

In the opinion of Foley & Judell, L.L.P., Bond Counsel, under existing law, the interest on the Bonds is excludable from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax. Further, pursuant to Louisiana law, the Bonds and interest or other income thereon or with respect thereto shall be exempt from all income tax and other taxation in the State of Louisiana. See "TAX EXEMPTION" herein and Appendix "G" attached hereto.

This Official Statement of the Parishwide School District of the Parish of Beauregard, State of Louisiana (herein sometimes referred to either as the “Issuer” or the “District”) provides information with respect to the captioned bonds (the “Bonds”). This Official Statement contains summaries of certain provisions of the resolution to be adopted by the Parish School Board of the Parish of Beauregard, State of Louisiana (the “Governing Authority”) on June 19, 2019, pursuant to which the Bonds are being issued (the “Bond Resolution”).

The District is a parish-wide school district located in the Parish of Beauregard, State of Louisiana (the “Parish”). The Parish is located in the southwestern portion of the State of Louisiana (the “State”). The District has an area of approximately 1,157 square miles, a population of 36,928, and includes the incorporated municipalities of DeRidder and Merryville. (A small portion of DeRidder lies within Vernon Parish.) Maps of the District and the surrounding area are included before Appendix “A” hereto.

Brief descriptions of the Issuer, the Bonds, the Bond Resolution, the Act (hereinafter defined) and other proceedings are contained in this Official Statement, and reference to such matters is qualified by reference to such entity, act, resolution, or proceeding so referred to or summarized.

Additional information about the Issuer is included in Appendix “B” hereto. The Annual Financial Report of the Governing Authority for the fiscal year ended June 30, 2018, is included by reference in Appendix “C” hereto. The proposed form of opinion of Foley & Judell, L.L.P., Bond Counsel, is included in Appendix “G” hereto.

Reference in this Official Statement to owner, holder, registered owner, Bondholder or Bondowner means the registered owner of the Bonds determined in accordance with the Bond Resolution.

PURPOSE OF ISSUE

The Bonds are being issued for the purpose of (i) acquiring and/or improving lands for building sites and playgrounds, including construction of necessary sidewalks and streets adjacent thereto; purchasing, erecting and/or improving school buildings and other school related facilities within and for the District, and acquiring the necessary equipment and furnishings therefor, including, to the extent feasible, those school projects set forth in the “Capital Improvements Plan” approved by the Governing Authority, title to which shall be in the public and (ii) paying the costs of issuance of the Bonds.

THE BONDS

Amount of Bonds Being Issued

Twenty Nine Million Dollars (\$29,000,000) of General Obligation School Bonds, Series 2019 of the Issuer are being issued.

Date of Issue

The Bonds are dated as of the date of delivery, which is anticipated to be July 24, 2019.

Average Life

The average life of the Bonds is approximately 13.5595* years from their dated date.

Paying Agent

Argent Trust Company in the City of Ruston, State of Louisiana (the “Paying Agent”), is designated as the initial paying agent for the bonds pursuant to the Bond Resolution.

Authority for Issue

The Bonds are authorized under Article VI, Section 33 of the Constitution of the State of Louisiana of 1974 (the “Constitution”), Part II, Chapter 4 of Subtitle II of Title 39 of the Louisiana Revised Statutes of 1950, as amended (the “Act”), and other constitutional and statutory authority.

Security for Issue

The Bonds are general obligations of the Issuer for which its full faith and credit is pledged to the payment thereof. The Bonds are payable from the annual levy and collection of unlimited *ad valorem* taxes on all the taxable property within the boundaries of the Issuer sufficient to pay the Bonds in principal and interest as they mature.

Article VI, Section 33(B) of the Louisiana Constitution of 1974, as amended (the “Constitution”), provides as follows:

Section 33. Political Subdivisions; General Obligation Bonds.

Section 33(B) Full Faith and Credit. The full faith and credit of a political subdivision is hereby pledged to the payment of general obligation bonds issued by it under this constitution or the statute or proceedings pursuant to which they are issued. The governing authority of the issuing political subdivision shall levy and collect or cause to be levied and collected on all taxable property in the political subdivision ad valorem taxes sufficient to pay principal and interest and redemption premiums, if any, on such bonds as they mature.

Section 521(D) of the Act, provides as follows:

Section 521(D). Levy of Taxes.

(1) The full faith and credit of the government entity is hereby pledged to the payment of general obligation bonds issued by such governmental entity under this Part. The governing authority of any governmental entity issuing general obligation bonds under this Part shall impose and collect annually, for as long as any of its general obligation bonds are outstanding and unpaid, in excess of all other taxes and without limit as to rate or amount, a tax on all property subject to taxation by the governmental entity sufficient to pay the interest and the principal falling due each year, or such amount as may be required for any sinking fund necessary to retire said bonds at maturity. The tax shall be levied and collected, for as long as any of its general obligation bonds are outstanding and unpaid by the same officers, at the same time, and in the same manner as the general taxes of the governmental entity and, except as provided in Paragraph (6) of this Subsection, may be expended solely for payment of debt service on such bonds and administrative expenses relating thereto, such as trustee or paying agent fees and other costs directly related to the administration of such bonds. Should the governmental entity neglect or fail for any reason to impose or collect sufficient taxes for the payment of the principal or interest of any bonds issued hereunder, any person in interest may enforce imposition and collection thereof in any court having jurisdiction of the subject matter, and any suit, action, or proceeding brought by such person in interest shall be a preferred cause, and shall be heard and disposed of without delay.

* Preliminary. Subject to change.

(2) *For the purpose of reducing the overall tax burden on taxpayers and easing the administrative burden of accounting for separate tax levies, any governmental entity with more than one outstanding issue or series of general obligation bonds shall levy a single unified tax for the payment of all of such issues or series.*

(3) *As additional security for the owners of general obligation bonds issued by any special service district that has been created by a parish or municipal governing authority pursuant to a general state law, if there is any default in the imposition and collection of any tax required for the payment of the principal or interest of any general obligation bonds issued by such special service district, then the governing authority of the municipality or parish that created the special service district shall impose and the taxing officers of the parish in which the special service district is situated shall collect at the same time and in the same manner as taxes for parish purposes are imposed and collected, such tax on the taxable property of the special service district as shall be necessary for the payment of the principal and interest on the general obligation bonds of such special service district.*

(4) *All the articles and provisions of the Constitution of Louisiana, and all the laws in force or that may be enacted on and after July 1, 2018, regulating and relating to the collection of taxes and tax sales shall also apply to and regulate the collection of the special taxes imposed under the provisions of this Part, through the officer whose duty it is to collect the taxes and monies due the subdivision imposing the special taxes.*

(5) *As additional security for the owners of all general obligation bonds issued by any governmental entity, in the event of any default in the imposition and collection of the taxes required for the payment of such bonds the taxing officers of the state are further authorized and directed to impose and collect the taxes, and shall certify the same, and cause the same to be imposed and collected at the same time and in the same manner as the taxes for state purposes are imposed and collected in the subdivision incurring the debt.*

Section 39:569.1 of the Louisiana Revised Statutes of 1950, as amended, provides as follows:

Section 569.1. Notice of Default.

The chief executive officer and the fiscal officer of a governing authority of a political subdivision that has issued bonds shall notify, or cause to be notified, the legislative auditor, in writing, that a failure to make a debt service payment by the political subdivision is reasonably likely to occur. The legislative auditor shall be notified either on or before one hundred twenty days before the due date of such payment, or as soon as the officers of the governing authority know, or have good reason to know, that such failure is reasonably likely to occur, whichever occurs last.

Section 510 of the Act provides as follows:

Any governmental entity that has issued bonds under this Part shall notify the State Bond Commission in writing when:

(1) *Any required deposit to any debt service sinking fund in connection with such bonds has not been made within five business days of when due.*

(2) *The principal, interest, premium, or any other payment due on such bonds has not been made within five business days of when due.*

Security Interest

The Issuer in the Bond Resolution pledges the revenues of the special, unlimited *ad valorem* tax referenced above as security for the Bonds. (See “THE BONDS – Security for Issue” herein.) Pursuant to the Constitution, the proceeds of such tax may only be used to pay debt service on the Bonds. The Act provides that the revenues of such tax so pledged shall be subject to the lien of such pledge, as follows:

“It is the intention of the legislature that bonds issued by a governmental entity under this Part, or under any other statutory authority referenced herein, shall be secured debt entitled to the highest possible protection and priority afforded by the bankruptcy laws of the United States and this state. Therefore, the owner or owners of any such bonds are hereby granted and shall have a statutory lien on and a security interest in such taxes, income, revenues, net revenues, monies, payments, receipts, agreements, contract rights, funds, or accounts as are pledged to the payment of such bonds, to the fullest extent and in the manner stated in this Part and in the proceedings authorizing such bonds, and any pledge or grant of a lien or security interest in such taxes, income, revenues, net revenues, monies, payments, receipts, agreements, contract rights, funds, or accounts made by a governmental entity in connection with the issuance of bonds shall be valid, binding, and perfected from the time when the pledge or grant of lien or security interest is made. Such taxes, income, revenues, net revenues, monies, payments, receipts, agreements, contract rights, funds, or accounts shall be immediately subject to the lien of such pledge and security interest without any physical delivery therefor or further act and the lien of such pledge and security interest shall be first priority and valid and binding as against all parties having claims of any kind in tort, contract, bankruptcy, or otherwise against the governmental entity, whether or not such parties have notice thereof. The owner or owners of bonds shall be secured creditors with respect to such taxes, income, revenues, net revenues, monies, payments, receipts, agreements, contract rights, funds, or accounts, as the case may be.”

