Prior to that time, a prospective bidder may (1) submit the proposed terms of its bid via PARITY®, (2) modify the proposed terms of its bid, in which event the proposed terms as last modified will (unless the bid is withdrawn as described herein) constitute its bid for the Bonds, or (3) withdraw its proposed bid. Once the bids are communicated electronically via PARITY® to the Issuer, each bid will constitute an irrevocable offer to purchase the Bonds on the terms therein provided. For purposes of the electronic bidding process, the time as maintained on PARITY® shall constitute the official time.

The Bonds will be dated the date of delivery, will be payable from unlimited ad valorem taxation, and will be in the denomination of Five Thousand Dollars (\$5,000) each, or any integral multiple thereof within a single maturity. The Bonds will bear interest from date thereof or the most recent interest payment date to which interest has been paid or duly provided for, at a rate or rates not exceeding six per centum (6%) per annum on any Bond in any interest payment period, said interest to be payable on March 1, 2020, and semiannually thereafter on March 1 and September 1 of each year. The Bonds will mature serially on March 1 of each year as follows, to-wit:

2028	715,000	2038	2,825,000
2029	740,000	2039	2,940,000

The Bonds will be issued as fully registered bonds in "book-entry only" form and registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York ("DTC"). DTC will act as securities depository for the bonds, and purchasers of the Bonds will not receive certificates representing their interest in the Bonds purchased. The winning bidder (the "Purchaser") at the time of the sale, however, may elect to not receive book-entry only Bonds, in which case the Purchaser will receive one type written Bond per maturity, exchangeable in the manner provided in the Resolution.

Those Bonds maturing March 1, 2030, and thereafter, will be callable for redemption by the Issuer in full or in part at any time on or after March 1, 2029, and if less than a full maturity, then by lot within such maturity, at the principal amount thereof and accrued interest to the date fixed for redemption. In the event any Bond to be redeemed is of a denomination larger than Five Thousand Dollars (\$5,000), a portion of such Bond (\$5,000 or any multiple thereof) may be redeemed. Official notice of such call of any of the Bonds for redemption will be given by first class mail, postage prepaid, by notice deposited in the United States mails, or by accepted means of electronic communication, not less than thirty (30) days prior to the redemption date addressed to the registered owner of each bond to be redeemed at his address as shown on the registration books of the Paying Agent.

The principal of the Bonds, upon maturity or redemption, will be payable at the principal corporate trust office of the Paying Agent upon presentation and surrender thereof, and interest on the Bonds will be payable by the Paying Agent by check mailed by the Paying Agent to the registered owner (determined as of the 15th calendar day of the month next preceding said interest payment date) at the address as shown on the books of said Paying Agent. Said Paying Agent will be a qualified bank or trust company selected by the Issuer.

Except as provided under DTC's book-entry only system, the Bonds may be transferred, registered and assigned only on the registration books of the Paying Agent, and such registration shall be at the expense of the Issuer. A Bond may be assigned by the execution of an assignment form on the Bonds or by other instruments of transfer and assignment acceptable to the Paying Agent. A new Bond or Bonds will be delivered by the Paying Agent to the last assignee (the new registered owner) in exchange for such transferred and assigned Bonds after receipt of the Bonds to be transferred in proper form. Such new Bond or Bonds must be in the denomination of \$5,000 or any integral multiple thereof within a single maturity. Neither the Issuer nor the Paying Agent shall be required to issue, register, transfer or exchange (i) any Bond during a period beginning at the opening of business on the 15th day of the month next preceding an interest payment date and ending at the close of business on the interest payment date, or (ii) any Bond called for redemption prior to maturity during a period beginning at the opening of business fifteen (15) days before the date of the mailing of a notice of redemption of such Bonds and ending on the date of such redemption.

In connection with the sale of the Bonds, a good faith deposit of 1% of the principal amount of the Bonds will be required. The manner and time of such deposit shall be set forth in the Preliminary Official Statement for the Bonds. The good faith deposit of the successful bidder or bidders will be deposited and the proceeds credited against the purchase price of the series of Bonds, or in the case of neglect or refusal to comply with such bid, will be forfeited to the Issuer as and for liquidated damages. No interest will be allowed on the amount of the good faith deposit.

Bidders shall name the rate or rates of interest the Bonds shall bear, not exceeding six per centum (6%) per annum on any Bond in any interest payment period. Bids must stipulate a purchase price for the Bonds not less than the par value thereof and accrued interest from the date of the Bonds to the date of delivery of the Bonds. No bid which specifies cancellation of the Bonds will be considered. No bids providing for additional or supplemental interest will be considered.

