The bids for the Bonds will be opened and publicly read by Rathmann & Associates, L.P., the District’s Financial Advisor and authorized representative of the Board. The Board reserves the right to reject any or all bids and to waive any irregularities, except time of filing.

SEALED BIDS DELIVERED TO THE DISTRICT: Sealed bids, which must be submitted in duplicate executed by an authorized representative of the bidder on the Official Bid Form and plainly marked “Bid for Bonds,” are to be addressed to “President and Board of Directors, Harris County Municipal Utility District No. 168” and delivered to the District in care of Rathmann & Associates, L.P., 8584 Katy Freeway, Suite 250, Houston, Texas 77024, prior to 12:00 Noon, Houston Time, on Tuesday, January 14, 2020. An electronic bid made through the facilities of PARITY shall be deemed an irrevocable offer to purchase the Bonds under the terms expressed in this Official Notice of Sale, and shall be binding upon the bidder as if made by a signed, sealed bid delivered to the District. Neither the District nor Rathmann & Associates, L.P. shall be responsible for any malfunction or mistake made by, or as a result of the use of the facilities of, PARITY, the use of such facilities being at the sole risk of the prospective bidder.

All electronic bids shall be deemed to incorporate the provisions of this Official Notice of Sale and Official Bid Form.

BIDS BY TELEPHONE: Bidders must submit a signed original Official Bid Form executed by an authorized representative of the bidder to R. Craig Rathmann, Rathmann & Associates, L.P., but no later than 12:00 Noon, Houston Time, Tuesday, January 14, 2020. Inquiries with respect to this procedure may be directed to R. Craig Rathmann, Rathmann & Associates, L.P. at (713) 751-1890.

DISCLAIMER OF RESPONSIBILITY: *Neither the District nor Rathmann & Associates, L.P. will be responsible for the submission of any bid(s) received after the filing deadline, nor does the District or Rathmann & Associates, L.P. assume any responsibility or liability with respect to any irregularities or errors associated with the submission of any bid.*

AWARD AND SALE OF THE BONDS: The Board will take action to reject the bids or accept the bid that produces the lowest net effective interest rate for the Bonds at a meeting to be held at a designated meeting place inside the boundaries of the District, 9818 Paddock Court, Houston, Texas 77065, at 6:00 P.M., Houston Time, Tuesday, January 14, 2020. The District will take action to adopt an order (the “Bond Order”) authorizing the issuance and awarding sale of the Bonds or will reject all bids promptly after the opening of bids. Sale of the Bonds will be made subject to compliance with Texas Government Code § 2252.908, as more fully described below. The Board reserves the right to reject any or all bids and to waive any irregularities, except time of filing.

THE BONDS

DESCRIPTION OF CERTAIN TERMS OF THE BONDS: The Bonds will be dated February 1, 2020, with interest payable on September 1, 2020 (seven-month interest payment), and on each September 1 and March 1 thereafter until the earlier of maturity or prior redemption. The Bonds will be issued only in fully registered form. Principal is payable by the paying agent/registrars, initially, The Bank of New York Mellon Trust Company, N.A., in Dallas, Texas, or any successor paying agent/registrars (the “Paying Agent/Registrar,” “Paying Agent,” or “Registrar”). The Bonds will be registered in the name of Cede & Co., as nominee for The Depository Trust Company, New York, New York (“DTC”), which will act as securities depository for the Bonds. Beneficial owners of the Bonds will not receive physical certificates representing the Bonds, but will receive a credit balance on the books of the nominees of such beneficial owners. So long as Cede & Co. is the registered owner of the Bonds, the principal of and interest on the Bonds will be paid by the Paying Agent directly to DTC, which will, in turn, remit such principal and interest to its participants for subsequent disbursement to the beneficial owners of the Bonds as described herein. See “THE BONDS – Book-Entry-Only System.” The Bonds will mature serially on September 1 in the following years and amounts:

<u>Maturity</u>	<u>Principal Amount</u>
2030	\$1,200,000
2031	1,200,000

At the option of the Underwriter (hereinafter defined) as specified in the Official Bid Form, any or all of such maturities may be designated as term bonds subject to mandatory sinking fund redemption provided that the mandatory sinking fund amount in each year shall equal the amounts shown above as maturing in such year.

The Bonds are subject to redemption and payment, at the option of the District, in whole or, from time to time, in part, on September 1, 2025, or on any date thereafter, at a price equal to the principal amount thereof plus accrued interest thereon to the date fixed for redemption. If fewer than all the Bonds are redeemed at any time, the District shall determine the maturity or maturities and the amounts thereof to be redeemed in integral multiples of \$5,000 in principal amount, and if fewer than all of the Bonds within a maturity are to be redeemed, the Registrar shall designate by method of random selection the Bonds within such maturity to be redeemed (or by DTC in accordance with its procedures while the Bonds are in book-entry-only form). The holder of any Bond, all or a portion of which has been called for redemption, shall be required to present such Bond to the Registrar for payment of the redemption price on the portion of the Bond so called for redemption and issuance of an exchange Bond in a principal amount equal to the portion of the Bond not so redeemed.

