirements, to make such investigation, or otherwise to ascertain such facts as are necessary to enable it to make such certification with reasonable certainty. Any questions concerning such certification should be directed to Bond Counsel (identified in the Preliminary Official Statement).

Defined Terms: For purposes of this section of this Notice of Sale:

- (i) "Public" means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter or a Related Party to an Underwriter.
- (ii) "Underwriter" means (A) any person that agrees pursuant to a written contract with the District (or with the lead Underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the Public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the Public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the Public).
- (iii) "Related Party" means any two or more persons who are subject, directly or indirectly, to (A) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (B) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (C) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other).
- (iv) "Sale Date" means the date that the Bonds are awarded by the District to the winning bidder.

All actions to be taken by the District under this Notice of Sale to establish the issue price of the Bonds may be taken on behalf of the District by the Financial Advisor, and any notice or report to be provided to the District may be provided to the Financial Advisor.

The District will consider any bid submitted pursuant to this Notice of Sale to be a firm offer for the purchase of the Bonds, as specified in the bid.

Three Bid Requirement: The District intends to rely on Treasury Regulation section 1.148-1(f)(3)(i) for purposes of establishing the issue price of municipal bonds, which requires, among other things, that the District receives bids from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds (the "Three Bid Requirement"). In the event that the Three Bid Requirement is not satisfied, Treasury Regulations permit the issue price for any maturity of the Bonds to be determined based upon either (i) the first price at which 10% of such maturity is sold to the Public (the "10% Test") or (ii) if the requirements of the "Hold-the-Offering-Price Rule" described below are met, the initial offering price to the Public as of the Sale Date. For purposes hereof, if different interest rates apply within a maturity, each separate CUSIP number will be treated separately.

In the event that the Three Bid Requirement is satisfied, the sale of the Bonds will be awarded to the bidder making a bid that conforms to the specifications herein. In the event that the Three Bid Requirement is not satisfied, the District will notify the prospective winning bidder to that effect, and the prospective winning bidder will advise the District any maturity of the Bonds that satisfies the 10% Test. For any maturity of the Bonds that does not meet the 10% Test, it is the District's intention to apply the "Hold-the-Offering-Price Rule" to any maturity of the Bonds, as described below.

Hold-the-Offering-Price Rule: If the “Hold-the-Offering-Price Rule” is applied to any maturity of the Bonds (each, a “Held Maturity”), the winning bidder agrees, on behalf of each Underwriter participating in the purchase of the Bonds, that each Underwriter will neither offer nor sell any Held Maturity to any person at a price that is higher than the initial offering price to the Public during the period starting on the Sale Date and ending on the earlier of the following:

- (1) the close of the fifth business day after the Sale Date; or
- (2) the date on which the Underwriters have satisfied the 10% Test with respect to that Held Maturity at a price that is no higher than the initial offering price to the Public.

The winning bidder shall promptly advise the District when the Underwriters have satisfied the 10% Test with respect to each Held Maturity at a price that is no higher than the initial offering price to the Public, if that occurs prior to the close of the fifth business day after the Sale Date. On or after the sixth business day after the Sale Date, if requested by the District, the winning bidder will confirm that the Underwriters have complied with the Hold-the-Offering-Price-Rule. If at any time the winning bidder becomes aware of any noncompliance by an Underwriter with respect to the Hold-the-Offering Price Rule, the winning bidder will promptly report such noncompliance to the District.

Additional Requirements: By submitting a bid, each bidder confirms that: (i) any agreement among underwriters, any selling group agreement and each retail distribution agreement (to which the bidder is a party) relating to the initial sale of the Bonds to the Public, together with the related pricing wires, contains or will contain language obligating each Underwriter, each dealer who is a member of the selling group, and each broker-dealer that is a party to such retail distribution agreement, as applicable, to (A) report the prices at which it sells to the Public the unsold Bonds of each maturity allotted to it until it is notified by the winning bidder that either the 10% Test has been satisfied as to the Bonds of that maturity or all Bonds of that maturity have been sold to the Public and (B) comply with the Hold-the-Offering-Price Rule, if applicable, in each case if and for so long as directed by the winning bidder and as set forth in the related pricing wires, and (ii) any agreement among underwriters relating to the initial sale of the Bonds to the Public, together with the related pricing wires, contains or will contain language obligating each Underwriter that is a party to a retail distribution agreement to be employed in connection with the initial sale of the Bonds to the Public to require each broker-dealer that is a party to such retail distribution agreement to (A) report the prices at which it sells to the Public the unsold Bonds of each maturity allotted to it until it is notified by the winning bidder or such Underwriter that either the 10% Test has been satisfied as to the Bonds of that maturity or all Bonds of that maturity have been sold to the Public and (B) comply with the Hold-the-Offering-Price Rule, if applicable, in each case if and for so long as directed by the winning bidder or such Underwriter and as set forth in the related pricing wires.

