LATE BIDS AND IRREGULARITIES: Robert W. Baird & Co. Incorporated is not authorized and will not be responsible for the submission of any bids made after the time prescribed, nor does the District or Robert W. Baird & Co. Incorporated assume any responsibility or liability with respect to any irregularities associated with the submission, delivery, or electronic transmission of any bid. The District and the Board reserve the right to reject any and all bids and to waive any irregularities, except time of filing.

AWARD AND SALE OF THE BONDS: The District will take action to adopt an order (the "Bond Order") authorizing the issuance and awarding sale of the Bonds or will reject all bids promptly after the opening of bids. Sale of the Bonds will be made subject to the terms, conditions, and provisions of the Bond Order, to which reference is hereby made for all purposes, and subject to compliance with Texas Government Code §2252.908 as more fully described below. The Board reserves the right to reject any or all bids and to waive any irregularities, except time of filing.

THE BONDS

DESCRIPTION OF CERTAIN TERMS OF THE BONDS: The Bonds will be dated April 1, 2019, with interest payable on September 1, 2019, and each March 1 and September 1 thereafter (each an "Interest Payment Date") until the earlier of maturity or prior redemption. The Bonds will be issued only in fully registered form. Principal will be payable to the registered owner(s) of the Bonds (the "Registered Owner(s)") upon presentation and surrender at the principal payment office of the paying agent/registrar, Regions Bank, an Alabama state banking corporation, Houston, Texas (the "Paying Agent/Registrar"). Interest on the Bonds will be payable by check of the Paying Agent/Registrar, dated as of the Interest Payment Date, and mailed by the Paying Agent/Registrar to the Registered Owners, as shown on the records of the Paying Agent/Registrar at the close of business on the 15th day of the calendar month next preceding each Interest Payment Date (the "Record Date"). The Bonds will be registered in the name of Cede & Co., as nominee for The Depository Trust Company, New York, New York ("DTC"), which will act as securities depository for the Bonds. Beneficial owners of the Bonds will not receive physical certificates representing the Bonds, but will receive a credit balance on the books of the nominees of such beneficial owners. So long as Cede & Co. is the registered owner of the Bonds, the principal of and interest on the Bonds will be paid by the Paying Agent/Registrar directly to DTC, which will, in turn, remit such principal and interest to its participants for subsequent disbursement to the beneficial owners of the Bonds as described herein. See "THE BONDS – Book-Entry-Only System" in the Preliminary Official Statement.

The Bonds will mature on March 1 in each of the following years in the following amounts:

Maturity (March 1)	Principal Amount	Maturity (March 1)	Principal Amount
2037	\$445,000	2041	\$830,000
2038	470,000	2042	1,495,000
2039	490,000	2043	1,560,000
2040	510,000		

SERIAL BONDS AND/OR TERM BONDS: Bidders may provide that all the Bonds be issued as serial bonds or may provide that any two or more consecutive annual principal amounts may be combined into one or more term bonds.

REDEMPTION PROVISIONS: The Bonds are subject to redemption and payment, at the option of the District, in whole or, from time to time, in part, on March 1, 2024, or on any date thereafter, at a price equal to the principal amount thereof, plus accrued interest thereon to the date fixed for redemption. If fewer than all of the Bonds are redeemed at any time, the District shall determine the maturity or maturities and the amounts thereof to be redeemed in integral multiples of \$5,000 of principal amount, and, if fewer than all of the Bonds within a maturity are to be redeemed, the particular Bonds within a maturity to be redeemed shall be selected by the Paying Agent/Registrar by method of random selection (or by DTC in accordance with its procedures while the Bonds are in book-entry-only form). The Registered Owners of any Bond, of which all or a portion has been called for redemption, shall be required to present such Bond to the Paying Agent/Registrar for payment of the redemption price on the portion of the Bond so called for redemption and issuance of an exchange Bond in a principal amount equal to the portion of the Bond not so redeemed.

SECURITY FOR PAYMENT: The Bonds, when issued, will constitute valid and binding obligations of the District, payable as to principal and interest from the proceeds of an annual ad valorem tax, without legal limitation as to rate or amount, levied against all taxable property within the District.

OTHER TERMS AND COVENANTS: Other terms of the Bonds and the various covenants of the District contained in the Bond Order are described in the Preliminary Official Statement, to which reference is made for all purposes.