Furthermore, pursuant to Section 39:1430.1 of the Louisiana Revised Statutes of 1950, as amended, the revenues of tax so pledged and then or thereafter received by the Issuer or the Paying Agent shall be subject to the lien of such pledge.

Pursuant to the Act and Section 39:1430.1, no filing with respect to said lien is required under Chapter 9 of the Uniform Commercial Code as enacted in the State.

The Issuer makes no guarantee with respect to the enforceability of said lien in certain circumstances. (SEE “INVESTOR CONSIDERATIONS – Difficulties in Enforcing Remedies” herein.)

Results of Election

The Bonds were authorized by the voters of the District an election on May 4, 2019 (the “Election”), with the following results:

Number of votes FOR	1,692
Number of votes AGAINST	931

The proposition which was approved by the voters at the Election follows:

DTC will act as securities depository for the Bonds, and purchasers of the Bonds will not receive certificates representing their interest in the Bonds purchased. (See Appendix “J”.) The Bonds are being issued in the denomination of Five Thousand Dollars (\$5,000) or any integral multiple thereof within a single maturity.

Maturities; Interest Payment Dates

The Bonds mature on March 1 in the years and in the principal amounts indicated on the cover of this Official Statement and bear interest from the dated date, payable on March 1 and September 1 of each year, commencing March 1, 2020 (each an “Interest Payment Date”), at the rates per annum indicated on the cover hereof. The Bonds shall bear interest from the date thereof or from the most recent Interest Payment Date to which interest has been paid or duly provided for.

Provisions Applicable if Book-Entry Only System is Terminated

General. Purchasers of Bonds will receive principal and interest payments, and may transfer and exchange Bonds, pursuant to the following provisions if the book-entry only system is terminated. Otherwise, payments and transfers will be made only as described in Appendix “J” attached hereto.

Place of Payment. The Bonds will be payable at the principal corporate trust office of the Paying Agent in the City of Ruston, Louisiana, or at the office of any successor thereto.

Payment of Interest. Upon discontinuation of the book-entry only system, interest on the Bonds will be payable by check mailed on or before the Interest Payment Date by the Paying Agent to the registered owner, determined as of the close of business on the 15th calendar day of the month next preceding an Interest Payment Date (the “Record Date”), whether or not such day is a Business Day (as defined in the Bond Resolution), at the address of such registered owner as it appears on the registration books of the Paying Agent.

The person in whose name any Bond is registered at the close of business on the Record Date with respect to an Interest Payment Date (unless such Bond has been called for redemption on a redemption date which is prior to such Interest Payment Date) shall be entitled to receive the interest payable with respect to such Interest Payment Date notwithstanding the cancellation of such Bond upon any registration of transfer or exchange thereof subsequent to such Record Date and prior to such Interest Payment Date.

Provisions for Transfer, Registration and Assignment. The Bonds may be transferred, registered and assigned only on the registration books of the Paying Agent, and such registration shall be at the expense of the Issuer. A Bond may be assigned by the execution of an assignment form on the Bonds or by other instruments of transfer and assignment acceptable to the Paying Agent. Official notice of such call of any of the Bonds for redemption will be given by means of (i) first class mail, postage prepaid, by notice deposited in the United States mails not less than thirty (30) days prior to the redemption date or (ii) electronic transmission not later than thirty (30) days prior to the redemption date addressed to the registered owner of each bond to be redeemed at his address as shown on the registration books of the Paying Agent.

Pursuant to Chapter 14 of Title 39 of the Louisiana Revised Statutes of 1950, as amended, and the Bond Resolution, the Bonds, in whole or in part, shall be defeased and shall be deemed to be paid and shall no longer be considered to be outstanding under the Bond Resolution, and the covenants, agreements, and obligations contained in the Bond Resolution with respect to such Bonds shall be discharged if one of the following shall occur:

- 1) There is deposited in an irrevocable trust with a bank which is a member of the Federal Deposit Insurance Corporation, or its successor, or with a trust company, monies in an amount sufficient to pay in full the principal of and interest and call premiums, if any, on such Bonds to their stated maturity.
- 2) There is deposited in an irrevocable trust with a bank which is a member of the Federal Deposit Insurance Corporation, or its successor, or with a trust company, noncallable direct general obligations of the United States of America or obligations unconditionally guaranteed in principal and interest by the United States of America, including certificates or other evidence of an ownership interest in such noncallable direct obligations, which may consist of specified portions of interest thereon, such as those securities commonly known as CATS, TIGRS, and STRPS, the principal of and interest on which, when added to other monies, if any, deposited therein, shall be sufficient to pay when due the principal of and interest and call premiums, if any, on such Bonds to their stated maturity.

Neither the obligations nor the moneys deposited in irrevocable trust nor the principal or interest payments on any such obligations shall be withdrawn or used for any purpose other than and shall be held in trust for the payment of the principal of and premium, if any, and interest on the Bonds defeased. The owners of the Bonds which are so defeased shall have an express lien on such moneys or governmental obligations until paid out, used, and applied as set forth above.

Secondary Market Information

There is no guarantee that a secondary trading market will develop for the Bonds. Consequently, prospective bond purchasers should be prepared to hold their Bonds to maturity or prior redemption. Subject to applicable securities laws and prevailing market conditions, the Purchaser intends, but is not obligated to make a market in the Bonds. As a result, owners of the Bonds may be unable to dispose of the Bonds should they no longer desire to own the Bonds. There can be no guarantee of liquidity of the Bonds; consequently, prospective purchasers of the Bonds should be prepared to hold such bonds until maturity.

If such secondary market exists after the issuance of the Bonds; events such as decreased in benchmark interest rate indices, downward revisions or withdrawals of ratings on the Bonds or the Issuer, and general market turmoil, among others, may adversely affect the value of the Bonds on such secondary market. There can be no guarantee that the owner of a Bond will not experience a loss of value of such Bond prior to maturity. See the information under “BOND RATING” herein.

Difficulties in Enforcing Remedies

The remedies available to the owners of the Bonds in the case of nonpayment of the Bonds are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including specifically in the United States Bankruptcy Code, 11 U.S.C. §101 et seq. (the “Bankruptcy Code”), remedies may not be readily available or may be limited. The various legal opinions delivered concurrently with the delivery of the Bonds will be qualified as to the enforceability of the various legal instruments by limitations imposed by general principles of equity and by bankruptcy, insolvency, reorganization, moratorium, or other similar laws affecting the rights of creditors generally.

The enforceability of the rights and remedies of the owners of the Bonds, and the obligations incurred by the Issuer in issuing the Bonds, are subject to the Bankruptcy Code and applicable bankruptcy, insolvency, reorganization, moratorium, or similar laws relating to or affecting the enforcement of creditors' rights generally, now or hereafter in effect to the extent constitutionally applicable; equity principles which may limit the specific enforcement under State law of certain remedies; the exercise by the United States of America of the powers delegated to it by the federal Constitution; and the exercise of the sovereign police powers of the State or its governmental bodies. Consistent with the contracts clauses of the Louisiana and United States Constitutions, in a bankruptcy proceeding or due to the exercise of powers by the federal or State government, bondowners could be subject to judicial discretion and the interpretation of their rights in bankruptcy or otherwise, which consequently may entail risks of delay, limitation, or modification of their rights. Under current State law, no political subdivision of the State, including the Issuer, may file for protection under Chapter 9 of the Bankruptcy Code unless such filing is approved by the Louisiana State Bond Commission and the Governor and Attorney General of the State. Further, no political subdivision of the State, after filing for bankruptcy protection, may carry out a plan of readjustment of debts approved by the bankruptcy court until such plan is approved by the Louisiana State Bond Commission and the Governor and Attorney General of the State.