Compliance with Laws Prohibiting Contracts with Companies Boycotting Israel and Certain Companies Engaged in Business with Iran, Sudan or Foreign Terrorist Organizations:

Pursuant to Chapter 2270, Texas Government Code¹, the District may not award the Bonds to a bidder unless the bidder verifies that it does not boycott Israel and agrees it will not boycott Israel through the delivery date of the Bonds, except to the extent otherwise required by applicable federal law. Similarly, pursuant to Chapter 2252, Texas Government Code, the District may not award the sale of the Bonds to a bidder unless the bidder certifies that it is not a company that contracts with or provides supplies or services to a foreign terrorist organization, as defined by Section 2252.151(2), Texas Government Code, and has not been identified as a company on a list prepared and maintained under Section 806.051, 807.051, or 2252.153, Texas Government Code. By submitting a bid, the bidder makes and certifies to the representations necessary and convenient for the compliance with the aforementioned laws and, agrees to execute, at the request of District, further written certifications as may be necessary or convenient for District to establish compliance with the aforementioned laws.

Good Faith Deposit:

Each bid must be accompanied by a bank's cashier's check, payable to the order of Northwest Harris Municipal Utility District No. 36, in the amount of \$85,600.00 (the "Good Faith Deposit"). The Good Faith Deposit submitted by the Underwriter will be retained uncashed by the District pending the Underwriter's compliance with the terms of the Official Bid Form and the Official Notice of Sale. In the event the Underwriter should fail or refuse to accept delivery of and pay for the Bonds in accordance with its bid, then the check will be cashed and the proceeds accepted by the District as full and complete liquidated damages. A Good Faith Deposit may accompany the Official Bid Form or may be submitted separately; if submitted separately, it shall be made available to the District prior to the opening of the bids and shall be accompanied by instructions from the bank on which it is drawn which authorize its use as a Good Faith Deposit by the bidder(s) to be named in such instructions.

¹ The District is requiring the written acknowledgment and verification pursuant to instructions from the Attorney General of the State of Texas. The District is not taking a position as to whether the competitive sale of the Bonds pursuant to this Notice of Sale and Bidding Instructions constitutes a contract for goods and/or services for any purposes under Texas law.

Provision of Texas Ethics Commission Form 1295 ("TEC Form 1295") by Bidders:

Pursuant to Texas Government Code § 2252.908 (the "Interested Party Disclosure Act" or the "Act"), the District may not award the Bonds to a bidder that is a privately held entity unless the bidder, and each privately held syndicate member listed on the Official Bid Form, have provided to the District (c/o Bacon & Wallace L.L.P., 6363 Woodway, Suite 800, Houston, Texas, 77057) a completed and signed TEC Form 1295 which has been assigned a certificate number by the Texas Ethics Commission (the "TEC"). Pursuant to the rules prescribed by the TEC, the TEC Form 1295 must be completed online through the TEC's website, assigned a certificate number, printed, signed, and provided to the District. The TEC Form 1295 may be provided to the District via facsimile or electronically prior to the time prescribed for the award of the Bonds (6:00 p.m. Houston time on January 23, 2019). However, the original signed TEC Form 1295 complete with certificate number must be physically delivered to the District (c/o Bacon & Wallace, L.L.P., 6363 Woodway, Suite 800, Houston, Texas, 77057) within three business days of the award (January 28, 2019). Following the award of the Bonds, the District will notify the TEC of the receipt of each completed TEC Form 1295. The District reserves the right to reject any bid that does not comply with the requirements prescribed herein or to waive any such requirements. For purposes of completing the TEC Form 1295, the entity's name is Northwest Harris Municipal Utility District No. 36 and the contract ID number is NWHCMUD36-S2019-B. Neither the District nor its consultants have the ability to verify the information included in a TEC Form 1295, and neither have an obligation nor undertake responsibility for advising any bidder with respect to the proper completion of the TEC Form 1295. Consequently, an entity intending to bid on the Bonds should consult its own advisors to the extent it deems necessary and be prepared to submit the completed form promptly upon notification from the District that its bid is the apparent winning bid.