MUNICIPAL BOND INSURANCE AND RATING: The District has made applications for a commitment for municipal bond insurance on the Bonds. The purchase of such insurance, if available, and payment of all associated costs, including the premium charged by the insurer and fees charged by rating companies, other than Moody's Investors Service, Inc. ("Moody's"), if applicable, shall be at the option and the expense of the Initial Purchaser (herein defined) will be at the expense of the Initial Purchaser. The fees charged by Moody's will be paid by the District. Moody's has assigned an underlying credit rating of "A2" to the Bonds.

CONDITIONS OF SALE

TYPES OF BIDS AND INTEREST RATES: The Bonds will be sold in one block on an "all or none" basis at a price of not less than 97% of the par value thereof, plus accrued interest from the date of the Bonds to the date of delivery. Bidders are to name the rates of interest to be borne by the Bonds, provided that each interest rate bid must be a multiple of 1/8th or 1/20th of 1%. All Bonds maturing within a single year must bear the same rate of interest. The net effective interest rate on the Bonds may not exceed 6.24%, as calculated pursuant to Chapter 1204 of the Texas Government Code. No limitation will be imposed upon bidders as to the number of rates which may be used, but the highest rate bid may not exceed the lowest rate bid by more than 2-1/2% in interest rate. No bids involving supplemental interest payments will be considered. No bid that generates a cash premium greater than \$5,000 will be considered. Each bid shall indicate the total and net interest costs in dollars and the net effective interest rate determined therefrom, which shall be considered informative only and not as a part of the bid.

BASIS OF AWARD: For the purpose of awarding sale of the Bonds, the total interest cost of each bid will be computed by determining, at the rates specified therein, the total dollar value of all interest on the Bonds from the date thereof to their respective maturities, and adding thereto the dollar amount of the discount bid, if any, or deducting therefrom the premium bid, if any. Subject to the District's right to reject any or all bids, sale of the Bonds will be awarded to the bidder (the "Initial Purchaser") whose bid, under the above

computation, produces the lowest net effective interest rate to the District, subject to compliance with Texas Government Code § 2252.908. The Board reserves the right to reject any or all bids. In the event of mathematical discrepancies between the interest rate(s) bid and the interest cost determined therefrom, as both appear on the Official Bid Form, the bid will be governed solely by the interest rate(s) bid.

ESTABLISHING THE ISSUE PRICE OF THE BONDS: In order to provide the District with information that enables it to comply with certain conditions of the Internal Revenue Code of 1986, as amended, relating to the exclusion of interest on the Bonds from the gross income of their owners, the winning bidder will be required to complete, execute, and deliver to the District or to the Financial Advisor at least five (5) business days prior to the date of delivery of the Bonds, a certification as to the "issue price" of the Bonds (the "Issue Price Certificate"), substantially in the form attached hereto or accompanying this Official Notice of Sale. In the event the winning bidder will not reoffer any maturity of the Bonds for sale to the Public (as defined herein) by the delivery date of the Bonds, the Issue Price Certificate may be modified in a manner approved by the District and Bond Counsel. Each bidder, by submitting its bid, agrees to complete, execute, and timely deliver the Issue Price Certificate, if its bid is accepted by the District. It will be the responsibility of the winning bidder to institute such syndicate reporting requirements, to make such investigation, or otherwise to ascertain such facts necessary to enable it to make such certification with reasonable certainty. Any questions concerning such certification should be directed to Bond Counsel.

For purposes of this section of this Official Notice of Sale:

- (i) "Public" means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Initial Purchaser or a Related Party;
- (ii) "Initial Purchaser" means (A) any person that agrees pursuant to a written contract with the District (or with the lead Initial Purchaser to form an underwriting syndicate) to participate in the initial sale of the Bonds to the Public, and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the Public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the Public);
- (iii) "Related Party" means any two or more persons (including an individual, trust, estate, partnership, association, company, or corporation) that are subject, directly or indirectly, to (A) at least 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (B) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (C) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other); and
- (iv) "Sale Date" means the date that the Bonds are awarded by the District to the winning bidder.

All actions to be taken by the District under this Official Notice of Sale to establish the issue price of the Bonds may be taken on behalf of the District by the Financial Advisor, and any notice or report to be provided to the District may be provided to the Financial Advisor.

The District will consider any bid submitted pursuant to this Official Notice of Sale to be a firm offer for the purchase of the Bonds, as specified in the bid and, if so stated, in the Official Bid Form.

The District intends to rely on Treasury Regulation section 1.148-1(f)(3)(i) (defining "competitive sale" for purposes of establishing the issue price of municipal bonds), which require, among other things, that the District receives bids from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds (the "Competitive Sale Requirement").