SECURITY FOR PAYMENT: The Bonds, when issued, will constitute valid and binding obligations of the District, payable as to principal and interest from the proceeds of an annual ad valorem tax, without legal limitation as to rate or amount, levied against all taxable property within the District.

MUNICIPAL BOND INSURANCE AND RATINGS: Applications have been made to Assured Guaranty Municipal Corp (“AGM”), Build America Mutual Assurance Company (“BAM”) and Municipal Assurance Corp. (“MAC”) to issue a commitment for municipal bond guaranty insurance on the Bonds. The purchase of such insurance, if available, and payment of all associated costs, including the premium charged by the insurer, and fees charged by any rating companies other than S&P Global Ratings (“S&P”), a business unit of Standard & Poor's Financial Services LLC, will be at the option and expense of the Underwriter. The Underwriter understands, by submission of its bid, that the Underwriter is solely responsible for the selection of any insurer and for all negotiations with (i) the insurer as to the premium to be paid, and (ii) the insurer and any and all rating companies as to selection of such rating companies, the ratings to be assigned the Bonds as a consequence of the issuance of the municipal bond guaranty insurance policy, and the payment of fees in connection with such ratings except the S&P rating fees as described below. S&P has assigned an underlying rating of “A” (stable outlook) to the Bonds. If the Underwriter chooses to purchase municipal bond guaranty insurance on the Bonds, separate rating(s), including a rating by S&P, may at the election of the Underwriter be assigned the Bonds based upon the understanding that upon delivery of the Bonds a guaranty insurance policy insuring the timely payment of the principal of and interest on the Bonds will be issued by the insurer. The District will pay the cost of both the underlying rating of S&P and the S&P rating associated with the guaranty insurance policy issued relating to the Bonds, if the latter is elected to be used by the Underwriter. As is stated in this Official Notice of Sale under the caption “NO MATERIAL ADVERSE CHANGE,” if the Underwriter elects to purchase municipal guaranty insurance on the Bonds, the rating of the insurer’s creditworthiness by any rating agency does not and will not in any manner affect the District’s financial condition, and thus any change to such rating, including a downgrade thereof, at any time, does not and will not constitute a change, material or otherwise, in the District’s financial condition, and therefore cannot be a basis for termination by the Underwriter of its obligations to take up and pay for the Bonds.

OTHER TERMS AND COVENANTS: Other terms of the Bonds and the various covenants of the District contained in the Bond Order are described in the Preliminary Official Statement, to which reference is made for all purposes.

CONDITIONS OF SALE

TYPES OF BIDS AND INTEREST RATES: The Bonds will be sold in one block on an “all or none” basis at a price of not less than 97% of the principal amount thereof, plus accrued interest from the date of the Bonds to the date of delivery. Bidders are to name the rates of interest to be borne by the Bonds, provided that each interest rate bid must be a multiple of 1/8th or 1/20th of 1%. All Bonds maturing within a single year must bear the same rate of interest. The net effective interest rate on the Bonds may not exceed 4.77%, as calculated pursuant to Chapter 1204, Texas Government Code, as amended. No limitation will be imposed upon bidders as to the number of rates which may be used, but the highest rate bid may not exceed the lowest rate bid by more than 2-1/2% in interest rate. No bid involving supplemental interest payments or zero interest rates will be considered. Each bid shall indicate the total and net interest costs in dollars and the net effective interest rate determined therefrom, which shall be considered informative only and not as a part of the bid.

BASIS OF AWARD: For the purpose of awarding sale of the Bonds, the interest cost of each bid will be computed by determining, at the rates specified therein, the total dollar value of all interest on the Bonds from the date thereof to their respective maturities and adding thereto the discount bid, if any, or deducting therefrom the premium bid, if any. Subject to the District's right to reject any or all bids, sale of the Bonds will be awarded to the bidder (the "Underwriter" or the "Initial Purchaser") whose bid, under the above computation, produces the lowest net interest rate, subject to compliance with Texas Government Code § 2252.908, as described below. The Board reserves the right to reject any or all bids. In the event of mathematical discrepancies between the interest rate(s) bid and the interest cost determined therefrom, as both appear on the Official Bid Form, the bid will be governed solely by the interest rate(s) named.