Approval of Louisiana State Bond Commission

The Louisiana State Bond Commission (the “State Bond Commission”) previously approved the holding of the Election and the issuance of the Bonds. The State Bond Commission expressly provides that said approval does not constitute a recommendation, approval or sanction by the State Bond Commission of the State of the investment quality of the Bonds and does not constitute any guaranty of repayment of the Bonds by the State Bond Commission or the State. The approval of the Bonds by the State Bond Commission should not be relied upon by any prospective purchaser of the Bonds as advice. The written approval of the State Bond Commission expressly states that neither it nor the State shall have any liability or legal responsibility to investors arising out of, related to, or connected with the approval of the Bonds.

Provisions Regarding Issue Price

In the event the Issuer does not receive sufficient qualified bids to satisfy the competitive sale requirements of Treasury Regulation §1.148-1(f)(3)(i), which would allow the Issuer to treat the reasonably expected initial offering price to the public as of the sale date as the issue price of the Bonds, the "Hold-the-Offering-Price Rule" of Treasury Regulation §1.148-1(f)(3)(ii), shall apply, which will allow the Issuer to treat the initial offering price to the public of each maturity as of the sale date as the issue price of that maturity (the "Hold-the-Offering-Price Rule"). So long as the Hold-the-Offering-Price Rule applies to any maturity of the Bonds, the Purchaser agrees that it will neither offer nor sell the maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of

the following: (i) the date on which the winning bidder has sold at least 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public or (ii) the close of the 5th business day after the sale date. The Purchaser shall promptly report to the Issuer's municipal advisor named below when it has sold 10% of a maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public if that occurs prior to the close of the 5th business day after the sale date.

In order to provide the Issuer with information required to enable it to comply with certain conditions of the Code, hereinafter defined, relating to the exclusion of interest on the Bonds from gross income for federal income tax purposes, the Purchaser will be required to complete, execute and deliver to the Issuer (on or before the date of delivery of the Bonds) a certification regarding the "issue price" of the Bonds, substantially in the form of the applicable version of the Proposed Form of Certificate of Underwriter attached as Appendix "T" hereto, subject to modification in a manner acceptable to the Issuer. Each bidder by submitting its bid agrees to complete, execute and deliver such a certificate by the date of delivery of the Bonds, if its bid is accepted by the Issuer. It will be the responsibility of the Purchaser to institute such syndicate reporting requirements, to make such investigation, or otherwise to ascertain the facts necessary to enable it to make such certification with reasonable certainty. Any questions concerning such certification should be directed to Foley & Judell, L.L.P., Bond Counsel.

Electronic Bidding Procedures

Electronic bids must be submitted for the purchase of the Bonds via PARITY®. Bids will be communicated electronically to the Issuer at 11:30 a.m., Louisiana Time, Central Time, on June 19, 2019. Prior to that time, a prospective bidder may (1) submit the proposed terms of its bid via PARITY®, (2) modify the proposed terms of its bid, in which event the proposed terms as last modified will (unless the bid is withdrawn as described herein) constitute its bid for the Bonds, or (3) withdraw its proposed bid. Once the bids are communicated electronically via PARITY® to the Issuer, each bid will constitute an irrevocable offer to purchase the Bonds on the terms therein provided. For purposes of the electronic bidding process, the time as maintained on PARITY® shall constitute the official time.

Bid Requirements

Each electronically submitted bid (i) shall be for the full principal amount of the Bonds, (ii) shall name the rate or rates of interest to be borne by the Bonds, (iii) shall prescribe one rate of interest, not to exceed six per centum (6%) per annum, for the Bonds of any one maturity, (iv) shall limit the interest due on each Bond for each interest period to a single rate, (v) shall be unconditional and (vi) shall be subject to the terms, conditions and restrictions set forth in this Official Statement. No bids providing for additional or supplemental interest will be considered.

No bid for less than par or which specifies the cancellation of Bonds will be considered. Any premium bid must be paid in the funds specified for the payment of Bonds as part of the purchase price.

In the event a bid for the Bonds is accepted, the acceptance of such bid shall be subject to the receipt of a good faith deposit (the "Deposit") by wire transfer to the Issuer in the amount of one percent (1%) of the principal amount of the Bonds (\$290,000) by 3:30 p.m., Louisiana Time, Central Time, on the day following the sale.

In the event the wire fund transfer is not received by the date and time set forth above, the acceptance and award of the bid for the Bonds shall be void. No other Deposit, by check or otherwise, is required in connection with a bid for the Bonds. The Deposit of the Purchaser will be deposited and the proceeds credited against the purchase price of the Bonds, or in the case of neglect or refusal to comply with such bid, will be forfeited to the Issuer as and for liquidated damages. No interest will be allowed on the amount of the Deposit.

The Purchaser, by execution of the official bid form, will agree to provide the Final Official Statement (with any required forms) to the Municipal Securities Rulemaking Board (the “MSRB”) or its designee in a manner sufficient to comply with MSRB Rule G-36. The Purchaser agrees to comply with all applicable provisions of S.E.C. Rule 15c2-12 and MSRB Rule G-36.

The Bonds will be issued initially as one bond for each maturity, in the respective denominations of each annual maturity.

Bidders are asked to indicate to PARITY® the total interest (excluding any premium offered) and the true interest cost, but their failure to do so will not invalidate their bids.

The legal opinion, printed Bonds and transcript of record as passed upon will be furnished to the Purchaser without cost to said Purchaser.

Bond Insurance

If any of the Bonds qualify for issuance of any policy of municipal bond insurance or commitment therefore at the option of a bidder, the purchase of any such insurance policy or the issuance of any such commitment therefor shall be at the sole option and expense of such bidder and any increased costs of issuance of such Bonds resulting by reason of the same shall be paid by such bidder. Any failure of the Bonds to be so insured or of any such policy of insurance to be issued shall not constitute cause for a failure or refusal by the Purchaser of the Bonds to accept delivery of and pay for Bonds in accordance with the terms of the purchase contract. The companies which insure Bonds may have been furnished information in addition to the information included in this Official Statement. In the event the Bonds qualify and are sold with insurance, a free copy of the transcript may be furnished to such insurance provider and additional copies of said transcript may be furnished to such insurance provider at a cost not to exceed fifteen cents per page. As of the date of this Official Statement no action has been officially taken regarding the qualification of the Bonds for insurance.

Method of Award

The Bonds will be awarded to the bidder(s) whose bid offers the lowest “true interest cost” to the Issuer for the full amount of such Bonds, to be determined by doubling the semiannual interest rate (compounded semiannually) necessary to discount the debt service payments on such Bonds from their payment dates to the dated date, such that the sum of such present values is equal to the price bid, including any premium bid (the preceding calculation is sometimes referred to as the “Canadian Interest Cost Method” or “Present Value Method”). In the case of a tie bid, the winning bid will be awarded by lot. If any bid for the Bonds shall be acceptable, a prompt award of the Bonds will be made. The right is expressly reserved to waive any irregularity in any bid or to reject any and all bids received.

Delivery Date, Manner and Place

The Bonds will be delivered at the New Orleans office of Bond Counsel on or about July 24, 2019, but the Purchaser is obligated to accept delivery at any time within sixty (60) days from the date of the sale in the event of the immediate acceptance by the Issuer of any bid submitted. If due to litigation the Bonds cannot be tendered to the Purchaser within the said sixty (60) day period in accordance with the terms of the sale, the Purchaser will have the option for sixty (60) days thereafter to cancel the sale and to request the return of their good faith deposit. If the Bonds cannot be delivered to the Purchaser within the latter sixty (60) day period due to said litigation, thereafter either party will have the option to cancel the sale. Payment of the bid price plus accrued interest to the date of delivery shall be made in federal funds payable to the Issuer.

CUSIP Numbers

It is anticipated that the American Bankers’ Association Committee on Uniform Security Identification Procedures (CUSIP) identification numbers will be printed on the Bonds. The Bonds will be numbered from R-1 upwards. Neither the failure to print such numbers or any Bond nor error with respect thereto shall constitute cause for a failure or refusal by the Purchaser thereof to accept delivery of and pay for

the Bonds in accordance with the terms of the purchase contract. All expenses in relation to printing of CUSIP numbers on the Bonds shall be paid by the Issuer; provided, however, that the fee of the CUSIP Service Bureau for the assignment of said numbers shall be the responsibility of and shall be paid for by the Purchaser.

Additional Official Statements

Any dealer, broker, salesperson or other persons interested in bidding on the obligations herein described may receive additional copies of this Official Statement prior to the date of sale upon request to Bond Counsel. The Purchaser will be furnished a reasonable number of final official statements on or before the seventh business day following the sale of the Bonds.