In the event that the Competitive Sale Requirement is satisfied, the sale of the Bonds will be awarded to the bidder making a bid that conforms to the specifications herein. In the event that the Competitive Sale Requirement is not satisfied, bids **will not be subject to cancellation and the winning bidder will be required to hold the initial offering price to the Public of each maturity of the Bonds, other than a**

maturity 10% of which has been sold to the Public on the Sale Date (“Hold-the-Price Bonds”), as described in the next paragraph.

By submitting a bid, the winning bidder agrees, on behalf of each Initial Purchaser participating in the purchase of the Bonds, that each Initial Purchaser will neither offer nor sell any maturity of the Hold-the-Price Bonds to any person at a price that is higher than the initial offering price to the Public during the period starting on the Sale Date and ending on the earlier of the following: (i) the close of the fifth (5th) business day after the Sale Date or (ii) the date on which the Initial Purchasers have sold at least 10% of that maturity of the Bonds to the Public at a price that is no higher than the initial offering price to the Public. The winning bidder shall promptly advise the District when the Initial Purchasers have sold 10% of a maturity of the Hold-the-Price Bonds to the Public at a price that is no higher than the initial offering price to the Public, if that occurs prior to the close of the fifth (5th) business day after the Sale Date.

REQUIRED DISCLOSURE OF INTERESTED PARTIES: Pursuant to Texas Government Code §2252.908 (the “Interested Party Disclosure Act” or the “Act”), the District may not award the Bonds to a bidder that is privately held entity unless the bidder, and each privately held syndicate member listed on the Official Bid Form, has provided to the District (c/o Robert W. Baird & Co. Incorporated, 1331 Lamar Street, Suite 1360, Houston, Texas 77010, Attn: Jan Bartholomew, jbartholomew@rwbaird.com) a completed and signed TEC Form 1295 which has been assigned a certificate number by the Texas Ethics Commission (the “TEC”). Pursuant to the rules prescribed by the TEC, the TEC Form 1295 must be completed online through the TEC’s website, assigned a certificate number, printed, signed, and provided to the District. The TEC Form 1295 may accompany the Official Bid Form or may be submitted separately, but must be provided to the District prior to the time prescribed for the award of the Bonds. The TEC Form 1295 may be provided to the District via facsimile or electronically, however, the original signed TEC Form 1295 complete with certificate number must be physically delivered to the District (c/o Bacon & Wallace, L.L.P., Bond Counsel, 6363 Woodway Drive, Suite 800, Houston, Texas 77057) within two business days of the award. Following the award of the Bonds, the District will notify the TEC of the receipt of each completed TEC Form 1295. The District reserves the right to reject any bid that does not comply with the requirements prescribed herein or to waive any such requirements.

For purposes of completing the TEC Form 1295, the entity’s name is “Northampton Municipal Utility District” and the contract ID number is “NORTHAMPTON – S2019 – B.” Neither the District nor its consultants have the ability to verify the information included in a TEC Form 1295, and neither have an obligation nor undertake responsibility for advising any bidder with respect to the proper completion of the TEC Form 1295. Consequently, an entity intending to bid on the Bonds should consult its own advisors to the extent it deems necessary and be prepared to submit the completed form promptly upon notification from the District that its bid is the apparent winning bid.

COMPLIANCE WITH LAWS PROHIBITING CONTRACTS WITH COMPANIES THAT BOYCOTT ISRAEL AND CERTAIN COMPANIES ENGAGED IN BUSINESS WITH IRAN, SUDAN OR FOREIGN TERRORIST ORGANIZATIONS: The District will not award the Bonds to a bidder unless the bidder verifies on behalf of itself and each syndicate member listed on the Official Bid Form that, to the extent the bid for the Bonds represents a contract for goods or services within the meaning of Section 2270.002 of the Texas Government Code, as amended, solely for purposes of Chapter 2270 of the Texas Government Code, and except to the extent otherwise required by applicable federal law, at the time of execution and delivery of this bid and through the end of the underwriting period as defined by United States Securities and Exchange Commission (“SEC”) Rule 15c2-12, neither the bidder nor a syndicate member listed on the Official Bid Form, nor any wholly owned subsidiary, majority-owned subsidiary, parent company or affiliate of the same, boycotts or will boycott Israel. The terms “boycotts Israel” and “boycott Israel” as used in this paragraph have the meanings assigned to the term “boycott Israel” in Section 808.001 of the Texas Government Code, as amended. Additionally, the District will not award the Bonds to a bidder unless the bidder certifies that, to the extent the bid for the Bonds represents a governmental contract within the meaning of Section 2252.151 of the Texas Government Code, as amended, solely for purposes of Chapter 2252 of the Texas Government Code, and except to the extent otherwise required by applicable federal law, at the time of execution and delivery of this bid, neither the bidder nor a syndicate member listed on the Official Bid Form, nor any wholly owned subsidiary, majority-owned subsidiary, parent company or affiliate of the same (i) engages in business with Iran, Sudan, or any foreign terrorist organization as described in Chapters 806 or 807 of the Texas