The Governing Authority will meet at the place and time hereinabove set forth for the receipt of bids. The Bonds will be awarded to the bidder whose bid offers the lowest "true interest cost" to the Issuer for the full authorized amount of the Bonds, to be determined by doubling the semiannual interest rate (compounded semiannually) necessary to discount the debt service payments on the Bonds from the payment dates to the date of delivery, such that the sum of such present values is equal to the price bid, including any premium bid (the preceding calculation is sometimes referred to as the "Canadian Interest Cost Method" or "Present Value Method"). In the case of a tie bid, the winning bid will be awarded by lot. If any bid for the Bonds shall be acceptable, a prompt award of the bonds will be made. The right is expressly reserved to waive any irregularity in any bid or to reject any and all bids received.

The Official Statement containing pertinent information relative to the authorization, sale and security of the Bonds is being prepared and may be obtained upon its completion from the Issuer's Bond Counsel, Foley & Judell, L.L.P., One Canal Place, Suite 2600, 365 Canal Street, New Orleans, Louisiana 70130. The Purchaser will be furnished a reasonable number of final official statements on or before the seventh business day following the sale of the Bonds.

The approving legal opinion of Foley & Judell, L.L.P., Bond Counsel, who have supervised the proceedings, the Bonds and the transcripts of record as passed upon will be furnished to the successful bidders without cost to them. Said transcripts will contain the usual closing proofs, including a certificate that up to the time of delivery no litigation has been filed questioning the validity of the Bonds or the taxes necessary to pay the same.

It is anticipated that the American Bankers' Association Committee on Uniform Security Identification Procedures (CUSIP) identification numbers will be printed on the Bonds, but the failure to print such numbers shall not constitute cause for refusal by the successful bidder to accept delivery of and to pay for the Bonds. No CUSIP identification number shall be deemed to be part of any Bond or a part of the contract evidenced thereby, and no liability shall hereafter attach to the Issuer or any of the officers or agents thereof because of or on account of such numbers. All expenses in relation to the printing of the CUSIP identification numbers on the Bonds shall be paid by the Issuer. However, the CUSIP Service Bureau charge for the assignment of such numbers shall be the responsibility of and shall be paid by the successful bidder.

In order to assist bidders in complying with S.E.C. Rule 15c2-12(b)(5), the Governing Authority will undertake, pursuant to the resolution providing for the issuance of the Bonds and a Continuing Disclosure Certificate, to provide annual reports and notices of certain events. A description of this undertaking is set forth in the Preliminary Official Statement and will also be set forth in the Final Official Statement.

In the event the Issuer does not receive sufficient qualified bids to satisfy the competitive sale requirements of Treasury Regulation § 1.148-1(f)(3)(i), which would allow the Issuer to treat the reasonably expected initial offering price to the public as of the sale date as the issue price of the Bonds, the "Hold-the-Offering-Price Rule" of Treasury Regulation § 1.148-1(f)(2)(ii), shall apply, which will allow the Issuer to treat the initial offering price to the public of each maturity as of the sale date as the issue price of that maturity (the "Hold-the-Offering-Price Rule"). So long as the Hold-the-Offering-Price Rule applies to any maturity of the Bonds, the winning bidder will neither offer nor sell that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following: (i) the date on which the winning bidder has sold at least 10 percent of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public or (b) the close of the fifth (5th) business day after the sale date. The winning bidder agrees to promptly report to the Issuer's municipal advisor named below when it has sold 10 percent of a maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public if that occurs prior to the close of the fifth (5th) business day after the sale date.

In order to provide the Issuer with information required to enable it to comply with certain conditions of the Internal Revenue Code of 1986, as amended (the "Code"), relating to the exclusion of interest on the Bonds from gross income for federal income tax purposes, the winning bidder will be required to complete, execute and deliver to the Issuer (on or before the date of delivery of the Bonds) a certification regarding the "issue price" of the Bonds substantially in the form attached as an appendix to the Preliminary Official Statement for the Bonds, subject to modification in a manner acceptable to the Issuer. Each bidder, by submitting its bid, agrees to complete, execute and deliver such a certificate by the date of delivery of the Bonds, if its bid is accepted by the Issuer. It will be the responsibility of the winning bidder to institute such syndicate reporting requirements, to make such investigation, or otherwise to ascertain the facts necessary to enable it to make such certification with reasonable certainty. Any questions concerning such certification should be directed to Foley & Judell, L.L.P., Bond Counsel.

THUS DONE AND SIGNED at DeRidder, Louisiana, on this, the 9th day of May, 2019.

President