PROVISIONS RELATING TO THE SECURITY FOR THE BONDS

Assessment Procedures

All taxable property in the State is required by law to be assessed annually at a percentage of its fair market value or use value by assessors elected for four year terms, except that public service property is assessed directly by the Louisiana Tax Commission (the "Tax Commission"). Property tax assessments are required to be equal and uniform throughout the State. Assessments fixed by the assessors are subject to review and revision by the Tax Commission which has the duty of equalizing and finally certifying the assessments. Prior to being certified, the tax rolls containing the assessments are open for public inspection and a local board of review is authorized to conduct public hearings thereon and to recommend changes to the Tax Commission.

The Constitution provides that the classifications of property subject to ad valorem taxation and the percentage of fair market value applicable to each classification for the purpose of determining assessed valuation are as follows:

<u>Classifications</u>	<u>Percentages</u>
1. Land	10%
2. Improvements for residential purposes	10%
3. Electric cooperative properties, excluding land	15%
4. Public service properties, excluding land	25%
5. Other Property	15%

The Constitution also provides that agricultural, horticultural, marsh lands, timber lands and certain historic buildings are to be assessed at 10% of "use" value. Fair market values are determined by the assessors, subject to review and final certification by the Tax Commission.

Under the Constitution, each assessor is required to appraise all property within his Parish at intervals of not more than four years. (A reappraisal was made for 2016 taxes.) To achieve uniformity in assessments, the Tax Commission has adopted guidelines for the assessors to follow in determining fair market values. The guidelines require real property to be reappraised and reassessed at least every four years; personal property, every year; intangible or incorporeal real or immovable property (defined in Louisiana Revised Statutes 47:2322 and 47:1702) at least every four years; intangible or incorporeal personal or movable property (defined in Louisiana Revised Statutes 47:1702), every year; and public service property shall be reassessed every year.

The Tax Commission is required by law to measure the level of appraisals or assessments and the degree of uniformity of assessments for each major class and type of property in each parish throughout the State. If the assessment levels of a parish or a district deviate by more than 10% from the percentage of fair market or use value required by the Constitution, the Tax Commission is required to order the assessor, within a period of one year to reappraise all property within the parish or a district or within one or more property classifications. The Tax Commission is to certify the assessments for the year in which the order is issued but the assessments for the following year shall not be certified until all deviations are corrected to conform to legal requirements.

All tax recipient agencies of ad valorem taxes of each and every parish of the State (the Parish of Orleans excepted), including the parish governing authority, school boards, levee districts, special districts, and municipalities, and all tax recipients of any nature whatsoever of ad valorem taxes in the parish, except municipalities which prepare their own tax rolls, are required to furnish the assessor and the legislative auditor the authorizing ordinances or resolutions and the tax rate to be applied to the assessed values for ad valorem tax purposes not later than June 1 of each year.

By law, the assessor must finish the preparation and listing on the assessment lists of all real and personal property on or before July 1 of each year. The assessor must file his completed tax roll with the Tax Commission on or before November 15 of each year.

The Tax Commission may change or correct any and all assessments of property for the purposes of taxation during the year. Such changes may be made at any time before the taxes levied have actually been paid.

Constitutional Amendments

At various times, the voters of the State have approved amendments to the Constitution that affect the assessed value of and the levy and collection of ad valorem taxes in political subdivisions, including the territory of the Issuer. Examples of recent amendments include a property tax assessment freeze for certain military and disabled persons and limited property tax exemptions for leased medical equipment, motor vehicles, consigned art and the surviving spouses of first responders killed in the line of duty. The Issuer cannot guarantee whether future amendments to the Constitution will be proposed or approved by voters.

Homestead Exemptions

Homestead exemptions are reductions in the assessed value of property applicable to owner-occupied residences. Under the Constitution, the homestead exemption for all homeowners is currently \$7,500 of assessed valuation, except that the homestead exemption for certain homeowners (e.g. 100% disabled veterans and their surviving spouses) is \$15,000 of assessed valuation.

Approximately 17.83% of the total assessed valuation of the Issuer for 2018 represents homestead exempt property. The tax levied to service the Bonds will be subject to homestead exemption.

Tax Rate Adjustment

The tax rate adjustment provisions of the Constitution and Section 47:1705 of the Louisiana Revised Statutes of 1950, as amended, are not applicable to the ad valorem tax levied by the Issuer to service the Bonds.

POLITICAL SUBDIVISIONS ARE REQUIRED TO CONTINUE TO LEVY WITHOUT LIMITATION AD VALOREM TAXES AT SUCH RATES AS MAY BE NECESSARY TO SERVICE GENERAL OBLIGATION BONDS.

Tax Collection Procedures

Ad valorem tax bills are customarily mailed during November of each year and become due on or before December 31 in the calendar year they are assessed. Local taxes not paid and delinquent thirty days after the date upon which the tax is due, shall have added thereto an interest penalty as provided in Louisiana Revised Statutes 47:2127, which shall be collected by the tax recipient body, together with and in the same manner as the tax.

Taxpayers may pay their ad valorem taxes under protest by paying the full amount due and giving notice at the time of payment of their intention to file suit. The amount paid under protest is held in escrow (a) for 30 days pending initiation of a suit; otherwise such amount is surrendered and considered paid-in-full, or (b) if a suit is timely filed, until final judicial determination.

Taxpayers failing to pay assessed taxes subject their real or personal property to seizure and sale in the manner provided by law for judicial sales.

Estimated Millage Required to Service the Bonds

The Governing Authority of the Issuer levied 17.80 mills on the 2018 tax roll for the purpose of paying the principal of and interest on the Issuer's outstanding general obligation school bonds. The Governing Authority estimates that no increase in millage will be required to service the Bonds and the outstanding general obligation school bonds. For additional information, see Appendix "F." See Appendix "B" for further information regarding tax collections and assessed valuations of the Issuer.

TAX EXEMPTION

In the opinion of Foley & Judell, L.L.P., Bond Counsel, interest on the Bonds is excludable from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax. (See Appendix "G".)

The opinion of Bond Counsel will state that pursuant to the Act, the Bonds and the interest or other income thereon or with respect thereto shall be exempt from all income tax and other taxation in the State. (See Appendix "G".) Each prospective purchaser of the Bonds should consult his or her own tax advisor as to the status of interest on the Bonds under the tax laws of any state other than the State.

Except as stated above, Bond Counsel expresses no opinion as to any federal, state or local tax consequences resulting from the ownership or disposition of, or the accrual or receipt of interest on, the Bonds.

General

The Internal Revenue Code of 1986, as amended (the "Code") imposes a number of requirements that must be satisfied for interest on state and local obligations to be excluded from gross income for federal income tax purposes. These requirements include limitations on the use of bond proceeds and the source of repayment of bonds, limitations on the investment of bond proceeds prior to expenditure, a requirement that excess arbitrage earned on the investment of certain bond proceeds be paid periodically to the United States, except under certain circumstances, and a requirement that information reports be filed with the Internal Revenue Service.

The opinion of Bond Counsel will assume continuing compliance with the covenants in the Bond Resolution pertaining to those sections of the Code which affect the exclusion from gross income of interest on the Bonds for federal income tax purposes and, in addition, will rely on representations by the Issuer with respect to matters solely within the knowledge of the Issuer, which Bond Counsel has not independently verified. If the Issuer should fail to comply with the covenants in the Bond Resolution or if the foregoing representations should be determined to be inaccurate or incomplete, interest on the Bonds could become included in gross income from the date of original delivery of the Bonds, regardless of the date on which the event causing such inclusion occurs.

Owners of the Bonds should be aware that (i) the ownership of tax-exempt obligations, such as the Bonds, may result in collateral federal income tax consequences to certain taxpayers and (ii) certain other federal, state and/or local tax consequences may also arise from the ownership and disposition of the Bonds or

the receipt of interest on the Bonds. Furthermore, future laws and/or regulations enacted by federal, state or local authorities may affect certain owners of the Bonds. All prospective purchasers of the Bonds should consult their legal and tax advisors regarding the applicability of such laws and regulations and the effect that the purchase and ownership of the Bonds may have on their particular financial situation.

Alternative Minimum Tax Consideration

Interest on the Bonds is not an item of tax preference for purposes of the federal alternative minimum tax.

Not Qualified Tax-Exempt Obligations (Non-Bank Deductibility)

The Tax Reform Act of 1986 revised Section 265 of the Code so as to generally deny financial institutions 100% of the interest deductions that are allocable to tax-exempt obligations acquired after August 7, 1986. However, an exception is permitted under the Tax Reform Act of 1986 for certain qualified tax-exempt obligations which allows financial institutions to continue to treat the interest on such obligations as being subject to the 20% disallowance provision under prior law if the Issuer, together with certain subordinate entities, reasonably expects that it will not issue more than \$10,000,000 of governmental purpose bonds in a calendar year and designates such bonds as “qualified tax-exempt obligations” pursuant to the provisions of Section 265(b)(3)(B) of the Code. The Bonds are **not** designated as “qualified tax-exempt obligations” pursuant to Section 265(b)(3)(B) of the Code.