Government Code, or Subchapter F of Chapter 2252 of the Texas Government Code, or (ii) is a company listed by the Texas Comptroller of Public Accounts under Sections 2270.0201 or 2252.153 of the Texas Government Code. The term "foreign terrorist organization" as used in this paragraph has the meaning assigned to such term in Section 2252.151 of the Texas Government Code.

GOOD FAITH DEPOSIT: Each bid must be accompanied by a bank cashier's check payable to the order of "Northampton Municipal Utility District" in the amount of \$116,000, which is 2% of the par value of the Bonds (the "Good Faith Deposit"). "Official Checks" will not be accepted. The check of the Initial Purchaser will be considered as the Good Faith Deposit and will be retained uncashed by the District pending the Initial Purchaser's compliance with the terms of the bid. In the event the Initial Purchaser should fail or refuse to take up and pay for the Bonds in accordance with such terms, then the Good Faith Deposit will be cashed and the proceeds accepted by the District as full and complete liquidated damages. The Good Faith Deposit may accompany the bid or it may be submitted separately; if submitted separately, it shall be made available to the District prior to the opening of the bids and shall be accompanied by instructions from the bank on which it is drawn which authorize its use as the Good Faith Deposit of bidders named in such instructions. The Good Faith Deposit of the Initial Purchaser will be returned to the Initial Purchaser uncashed on the date of delivery of the Bonds. No interest will be credited on the Good Faith Deposit. The checks accompanying all other bids will be returned immediately after the bids are opened and the award of the sale of the Bonds has been made.

DELIVERY OF THE BONDS AND ACCOMPANYING DOCUMENTS

DELIVERY OF INITIAL BONDS: Initial delivery of the Bonds ("Initial Delivery") will be as one Bond for each maturity, as set forth below. Unless otherwise agreed with the Initial Purchaser, delivery will be at the corporate trust office of the Paying Agent/Registrar in Houston, Texas. Payment for the Bonds must be made in immediately available funds for unconditional credit to the District, or as otherwise directed by the District. If, at the time set for closing, the Initial Purchaser has provided the Paying Agent/Registrar five (5) business days' written notice of its registration instructions, the Initial Purchaser shall not be required to pay for the initial Bonds until the Paying Agent/Registrar is able to deliver to the Initial Purchaser definitive, registered Bonds conforming to such registration instructions. The Initial Purchaser will be given six (6) business days' notice of the time fixed for delivery of the Bonds.

It is anticipated that Initial Delivery can be made on or about April 18, 2019, and subject to the aforesaid notice, it is understood and agreed that the Initial Purchaser will accept delivery and make payment for the initial Bonds by 10:00 A.M., Central Time, on April 18, 2019, or thereafter on the date the initial Bonds are tendered for delivery, up to and including May 17, 2019. If for any reason the District is unable to make delivery on or before May 17, 2019, then the District immediately shall contact the Initial Purchaser and offer to allow the Initial Purchaser to extend its offer for an additional thirty (30) days. If the Initial Purchaser does not elect to extend its offer within six (6) days thereafter, then the Good Faith Deposit will be returned, and both the District and the Initial Purchaser shall be relieved of any further obligation.

EXCHANGE ON DELIVERY DATE: Upon written request of the Initial Purchaser, delivered to the Paying Agent/Registrar not less than five (5) business days prior to the date fixed for delivery, the Paying Agent/Registrar will, on the delivery date, exchange the Bonds to be delivered by the District for Bonds registered in accordance with instructions contained in such request, in integral multiples of \$5,000, maturing as set out in the Official Notice of Sale and bearing interest in accordance with the terms of the Initial Purchaser's bid.

CUSIP NUMBERS: It is anticipated that CUSIP identification numbers will be printed on the Bonds, but neither the failure to print such number on any Bond nor any error with respect thereto shall constitute cause for a failure or refusal by the Initial Purchaser to accept delivery of and pay for the Bonds in accordance with the terms of this Official Notice of Sale. All expenses relating to the printing of CUSIP numbers on the Bonds shall be paid for by the District; however, payment of the CUSIP Global Services charge for the assignment of the numbers shall be the responsibility of the Initial Purchaser.

