#### THE BONDS

**DESCRIPTION OF CERTAIN TERMS OF THE BONDS:** The Bonds will be dated and accrue interest from May 1, 2019, with interest payable on September 1, 2019, and on each March 1 and September 1 thereafter (each an “Interest Payment Date”) until the earlier of maturity or prior redemption. The Bonds will be issued only in fully registered form. Principal is payable to the registered owner(s) of the Bonds (the “Bondholder(s)”) upon presentation and surrender at the principal corporate trust office of the paying agent/registrar, initially, Zions Bancorporation, National Association, Houston, Texas, (the “Paying Agent/Registrar”). Interest on the Bonds will be payable by check of the Paying Agent/Registrar, dated as of the Interest Payment Date, and mailed by the Paying Agent/Registrar to the Bondholders, as shown on the records of the Paying Agent/Registrar at the close of business on the 15<sup>th</sup> day of the calendar month next preceding each Interest Payment Date (the “Record Date”). The Bonds will be registered in the name of Cede & Co. as nominee for The Depository Trust Company, New York, New York (“DTC”), which will act as securities depository for the Bonds. Beneficial owners of the Bonds will not receive physical certificates representing the Bonds, but will receive a credit balance on the books of the nominees of such beneficial owners. So long as Cede & Co. is the registered owner of the Bonds, the principal of and interest on the Bonds will be paid by the Paying Agent/Registrar directly to DTC, which will, in turn, remit such principal and interest to its participants for subsequent disbursement to the beneficial owners of the Bonds as described herein. See “THE BONDS – Book-Entry-Only System” in the Preliminary Official Statement. The Bonds will mature serially on September 1 in each of the following years in the following amounts:

Maturity (September 1)	Principal Amount	Maturity (September 1)	Principal Amount
2020	\$ 40,000	2032	\$ 70,000
2021	40,000	2033	70,000
2022	40,000	2034	75,000

2024	45,000	2036	85,000
2025	50,000	2037	85,000
2026	50,000	2038	90,000
2027	55,000	2039	95,000
2028	55,000	2040	100,000
2029	60,000	2041	105,000
2030	60,000	2042	110,000
2031	65,000	2043	115,000

**SERIAL BONDS AND TERM BONDS:** Bidders may provide that all the Bonds be issued as serial bonds or may provide that any two or more consecutive annual principal amounts may be combined into one or more term bonds.

**REDEMPTION PROVISIONS:** The Bonds maturing on and after September 1, 2025, are subject to redemption and payment, at the option of the District, in whole or, from time to time, in part, on September 1, 2024, or on any date thereafter, at a price equal to the principal amount thereof, plus accrued interest thereon to the date fixed for redemption. If less than all the Bonds are redeemed at any time, the District shall determine the maturity or maturities and the amounts thereof to be redeemed, in integral multiples of \$5,000 in principal amount, and if less than all of the Bonds within a maturity are to be redeemed, the Paying Agent/Registrar shall select by lot or other customary method of random selection the Bonds within such maturity to be redeemed. The holder of any Bond, all or a portion of which has been called for redemption, will be required to present such Bond to the Paying Agent/Registrar for payment of the redemption price on the portion of such Bond called for redemption and for the issuance of an exchange Bond in a principal amount equal to the portion of the Bond not so redeemed.

**SECURITY FOR PAYMENT:** The Bonds, when issued, will constitute valid and binding obligations of the District, payable as to principal and interest from the proceeds of a continuing, direct annual ad valorem tax, without legal limitation as to rate or amount, levied against taxable property within the District.

**OTHER TERMS AND COVENANTS:** Other terms of the Bonds and the various covenants of the District contained in the Bond Order are described in the Preliminary Official Statement, to which reference is made for all purposes.