DELIVERY AND ACCOMPANYING DOCUMENTS

CUSIP Numbers:

It is anticipated that CUSIP identification numbers will be printed on the Bonds, but neither the failure to print such number on any Bond nor any error with respect thereto shall constitute cause for failure or refusal by the Underwriter to accept delivery of or make payment for the Bonds in accordance with the terms of the Official Bid Form and this Official Notice of Sale. All expenses in relation to the printing of CUSIP numbers on the Bonds shall be paid by the District; however, the CUSIP Service Bureau charge for the assignment of the numbers shall be paid by the Underwriter.

DTC Definitive Bonds:

After delivery of the initial bonds, the Bonds will be issued in book-entry-only form. Cede & Co. is the nominee for DTC. All references herein to the Registered Owners of the Bonds shall mean Cede & Co. and not the Beneficial Owners of the Bonds. Purchase of beneficial interests in the Bonds will be made in book-entry-only form (without registered Bonds) in the denomination of \$5,000 principal amount or any integral multiple thereof. Under certain limited circumstances described herein, the District may determine to forego immobilization of the Bonds at DTC, or another securities depository, in which case, such beneficial interests would become exchangeable for one or more fully registered Bonds of like principal amount for the Bonds. See "BOOK-ENTRY-ONLY SYSTEM" in the Preliminary Official Statement.

Delivery of Initial Bonds:

Initial delivery will be accomplished by the issuance of one initial Bond (the "Initial Bond"), either in typed or printed form, in the aggregate principal amount of \$4,280,000 registered to the person or entity designated by the Underwriter in the Official Bid, signed manually or in facsimile by the President and Secretary of the Board, approved by the Attorney General of Texas, and registered and manually signed by the Comptroller of Public Accounts of the State of Texas or her authorized deputy. Initial delivery will be through the Depository Trust Company ("DTC"). One definitive Bond for each maturity will be registered and delivered in the name of Cede & Co., and deposited with DTC in connection with DTC's Book-Entry-Only System. Payment for the Initial Bond must be made in immediately available funds for unconditional credit to the District, or as otherwise directed by the District. The Underwriter will be given six (6) business days' notice of the date fixed for delivery of the Initial Bond. It is anticipated that initial delivery can be made on or about February 21, 2019, and it is understood and agreed that the Underwriter will accept delivery and provide payment for the Initial Bond by 10:00 a.m., (Houston time) on February 21, 2019 or thereafter on the date the Bonds are tendered for delivery, up to and including March 14, 2019. If for any reason the District is unable to make delivery on or before March 14, 2019, then the District shall immediately contact the Underwriter and offer to allow the Underwriter to extend its offer for an additional thirty (30) days. If the Underwriter does not elect to extend its offer within six (6) days thereafter, then its Good Faith Deposit will be returned, and both the District and the Underwriter shall be relieved of any further obligation. In no event shall the District be liable for any damages by reason of its failure to deliver the Initial Bond, provided such failure is due to circumstances beyond the District's reasonable control.

Conditions of Delivery:

The Underwriter's obligation to take delivery and pay for the Initial Bond is subject to the issuance of the Texas Attorney General's opinion and the Underwriter's receipt of the legal opinion of Bond Counsel and the no-litigation certificate, all as described below, and the nonoccurrence of the events described below under the caption "No Material Adverse Change."

Continuing Disclosure Agreement:

The District will agree in the Bond Order to provide certain periodic information and notices of specified events in accordance with Securities and Exchange Commission Rule 15c2-12, as described in the Preliminary Official Statement under "Continuing Disclosure of Information." The Underwriters' obligation to accept and pay for the Bonds is conditioned upon delivery to the Underwriters or their agent of a certified copy of the Bond Order containing the agreement described under such heading.

Legal Opinion:

The District will furnish to the Underwriter a transcript of certain proceedings held incident to the authorization and issuance of the Bonds, including a certified copy of the approving opinion of the Attorney General of Texas, as recorded in the Bond Register of the Comptroller of Public Accounts of the State of Texas, to the effect that the Bonds are valid and legally binding obligations of the District. The District will also furnish the approving legal opinion of Bacon & Wallace L.L.P., Houston, Texas, Bond Counsel for the District ("Bond Counsel"), to the effect that, based upon an examination of such transcript, the Bonds are validly issued under the Constitution and laws of the State of Texas, and to the effect that (i) interest on the Bonds is excludable from gross income for federal income tax purposes under existing law (ii) certain original issue discount on the Bonds is excludable from gross income for federal income tax purposes under existing law as described more fully in "Tax Accounting Treatment of Original Issue Discount Bonds" and (iii) interest on the Bonds will not be subject to the alternative minimum tax on individuals.