COMPETITIVE BIDDING AND CERTIFICATE OF UNDERWRITER: In the event that the District does not receive sufficient qualified bids to satisfy the competitive sale requirements of Treasury Regulation § 1.148-1(f)(3)(i), allowing the District to treat the reasonably expected initial offering price to the public as of the sale date as the issue price of the Bonds, the "hold-the-offering-price rule" shall apply, which will allow the District to treat the initial offering price to the public of each maturity as of the sale date as the issue price of that maturity (the "hold-the-offering-price rule"). So long as the hold-the-offering-price rule applies to any maturity of the Bonds, the Underwriter will neither offer nor sell that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following: (i) the date on which the Underwriter has sold at least 10 percent of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public or (b) the close of the fifth business day after the sale date. The Underwriter agrees to promptly report to the District's financial advisor when it has sold 10 percent of a maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public if that occurs prior to the close of the fifth business day after the sale date. Alternative Certificates of Underwriter are attached for use (i) when the competitive sale requirements of Treasury Regulation § 1.148-1(f)(3)(i) are met and (II) when such requirements are not met.

PROVISION OF TEXAS ETHICS COMMISSION FORM 1295 ("TEC FORM 1295") AND CERTIFICATION OF FILING BY BIDDERS: Pursuant to Texas Government Code § 2252.908 (the "Interested Party Disclosure Act" or the "Act"), unless the bidder represents and verifies on the Official Bid Form that the bidder is a publicly traded business entity, or a wholly owned subsidiary of a publicly traded business entity, the District may not award the Bonds to a bidder unless the bidder, and each syndicate member listed on the Official Bid Form, have provided to the District a completed, signed TEC Form 1295 which has been assigned a certificate number by the Texas Ethics Commission (the "TEC"). Pursuant to the rules prescribed by the TEC, the TEC Form 1295 must be completed online through the TEC's website, assigned a certificate number, printed, signed and provided to the District. The TEC Form 1295 may accompany the Official Bid Form or may be submitted separately, but must be provided to the District prior to the time proscribed for the award of the Bonds. The TEC Form 1295 may be provided to the District via facsimile or electronically, however, the original signed TEC Form 1295 complete with certificate number must be physically delivered to the District within two business days of the award. Following the award of the Bonds, the District will notify the TEC of the receipt of each completed TEC Form 1295. The District reserves the right to reject any bid that does not comply with the requirements proscribed herein or to waive any such requirements. For purposes of completing the TEC Form 1295, the entity's name is Harris County Municipal Utility District No. 168 and the contract ID number is HCMUD168-S2020-B. Neither the District nor its consultants have the ability to verify the information included in a TEC Form 1295, and neither have an obligation nor undertake responsibility for advising any bidder with respect to the proper completion of the TEC Form 1295. Consequently, an entity intending to bid on the Bonds should consult its own advisors to the extent it deems necessary and be prepared to submit the completed form promptly upon notification from the District that its bid is the apparent winning bid.

COMPLIANCE WITH LAWS PROHIBITING CONTRACTS WITH COMPANIES BOYCOTTING ISRAEL AND CERTAIN COMPANIES ENGAGED IN BUSINESS WITH IRAN, SUDAN OR FOREIGN TERRORIST ORGANIZATIONS: The District will not award the Bonds to a bidder unless the bidder verifies on behalf of itself and each syndicate member listed on the Official Bid Form that, to the extent the Official Bid Form represents a contract for goods or services within the meaning of Section 2270.002 of the Texas Government Code, as amended, solely for purposes of Chapter 2270 of the Texas Government Code, and except to the extent otherwise required by applicable federal law, at the time of execution and delivery of its bid and through the delivery date of the Bonds, neither the bidder nor a syndicate member listed on the Official Bid Form is a Company¹ that boycotts or will boycott Israel. The term "boycotts Israel" and "boycott Israel" as used in this paragraph have the meanings assigned to the term "boycott Israel" in Section 808.001 of the Texas Government Code, as amended. Additionally, the District will not award the Bonds to a bidder unless the bidder certifies that, to the extent the Official Bid Form represents a governmental contract within the meaning of Section 2252.151 of the Texas Government Code, as amended, solely for purposes of Chapter 2252 of the Texas Government Code, and except to the extent otherwise required by applicable federal law, at the time of execution and delivery of its bid, neither the bidder nor a syndicate member listed on the Official Bid Form is a Company² that engages in business with Iran, Sudan, or any foreign terrorist organization as described in Chapter 2270 of the Texas Government Code, or Subchapter F of Chapter 2252 of the Texas Government Code, or (ii) listed by the Texas Comptroller of Public Accounts under Section 2270.0201 or 2252.153 of the Texas Government Code. The term "foreign terrorist organization" as used in this paragraph has the meaning assigned to such term in Section 2252.151 of the Texas Government Code.