Tax Treatment of Original Issue Premium

The Bonds may be offered and sold to the public at a price in excess of their stated principal amounts. Such excess is characterized as a “bond premium” and must be amortized by an investor purchasing a Bond on a constant yield basis over the remaining term of the Bond in a manner that takes into account potential call dates and call prices. An investor cannot deduct amortized bond premium related to a tax-exempt bond for federal income tax purposes. However, as bond premium is amortized, it reduces the investor's basis in the Bond. Investors who purchase a Bond should consult their own tax advisors regarding the amortization of bond premium and its effect on the Bond's basis for purposes of computing gain or loss in connection with the sale, exchange, redemption or early retirement of the Bond.

Tax Treatment of Original Issue Discount

The Bonds may be offered and sold to the public at a price less than their stated principal amounts. The difference between the initial public offering prices and their stated amounts constitutes original issue discount treated as interest which is excluded from gross income for federal income tax purposes and which is exempt from all present State taxation subject to the caveats and provisions described herein. Owners of Bonds should consult their own tax advisors with respect to the determination for federal income tax purposes of original issue discount accrued with respect to such Bonds as of any date, including the date of disposition of a Bond and with respect to the state and local consequences of owning Bonds.

Changes in Federal and State Tax Law

From time to time, there are legislative proposals in Congress and in the states that, if enacted, could alter or amend the federal and state tax matters referred to herein. In addition, such legislation (whether currently proposed, proposed in the future or enacted) could affect the market value or marketability of the Bonds. For example, the Tax Cuts and Jobs Act contains several tax and bond provisions that could significantly reduce the benefit of, or otherwise affect, the exclusion from gross income for federal income tax of interest on the Bonds. Future Congressional proposals could also affect the Bonds, even if never enacted. It cannot be predicted whether or in what form any such proposals might ultimately be enacted or whether if enacted such proposals would apply to bonds issued prior to enactment. In addition, regulatory actions are from time to time announced or proposed and litigation is threatened or commenced which, if implemented or concluded in a particular manner, could adversely affect the market value of the Bonds. It cannot be predicted

whether any such regulatory action will be implemented, how any particular litigation or judicial action will be resolved, or whether the Bonds or the market value thereof would be impacted thereby. Prospective purchasers of the Bonds should consult their tax or investment advisors regarding any pending or proposed legislation, regulatory initiatives or litigation.

The opinions expressed by Bond Counsel are based upon existing legislation and regulations as interpreted by relevant judicial and regulatory authorities as of the date of issuance and delivery of the Bonds, and Bond Counsel has expressed no opinion as of any date subsequent thereto or with respect to any pending or proposed federal or state tax legislation, regulations or litigation.

THE FOREGOING DISCUSSION OF CERTAIN FEDERAL AND STATE INCOME TAX CONSEQUENCES IS PROVIDED FOR GENERAL INFORMATION ONLY. INVESTORS SHOULD CONSULT THEIR TAX OR INVESTMENT ADVISORS AS TO THE TAX CONSEQUENCES TO THEM IN LIGHT OF THEIR OWN PARTICULAR INCOME TAX POSITION, OF ACQUIRING, HOLDING OR DISPOSING OF THE BONDS.

LEGAL MATTERS

No litigation has been filed questioning the validity of the Bonds or the security therefor and a certificate to that effect will be delivered by the Issuer to the Purchaser (hereinafter defined) upon the issuance of the Bonds.

The approving opinion of Foley & Judell, L.L.P., Bond Counsel, is limited to the matters set forth therein, and Bond Counsel is not passing upon the accuracy or completeness of this Official Statement. Bond Counsel's opinion is based on existing law, which is subject to change. Such opinion is further based on factual representations made to Bond Counsel as of the date thereof. Bond Counsel assumes no duty to update or supplement its opinion to reflect any facts or circumstances that may thereafter come to Bond Counsel's attention, or to reflect any changes in law that may thereafter occur or become effective. Moreover, Bond Counsel's opinion is not a guarantee of a particular result and is not binding on the Internal Revenue Service or the courts; rather, such opinion represents Bond Counsel's professional judgment based on its review of existing law and in reliance on the representations and covenants that it deems relevant to such opinion.

A manually executed original of such opinion will be delivered to the Purchaser on the date of payment for and delivery of the Bonds. The proposed form of said legal opinion appears in Appendix "G" to this Official Statement. For additional information regarding the opinion of Bond Counsel, see the preceding section titled "TAX EXEMPTION." The compensation of Bond Counsel is contingent upon the sale and delivery of the Bonds.

PURCHASER

The Bonds are being purchased by _____, of _____, _____ (the "Purchaser") at a purchase price of \$_____ (representing the principal amount of the Bonds, plus a bid premium of \$_____).

BOND RATING

S&P Global Ratings, acting through Standard & Poor's Financial Services LLC ("S&P"), will assign its municipal bond rating of "A+" (Stable Outlook) to the Bonds. The rating reflects only the views of S&P and is not a recommendation to buy, sell or hold the Bonds. Any desired explanation of the significance of such rating should be obtained from S&P, at the following address: S&P Global Ratings, Ross Tower, Suite 3200, 500 North Akard Street, Dallas, Texas 75201, telephone 214-871-1400. The Issuer may have furnished to S&P information relating to the Bonds and other matters, certain of which information and materials have not been included in this Official Statement. Generally, a rating agency bases its rating on the information and materials so furnished and on investigations, studies and assumptions by such rating agency. Ratings may be changed, suspended or withdrawn as a result of changes in rating criteria or changes in, or unavailability of,

information. There is no assurance that the rating on the Bonds will not be changed or withdrawn entirely if, in the judgment of S&P, circumstances so warrant. Any downward change or withdrawal of the rating could have an adverse effect on the market price for the Bonds.

Once the bids are communicated electronically via PARITY® to the Issuer, each bid will constitute an irrevocable offer to purchase the Bonds on the terms therein provided. For purposes of the electronic bidding process, the time as maintained on PARITY® shall constitute the official time.

The Bonds will be dated the date of delivery, will be payable from unlimited ad valorem taxation, and will be in the denomination of Five Thousand Dollars (\$5,000) each, or any integral multiple thereof within a single maturity. The Bonds will bear interest from date thereof or the most recent interest payment date to which interest has been paid or duly provided for, at a rate or rates not exceeding six per centum (6%) per annum on any Bond in any interest payment period, said interest to be payable on March 1, 2020, and semiannually thereafter on March 1 and September 1 of each year. The Bonds will mature serially on March 1 of each year as follows, to-wit:

<u>YEAR</u>	<u>PRINCIPAL AMOUNT</u>	<u>YEAR</u>	<u>PRINCIPAL AMOUNT</u>
2020	\$535,000	2030	\$ 770,000
2021	555,000	2031	1,360,000
2022	575,000	2032	2,225,000
2023	595,000	2033	2,315,000
2024	615,000	2034	2,410,000
2025	640,000	2035	2,505,000
2026	665,000	2036	2,610,000
2027	690,000	2037	2,715,000
2028	715,000	2038	2,825,000
2029	740,000	2039	2,940,000

The Bonds will be issued as fully registered bonds in "book-entry only" form and registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York ("DTC"). DTC will act as securities depository for the bonds, and purchasers of the Bonds will not receive certificates representing their interest in the Bonds purchased. The winning bidder (the "Purchaser") at the time of the sale, however, may elect to not receive book-entry only Bonds, in which case the Purchaser will receive one type written Bond per maturity, exchangeable in the manner provided in the Resolution.

Those Bonds maturing March 1, 2030, and thereafter, will be callable for redemption by the Issuer in full or in part at any time on or after March 1, 2029, and if less than a full maturity, then by lot within such maturity, at the principal amount thereof and accrued interest to the date fixed for redemption. In the event any Bond to be redeemed is of a denomination larger than Five Thousand Dollars (\$5,000), a portion of such Bond (\$5,000 or any multiple thereof) may be redeemed. Official notice of such call of any of the Bonds for redemption will be given by first class mail, postage prepaid, by notice deposited in the United States mails, or by accepted means of electronic communication, not less than thirty (30) days prior to the redemption date addressed to the registered owner of each bond to be redeemed at his address as shown on the registration books of the Paying Agent.

The principal of the Bonds, upon maturity or redemption, will be payable at the principal corporate trust office of the Paying Agent upon presentation and surrender thereof, and interest on the Bonds will be payable by the Paying Agent by check mailed by the Paying Agent to the registered owner (determined as of the 15th calendar day of the month next preceding said interest payment date) at the address as shown on the books of said Paying Agent. Said Paying Agent will be a qualified bank or trust company selected by the Issuer.

