THE BONDS

Description of Certain Terms of the Bonds:

The Bonds will be dated March 1, 2020, with interest payable on October 1, 2020, and each April 1 and October 1 thereafter until the earlier of maturity or prior redemption. The Bonds will be issued only in fully registered form. Principal and semi-annual interest will be paid by the District through the principal payment office of the Paying Agent/Registrar, initially, The Bank of New York Mellon Trust Company, N.A., in Dallas, Texas. Principal and redemption price of the Bonds will be payable to the registered owner at maturity or redemption upon presentation and surrender to the Paying Agent/Registrar. The District intends to utilize the Book-Entry-Only System of The Depository Trust Company ("DTC"). See "THE BONDS – Book-Entry-Only System" in the Preliminary Official Statement. Interest on the Bonds will be payable by check or draft dated as of the interest payment date and mailed on or before that date to the registered owners as shown on the records of the Paying Agent/Registrar on the 15th calendar day of the month next preceding each interest payment date. The Bonds will mature serially on April 1, as follows:

2033	\$200,000	2046	\$325,000
2034	\$200,000	2047	\$350,000

The Bonds maturing on or after April 1, 2026, are subject to redemption at the option of the District, prior to maturity, in whole or from time to time in part, on April 1, 2025, or on any date thereafter, at a price of the par value thereof plus accrued interest from the most recent interest payment date to the date fixed for redemption. If fewer than all of the Bonds are redeemed at any time, the District shall determine the maturity or maturities and the amounts thereof to be redeemed, in integral multiples of \$5,000 in principal amount, and if fewer than all of the bonds within a maturity are to be redeemed, the Paying Agent/Registrar shall select the Bonds to be so redeemed by lot or other random selection method. The registered owner of any Bond, all or a portion of which has been called for redemption, shall be required to present same to the Paying Agent/Registrar for payment of the redemption price on the portion of the Bond so called for redemption and the issuance of a new Bond in the principal amount equal to the portion of the Bond not redeemed.

Mandatory Sinking Fund:

Any successful bidder may elect, in its written bid, to alter the maturity schedule reflected above by converting the principal amounts of the Serial Bonds maturing in the years 2026 through 2047 into "Term Bonds." Such "Term Bonds" shall be subject to mandatory redemption on the April 1 next following the last maturity for Serial Bonds, and annually thereafter on each April 1, until the stated principal amount of the Term Bonds to be redeemed on each mandatory redemption date shall be the principal amount that would have been due and payable in the maturity schedule shown above had no conversion to Term Bonds occurred. At least thirty (30) days prior to each mandatory redemption date, the Paying Agent/Registrar shall select by lot the Term Bonds to be redeemed and issue a notice of redemption in the manner described in the Official Statement.

Successor Paying Agent/Registrar:

Provision is made in the Bond Order for replacement of the Paying Agent/Registrar. If the Paying Agent/Registrar is replaced by the District, the new Paying Agent/Registrar shall accept the previous Paying Agent/Registrar's records and act in the same capacity as the previous Paying Agent/Registrar. Any Paying Agent/Registrar selected by the District shall be either a national or state banking institution, trust company, financial institution, or other entity duly qualified and legally authorized to serve and perform the duties as Paying Agent/Registrar.

Security for Payment:

The Bonds, when issued, will constitute valid and binding obligations of the District, payable as to the principal and interest from the proceeds of a continuing, direct annual ad valorem tax, without legal limitation as to rate or amount, levied against all taxable property within the District, all to the extent and upon the conditions described in the Official Statement. In addition, the Bonds are secured by a pledge of the net revenues, if any, of the District's waterworks and sewer system.

Municipal Bond Rating:

In connection with the sale of the Bonds the District has made application to Moody's Investors Service, Inc. ("Moody's") which has assigned a rating of "A3" on the Bonds based upon the District's underlying credit without bond insurance. An explanation of the significance of such rating may be obtained from Moody's. The rating reflects only the view of Moody's and the District makes no representation as to the appropriateness of such rating. The District can make no assurance that Moody's rating will continue for any period of time or that such rating will not be revised downward or withdrawn entirely by Moody's if in the judgment of Moody's circumstances so warrant. Any such downward revision or withdrawal of the rating may have an adverse effect on the market price of the Bonds.