**USE OF PROCEEDS:** A portion of the proceeds of the sale of the Bonds will be used to redeem the \$832,000 Bond Anticipation Note, Series 2018 (the "BAN"), the proceeds of which were used to reimburse the Developer (as defined in the Preliminary Official Statement) for a portion of the following: (i) water, sewer and drainage facilities for Thornberry (Ladera Creek) Sections 1 and 2; (ii) engineering and geotechnical testing for Thornberry (Ladera Creek) Sections 1 and 2; (iii) Storm Water Pollution Preventing Planning (SWPPP) for Thornberry (Ladera Creek) Sections 1 and 2; (iv) District creation and operating costs; and (v) Developer advances. In addition, a portion of the proceeds of the Bonds will be used to pay the remaining portion of items (i) - (vi) listed above, developer interest, 18 months capitalized interest, BAN interest, and to pay BAN and bond issuance costs. See "THE BONDS - Use and Distribution of Bond Proceeds" in the Preliminary Official Statement.

**MUNICIPAL BOND INSURANCE AND RATING:** The District has not made an application for either a commitment for municipal bond guaranty insurance or a municipal bond rating on the Bonds. Furthermore, it is not expected that the District would have been successful in receiving municipal bond insurance or an investment-grade rating on the Bonds.

#### CONDITIONS OF SALE

**TYPES OF BIDS AND INTEREST RATES:** The Bonds will be sold in one block on an "all or none" basis at a price of not less than 97% of the principal amount thereof, plus accrued interest from the date of the Bonds to the date of delivery. Bidders are to name the rates of interest to be borne by the Bonds, provided that each interest rate bid must be a multiple of 1/8th or 1/20th of 1%. All Bonds maturing within a single year must bear the same rate of interest. The net effective interest rate on the Bonds may not exceed 6.04%, as calculated pursuant to Chapter 1204 of the Texas Government Code, as amended. No limitation will be imposed upon bidders as to the number of rates which may be used, but the highest rate bid may not exceed the lowest rate bid by more than 2-1/2% in interest rate. Each bid shall indicate the total and net interest costs in dollars and the net effective interest rate determined therefrom, which shall be considered informative only and not as a part of the bid. No bid generating a cash premium greater than \$5,000 will be accepted.

**BASIS OF AWARD:** For the purpose of awarding sale of the Bonds, the interest cost of each bid will be computed by determining, at the rates specified therein, the total dollar value of all interest on the Bonds from the date thereof to their respective maturities and adding thereto the discount bid, if any. Subject to the District's right to reject any or all bids, sale of the Bonds will be awarded to the bidder (the "Initial Purchaser") whose bid, under the above computation, produces the lowest net interest cost to the District. The Board reserves the right to reject any or all bids. In the event of mathematical discrepancies between the interest rate(s) bid and the interest cost determined therefrom, as both appear on the Official Bid Form, the bid will be governed solely by the interest rate(s) bid.

**GOOD FAITH DEPOSIT:** Each bid must be accompanied by a bank cashier's check payable to the order of "Montgomery County Municipal Utility District No. 148" in the amount of \$33,700 which is 2% of the par value of the Bonds (the "Good Faith Deposit"). "Official Checks" will not be accepted. The check of the Initial Purchaser will be considered as the Good Faith Deposit and will be retained uncashed by the District pending the Initial Purchaser's compliance with the terms of the bid. In the event the Initial Purchaser should fail or refuse to take up and pay for the Bonds in accordance with such terms, then the Good Faith Deposit will be cashed and the proceeds accepted by the District as full and complete liquidated damages. The Good Faith Deposit may accompany the bid or it may be submitted separately; if submitted separately, it shall be made available to the District prior to the opening of the bids and shall be accompanied by instructions from the bank on which it is drawn which authorize its use as the Good Faith Deposit of bidders named in such instructions. THE GOOD FAITH DEPOSIT OF THE INITIAL PURCHASER WILL BE RETURNED TO THE INITIAL

PURCHASER UNCASHED ON THE DATE OF DELIVERY OF THE BONDS. No interest will be credited on the Good Faith Deposit. The checks accompanying all other bids will be returned immediately after the bids are opened and the award of the sale of the Bonds has been made.