Errors or omissions in the printing of such legal opinion shall not affect the validity of the Bonds nor constitute cause for the failure or refusal by the Underwriter to accept delivery and to pay for the Bonds. Certain legal matters will be passed upon for the District by Norton Rose Fulbright US LLP, Houston, Texas, as Disclosure Counsel.

Qualified Tax-Exempt Obligations:

Section 265(a) of the Internal Revenue Code of 1986, as amended, ("the Code") requires a pro rata reduction in the interest expense deduction of a financial institution to reflect such financial institution's investment in tax-exempt obligations acquired after August 7, 1986. An exception to the foregoing provision is provided in the Code for "qualified tax-exempt obligations," which include tax-exempt obligations, such as the Bonds that are: (a) designated by the issuer as "qualified tax-exempt obligations," and (b) issued by a political subdivision for which the aggregate amount of tax-exempt obligations (not including private activity bonds other than qualified 501(c) (3) bonds) to be issued during the calendar year is not expected to exceed \$10,000,000.

The District will designate the Bonds as "qualified tax-exempt obligations" and has represented that the aggregate amount of tax-exempt bonds (including the Bonds) issued by the District and entities aggregated with the District under the Code during calendar year 2019 is not expected to exceed \$10,000,000 and that the District and entities aggregated with the District under the Code have not designated more than \$10,000,000 in "qualified tax-exempt obligations" (including the Bonds) during calendar year 2019.

Notwithstanding this exception, financial institutions acquiring the Bonds will be subject to a twenty percent (20%) disallowance of allocable interest expense.

No-Litigation Certificate:

On the date of delivery of the Initial Bond to the Underwriter, the District will deliver to the Underwriter a certificate, dated as of the same date, to the effect that there is no litigation of any nature pending or, to the knowledge of the signatories, threatened, to restrain or enjoin the issuance or delivery of the Bonds, or which would affect the provisions made for their payment or security, or in any manner question the validity of the Bonds.

Material Event Notices

The District will provide timely notices of certain events to the MRSB, but in no event will such notices be provided to the MRSB in excess of ten business days after the occurrence of an event. The District will provide notice of any of the following events with respect to the Bonds: (1) principal and interest payment delinquencies; (2) non-payment related defaults, if material; (3) unscheduled draws on debt service reserves reflecting financial difficulties; (4) unscheduled draws on credit enhancements reflecting financial difficulties; (5) substitution of credit or liquidity providers or their failure to perform; (6) adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations

Establishment of Issue Price:

At least five business days before the delivery date of the Bonds, the Underwriter will complete, execute, and deliver the Issue Price Certificate to the District or to the District's Financial Advisor.

GENERAL CONSIDERATIONS

Registration, Transfer and Exchange:

The Bonds may be transferred, registered and assigned only on the registration books (the "Register") of the Paying Agent/Registrar, and such registration (exclusive of any tax or governmental charge therefore) shall be at the expense of the District. A Bond may be assigned by execution of the assignment form on the Bonds or by such other instrument of transfer acceptable to the Paying Agent/Registrar. New Bonds will be delivered by the Paying Agent/Registrar to the last assignee (the new Registered Owner) in exchange for such transferred and assigned Bonds not more than three (3) business days after receipt of the Bonds to be transferred in proper form. New Bonds must be in the denomination of \$5,000 for any one maturity, or any integral multiple thereof. The Bonds are transferable only on the Register upon surrender and reissuance. The Bonds are exchangeable for an equal principal amount of Bonds of the same maturity in any authorized denomination upon surrender of the Bonds to be exchanged at a corporate trust office of the Paying Agent/Registrar.

Record Date:

The record date ("Record Date") for the interest payable on any interest payment date means the 15th calendar day of the month next preceding such interest payment date.