Municipal Bond Insurance:

The District has applied to Assured Guaranty Municipal Corp. and Build America Mutual Assurance Company for qualification of the Bonds for bond insurance. Potential purchasers may bid for the Bonds with or without bond insurance. If the Underwriter bids the Bonds with bond insurance, the cost of the bond insurance premium must be paid for by the Underwriter. The District will pay for the cost of the Moody's rating. The Underwriter must pay for the cost of any rating other than the Moody's rating. If the Underwriter purchases the Bonds with bond insurance and, subsequent to the sale date and prior to the closing date, the bond insurer's credit rating is down-graded then the Underwriter is still obligated to accept delivery of the Bonds. Information relative to the cost of the insurance premium will be available from AGM or BAM on the day of the sale.

CONDITIONS OF SALE

Types of Bids and Interest Rates:

The Bonds will be sold in one block on an "all or none" basis and at a price of not less than 97% of the par value thereof plus accrued interest from the date of the Bonds to the date of delivery. Bidders are to name the rates of interest to be borne by the Bonds, provided that each rate bid must be in a multiple of 1/8 of 1% or 1/20 of 1%. All Bonds maturing within a single year must bear the same rate of interest.

The net effective interest rate on the Bonds may not exceed 4.73% as calculated pursuant to Chapter 1204, Texas Government Code. Subject to the above conditions, no limitation will be imposed upon bidders as to the number of interest rates or changes in interest rates which may be used, but the highest interest rate bid for any maturity may not exceed the lowest interest rate bid for any maturity by more than two and one half (2-1/2) percentage points. Each bidder shall state in its bid the total and net interest cost in dollars and the net effective interest rate determined thereby, which shall be considered informative only and not as a part of the bid.

Basis of Award:

For the purpose of awarding the sale of the Bonds, the interest cost of each bid will be computed by determining, at the interest rates specified therein, the total dollar value of all interest on the Bonds from the date thereof to their respective maturities and adding thereto the discount, if any. Subject to the District's right to reject any or all bids, sale of the Bonds will be awarded to the bidder (the "Underwriter") whose bid, under the above computation, produces the lowest net interest cost to the District. In the event of mathematical discrepancies between the interest rates and the interest costs determined therefrom, as both appear on the Official Bid Form the bid will be solely governed by the interest rates named therein.

Sale of the Bonds will also be subject to compliance with Texas Government Code §2252.908 as more fully described herein. See "Provisions of Texas Ethics Commission Form 1295 ("TEC Form 1295") by Bidders."

Good Faith Deposit:

Each bid must be accompanied by a bank's cashier's check, payable to the order of Hunter's Glen Municipal Utility District in the amount of \$100,000.00 (the "Good Faith Deposit"). The Good Faith Deposit submitted by the Underwriter will be retained un-cashed by the District pending the Underwriter's compliance with the terms of the Official Bid Form and the Official Notice of Sale. In the event the Underwriter should fail or refuse to accept delivery of and pay for the Bonds in accordance with its bid, then the check will be cashed and the proceeds accepted by the District as full and complete liquidated damages. A Good Faith Deposit may accompany the Official Bid Form or may be submitted separately; if submitted separately, it shall be made available to the District prior to the opening of the bids and shall be accompanied by instructions from the bank on which it is drawn which authorizes its use as a Good Faith Deposit by the bidder(s) to be named in such instructions.

Provision of Texas Ethics Commission Form 1295 (“TEC Form 1295”) and Certification of Filing by Bidders:

Pursuant to Texas Government Code § 2252.908 (the "Interested Party Disclosure Act" or the "Act"), the District may not award the Bonds to a bidder that is a privately held entity unless the bidder, and each privately held syndicate member listed on the Official Bid Form, unless such bidder or syndicate member is exempt from such requirements pursuant to Texas Government Code § 2252.908(c)(4), have provided to the District (c/o Radcliffe Bobbitt Adams Polley PLLC, 2929 Allen Parkway, Suite 3450, Houston, Texas 77019) a completed and signed TEC Form 1295 which has been assigned a certificate number by the Texas Ethics Commission (the "TEC"). Pursuant to the rules prescribed by the TEC, the TEC Form 1295 must be completed online through the TEC's website, assigned a certificate number, printed, signed, and provided to the District. The TEC Form 1295 may accompany the Official Bid Form or may be submitted separately, but must be provided to the District prior to the time prescribed for the award of the Bonds (6:30 p.m., Houston time, on Tuesday, February 18, 2020). However, the original signed TEC Form 1295 complete with certificate number must be physically delivered to the District (c/o Radcliffe Bobbitt Adams Polley PLLC, 2929 Allen Parkway, Suite 3450, Houston, Texas 77019) within three business days of the award (Friday, February 21, 2020). Following the award of the Bonds, the District will notify the TEC of the receipt of each completed TEC Form 1295. The District reserves the right to reject any bid that does not comply with the requirements prescribed herein or to waive any such requirements. For purposes of completing the TEC Form 1295, the entity's name is Hunter's Glen Municipal Utility District and the contract ID number is HGMUD-S2020-B. Neither the District nor its consultants have the ability to verify the information included in a TEC Form 1295, and neither have an obligation nor undertake responsibility for advising any bidder with respect to the proper completion of the TEC Form 1295. Consequently, an entity intending to bid on the Bonds should consult its own advisors to the extent it deems necessary and be prepared to submit the completed form promptly upon notification from the District that its bid is the apparent winning bid.