CONDITIONS TO DELIVERY: The obligation to take up and pay for the Bonds is subject to the following conditions: the issuance of an approving opinion of the Attorney General of Texas, the Initial Purchaser's receipt of the initial Bonds (or definitive Bonds if the Initial Purchaser has provided the Paying

Agent/Registrar with registration instructions as provided above), the Initial Purchaser's receipt of the legal opinion of Bond Counsel and the no-litigation certificate, and the non-occurrence of the events described below under the caption "- NO MATERIAL ADVERSE CHANGE," all as described below. Further, the Initial Purchaser is not obligated to take up and pay for the Bonds at Initial Delivery if at any time after the award of the Bonds and at or prior to Initial Delivery, the Congress of the United States shall have declared war or a national emergency. In addition, if the District fails to comply with its obligations described under "OFFICIAL STATEMENT" below, the Initial Purchaser may terminate its contract to purchase the Bonds by delivering written notice to the District within five (5) days thereafter.

DTC DEFINITIVE BONDS: After delivery, the Bonds will be issued in book-entry-only form. Cede & Co. is the nominee for DTC. All references herein to the registered owners of the Bonds shall mean Cede & Co. and not the Beneficial Owners of the Bonds. Purchase of beneficial interests in the Bonds will be made in book-entry-only form (without registered Bonds) in the denomination of \$5,000 principal amount or any integral multiple thereof. Under certain limited circumstances described herein, the District may determine to forego immobilization of the Bonds at DTC, or another securities depository, in which case, such beneficial interests would become exchangeable for one or more fully registered Bonds of like principal amount for the Bonds. See "THE BONDS - Book-Entry-Only System" in the Preliminary Official Statement.

LEGAL OPINIONS: The District will furnish to the Initial Purchaser a transcript of certain certified proceedings incident to the issuance and authorization of the Bonds, including a certified copy of the approving legal opinion of the Attorney General of Texas, as recorded in the Bond Register of the Comptroller of Public Accounts of the State of Texas, to the effect that the Attorney General has examined a transcript of proceedings authorizing the issuance of the Bonds, and that based upon such examination, the Bonds are valid and binding obligations of the District payable from the proceeds of an annual ad valorem tax, levied without legal limitation as to rate or amount, upon all taxable property located in the District. The District will also furnish the approving legal opinion of Bond Counsel to the effect that, based upon an examination of such transcript, the Bonds are valid and binding obligations of the District under the Constitution and laws of the State of Texas, except to the extent that enforcement of the rights and remedies of the registered owners of the Bonds may be limited by laws relating to bankruptcy, reorganization, or other similar laws of general application affecting the rights of creditors of political subdivisions such as the District. The legal opinion of Bond Counsel will further state that the Bonds are payable, both as to principal and interest, from the levy of ad valorem taxes, without legal limitation as to rate or amount, upon all taxable property within the District, and that the interest on the Bonds is excludable from gross income for federal income tax purposes under existing law and interest on the Bonds is not subject to the alternative minimum tax on individuals. See "LEGAL MATTERS" in the Preliminary Official Statement. Such opinions express no opinion with respect to the sufficiency of the security for or marketability of the Bonds.

QUALIFIED TAX-EXEMPT OBLIGATIONS: The Code requires a pro rata reduction in the interest expense deduction of a financial institution to reflect such financial institution's investment in tax-exempt obligations acquired after August 7, 1986. An exception to the foregoing provision is provided in the Code for "qualified tax-exempt obligations," which include tax-exempt obligations, such as the Bonds, (a) designated by the issuer as "qualified tax-exempt obligations" and (b) issued by a political subdivision for which the aggregate amount of tax-exempt obligations (not including private activity bonds other than qualified 501(c)(3) bonds) to be issued during the calendar year is not expected to exceed \$10,000,000.

The District will designate the Bonds as "qualified tax-exempt obligations" and represent that the aggregate amount of tax-exempt obligations (including the Bonds) issued by the District and entities subordinate to the District during calendar year 2019 is not expected to exceed \$10,000,000 and that the District and entities subordinate to the District have not designated more than \$10,000,000 in "qualified tax-exempt obligations" (including the Bonds) during calendar year 2019. Notwithstanding this exception, financial institutions acquiring the bonds will be subject to a 20% disallowance of allocable interest expense.