Except as provided under DTC's book-entry only system, the Bonds may be transferred, registered and assigned only on the registration books of the Paying Agent, and such registration shall be at the expense of the Issuer. A Bond may be assigned by the execution of an assignment form on the Bonds or by other instruments of transfer and assignment acceptable to the Paying Agent. A new Bond or Bonds will be delivered by the Paying Agent to the last assignee (the new registered owner) in exchange for such transferred and assigned Bonds after receipt of the Bonds to be transferred in proper form. Such new Bond or Bonds must be in the denomination of \$5,000 or any integral multiple thereof within a single maturity. Neither the Issuer nor the Paying Agent shall be required to issue, register, transfer or exchange (i) any Bond during a period beginning at the opening of business on the 15th day of the month next preceding an interest payment date and ending at the close of business on the interest payment date, or (ii) any Bond called for redemption prior to maturity during a period beginning at the opening of business fifteen (15) days before the date of the mailing of a notice of redemption of such Bonds and ending on the date of such redemption.

In connection with the sale of the Bonds, a good faith deposit of 1% of the principal amount of the Bonds will be required. The manner and time of such deposit shall be set forth in the Preliminary Official Statement for the Bonds. The good faith deposit of the successful bidder or bidders will be deposited and the proceeds credited against the purchase price of the series of Bonds, or in the case of neglect or refusal to comply with such bid, will be forfeited to the Issuer as and for liquidated damages. No interest will be allowed on the amount of the good faith deposit.

Bidders shall name the rate or rates of interest the Bonds shall bear, not exceeding six per centum (6%) per annum on any Bond in any interest payment period. Bids must stipulate a purchase price for the Bonds not less than the par value thereof and accrued interest from the date of the Bonds to the date of delivery of the Bonds. No bid which specifies cancellation of the Bonds will be considered. No bids providing for additional or supplemental interest will be considered.

The Governing Authority will meet at the place and time hereinabove set forth for the receipt of bids. The Bonds will be awarded to the bidder whose bid offers the lowest "true interest cost" to the Issuer for the full authorized amount of the Bonds, to be determined by doubling the semiannual interest rate (compounded semiannually) necessary to discount the debt service payments on the Bonds from the payment dates to the date of delivery, such that the sum of such present values is equal to the price bid, including any premium bid (the preceding calculation is sometimes referred to as the "Canadian Interest Cost Method" or "Present Value Method"). In the case of a tie bid, the winning bid will be awarded by lot. If any bid for the Bonds shall be acceptable, a prompt award of the bonds will be made. The right is expressly reserved to waive any irregularity in any bid or to reject any and all bids received.

The Official Statement containing pertinent information relative to the authorization, sale and security of the Bonds is being prepared and may be obtained upon its completion from the Issuer's Bond Counsel, Foley & Judell, L.L.P., One Canal Place, Suite 2600, 365 Canal Street, New Orleans, Louisiana 70130. The Purchaser will be furnished a reasonable number of final official statements on or before the seventh business day following the sale of the Bonds.

The approving legal opinion of Foley & Judell, L.L.P., Bond Counsel, who have supervised the proceedings, the Bonds and the transcripts of record as passed upon will be furnished to the successful bidders without cost to them. Said transcripts will contain the usual closing proofs, including a certificate that up to the time of delivery no litigation has been filed questioning the validity of the Bonds or the taxes necessary to pay the same.

It is anticipated that the American Bankers' Association Committee on Uniform Security Identification Procedures (CUSIP) identification numbers will be printed on the Bonds, but the failure to print such numbers shall not constitute cause for refusal by the successful bidder to accept delivery of and to pay for the Bonds. No CUSIP identification number shall be deemed to be part of any Bond or a part of the contract evidenced thereby, and no liability shall hereafter attach to the Issuer or any of the officers or agents thereof because of or on account of such numbers. All expenses in relation to the printing of the CUSIP identification numbers on the Bonds shall be paid by the Issuer. However, the CUSIP Service Bureau charge for the assignment of such numbers shall be the responsibility of and shall be paid by the successful bidder.

In order to assist bidders in complying with S.E.C. Rule 15c2-12(b)(5), the Governing Authority will undertake, pursuant to the resolution providing for the issuance of the Bonds and a Continuing Disclosure Certificate, to provide annual reports and notices of certain events. A description of this undertaking is set forth in the Preliminary Official Statement and will also be set forth in the Final Official Statement.

In the event the Issuer does not receive sufficient qualified bids to satisfy the competitive sale requirements of Treasury Regulation § 1.148-1(f)(3)(i), which would allow the Issuer to treat the reasonably expected initial offering price to the public as of the sale date as the issue price of the Bonds, the "Hold-the-Offering-Price Rule" of Treasury Regulation § 1.148-1(f)(2)(ii), shall apply, which will allow the Issuer to treat the initial offering price to the public of each maturity as of the sale date as the issue price of that maturity (the "Hold-the-Offering-Price Rule"). So long as the Hold-the-Offering-Price Rule applies to any maturity of the Bonds, the winning bidder will neither offer nor sell that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following: (i) the date on which the winning bidder has sold at least 10 percent of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public or (b) the close of the fifth (5th) business day after the sale date. The winning bidder agrees to promptly report to the Issuer's municipal advisor named below when it has sold 10 percent of a maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public if that occurs prior to the close of the fifth (5th) business day after the sale date.

In order to provide the Issuer with information required to enable it to comply with certain conditions of the Internal Revenue Code of 1986, as amended (the "Code"), relating to the exclusion of interest on the Bonds from gross income for federal income tax purposes, the winning bidder will be required to complete, execute and deliver to the Issuer (on or before the date of delivery of the Bonds) a certification regarding the "issue price" of the Bonds substantially in the form attached as an appendix to the Preliminary Official Statement for the Bonds, subject to modification in a manner acceptable to the Issuer. Each bidder, by submitting its bid, agrees to complete, execute and deliver such a certificate by the date of delivery of the Bonds, if its bid is accepted by the Issuer. It will be the responsibility of the winning bidder to institute such syndicate reporting requirements, to make such investigation, or otherwise to ascertain the facts necessary to enable it to make such certification with reasonable certainty. Any questions concerning such certification should be directed to Foley & Judell, L.L.P., Bond Counsel.

THUS DONE AND SIGNED at DeRidder, Louisiana, on this, the 9th day of May, 2019.

(The personal income level for the United States is derived as the sum of the county estimates; it differs from the national income and product accounts (NIPA) estimate of personal income because by definition, it omits the earnings of Federal civilian and military personnel stationed abroad and others. It can also differ from the NIPA estimate because of different data sources and revision schedules.)

PROPOSED FORM OF LEGAL OPINION

OF

FOLEY & JUDELL, L.L.P.

[PROPOSED FORM OF LEGAL OPINION]

Honorable Parish School Board
Parish of Beauregard, State of Louisiana
DeRidder, Louisiana

\$29,000,000
GENERAL OBLIGATION SCHOOL BONDS, SERIES 2019
PARISHWIDE SCHOOL DISTRICT OF THE
PARISH OF BEAUREGARD, STATE OF LOUISIANA

We have acted as bond counsel to Parishwide School District of the Parish of Beauregard, State of Louisiana (the "Issuer"), in connection with the issuance of the above captioned General Obligation School Bonds, Series 2019 (the "Bonds"). The Bonds are issued in fully registered form, are dated, bear interest at the rates, are subject to redemption, and mature on the dates and in the principal amounts as set forth in the Resolution (hereinafter defined).

The Bonds have been issued by the Issuer pursuant to a resolution adopted by its governing authority on June 19, 2019 (the "Resolution") for the purpose of acquiring and/or improving lands for building sites and playgrounds; including construction of necessary sidewalks and streets adjacent thereto; purchasing, erecting and/or improving school buildings and other school related facilities within and for the District, and acquiring the necessary equipment and furnishings therefor, including, to the extent feasible, those school projects set forth in the "Capital Improvements Plan" approved by the Issuer, title to which shall be in the public, and paying the costs of issuance thereof, under the authority conferred by Article VI, Section 33 of the Constitution of the State of Louisiana of 1974, Part II of Chapter 4 of Subtitle II of Title 39 of the Louisiana Revised Statutes of 1950, as amended (the "Act"), and other constitutional and statutory authority. The Bonds were authorized at an election held on May 4, 2019, the result of which election has been duly promulgated in accordance with law.

We have examined the provisions of the Constitution and statutes of the State of Louisiana, a certified transcript of the proceedings of the governing authority of the Issuer relating to the issuance of the Bonds, and such other documents, proofs and matters of law as we deemed necessary to render this opinion.

As to questions of fact material to our opinion, we have relied upon the certified proceedings and other certifications of public officials and others furnished to us without undertaking to verify the same by independent investigation.