GOOD FAITH DEPOSIT: Each bid must be accompanied by a bank cashier's check payable to the order of "Harris County Municipal Utility District No. 168" in the amount of \$48,000, which is 2% of the principal amount of the Bonds (the "Good Faith Deposit"). Only "bank cashier's checks" will be accepted; no "official bank checks" will be accepted. The check of the Underwriter will be considered as the Good Faith Deposit and will be retained uncashed by the District pending the Underwriter's compliance with the terms of the bid. In the event the Underwriter should fail or refuse to take up and pay for the Bonds in accordance with such terms, then the Good Faith Deposit will be cashed and the proceeds accepted by the District as full and complete liquidated damages. The Good Faith Deposit may accompany the bid or it may be submitted separately; if submitted separately, it shall be made available to the District prior to the opening of the bids and shall be accompanied by instructions from the bank on which it is drawn which authorize its use as the Good Faith Deposit of bidders named in such instructions. The Good Faith Deposit of the Underwriter will be returned to the Underwriter uncashed on the date of delivery of the Bonds. No interest will be credited on the Good Faith Deposit. The checks accompanying all other bids will be returned immediately after the bids are opened and the award of the sale of the Bonds has been made.

OFFICIAL STATEMENT

To assist the Underwriter in complying with Rule 15c2-12 of the United States Securities and Exchange Commission ("SEC"), the District and the Underwriter contract and agree, by the submission and acceptance of the winning bid, as follows.

FINAL OFFICIAL STATEMENT: The District has approved and authorized distribution of the accompanying Preliminary Official Statement for dissemination to potential purchasers of the Bonds, but does not presently intend to prepare any other document or version thereof for such purpose, except as described below. Accordingly, the District intends the Preliminary Official Statement to be final as of its date, within the meaning of SEC Rule 15c2-12(b)(1), except for information relating to the offering prices, interest rates, final debt service schedule, selling compensation,

¹ "Company" means a for-profit, organization, association, corporation, partnership, joint venture, limited partnership, limited liability partnership, or limited liability company, including a wholly owned subsidiary, majority-owned subsidiary, parent company, or affiliate of those entities or business associations that exists to make a profit.

² "Company" means a sole proprietorship, organization, association, corporation, partnership, joint venture, limited partnership, limited liability partnership, limited liability company, or other entity or business association whose securities are publicly traded, including a wholly owned subsidiary, majority-owned subsidiary, parent company, or affiliate of those entities or business associations, that exists to make a profit.

identity of the Underwriter and other similar information, terms and provisions to be specified in the competitive bidding process. The Underwriter shall be responsible for promptly informing the District of the initial offering yields of the Bonds. Thereafter, the District will complete and authorize distribution of the Official Statement identifying the Underwriter and containing such omitted information. The District does not intend to amend or supplement the Official Statement otherwise, except to take into account certain subsequent events, if any, as described below. By delivering the final Official Statement or any amendment or supplement thereto in the requested quantity to the Underwriter on or after the sale date, the District intends the same to be final as of such date, within the meaning of SEC Rule 15c2-12(e)(3). Notwithstanding the foregoing, the only representations concerning the absence of material misstatements or omissions from the Official Statement which are being or which will be made by the District are those described and contained in the Official Statement under the caption "OFFICIAL STATEMENT - Certification as to Official Statement."

CHANGES TO OFFICIAL STATEMENT: If, subsequent to the date of the Official Statement, to and including the date the Underwriter is no longer required to provide an Official Statement to customers who request same pursuant to SEC Rule 15c2-12, the District learns, or is notified by the Underwriter, of any adverse event which causes the Official Statement to be materially misleading, and unless the Underwriter elects to terminate its obligation to purchase the Bonds, the District will promptly prepare and supply to the Underwriter an appropriate amendment or supplement to the Official Statement satisfactory to the Underwriter; provided, however, that the obligation of the District to so amend or supplement the Official Statement will terminate upon the earlier of (i) 90 days after the "end of the underwriting period" as defined in SEC Rule 15c2-12 or (ii) the date the Official Statement is filed with the MSRB, but in no case less than 25 days after the "end of the underwriting period."

DELIVERY OF OFFICIAL STATEMENTS: The District shall furnish to the Underwriter (and to each participating underwriter of the Bonds, within the meaning of SEC Rule 15c2-12(a), designated by the Underwriter), within seven (7) business days after the sale date, the aggregate number of Official Statements specified in the winning bid. The District also shall furnish to the Underwriter a like number of any supplements or amendments approved and authorized for distribution by the District for dissemination to potential purchasers of the Bonds, as well as such additional copies of the Official Statement or any such supplements or amendments as the Underwriter may reasonably request prior to the 90th day after the end of the underwriting period described in SEC Rule 15c2-12(e)(2). The District shall pay the expense of preparing the number of copies of the Official Statement specified in the winning bid and an equal number of any supplements or amendments issued on or before the delivery date, but the Underwriter shall pay for all other copies of the Official Statement or any supplement or amendment thereto.