Limitation on Transfers and Exchanges:

Neither the District nor the Paying Agent/Registrar shall be required to transfer or exchange any Bond during a period beginning at the opening of business on a Record Date and ending at the close of business on the next succeeding interest payment date, to issue, transfer or exchange any Bond selected for redemption during a period beginning at the opening of business 15 days before the day of the first mailing of a notice of redemption of Bonds and ending at the close of business on the day of such mailing, or to transfer or exchange any Bond so selected for redemption in whole or in part when such redemption is scheduled to occur within 30 calendar days thereafter.

Investment Considerations:

The Bonds involve special investment considerations. Prospective bidders are urged to examine carefully the Preliminary Official Statement with respect to the investment risks pertaining to the Bonds. Particular attention should be given to the information set forth therein under "RISK FACTORS."

No Registration or Qualification Under Securities Laws:

The offer and sale of the Bonds has not been registered with the Securities and Exchange Commission under the Securities Act of 1933, as amended, in reliance upon exemptions provided thereunder. The Bonds have not been registered or qualified under the Securities Act of Texas, as amended, in reliance upon various exemptions contained therein; nor have the Bonds been registered or qualified under the securities laws of any other jurisdiction. The District assumes no responsibility for registration or qualification of the Bonds under the securities laws of any other jurisdiction in which the Bonds may be sold, assigned, pledged, hypothecated or otherwise transferred. This disclaimer of responsibility for registration or qualification for sale or other disposition of the Bonds shall not be construed as an interpretation of any kind with regard to the availability of any exemption from securities registration or qualification provisions. In those jurisdictions where persons registered or licensed as dealers or brokers may offer and sell the Bonds, it is assumed that such persons have complied and will comply with all applicable statutes and regulations concerning dealers and brokers and concerning the registration or licensing of agents or salesmen.

By the submission of its bid, the Underwriter represents that the offer and sale of the Bonds in states other than Texas will be made only pursuant to exemptions from registration or qualification, or where necessary, the Underwriter will register or qualify the Bonds in accordance with the securities laws of the states in which the Bonds are offered or sold. The District agrees to cooperate, at the Underwriter's written request and expense, in registering or qualifying the Bonds, or in obtaining an exemption from registration or qualification in any state where such action is necessary, provided that the District shall not be required to file a general consent to service of process in any jurisdiction.

Continuing Disclosure:

The District will agree in the Bond Order to provide certain periodic information and notices of specified events in accordance with Securities and Exchange Commission Rule 15-c2-12, as described in the Preliminary Official Statement under "CONTINUING DISCLOSURE OF INFORMATION – SEC RULE 15-c2-12." The Underwriters' obligation to accept and pay for the Bonds is conditioned upon delivery to the Underwriters or their agent of a certified copy of the Bond Order containing the agreement described under such heading.

Substantive Requirements for Official Statement:

During the last five years, the District has complied in all material respects with all continuing disclosure agreements made by the District in accordance with SEC Rule 15-c2-12.

Final Official Statement:

The District has prepared the accompanying Preliminary Official Statement for dissemination to potential purchasers of the Bonds. The District will prepare a final Official Statement, which will describe the reoffering yields and underwriting discount bid, the interest rates and identity of the Underwriter, and the final debt service schedule and ratios and tax rates consequent thereon. The District does not intend to amend or supplement the Preliminary or final Official Statement, except to take into account certain subsequent events, if any, as described below. Accordingly, the District deems the accompanying Preliminary Official Statement to be final as of its date, within the meaning of SEC Rule 15-c2-12(b)(1), except for the omission of the foregoing items. By delivering the final Official Statement or any amendment or supplement thereto in the requested quantity to the Underwriter on or after the sale date, the District intends the same to be complete as of such date, within the meaning of SEC Rule 15-c2-12(f)(3). Notwithstanding the foregoing, the only representations concerning the absence of material misstatements or omissions from the Official Statement which are or will be made by the District are those described in the Official Statement under "OFFICIAL STATEMENT--Certification as to Official Statement."

Changes to Official Statement:

For the period beginning on the date of the award of the sale of the Bonds to the Underwriter and ending on the 91st day after the "end of the underwriting period" {as defined in SEC Rule 15-c(2)-12(f)(2)}, if any event shall occur of which the District has knowledge and as a result of which it is necessary to amend or supplement the Official Statement in order to make the statements therein, in light of the circumstances when the Official Statement is delivered to a prospective purchaser, not misleading, the District will promptly notify the Underwriter of the occurrence of such event and will cooperate in the preparation of a revised Official Statement, or amendments or supplements thereto, so that the statements in the Official Statement, as revised, amended or supplemented, will not, in light of the circumstances when such Official Statement is delivered to a prospective purchaser, be misleading.