**REQUIRED DISCLOSURE OF INTERESTED PARTIES:** Pursuant to Texas Government Code § 2252.908 (the “Interested Party Disclosure Act” or the “Act”), unless the bidder is a publicly traded business entity or wholly owned subsidiary of a publicly traded business entity, the District may not award the Bonds to a bidder unless the bidder, and each syndicate member listed on the Official Bid Form, have provided to the District (c/o Robert W. Baird & Co. Incorporated; Attn: Jan Bartholomew, 1331 Lamar, Suite 1360, Houston, Texas 77010; jbartholomew@rwbaird.com) a completed and signed Texas Ethics Commission Form 1295 (“TEC Form 1295”) which has been assigned a certificate number by the Texas Ethics Commission (the “TEC”). Pursuant to the rules prescribed by the TEC, the TEC Form 1295 must be completed online through the TEC’s website, assigned a certificate number, printed, and signed, and provided to the District (c/o Robert W. Baird & Co. Incorporated; Attn: Jan Bartholomew, 1331 Lamar, Suite 1360, Houston, Texas 77010; jbartholomew@rwbaird.com). The TEC Form 1295 may accompany the Official Bid Form or may be submitted separately, but must be provided to the District prior to the time prescribed for the award of the Bonds. The TEC Form 1295 may be provided to the District electronically, however, the original signed TEC Form 1295 complete with certificate number must be physically delivered to the District (c/o Coats Rose, P.C., 9 Greenway Plaza, Suite 1000, Houston, Texas 77046) within two (2) business days of the award. Following the award of the Bonds, the District will notify the TEC of the receipt of each completed TEC Form 1295. The District reserves the right to reject any bid that does not comply with the requirements prescribed herein or to waive any such requirements. For purposes of completing the TEC Form 1295, box two is the District’s formal name “Montgomery County Municipal Utility District No. 148” and box 3 is “MC MUD 148-S2019.” Neither the District nor its consultants have the ability to verify the information included in a TEC Form 1295, and neither have an obligation nor undertake responsibility for advising any bidder with respect to the proper completion of the TEC Form 1295. Consequently, an entity intending to bid on the Bonds should consult its own advisors to the extent it deems necessary and be prepared to submit the completed form promptly upon notification from the District that its bid is the apparent winning bid.

**COMPLIANCE WITH LAWS PROHIBITING CONTRACTS WITH COMPANIES BOYCOTTING ISRAEL AND CERTAIN COMPANIES ENGAGED IN BUSINESS WITH IRAN, SUDAN, OR FOREIGN TERRORIST ORGANIZATIONS:** As required by Chapter 2270, Texas Government Code, the District may not award the Bonds to a potential purchaser unless the potential purchaser hereby verifies that the potential purchaser, including a wholly owned subsidiary, majority-owned subsidiary, parent company or affiliate of the same, does not boycott Israel and will not boycott Israel through the term of this Agreement. The term “boycott Israel” in this paragraph has the meaning assigned to such term in Section 808.001 of the Texas Government Code, as amended. Similarly, pursuant to Chapter 2252, Texas Government Code, the District may not award the Bonds to a potential purchaser unless the potential purchaser represents and certifies that, at the time of execution of this Agreement neither the potential purchaser, nor any wholly owned subsidiary, majority-owned subsidiary, parent company or affiliate of the same, is a company listed by the Texas Comptroller of Public Accounts under Sections 2270.0201 or 2252.153 of the Texas Government Code. The term “foreign terrorist organization” in this paragraph has the meaning assigned to such term in Section 2252.151 of the Texas Government Code, as amended. By submitting a bid, the potential purchaser makes and certifies to the representations necessary and convenient for the compliance with the aforementioned laws and, at the request of the District, agrees to execute further written certifications as may be necessary or convenient for the District to establish compliance with the aforementioned laws.