DELIVERY OF THE BONDS AND ACCOMPANYING DOCUMENTS

DELIVERY OF INITIAL BONDS: Delivery will be accomplished by the issuance of one initial bond reflecting each maturity (the "Initial Bonds"), either in typed or printed form, in the aggregate principal amount of \$2,400,000 payable to Cede & Co. and manually signed by the President or Vice President and Secretary or Assistant Secretary of the Board, approved by the Attorney General of Texas, and registered and manually signed by an authorized representative of the Comptroller of Public Accounts of the State of Texas. Unless otherwise agreed with the Underwriter, delivery of the Initial Bonds will be made at the principal corporate trust office of the Registrar in Dallas, Texas. Payment for the Initial Bonds must be made in immediately available funds for unconditional credit to the District, or as otherwise directed by the District. The Underwriter will be given five (5) business days notice of the time fixed for delivery of the Initial Bonds. It is anticipated that initial delivery can be made on or about February 13, 2020, and subject to the aforesaid notice, it is understood and agreed that the Underwriter will accept delivery of and make payment for the Initial Bonds by 10:00 A.M., Houston Time, on February 13, 2020, or thereafter on the date the Initial Bonds are tendered for delivery, up to March 13, 2020. If for any reason the District is unable to make delivery on or before March 13, 2020, then the District immediately shall contact the Underwriter and offer to allow the Underwriter to extend its offer for an additional thirty (30) calendar days. If the Underwriter does not elect to extend its offer within six (6) calendar days thereafter, then the Good Faith Deposit will be returned, and both the District and the Underwriter shall be relieved of any further obligation.

DTC DEFINITIVE BONDS: After delivery of the Initial Bonds, the Bonds will be issued in book-entry-only form. Cede & Co. is the nominee for DTC. All references herein to the Registered Owners of the Bonds shall mean Cede & Co. and not the Beneficial Owners of the Bonds. Purchase of beneficial interests in the Bonds will be made in book-entry-only form (without registered Bonds) in the denomination of \$5,000 principal amount or any integral multiple thereof. Under certain limited circumstances described herein, the District may determine to forego immobilization of the Bonds at DTC, or another securities depository, in which case, such beneficial interests would become exchangeable for one or more fully registered Bonds of like principal amount for the Bonds. See “THE BONDS - Book-Entry-Only System” in the Preliminary Official Statement.

REGISTRATION AND TRANSFER: Section 149(a) of the Internal Revenue Code of 1986, as amended, requires that all tax exempt obligations (with certain exceptions that do not include the Bonds) be in registered form in order for the interest payable on such obligations to be excludable from a Registered Owner's income for federal income tax purposes. The Bonds will be issued as fully-registered securities registered in the name of Cede & Co. pursuant to the Book-Entry-Only System described herein. One fully-registered bond will be issued for each maturity of the Bonds and will be deposited with DTC. See “THE BONDS - Book-Entry-Only System” in the Preliminary Official Statement. So long as any Bonds remain outstanding, the District will maintain at least one Paying Agent/Registrar in the State of Texas for the purpose of maintaining the Register on behalf of the District.

CUSIP NUMBERS: In the event the book-entry-only system is discontinued, CUSIP identification numbers may then be printed or otherwise reproduced on the Bonds, but neither the failure to print such number on any Bond nor any error with respect thereto shall constitute cause for a failure or refusal by the Underwriter to accept delivery of and pay for the Bonds in accordance with the terms of this Official Notice of Sale. All expenses relating to the printing of CUSIP numbers on the Bonds shall be paid for by the District; provided, however, that payment of the CUSIP Service Bureau charge for the assignment of the numbers shall be the responsibility of the Underwriter.

CONDITIONS TO DELIVERY: The obligation to take up and pay for the Bonds is subject to the following conditions: the issuance of an approving opinion of the Attorney General of Texas, the Underwriter's receipt of the Bonds, the Underwriter's receipt of the legal opinions of Bond Counsel and Special Tax Counsel and the no-litigation certificate, and the non-occurrence of the events described below under the caption “NO MATERIAL ADVERSE CHANGE,” all as described below. Further, the Underwriter is not obligated to take up and pay for the Bonds at initial delivery if at any time after the award of the Bonds and at or prior to initial delivery, the Congress of the United States shall have declared war or a national emergency. In addition, if the District fails to comply with its obligations described under “OFFICIAL STATEMENT” below, the Underwriter may terminate its contract to purchase the Bonds by delivering written notice to the District within five (5) days thereafter.

UNDERWRITER'S CERTIFICATION OF ISSUE PRICE: In order to provide the District with information required to enable it to comply with certain conditions of the Internal Revenue Code of 1986, as amended, relating to the exclusion of interest on the Bonds from the gross income of the Bondholders, the Underwriter shall be required to complete, execute and deliver to the District (on or before the date of delivery of the Bonds) a certification as to the “issue price” of the Bonds in the applicable form accompanying this Notice of Sale. Each bidder, by submitting its bid, agrees to complete, execute and deliver such a certificate by the date of delivery of the Bonds, if its bid is accepted by the District. It will be the responsibility of the Underwriter to institute such syndicate reporting requirements, to make such investigation, or otherwise to ascertain the facts necessary to enable it to make such certification with reasonable certainty. Any questions concerning such certification should be directed to Bond Counsel or Special Tax Counsel. In the event that the District does not receive sufficient qualified bids to satisfy the competitive sale requirements of Treasury Regulation § 1.148-1(f)(3)(i), allowing the District to treat the reasonably expected initial offering price to the public as of the sale date as the issue price of the Bonds, the “hold-the-offering-price rule” shall apply, which will allow the District to treat the initial offering price to the public of each maturity as of the sale date as the issue price of that maturity (the “hold-the-offering-price rule”). So long as the hold-the-offering-price rule applies to any maturity of the Bonds, the Underwriter will neither offer nor sell that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following: (i) the date on which the Underwriter has sold at least 10 percent of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public or (b) the close of the fifth business day after the sale date. The