On the basis of the foregoing examinations, we are of the opinion, as of the date hereof and under existing law, that:

1. The Bonds are valid and binding general obligations of the Issuer, and the full faith and credit of the Issuer is pledged for the payment of the Bonds.

2. All taxable property within the territory of the Issuer is subject to the levy of an ad valorem tax for the payment of the principal of and interest on the Bonds, without limit as to rate or amount.

3. Interest on the Bonds is excludable from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax.

4. Pursuant to the Act, the Bonds and the interest or other income thereon or with respect thereto shall be exempt from all income tax and other taxation in the State of Louisiana.

In rendering the opinion expressed in numbered paragraph 3 above, we have relied on representations of the Issuer with respect to questions of fact material to our opinion without undertaking to verify same by independent investigation, and have assumed continuing compliance with covenants in the Resolution pertaining to those sections of the Internal Revenue Code of 1986, as amended, which affect the exclusion from gross income of interest on the Bonds for federal income tax purposes. In the event that such representations are determined to be inaccurate or incomplete or the Issuer fails to comply with the foregoing covenants in the Resolution, interest on the Bonds could become included in gross income from the date of original delivery, regardless of the date on which the event causing such inclusion occurs.

Except as stated above, we express no opinion as to any federal, state or local tax consequences resulting from the ownership of, receipt or accrual of interest on, or disposition of the Bonds.

It is to be understood that the rights of the owners of the Bonds and the enforceability of the Bonds and the Resolution may be subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted to the extent constitutionally applicable, and that their enforceability may also be subject to the exercise of the sovereign police powers of the State of Louisiana, or its governmental bodies, and the exercise of judicial discretion in appropriate cases.

Respectfully submitted,

- (xiv) Appointment of a successor or additional trustee or paying agent or the change of name of a trustee or paying agent, if material;

- (xv) Incurrence of a financial obligation of the Issuer, if material, or agreement to covenants, events of default, remedies, priority rights, or other similar terms of a financial obligation of the Issuer, any of which affect Bondholders; or
- (xvi) Default, event of acceleration, termination event, modification of terms, or other similar events under the terms of a financial obligation of the Issuer, any of which reflect financial difficulties.

(b) Whenever the Issuer obtains knowledge of the occurrence of a Listed Event, the Issuer shall direct the Dissemination Agent to file as soon as possible, but in no event more than ten business days after the occurrence of the event, a notice of such occurrence with the MSRB.

SECTION 6. *Management Discussion of Items Disclosed.* If an item required to be disclosed as part of the Annual Report or the Listed Events would be misleading without discussion, the Issuer shall additionally provide a statement clarifying the disclosure in order that the statement made will not be misleading in light of the circumstances in which it is made.

SECTION 7. *Termination of Reporting Obligation.* The obligations of the Issuer under this Disclosure Certificate shall terminate upon the defeasance, prior redemption or payment in full of all of the Bonds.

SECTION 8. *Dissemination Agent.* The Issuer may, from time to time, appoint or engage a successor Dissemination Agent to assist it in carrying out its obligations under this Disclosure Certificate, and may discharge any such Dissemination Agent, with or without appointing a successor Dissemination Agent.

SECTION 9. *Amendment; Waiver.* Notwithstanding any other provision of this Disclosure Certificate, the Issuer may amend this Disclosure Certificate, and any provision of this Disclosure Certificate may be waived, if:

- (a) The amendment or waiver is made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature, or status of the Issuer, or type of business conducted;
- (b) This Disclosure Certificate, as amended, or the provision, as waived, would have complied with the requirements of the Rule at the time of the primary offering, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and
- (c) The amendment or waiver does not materially impair the interests of the Bondholders, as determined either by an opinion of a nationally recognized bond counsel or by approving vote of the Bondholders pursuant to the terms of the Resolution at the time of the amendment.

In the event of any such amendment or waiver of a provision of this Disclosure Certificate, the Issuer shall describe such amendment in the next Annual Report relating to the Issuer and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or in the case of change of accounting principles, on the presentation) of financial information or operating data being presented by or in respect of the Issuer.

SECTION 10. *Additional Information.* Nothing in this Disclosure Certificate shall be deemed to prevent the Issuer from disseminating any other information, using the means of dissemination set forth in this Disclosure Certificate or any other means of communication, or including any other information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is required by this Disclosure Certificate. If the Issuer chooses to include any information in any Annual Report or notice of occurrence of a Listed Event in addition to that which is specifically required by this Disclosure Certificate, the Issuer shall not have any obligation under this Disclosure Certificate to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

SECTION 11. *Default.* In the event of a failure of the Issuer to comply with any provision of this Disclosure Certificate any Bondholder or the Participating Underwriter may take such actions as may be necessary and appropriate, to cause the Issuer to comply with its obligations under this Disclosure Certificate. A default under this Disclosure Certificate shall not be deemed an event of default under the Resolution, and the sole remedy under this Disclosure Certificate in the event of any failure of the Issuer to comply with this Disclosure Certificate shall be an action to compel performance.

SECTION 12. *Beneficiaries.* This Disclosure Certificate shall inure solely to the benefit of the Issuer, the Dissemination Agent, the Participating Underwriter and the Bondholders, and shall create no rights in any other person or entity.

SECTION 13. *Other Stipulations.* Any document submitted to the MSRB pursuant to this Disclosure Certificate shall be accompanied by identifying information as prescribed by the MSRB. Any document submitted to the MSRB pursuant to this Disclosure Certificate shall be in Portable Document Format (.pdf) and word-searchable (without regard to diagrams, images and other non-textual elements).

GENERAL OBLIGATION SCHOOL BONDS, SERIES 2019
PARISHWIDE SCHOOL DISTRICT OF THE
PARISH OF BEAUREGARD, STATE OF LOUISIANA

CERTIFICATE OF UNDERWRITER

This certificate is furnished by _____, on behalf of itself and the other members of its bidding group, if any (collectively, the “Purchaser”), in connection with the purchase of \$_____ aggregate principal amount General Obligation School Bonds, Series 2019 (the “Bonds”), of Parishwide School District of the Parish of Beauregard, State of Louisiana (the “Issuer”), by the Purchaser at competitive sale. The undersigned hereby certifies as set forth below with respect to the sale and issuance of the Bonds:

1. The undersigned is duly authorized to execute this certificate on behalf of the Purchaser and has been fully apprised of the facts and circumstances forming the basis of this certificate.

2. Insert appropriate option below:

Option 1, 3 Bids Received:

(a) As of the Sale Date, the reasonably expected initial offering prices of the Bonds to the Public by the Purchaser are the prices listed in Schedule A (the “Expected Offering Prices”). The Expected Offering Prices are the prices for the Maturities of the Bonds used by the Purchaser in formulating its bid to purchase the Bonds. Attached as Schedule B is a true and correct copy of the bid provided by the Purchaser to purchase the Bonds.

(b) The Purchaser was not given the opportunity to review other bids prior to submitting its bid.

(c) The bid submitted by the Purchaser constituted a firm offer to purchase the Bonds.

Option 2, 10% of Each Maturity Sold:

As of the date of this certificate, for each Maturity of the Bonds, the first price at which at least 10% of such Maturity of the Bonds was sold to the Public is the respective price listed in Schedule A.

Option 3, Some Maturities Use Hold-the-Offering-Price Rule:

(a) As of the date of this certificate, for each Maturity of the General Rule Maturities, the first price at which at least 10% of such Maturity was sold to the Public is the respective price listed in Schedule A.

(b) The Purchaser offered the Hold-the-Offering-Price Maturities to the Public for purchase at the respective initial offering prices listed in Schedule A (the “Initial Offering Prices”) on or before the Sale Date. A copy of the pricing wire or equivalent communication for the Bonds is attached to this certificate as Schedule B.

(c) As set forth in the Notice of Sale and bid award, the Purchaser has agreed in writing that, (i) for each Maturity of the Hold-the-Offering-Price Maturities, it would neither offer nor sell any of the Bonds of such Maturity to any person at a price that is higher than the Initial Offering Price for such Maturity during the Holding Period for such Maturity (the “hold-the-offering-price rule”), and (ii) any selling group agreement shall contain the agreement of each dealer who is a member of the selling group, and any retail distribution agreement shall contain the agreement of each broker-dealer who is a party to the retail distribution agreement, to comply with the hold-the-offering-price rule. Pursuant to such agreement, no Underwriter (as defined below) has offered or sold any Maturity of the Hold-the-Offering Price Maturities at a price that is higher than the respective Initial Offering Price for that Maturity of the Bonds during the Holding Period.

Option 4, All Maturities Use Hold-the-Offering-Price Rule:

(a) The Purchaser offered each Maturity of the Bonds to the Public for purchase at the respective initial offering prices listed in Schedule A (the “Initial Offering Prices”) on or before the Sale Date. A copy of the pricing wire or equivalent communication for the Bonds is attached to this certificate as Schedule B.