Delivery of Official Statements:

The District will furnish to the Underwriter (and to each other participating underwriter of the Bonds, within the meaning of SEC Rule 15-c2-12(a), designated by the Underwriter), within seven (7) business days after the sale date, the aggregate number of Official Statements as requested by the Underwriter. The District will also furnish to the Underwriter a like number of any supplement or amendment prepared by the District for dissemination to potential purchasers of the Bonds as described above, as well as such additional copies of the Official Statement or any supplement or amendment as the Underwriter may request prior to the 90th day after the end of the underwriting period referred to in SEC Rule 15-c2-12(f)(2). The District will pay the expense of preparing up to 50 copies of the Official Statement and all copies of any supplement or amendment issued on or before the delivery date, but the Underwriter must pay for all other copies of the Official Statement or any supplement or amendment thereto. The District assumes no responsibility or obligation for the distribution or delivery of any copies of the Official Statement to anyone other than the Underwriter.

ISSUE PRICE CERTIFICATE

[THREE BID REQUIREMENT SATISFIED]

I, the undersigned officer of _____ (the "Purchaser"), acting on behalf of itself and any underwriting syndicate, make this certification in connection with the Northwest Harris Municipal Utility District No. 36 Unlimited Tax Bonds, Series 2019 (the "Bonds") issued by Northwest Harris Municipal Utility District No. 36 (the "District").

1. I hereby certify as follows in good faith as of the date hereof:

(a) I am the duly chosen, qualified and acting officer of the Purchaser for the office shown below my signature; as such, I am familiar with the facts herein certified and I am duly authorized to execute and deliver this certificate on behalf of the Purchaser and any underwriting syndicate. I am the officer of the Purchaser charged, along with other officers of the Purchaser and any underwriting syndicate, with responsibility for the Bonds.

(b) The reasonably expected initial offering prices of the Bonds to the Public by the Purchaser as of the Sale Date are the prices set forth on the inside cover of the Official Statement prepared in connection with the Bonds (the "Initial Offering Prices"). The Initial Offering Prices are the applicable prices for the Bonds used by the Purchaser in formulating its bid to purchase the Bonds. Attached hereto as Attachment I is a true and correct copy of the bid provided by the Purchaser to purchase the Bonds.

(c) The Purchaser was not given the opportunity to review other bids prior to submitting its bid.

(d) The bid submitted by the Purchaser constituted a firm offer to purchase the Bonds.

(e) The aggregate of the Initial Offering Prices of all maturities of the Bonds is \$_____. The Bonds were sold with pre-issuance accrued interest in the amount of \$_____. The sum of these two amounts is \$_____.

(f) Please choose the appropriate statement:

The Purchaser will not purchase bond insurance for the Bonds.

The Purchaser will purchase bond insurance from _____ (the "Insurer") for a fee/premium of \$_____ (the "Fee"). In our judgment, the Fee is a reasonable amount payable solely for the transfer of credit risk for the payment of debt service on the Bonds and does not include any amount payable for a cost other than such guarantee, e.g., a credit rating or legal fees. The Purchaser has calculated that the present value of the Fee for each obligation constituting the Bonds to which such Fee is properly allocated and which are insured thereby is less than the present value of the interest reasonably expected to be saved as a result of the insurance on each obligation constituting the Bonds. The Fee has been paid to a person who is not exempt from federal income taxation and who, to the best of our knowledge, is not a user or related to the user of any proceeds of the Bonds. In determining present value for this purpose, the yield of the Bonds (determined with regard to the payment of the guarantee fee) has been used as the discount rate. No portion of the Fee is refundable upon redemption of any of the Bonds in an amount which would exceed the portion of such Fee that has not been earned. The Purchaser will also be responsible for payment of any rating fees on the Bonds, if and as required by the Insurer to be obtained in connection with the purchase of insurance.

2. For purposes of this Issue Price Certificate, the following definitions apply:

(a) "Public" means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter or a Related Party to an Underwriter.

(b) "Related Party" means any two or more persons who are subject, directly or indirectly, to (i) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interest or profits interest of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other).

(c) "Sale Date" means the first day on which there is a binding contract in writing for the sale or exchange of the Bonds. The Sale Date of the Bonds is January 23, 2019.