Underwriter agrees to promptly report to the District's financial advisor when it has sold 10 percent of a maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public if that occurs prior to the close of the fifth business day after the sale date. Alternative Certificates of Underwriter are attached for use (i) when the competitive sale requirements of Treasury Regulation § 1.148-1(f)(3)(i) are met and (II) when such requirements are not met.

LEGAL OPINIONS: The District will furnish to the Underwriter a transcript of certain certified proceedings incident to the issuance and authorization of the Bonds, including a certified copy of the approving legal opinion of the Attorney General of Texas, as recorded in the Bond Register of the Comptroller of Public Accounts of the State of Texas, to the effect that the Attorney General has examined a transcript of proceedings authorizing the issuance of the Bonds, and that based upon such examination, the Bonds are valid and binding obligations of the District payable from the proceeds of an annual ad valorem tax, without legal limitation as to rate or amount, levied against all taxable property in the District. The District will also furnish the approving legal opinion of Jeanne H. McDonald, P.C., Bond Counsel, Sugar Land, Texas, to the effect that, based upon an examination of such transcript, the Bonds are valid and binding obligations of the District under the Constitution and laws of the State of Texas, except to the extent that enforcement of the rights and remedies of the holders of the Bonds may be limited by laws relating to bankruptcy, reorganization, or other similar laws of general application affecting the rights of creditors of political subdivisions such as the District. The legal opinion of Bond Counsel will further state that the Bonds are payable, both as to principal and interest, from the levy of ad valorem taxes without legal limitation as to rate or amount, against all taxable property within the District. The District also will furnish the approving legal opinion of Orrick Herrington & Sutcliffe LLP, Special Tax Counsel, to the effect that the interest on the Bonds is excludable from gross income for federal income tax purposes under statutes, regulations, published rulings and court decisions existing on the date of such opinion assuming compliance by the District with certain covenants relating to the use and investment of the proceeds of the Bonds. See "LEGAL MATTERS" in the Preliminary Official Statement. Such opinions express no opinion with respect to the sufficiency of the security for or marketability of the Bonds.

QUALIFIED TAX-EXEMPT OBLIGATIONS: The Code requires a pro rata reduction in the interest expense deduction of a financial institution to reflect such financial institution's investment in tax-exempt obligations acquired after August 20, 1986. An exception to the foregoing provision is provided in the Code for "qualified tax-exempt obligations," which include tax-exempt obligations, such as the Bonds, (a) designated by the issuer as "qualified tax-exempt obligations" and (b) issued by or on behalf of a political subdivision for which the aggregate amount of tax-exempt obligations (not including private activity bonds other than qualified 501(c)(3) bonds) to be issued during the calendar year is not expected to exceed \$10,000,000.

The District will designate the Bonds as "qualified tax-exempt obligations" and has represented that the aggregate amount of tax-exempt bonds (including the Bonds) issued by the District and entities aggregated with the District under the Code during calendar year 2020 is not expected to exceed \$10,000,000 and that the Issuer and entities aggregated with the District under the Code have not designated more than \$10,000,000 in "qualified tax-exempt obligations" (including the Bonds) during calendar year 2020.

Notwithstanding these exceptions, financial institutions acquiring the Bonds will be subject to a 20% disallowance of allocable interest expense.

NO-LITIGATION CERTIFICATE: On the date of delivery of the Initial Bonds to the Underwriter, the District shall deliver to the Underwriter a certificate, dated as of the same date, to the effect that the District has no knowledge of litigation of any nature threatened, filed or pending to restrain or enjoin the issuance or delivery of the Bonds, or which would affect the provisions made for their payment or security, or which in any manner questions the validity of the Bonds.

NO MATERIAL ADVERSE CHANGE: The obligations of the Underwriter to take up and pay for the Bonds, and of the District to deliver the Bonds, are subject to the condition that, up to the time of delivery of and receipt of payment for the Bonds, there shall have been no material adverse change in the financial condition of the District subsequent to the date of the sale from that set forth in the Preliminary Official Statement, as it may have been supplemented or amended through the date of the sale. As is stated in this Official Notice of Sale under the caption "MUNICIPAL BOND

INSURANCE AND RATINGS,” if the Underwriter elects to purchase municipal bond guaranty insurance on the Bonds, the rating of the insurer’s creditworthiness by any rating agency does not and will not in any manner affect the District’s financial condition, and thus any change to such rating, including a downgrade thereof, at any time, does not and will not constitute a change, material or otherwise, in the District’s financial condition, and therefore cannot be a basis for termination by the Underwriter of its obligations to take up and pay for the Bonds.