#### OFFICIAL STATEMENT

To assist the Initial Purchaser in complying with Rule 15c2-12 (the “Rule”) of the United States Securities and Exchange Commission (“SEC”), the District and the Initial Purchaser contract and agree, by the submission and acceptance of the winning bid, as follows:

**FINAL OFFICIAL STATEMENT:** The District has approved and authorized distribution of the accompanying Preliminary Official Statement for dissemination to potential purchasers of the Bonds, but does not presently intend to prepare any other document or version thereof for such purpose, except as described below. Accordingly, the District intends the Preliminary Official Statement to be final as of its date, within the meaning of SEC Rule 15c2-12(b)(1), except for information relating to the offering prices, interest rates, final debt service schedule, selling compensation, identity of the Initial Purchaser and other similar information, terms and provisions to be specified in the competitive bidding process. The Initial Purchaser shall be responsible for promptly informing the District of the initial offering yields of the Bonds. Thereafter, the District will complete and authorize distribution of the Official Statement identifying the Initial Purchaser and containing such omitted information. The District does not intend to amend or supplement the Official Statement otherwise, except to take into account certain subsequent events, if any, as described below. By delivering the final Official Statement or any amendment or supplement thereto in the requested quantity to the Initial Purchaser on or after the sale date, the District intends the same to be final as of such date, within the meaning of the Rule. Notwithstanding the foregoing, the only representations concerning the absence of material misstatements or omissions from the Official

Statement which are being or which will be made by the District are those described and contained in the Official Statement under the caption "OFFICIAL STATEMENT – Certification as to Official Statement."

**CHANGES TO OFFICIAL STATEMENT:** If, subsequent to the date of the Official Statement, the District learns, through the ordinary course of business and without undertaking any investigation or examination for such purposes, or is notified by the Initial Purchaser of any adverse event which causes the Official Statement to be materially misleading, and unless the Initial Purchaser elects to terminate its obligation to purchase the Bonds, as described below under "DELIVERY AND ACCOMPANYING DOCUMENTS – CONDITIONS TO DELIVERY," the District will promptly prepare and supply to the Initial Purchaser an appropriate amendment or supplement to the Official Statement satisfactory to the Initial Purchaser; provided, however, that the obligation of the District to do so will terminate when the District delivers the Bonds to the Initial Purchaser, unless the Initial Purchaser notifies the District on or before such date that less than all of the Bonds have been sold to ultimate customers, in which case the District's obligations hereunder will extend for an additional period of time (but not more than 90 days after the date the District delivers the Bonds) until all of the Bonds have been sold to ultimate customers.

**DELIVERY OF OFFICIAL STATEMENTS:** The District shall furnish to the Initial Purchaser (and to each participating underwriter of the Bonds, within the meaning of the Rule, designated by the Initial Purchaser), within seven (7) business days after the sale date, the aggregate number of Official Statements specified in the winning bid. The District also shall furnish to the Initial Purchaser a like number of any supplements or amendments approved and authorized for distribution by the District for dissemination to potential purchasers of the Bonds, as well as such additional copies of the Official Statement or any such supplements or amendments as the Initial Purchaser may request prior to the 90th day after the end of the underwriting period described in SEC Rule 15c2-12(e)(2). The District shall pay the expense of preparing the number of copies of the Official Statement specified in the winning bid and an equal number of any supplements or amendments issued on or before the delivery date, but the Initial Purchaser shall pay for all other copies of the Official Statement or any supplement or amendment thereto.

#### DELIVERY AND ACCOMPANYING DOCUMENTS

**DELIVERY OF INITIAL BONDS:** Initial delivery of the Bonds ("Initial Delivery") will be as set forth below. Unless otherwise agreed with the Initial Purchaser, delivery will be at the corporate trust office of the Paying Agent/Registrar in Houston, Texas. Payment for the Bonds must be made in immediately available funds for unconditional credit to the District, or as otherwise directed by the District. If, at the time of closing, the Initial Purchaser has provided the Paying Agent/Registrar five (5) business days' written notice of its registration instructions, the Initial Purchaser shall not be required to pay for the initial Bonds until the Paying Agent/Registrar is able to deliver to the Initial Purchaser definitive, registered Bonds conforming to such registration instructions. The Initial Purchaser will be given six (6) business days' notice of the time fixed for delivery of the Bonds.