(d) "Underwriter" means (i) any person that agrees pursuant to a written contract with the District (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the Public, and (ii) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (i) of this definition to participate in the initial sale of the Bonds to the Public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the Public).

The representations set forth in this certificate are limited to factual matters only. Nothing in this certificate represents the Purchaser's interpretation of any laws, including specifically sections 103 and 148 of the Internal Revenue Code of 1986, as amended, and the Treasury Regulations thereunder. The undersigned understands that the statements made herein above will be relied upon by the District with respect to certain of the representations set forth in the Federal Tax Certificate and with respect to compliance with the federal income tax rules affecting the Bonds, and by Bacon & Wallace, L.L.P. in connection with rendering its opinion that the interest on the Bonds is excluded from gross income for federal income tax purposes, the preparation of Internal Revenue Service Form 8038-G, and other federal income tax advice it may give to the District from time to time relating to the Bonds. Except as expressly set forth above, the certifications set forth herein may not be relied upon or used by any other party or for any other purpose.

The undersigned has calculated the total underwriting spread on the Bonds to be \$_____. As used herein, the term "total underwriting spread" means the cost for marketing and selling the Bonds, and includes (a) a total take down of \$_____, (b) a total management fee of \$_____, (c) fees and expenses of Underwriter's counsel in the estimated total amount of \$_____, and (d) other expenses in the total estimated amount of \$_____.

(b) For the Bonds maturing in _____, the first price at which at least 10% of each maturity was sold to the Public is the price for each such maturity set forth on the inside cover of the Official Statement prepared in connection with the Bonds (each, an "Actual Sales Price").

(c) For the Bonds maturing in _____ (each, a "Held Maturity"), the Purchaser on or before the Sale Date offered for purchase each such maturity to the Public at the applicable initial offering price set forth on the inside cover of the Official Statement prepared in connection with the Bonds (each, an "Initial Offering Price"). A copy of the pricing wire evidencing the Initial Offering Prices is attached hereto as Attachment I. In connection with the offering of the Bonds, the Purchaser and each member of any underwriting syndicate agreed in writing that (i) during the Hold Period, it would neither offer nor sell any Held Maturity to any person at a price higher than the applicable Initial Offering Price (the "Hold-the-Offering-Price Rule") and (ii) any selling group agreement would contain the agreement of each dealer who is a member of the selling group, and any retail distribution agreement would contain the agreement of each broker-dealer who is a party to the retail distribution agreement, that, during the Hold Period, such party would comply with the Hold-the-Offering-Price Rule. In accordance with such agreements, no Underwriter offered or sold any of the Held Maturities at a price higher than the applicable Initial Offering Price for such Held Maturity during the Hold Period.

2. For purposes of this Issue Price Certificate, the following definitions apply:

(a) "Hold Period" means, with respect to a Held Maturity, the period starting on the Sale Date and ending on the earlier of (i) the close of the fifth business day after the Sale Date or (ii) the date on which the Underwriters have sold at least 10% of such Held Maturity to the Public at a price no higher than the applicable Initial Offering Price.

(b) "Public" means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter or a Related Party to an Underwriter.

The definitive Bonds shall be initially registered and delivered only to CEDE & Co., Inc., the Nominee of the Depository Trust Company ("DTC") pursuant to the Book-Entry-Only System described in the Official Statement. We will advise Zions Bancorporation, National Association (the "Paying Agent/Registrar"), on forms to be provided by the Paying Agent/Registrar, of our registration instructions at least five (5) business days prior to the date set for initial delivery. We understand that the Paying Agent/Registrar will not be required to accept any further registration instructions after the five-day period.

The undersigned agrees to complete, execute, and deliver to the District, by the date of delivery of the Bonds, a certificate relating to the "issue price" of the Bonds in the form accompanying the Notice of Sale, with such changes thereto as may be acceptable to the District. In addition, in the event all of the Bonds are not sold to ultimate customers prior to the date of delivery of the Bonds, we will so notify the District on such date.

We understand that the sale of the Bonds has not been registered or qualified under the securities laws of any jurisdiction and that it is our responsibility to obtain such registration or qualification, if any is required.

Unless the bidder is exempt from such requirements pursuant to Texas Government Code § 2252.908(c)(4), the District may not accept this bid until it has received from the bidder, if that bidder is a privately held entity a completed and signed TEC Form 1295 complete with a certificate number assigned by the Texas Ethics Commission ("TEC"), and the rules promulgated thereunder by the TEC.