NO-LITIGATION CERTIFICATE: On the date of delivery of the Bonds to the Initial Purchaser, the District will execute and deliver to the Initial Purchaser, a certificate to the effect that no litigation of any nature has been filed or is pending, as of that date, of which the District has notice, to restrain or enjoin the issuance or delivery of the Bonds, or which would affect the provisions made for their payment or security, or in any manner question the validity of the Bonds.

NO MATERIAL ADVERSE CHANGE: The obligation of the Initial Purchaser to take up and pay for the initial Bonds, and of the District to deliver the initial Bonds, is subject to the condition that, up to the time of delivery of and receipt of payment for the initial Bonds, there shall have been no material adverse change in the affairs of the District subsequent to the date of sale from that set forth in the Preliminary Official Statement, as it may have been finalized, supplemented, or amended through the date of delivery.

OFFICIAL STATEMENT

To assist the Initial Purchaser in complying with Rule 15c2-12 of the United States Securities and Exchange Commission (“SEC”), the District and the Initial Purchaser contract and agree, by the submission and acceptance of the winning bid, as follows.

FINAL OFFICIAL STATEMENT: The District has approved and authorized distribution of the accompanying Preliminary Official Statement for dissemination to potential purchasers of the Bonds, but does not presently intend to prepare any other document or version thereof for such purpose, except as described below. Accordingly, the District intends the Preliminary Official Statement to be final as of its date, within the meaning of SEC Rule 15c2-12(b)(1), except for information relating to the offering prices, interest rates, final debt service schedule, selling compensation, identity of the Initial Purchaser, and other similar information, terms, and provisions to be specified in the competitive bidding process. The Initial Purchaser shall be responsible for promptly informing the District of the initial offering yields of the Bonds. Thereafter, the District will complete and authorize distribution of the Official Statement identifying the Initial Purchaser and containing such omitted information.

The District does not intend to amend or supplement the Official Statement otherwise, except to take into account certain subsequent events, if any, as described below. By delivering the final Official Statement or any amendment or supplement thereto in the requested quantity to the Initial Purchaser on or after the sale date, the District intends the same to be final as of such date, within the meaning of SEC Rule 15c2-12(e)(3). Notwithstanding the foregoing, the only representations concerning the absence of material misstatements or omissions from the Official Statement which are being or which will be made by the District are those described and contained in the Official Statement under the caption “OFFICIAL STATEMENT – Certification as to Official Statement.”

CHANGES TO OFFICIAL STATEMENT: If, subsequent to the date of the Official Statement, the District learns, through the ordinary course of business and without undertaking any investigation or examination for such purposes, or is notified by the Initial Purchaser of any adverse event that causes the Official Statement to be materially misleading, and unless the Initial Purchaser elects to terminate its obligation to purchase the Bonds, as described above under “DELIVERY OF THE BONDS AND ACCOMPANYING DOCUMENTS – CONDITIONS TO DELIVERY,” the District will promptly prepare and supply to the Initial Purchaser an appropriate amendment or supplement to the Official Statement satisfactory to the Initial Purchaser; provided, however, that the obligation of the District to do so will terminate when the District delivers the Bonds to the Initial Purchaser, unless the Initial Purchaser notifies the District on or before such date that less than all of the Bonds have been sold to ultimate customers, in which case the District’s obligations hereunder will extend for an additional period of time (but not more than 90 days after the date the District delivers the Bonds) until all of the Bonds have been sold to ultimate customers.

DELIVERY OF OFFICIAL STATEMENTS: The District shall furnish to the Initial Purchaser (and to each participating underwriter of the Bonds, within the meaning of SEC Rule 15c2-12(a), designated by the Initial Purchaser), within seven (7) business days after the sale date, the aggregate number of Official Statements specified in the winning bid. The District also shall furnish to the Initial Purchaser a like number of any supplements or amendments approved and authorized for distribution by the District for dissemination to potential purchasers of the Bonds, as well as such additional copies of the Official Statement or any such supplements or amendments as the Initial Purchaser may request prior to the 90th day after the end of the underwriting period described in SEC Rule 15c2-12(e)(2). The District shall pay the expense of preparing the number of copies of the Official Statement specified in the winning bid and an equal number of any supplements or amendments issued on or before the delivery date, but the Initial Purchaser shall pay for all other copies of the Official Statement or any supplement or amendment thereto.

CONTINUING DISCLOSURE OF INFORMATION: The District will agree in the Bond Order to provide certain periodic information and notices of material events in accordance with SEC Rule 15c2-12, as described in the Preliminary Official Statement under “CONTINUING DISCLOSURE OF INFORMATION.” The Initial Purchaser’s obligation to accept and pay for the Bonds is conditioned upon delivery to the Initial Purchasers or their agent of a certified copy of the Bond Order containing the provisions described under such heading.