(b) As set forth in the Notice of Sale and bid award, the Purchaser has agreed in writing that, (i) for each Maturity of the Bonds, it would neither offer nor sell any of the Bonds of such Maturity to any person at a price that is higher than the Initial Offering Price for such Maturity during the Holding Period for such Maturity (the “hold-the-offering-price rule”), and (ii) any selling group agreement shall contain the agreement of each dealer who is a member of the selling group, and any retail distribution agreement shall contain the agreement of each broker-dealer who is a party to the retail distribution agreement, to comply with the hold-the-offering-price rule. Pursuant to such agreement, no Underwriter (as defined below) has offered or sold any Maturity of the Bonds at a price that is higher than the respective Initial Offering Price for that Maturity of the Bonds during the Holding Period.

3. The Purchaser has (a) determined the aggregate purchase price of the Bonds to be \$_____, representing the sum of the aggregate principal amount of the Bonds equal to \$_____, [plus a net premium][less a net discount] of \$_____, plus accrued interest of \$_____; (b) determined the yield on the Bonds for arbitrage purposes, calculated in accordance with the methodology set forth in the Code, to be _____%; and (c) determined the weighted average maturity of the Bonds, calculated based on reoffering price, to be _____ years.

4. No Bonds were sold in exchange for property or rights to use any other types of property.

5. The Purchaser further represents that, in our judgment, the present value of the bond insurance premium (the "Premium") paid to [Name of Insurer] (the "Insurer") for issuing the bond insurance policy with respect to the Bonds is less than the present value of the interest estimated to be saved as a result of having such bond insurance. Present value, for this purpose, is computed by using the yield to maturity on the Bonds (with regard to the Premium) as the discount rate. The Premium was determined in an arm's length transaction and represents a reasonable charge for the transfer of credit risk. In addition, no portion of the Premium represents an indirect payment of costs of issuance, including rating agency fees, or the provisions of additional services by the Insurer or by others for the benefit of the Issuer.

6. In addition to terms defined elsewhere herein, the terms below shall have the following meanings in this certificate:

- [(a) "General Rule Maturities" means those Maturities of the Bonds listed in Schedule A hereto as the "General Rule Maturities."]
- [(b) "Hold-the-Offering-Price Maturities" means those Maturities of the Bonds listed in Schedule A hereto as the "Hold-the-Offering-Price Maturities."]
- [(c) "Holding Period" means, with respect to a Hold-the-Offering-Price Maturity, the period starting on the Sale Date and ending on the earlier of (i) the close of the fifth business day after the Sale Date (which date shall be [INSERT DATE]), or (ii) the date on which the Underwriter has sold at least 10% of such Hold-the-Offering-Price Maturity to the Public at prices that are no higher than the Initial Offering Price for such Hold-the-Offering-Price Maturity.]
- [(d) "Maturity" means Bonds with the same credit and payment terms. Bonds with different maturity dates, or Bonds with the same maturity date but different stated interest rates, are treated as separate maturities.
- [(e) "Public" means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter or a related party to an Underwriter. The term "related party" for purposes of this certificate generally means any two or more persons who have greater than 50 percent common ownership, directly or indirectly.
- [(f) "Sale Date" means the first day on which there is a binding contract in writing for the sale of a Maturity of the Bonds. The Sale Date of the Bonds is [DATE].
- [(g) "Tax Compliance Certificate" means the Tax Compliance Certificate for the Bonds to which this certificate is attached.
- [(h) "Underwriter" means, collectively, (i) any person that agrees pursuant to a written contract with the Issuer (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the Public, and (ii) any person that agrees pursuant to a written contract directly or indirectly with a person

described in clause (i) of this paragraph to participate in the initial sale of the Bonds to the Public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the Public).

The representations set forth in this certificate are limited to factual matters only. We are not engaged in the practice of law, and nothing in this certificate represents our interpretation of any laws, including specifically Sections 103 and 148 of the Internal Revenue Code of 1986, as amended, and the Treasury Regulations thereunder. The undersigned understands that the foregoing information will be relied upon by the Issuer with respect to certain of the representations set forth in the Tax Compliance Certificate and with respect to compliance with the federal income tax rules affecting the Bonds, and by Foley & Judell, L.L.P., as bond counsel, in connection with rendering its opinion that the interest on the Bonds is excluded from gross income for federal income tax purposes, the preparation of the Internal Revenue Service Form 8038-G, and other federal income tax advice that it may give to the Issuer from time to time relating to the Bonds; however, the foregoing information may not be relied upon by any other person for any other purpose.

BOOK-ENTRY ONLY SYSTEM

**THIS PAGE INTENTIONALLY

BOOK-ENTRY ONLY SYSTEM

The Bonds initially will be issued solely in book-entry form to be held in the book-entry only system maintained by The Depository Trust Company (“DTC”), New York, New York. So long as such book-entry only system is used, only DTC will receive or have the right to receive physical delivery of the Bonds and, except as otherwise provided herein with respect to Beneficial Owners of Beneficial Ownership Interests, Beneficial Owners will not be or be considered to be, and will not have any rights as owners or holders of the Bonds under the Bond Resolution.

The following information about the book-entry only system applicable to the Bonds has been supplied by DTC. The Issuer makes no representations, warranties or guarantees with respect to its accuracy or completeness.

DTC will initially act as securities depository for the Bonds. The Bonds will be issued as fully registered bonds registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully registered Bond will be issued for each maturity of the Bonds in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). DTC has an S&P Global Rating of AA+. The DTC Rules applicable to its Participants are on file with the U.S. Securities and Exchange Commission (the “SEC”). More information about DTC can be found at www.dtcc.com.

Purchases of the Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC's records. The ownership interest of each actual purchaser of each Bond (“Beneficial Owner”) is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Bond documents. For example, Beneficial Owners of Bonds may wish to ascertain that the nominee holding the Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Bonds within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal and interest payments on the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Issuer or Paying Agent on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Paying Agent or the Issuer, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Issuer or Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Bonds at any time by giving reasonable notice to the Issuer or Paying Agent. Under such circumstances, in the event that a successor depository is not obtained, the Bonds are required to be printed and delivered.

The Issuer may decide to discontinue use of the system of book-entry only transfers through DTC (or a successor securities depository). In that event, Bonds will be printed and delivered to DTC.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the Issuer believes to be reliable, but the Issuer takes no responsibility for the accuracy thereof.

THE ISSUER AND UNDERWRITER CANNOT AND DO NOT GIVE ANY ASSURANCES THAT THE DTC PARTICIPANTS OR THE INDIRECT PARTICIPANTS WILL DISTRIBUTE TO THE BENEFICIAL OWNERS OF THE BONDS (i) PAYMENTS OF PRINCIPAL OF OR INTEREST AND PREMIUM, IF ANY, ON THE BONDS, (ii) CONFIRMATION OF BENEFICIAL OWNERSHIP INTERESTS IN BONDS, OR (iii) REDEMPTION OR OTHER NOTICES SENT TO DTC OR CEDE & CO., ITS NOMINEE, AS THE REGISTERED OWNERS OF THE BONDS, OR THAT THEY WILL DO SO ON A TIMELY BASIS OR THAT DTC, DTC PARTICIPANTS OR INDIRECT PARTICIPANTS WILL SERVE AND ACT IN THE MANNER DESCRIBED IN THIS OFFICIAL STATEMENT. THE CURRENT "RULES" APPLICABLE TO DTC ARE ON FILE WITH THE SEC, AND THE CURRENT "PROCEDURES" OF DTC TO BE FOLLOWED IN DEALING WITH DTC PARTICIPANTS ARE ON FILE WITH DTC.

NEITHER THE ISSUER, UNDERWRITER NOR THE PAYING AGENT WILL HAVE ANY RESPONSIBILITY OR OBLIGATIONS TO SUCH DTC PARTICIPANTS OR THE BENEFICIAL OWNERS WITH RESPECT TO (1) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC OR ANY DTC PARTICIPANT; (2) THE PAYMENT BY ANY DTC PARTICIPANT OF ANY AMOUNT DUE TO ANY BENEFICIAL OWNER IN RESPECT OF THE PRINCIPAL AMOUNT OR INTEREST ON THE BONDS; (3) THE DELIVERY BY ANY DTC PARTICIPANT OF ANY NOTICE TO ANY BENEFICIAL OWNER WHICH IS REQUIRED OR PERMITTED UNDER THE TERMS OF THE BOND RESOLUTION TO BE GIVEN TO BONDHOLDERS; (4) THE SELECTION OF THE BENEFICIAL OWNERS TO RECEIVE PAYMENT IN THE EVENT OF ANY PARTIAL REDEMPTION OF THE BONDS; OR (5) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC AS BONDHOLDER.