CONTINUING DISCLOSURE OF INFORMATION: The District will agree in the Bond Order to provide certain periodic information and notices of material events in accordance with SEC Rule 15c2-12 as described in the Preliminary Official Statement under “CONTINUING DISCLOSURE OF INFORMATION.” The Underwriter's obligation to accept and pay for the Bonds is conditioned upon delivery to the Underwriter or its agent of a certified copy of the Bond Order containing the agreement described under such heading.

GENERAL CONSIDERATIONS

INVESTMENT CONSIDERATIONS: The Bonds are subject to special investment considerations as set forth in this Official Statement. Prospective purchasers should review the entire Official Statement with respect to the investment security of the Bonds before making their investment decisions, especially the section entitled "INVESTMENT CONSIDERATIONS."

SECURITIES REGISTRATION AND QUALIFICATION: No registration statement relating to the Bonds has been filed with the SEC under the Securities Act of 1933, as amended, in reliance upon exemptions provided thereunder. The Bonds have not been registered or qualified under the Securities Act of Texas in reliance upon various exemptions contained therein; nor have the Bonds been registered or qualified under the securities laws or regulations of any other jurisdiction. The District assumes no responsibility for registration or qualification of the Bonds under the securities laws or regulations of any other jurisdiction in which the Bonds may be offered, sold or otherwise transferred. This disclaimer of responsibility for registration or qualification for sale or other disposition of the Bonds shall not be construed as an interpretation of any kind with regard to the availability of any exemption from securities registration or qualification provisions in such other jurisdictions.

By submission of a bid, the Underwriter represents that the sale of the Bonds in states other than Texas will be made only pursuant to exemptions from registration or qualification or, where necessary, the Underwriter will register or qualify the Bonds in accordance with the securities laws or regulations of any jurisdiction which so requires. The District agrees to cooperate, at the Underwriter's written request and expense, in registering or qualifying the Bonds, or in obtaining an exemption from registration or qualification, in any jurisdiction where such action is necessary.

ADDITIONAL COPIES: Additional copies of the Official Notice of Sale, the Official Bid Form and the Preliminary Official Statement may be obtained from the District’s Financial Advisor, Rathmann & Associates, L.P., 8584 Katy Freeway, Suite 250, Houston, Texas 77024.

CERTIFICATE OF UNDERWRITER

The undersigned hereby certifies with respect to the sale of the Harris County Municipal Utility District No. 168 Unlimited Tax Park Bonds, Series 2020 (the "Bonds"), as follows:

1. The undersigned is the underwriter or the manager of the syndicate of underwriters (the "Underwriter") that purchased the Bonds from the Harris County Municipal Utility District No. 168 (the "District"), pursuant to a competitively bid sale. I am familiar with the facts stated herein and am authorized to execute and deliver this certificate on behalf of the Underwriter.
2. The Underwriter received the notice of sale issued in connection with the sale of the Bonds (the "Notice of Sale"), submitted a bid that constituted a firm bid to purchase the Bonds, and was not given the opportunity to review other bids prior to submitting its bid.
3. As of the Sale Date, the issue price for each maturity of the Bonds is the reasonably expected initial offering prices to the Public as set forth on Schedule A hereto.
4. The Underwriter [has] [has not] purchased bond insurance for the Bonds. The bond insurance has been purchased from _____ (the "Insurer") for a fee of \$ _____ (net of any non-guarantee cost, e.g., rating agency fees). The amount of such fee is set forth in the Insurer's commitment and does not include any payment for any direct or indirect services other than the transfer of credit risk, unless the compensation for those other services is separately stated, reasonable, and excluded from such fee. Such fee does not exceed a reasonable, arms-length charge for the transfer of credit risk. The present value of the debt service savings expected to be realized as a result of such insurance exceeds the amount of the fee set forth above. For this purpose, present value is computed using the yield on the Bonds, determined by taking into account the amount of the fee set forth above, as the discount rate. No portion of the fee payable to the Insurer is refundable upon redemption of any of the Bonds in an amount which would exceed the portion of such fee that had not been earned.
5. The following definitions apply for purposes of this Certificate. The term "Public" means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter or related party to an Underwriter. The term "Sale Date" means the first day on which there was a binding contract in writing for the issuance of the Bonds. In the case of the Bonds, the Sale Date is January 14, 2020. The term "Related Party" means any entity if an Underwriter and such entity are subject, directly or indirectly, to (i) at least 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profit interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other).