GENERAL CONSIDERATIONS

REGISTRATION: The Bonds are transferable on the bond register kept by the Paying Agent/Registrar upon surrender and reissuance. The Bonds are exchangeable for an equal principal amount of Bonds of the same maturity in any authorized denomination upon surrender of the Bonds to be exchanged, but the District may require payment of a sum sufficient to cover any tax or governmental charge payable in connection therewith.

INVESTMENT CONSIDERATIONS: The Bonds involve certain investment considerations as set forth in the Preliminary Official Statement. Prospective purchasers of the Bonds should carefully review the entire Preliminary Official Statement before making an investment decision. Particular attention should be given to the information set forth therein under the caption “INVESTMENT CONSIDERATIONS.”

RESERVATION OF RIGHTS: The District reserves the right to reject all bids or any bid not conforming with the terms hereof and the right to waive any and all irregularities, except time of filing.

NOT AN OFFER TO SELL: This Official Notice of Sale does not alone constitute an offer to sell the Bonds but is merely notice of sale of the Bonds. The invitation for bids on the Bonds is being made by means of this Official Notice of Sale, the Preliminary Official Statement, and the Official Bid Form.

SECURITIES REGISTRATION AND QUALIFICATION: No registration statement relating to the Bonds has been filed with the SEC under the Securities Act of 1933, as amended, in reliance upon exemptions provided thereunder. The Bonds have not been registered or qualified under the Securities Act of Texas in reliance upon various exemptions contained therein; nor have the Bonds been registered or qualified under the securities laws or regulations of any other jurisdiction. The District assumes no responsibility for registration or qualification of the Bonds under the securities laws or regulations of any other jurisdiction in which the Bonds may be offered, sold, or otherwise transferred. This disclaimer of responsibility for registration or qualification for sale or other disposition of the Bonds shall not be construed as an interpretation of any kind with regard to the availability of any exemption from securities registration or qualification provisions in such other jurisdictions.

By submission of a bid, the Initial Purchaser represents that the sale of the Bonds in states other than Texas will be made only pursuant to exemptions from registration or qualification or, where necessary, the Initial Purchaser will register or qualify the Bonds in accordance with the securities laws or regulations of any jurisdiction which so requires. The District agrees to cooperate, at the Initial Purchaser’s written request and expense, in registering or qualifying the Bonds, or in obtaining an exemption from registration or qualification, in any jurisdiction where such action is necessary, provided that the District shall not be required to file a general consent to service of process in any jurisdiction.

ADDITIONAL COPIES: Additional copies of this Official Notice of Sale, the Official Bid Form, and the Preliminary Official Statement may be obtained from Robert W. Baird & Co. Incorporated, 1331 Lamar Street, Suite 1360, Houston, Texas 77010.

[If at least 3 qualified bids are received from initial purchasers]

1. On the first day on which there was a binding contract in writing for the purchase of the Bonds by the Initial Purchaser, the Initial Purchaser's reasonably expected initial offering prices of each maturity of the Bonds with the same credit and payment terms (the "Expected Offering Prices") to a person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Initial Purchaser are as set forth in the pricing wire or equivalent communication for the Bonds, as attached to this Issue Price Certificate as **Schedule A**. The Expected Offering Prices are the prices for the Bonds used by the Initial Purchaser in formulating its bid to purchase the Bonds.

2. The Initial Purchaser had an equal opportunity to bid to purchase the Bonds and it was not given the opportunity to review other bids that was not equally given to all other bidders (i.e., no last look).

3. The bid submitted by the Initial Purchaser constituted a firm bid to purchase the Bonds.

[If less than 3 qualified bids are received from initial purchasers]

1. [Other than the Bonds maturing in ___ ("Hold-the-Price Maturities"), the][The first price at which at least ten percent ("Substantial Amount") of the principal amount of each maturity of the Bonds having the same credit and payment terms ("Maturity") was sold to a person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Initial Purchaser ("Public") are the initial offering prices (the "Initial Offering Prices"), as listed in the pricing wire or equivalent communication for the Bonds that is attached to this Issue Price Certificate as **Schedule A**.]

[Include the following paragraphs 2 and 3 if there are Hold-the-Price Maturities]

2. On or before the first day on which there is a binding contract in writing for the sale of the Bonds ("Sale Date"), the Initial Purchaser offered to the Public each [maturity of the Bonds having the same credit and payment terms ("Maturity")][Maturity of the Hold-the-Price Maturities] at the [Initial Offering Prices for such Maturity][initial offering prices for such Maturity ("Initial Offering Prices")], as set forth in **Schedule A** hereto. [A copy of the pricing wire or equivalent communication for the Bonds is attached to this Issue Price Certificate as **Schedule A**.]