It is anticipated that initial Delivery can be made on or about May 16, 2019, and subject to the aforesaid notice, it is understood and agreed that the Initial Purchaser will accept delivery and make payment for the initial Bonds by 10:00 A.M., Central Time, on May 16, 2019, or thereafter on the date the initial Bonds are tendered for delivery, up to and including June 13, 2019. If for any reason the District is unable to make delivery on or before June 13, 2019, then the District immediately shall contact the Initial Purchaser and offer to allow the Initial Purchaser to extend its offer for an additional thirty (30) days. If the Initial Purchaser does not elect to extend its offer within six (6) days thereafter, then the Good Faith Deposit will be returned, and both the District and the Initial Purchaser shall be relieved of any further obligation.

**EXCHANGE ON DELIVERY DATE:** Upon written request of the Initial Purchaser, delivered to the Paying Agent/Registrar not less than five (5) business days prior to the date fixed for delivery, the Paying Agent/Registrar will, on the delivery date, exchange the Bonds to be delivered by the District for Bonds registered in accordance with instructions contained in such request, in integral multiples of \$5,000, maturing as set out in this Official Notice of Sale and bearing interest in accordance with the terms of the Initial Purchaser's bid.

**CUSIP NUMBERS:** It is anticipated that CUSIP identification numbers will be printed on the Bonds, but neither the failure to print such number on any Bond nor any error with respect thereto shall constitute cause for a failure or refusal by the Initial Purchaser to accept delivery of and pay for the Bonds in accordance with the terms of this Official Notice of Sale. All expenses relating to the printing of CUSIP numbers on the Bonds shall be paid for by the District; however, payment of the CUSIP Global Services charge for the assignment of the numbers shall be the responsibility of the Initial Purchaser.

**COMPETITIVE BIDDING AND CERTIFICATE OF INITIAL PURCHASER:** In the event that the District does not receive sufficient qualified bids to satisfy the competitive sale requirements of Treasury Regulation § 1.148-1(f)(3)(i), allowing the District to treat the reasonably expected initial offering price to the public as of the sale date as the issue price of the Bonds, the "hold-the-offering-price rule" shall apply, which will allow the District to treat the initial offering price to the public of each maturity as of the sale date as the issue price of that maturity (the "hold-the-offering-price rule"). So long as the hold-the-offering-price rule applies to any maturity of the Bonds, the Initial Purchaser will neither offer nor sell that

maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following: (i) the date on which the Initial Purchaser has sold at least 10 percent of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public or (b) the close of the fifth business day after the sale date.

The Initial Purchaser agrees to promptly report to the District's financial advisor when it has sold 10 percent of a maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public if that occurs prior to the close of the fifth business day after the sale date. Alternative Certificates of Initial Purchaser are attached for use (I) when the competitive sale requirements of Treasury Regulation § 1.148-1(f)(3)(i) are met and (II) when such requirements are not met.

**CONDITIONS TO DELIVERY:** The obligation to take up and pay for the Bonds is subject to the following conditions: the issuance of an approving opinion of the Attorney General of Texas, the Initial Purchaser's receipt of the initial Bonds (or definitive Bonds if the Initial Purchaser has provided the Paying Agent/Registrar with registration instructions as provided above), the Initial Purchaser's receipt of the legal opinion of Coats Rose, P.C., Houston, Texas, Bond Counsel, and the no-litigation certificate, and the non-occurrence of the events described below under "NO MATERIAL ADVERSE CHANGE," all as described below. Further, the Initial Purchaser is not obligated to take up and pay for the Bonds at Initial Delivery if at any time after the award of the Bonds and at or prior to Initial Delivery, the Congress of the United States shall have declared war or a national emergency. In addition, if the District fails to comply with its obligations described under "OFFICIAL STATEMENT" above, the Initial Purchaser may terminate its contract to purchase the Bonds by delivering written notice to the District within five (5) days thereafter.