The Underwriter understands that the foregoing information will be relied upon by the District with respect to certain of the representations set forth in the Federal Tax Certificate to which this certificate is attached as Exhibit A and with respect to compliance with the federal income tax rules affecting the Bonds, and by Orrick, Herrington & Sutcliffe LLP, Special Tax Counsel, in connection with its opinion as to the exclusion of interest on the Bonds from gross income for federal income tax purposes, the preparation of the Internal Revenue Service Form 8038-G and other federal income tax advice that it may give to the District from time to time relating to the Bonds. The Underwriter is certifying only as to facts in existence on the date hereof. Nothing herein represents the Underwriter's interpretation of any laws; in particular the Treasury Regulations under the Internal Revenue Code of 1986, or the application of any laws to these facts.

1. The undersigned is the underwriter or the manager of the syndicate of underwriters (the "Underwriter") that purchased the Bonds from the Harris County Municipal Utility District No. 168 (the "District"). I am familiar with the facts stated herein and am authorized to execute and deliver this certificate on behalf of the Underwriter.
2. As of the Sale Date (as defined below), for each maturity of the Bonds listed on Schedule B hereof (the "Sold Maturities"), the first price at which a substantial amount (at least 10 percent) of each such maturity was sold to the Public is listed on Schedule A.

Pursuant to such agreement, the Underwriter has neither offered nor sold any of the Unsold Maturities at a price higher than the respective initial offering price for such maturity of the Bonds during the Offering Period.
4. The Underwriter [has] [has not] purchased bond insurance for the Bonds. No portion of the fee payable to the Insurer is refundable upon redemption of any of the Bonds in an amount which would exceed the portion of such fee that had not been earned.
5. The following definitions apply for purposes of this certificate. The term "Offering Period" means, with respect to an Unsold Maturity, the period beginning on the Sale Date and ending on the earlier of (a) the close of the fifth business day after the Sale Date or (b) the date on which the Underwriter has sold at least 10 percent of such Unsold Maturity to the Public at a price that is no higher than the initial offering price for such Unsold Maturity. The term "Public" means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter or related party to an Underwriter. The term "Related Party" means any entity if an Underwriter and such entity are subject, directly or indirectly, to (i) at least 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profit interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other). The term "Underwriter" means (i) any person that agrees pursuant to a written contract with the District (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the Public, and (ii) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (i) of this paragraph to participate in the initial sale of the Bonds to the Public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the Public).

The Underwriter understands that the foregoing information will be relied upon by the District with respect to certain of the representations set forth in the Federal Tax Certificate to which this certificate is attached as Exhibit A and with respect to compliance with the federal income tax rules affecting the Bonds and by Orrick, Herrington & Sutcliffe LLP, Special Tax Counsel, in connection with its opinion as to the exclusion of interest on the Bonds from gross income for federal income tax purposes, the preparation of the Internal Revenue Service Form 8038-G and other federal income tax advice that it may give to the District from time to time relating to the Bonds. We realize that the Bonds involve certain investment considerations and that the ability of the District to service the Bonds depends, in part, on the investment considerations set forth in the Preliminary Official Statement. We have made such inspections and investigations as we deem necessary relating to the investment quality of the Bonds. 2030(i)(ii)	\$1,200,000	_____ %
2031(i)(ii)	1,200,000	_____ %

Our calculation (which is not a part of this bid) of the interest cost from the above is:

The term bond created is as follows:

Cashier's Check No. _____, issued by _____ Bank, _____, Texas, and payable to your order in the amount of \$48,000 (is attached hereto) (has been made available to you prior to the opening of this bid) as a Good Faith Deposit for disposition in accordance with the terms and conditions set forth in the Official Notice of Sale. Should we fail or refuse to make payment for the Bonds in accordance with the terms and conditions stated in the Official Notice of Sale, this check may be cashed and the proceeds retained by the District as complete liquidated damages against the Underwriter. The Good Faith Deposit will be returned to the Underwriter uncashed on the date of delivery of and payment for the Bonds.

We agree to make payment for the Bonds in immediately available funds at the offices of The Bank of New York Mellon Trust Company, N.A, in Dallas, Texas, not later than 10:00 A.M., Houston, Texas Time, on February 13, 2020, or thereafter on the date the Bonds are tendered for delivery pursuant to the terms set forth in the Official Notice of Sale.

In addition, in the event all of the Bonds are not sold to ultimate customers prior to the date of delivery of the Bonds, we will so notify the District on such date.

The bidder hereby represents and verifies that the bidder (is) (is not) a publicly traded business entity, or a wholly owned subsidiary of a publicly traded business entity. If the bidder is not a publicly traded business entity, or a wholly owned subsidiary of a publicly traded business entity, the District may not accept this bid until it has received from the bidder a completed and signed TEC Form 1295 and Certification of Filing pursuant to Texas Government Code § 2252.908 and the rules promulgated thereunder by the TEC. The undersigned understands that failure to provide said form and Certification of Filing, when required, will result in a non-conforming bid and will prohibit the District from considering this bid for acceptance.