3. As set forth in the Official Notice of Sale, the Initial Purchaser agreed in writing to neither offer nor sell any of the Hold-the-Price Maturities to any person at any higher price than the Initial Offering Price for such Maturity until the earlier of the close of the fifth business day after the Sale Date or the date on which the Initial Purchaser sells [at least ten percent ("Substantial Amount")][a Substantial Amount] of a Maturity of the Bonds to the Public at no higher price than the Initial Offering Price for such Maturity.]

[Include below paragraphs regardless of number of bids; revise numbering as appropriate]

4. As used hereinabove, the term "Initial Purchaser" means (i) (A) a person that agrees pursuant to a written contract with the District (or with the lead initial purchaser to form an underwriting syndicate) to participate in the initial sale of the Bonds to the Public, or (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (i)(A) of this paragraph (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the Public) to participate in the initial sale of the Bonds to the Public, and (ii) any person who has more than 50% common ownership, directly or indirectly, with a person described in clause (i) of this paragraph.

5. Please choose the appropriate statement:

() Initial Purchaser will not purchase bond insurance for the Bonds.

() Initial Purchaser will purchase bond insurance from _____ (the "Insurer") for a fee/premium of \$_____ (the "Fee," which is net of any nonguarantee cost, such as rating agency fees). To the best of the undersigned's knowledge, information and belief, based upon the facts available at this time and current market conditions, the Fee is a reasonable amount payable solely for the transfer of credit risk for the payment of debt service on the Bonds and does not include any amount payable for a cost other than such guarantee, e.g., a credit rating or legal fees. Initial Purchaser represents that the present value of the Fee for each obligation constituting the Bonds to which such Fee is properly allocated and which are insured thereby is less than the present value of the interest reasonably expected to be saved as a result of the insurance on each obligation constituting the Bonds. In determining present value for this purpose, the yield of the Bonds (determined with regard to the payment of the guarantee fee) has been used as the discount rate. The Fee has been paid to a person who is not exempt from federal income taxation and who is not a user or related to the user of any proceeds of the Bonds. No portion of the Fee is refundable upon redemption of any of the Bonds in an amount which would exceed the portion of such Fee that has not been earned.

6. The undersigned has calculated the total underwriting spread on the Bonds to be \$_____. As used herein, the term "total underwriting spread" means the cost for marketing and selling the Bonds, and includes (a) a total takedown of \$_____, (b) a total management fee of \$_____, (c) fees and expenses of underwriter's counsel in the estimated total amount of \$_____, and (d) other expenses in the total estimated amount of \$_____.

The undersigned understands that the foregoing information will be relied upon by District with respect to certain of the representations set forth in the Federal Tax Certificate and with respect to compliance with the federal income tax rules affecting the Bonds, and by Bacon & Wallace, L.L.P. in connection with rendering its opinion that the interest on the Bonds is excluded from gross income for federal income tax purposes, the preparation of the Internal Revenue Service Form 8038-G, and other federal income tax advice that it may give to the District from time to time relating to the Bonds. The undersigned understands that the foregoing information will also be relied upon by the District and by Bacon & Wallace, L.L.P. with respect to compliance with the requirements of Section 1202.008 of Chapter 1202, Texas Government Code, as amended. Notwithstanding anything set forth herein, the Initial Purchaser is not engaged in the practice of law and makes no representation as to the legal sufficiency of the factual matters set forth herein.

The Good Faith Deposit will be returned to the Initial Purchaser uncashed on the date of delivery of the Bonds.

Unless the bidder is exempt from such requirements pursuant to Texas Government Code § 2252.908(c)(4), the District may not accept this bid until it has received a completed and signed TEC Form 1295 complete with a certificate number assigned by the Texas Ethics Commission ("TEC"), pursuant to Texas Government Code § 2252.908 and the rules promulgate thereunder by the TEC. The undersigned understands that failure to provide said form complete with the certificate number assigned by the TEC as provided for in the Official Notice of Sale will result in a non-confirming bid and will prohibit the District from considering this bid for acceptance.

The undersigned agrees to complete, execute, and deliver to the District, by the date of delivery of the Bonds, a certificate relating to the "issue price" of the Bonds in the applicable form accompanying the Official Notice of Sale, with such changes thereto as may be acceptable to the District.