**LEGAL OPINIONS:** The District will furnish to the Initial Purchaser a transcript of certain certified proceedings incident to the issuance and authorization of the Bonds, including a certified copy of the approving legal opinion of the Attorney General of Texas, as recorded in the Bond Register of the Comptroller of Public Accounts of the State of Texas, to the effect that the Attorney General has examined a transcript of proceedings authorizing the issuance of the Bonds, and that based upon such examination, the Bonds are valid and binding obligations of the District payable from the proceeds of an annual ad valorem tax, levied without legal limitation as to rate or amount upon all taxable property in the District. The District will also furnish the approving legal opinion of Coats Rose, P.C., Bond Counsel, Houston, Texas, to the effect that, based upon an examination of such transcript, the Bonds are valid and binding obligations of the District under the Constitution and laws of the State of Texas, except to the extent that enforcement of the rights and remedies of the Bondholders may be limited by laws relating to bankruptcy, reorganization, or other similar laws of general application affecting the rights of creditors of political subdivisions such as the District. The legal opinion of Bond Counsel will further state that the Bonds are payable, both as to principal and interest, from the levy of ad valorem taxes without legal limitation as to rate or amount, upon all taxable property within the District, and that the interest on the Bonds is excludable from gross income for federal income tax purposes under statutes, regulations, published rulings and court decisions existing on the date of such opinion assuming compliance by the District with certain covenants relating to the use and investment of the proceeds of the Bonds. See "LEGAL MATTERS" in the Preliminary Official Statement. Such opinions express no opinion with respect to the sufficiency of the security for or marketability of the Bonds.

**DTC DEFINITIVE BONDS:** After delivery, the Bonds will be issued in book-entry-only form. Cede & Co. is the nominee for DTC. All references herein to the registered owners of the Bonds shall mean Cede & Co. and not the beneficial owners of the Bonds. Purchase of beneficial interests in the Bonds will be made in book-entry-only form (without registered Bonds) in the denomination of \$5,000 principal amount or any integral multiple thereof. Under certain limited circumstances described herein, the District may determine to forego immobilization of the Bonds at DTC, or another securities depository, in which case, such beneficial interests would become exchangeable for one or more fully registered Bonds of like principal amount for the Bonds. See "THE BONDS - Book-Entry-Only System" in the Preliminary Official Statement.

**QUALIFIED TAX-EXEMPT OBLIGATIONS:** The Code requires a pro rata reduction in the interest expense deduction of a financial institution to reflect such financial institution's investment in tax-exempt obligations acquired after August 7, 1986. An exception to the foregoing provision is provided in the Code for "qualified tax-exempt obligations," which include tax-exempt obligations, such as the Bonds, (a) designated by the issuer as "qualified tax-exempt obligations" and (b) issued by a political subdivision for which the aggregate amount of tax-exempt obligations (not including private activity bonds other than qualified 501(c)(3) bonds) to be issued during the calendar year is not expected to exceed \$10,000,000.

The District will designate the Bonds as "qualified tax-exempt obligations" and will represent that the aggregate amount of tax-exempt bonds (including the Bonds) issued by the District and entities subordinate to the District during calendar year 2019 is not expected to exceed \$10,000,000 and that the District and entities subordinate to the District have not designated more than \$10,000,000 in "qualified tax-exempt obligations" (including the Bonds) during calendar year 2019.

Notwithstanding this exception, financial institutions acquiring the bonds will be subject to a 20% disallowance of allocable interest expense.

**NO-LITIGATION CERTIFICATE:** On the date of delivery of the Bonds to the Initial Purchaser, the District will execute and deliver to the Initial Purchaser, a certificate to the effect that no litigation of any nature has been filed or is pending, as of that date, of which the District has notice, to restrain or enjoin the issuance or delivery of the Bonds, or which would affect the provisions made for their payment or security, or in any manner question the validity of the Bonds.