Compliance with Laws Prohibiting Contracts with Companies Boycotting Israel and Certain Companies Engaged in Business with Iran, Sudan or Foreign Terrorist Organizations:

In *Amawi v. Pflugerville Independent School District* (1:18-cv-01091), the United States District Court for the Western District of Texas issued a preliminary injunction (the “NBI Injunction”) preventing the defendants, including the State of Texas, from enforcing Texas Government Code § 2270.001 *et seq.*, or any “No Boycott of Israel” clause in any state contract while litigation proceeds. On May 7, 2019, House Bill 793, 86th Texas Legislature, Regular Session, became law, amending Texas Government Code § 2270.001 *et seq.*, now codified at Texas Government Code § 2271.001 *et seq.*, to remedy issues raised in *Amawi v. Pflugerville Independent School District*. On May 10, 2019, the Texas Attorney General filed a Motion to Stay the NBI Injunction with the United States Court of Appeals for the Fifth Circuit. In light of the foregoing recent developments, the following representation is provided by the Underwriter to avoid any uncertainty regarding the authority of the District.

The District will not award the Bonds to a bidder unless the bidder verifies on behalf of itself and each syndicate member listed on the Official Bid Form that, to the extent the Official Bid Form represents a contract for goods or services within the meaning of Section 2271.002 of the Texas Government Code, as amended, solely for purposes of Chapter 2271 of the Texas Government Code, and except to the extent otherwise required by applicable federal law, at the time of execution and delivery of its bid and through the delivery date of the Bonds, neither the bidder nor a syndicate member listed on the Official Bid Form is a Company¹ that boycotts or will boycott Israel. The term “boycotts Israel” and “boycott Israel” as used in this paragraph have the meanings assigned to the term “boycott Israel” in Section 808.001 of the Texas Government Code, as amended. Additionally, the District will not award the Bonds to a bidder unless the bidder certifies that, to the extent the Official Bid Form represents a governmental contract within the meaning of Section 2252.151 of the Texas Government Code, as amended, solely for purposes of Chapter 2252 of the Texas Government Code, and except to the extent otherwise required by applicable federal law, at the time of execution and delivery of its bid, neither the bidder nor a syndicate member listed on the Official Bid Form is a Company² (i) that engages in business with Iran, Sudan, or any foreign terrorist organization as described in Chapter 2270 of the Texas Government Code, or Subchapter F of Chapter 2252 of the Texas Government Code, or (ii) listed by the Texas Comptroller of Public Accounts under Section 2270.0201 or 2252.153 of the Texas Government Code. The term “foreign terrorist organization” as used in this paragraph has the meaning assigned to such term in Section 2252.151 of the Texas Government Code.

Competitive Bidding and Certificate of Underwriter:

In the event that the District does not receive sufficient qualified bids to satisfy the competitive sale requirements of Treasury Regulation § 1.148-1(f)(3)(i), allowing the District to treat the reasonably expected initial offering price to the public as of the sale date as the issue price of the Bonds, the “hold-the-offering-price rule” shall apply, which will allow the District to treat the initial offering price to the public of each maturity as of the sale date as the issue price of that maturity (the “hold-the-offering-price rule.” So long as the hold-the-offering-price rule applies to any maturity of the Bonds, the Underwriter will

¹ “Company” means a for-profit organization, association, corporation, partnership, joint venture, limited partnership, limited liability partnership, or limited liability company, including a wholly owned subsidiary, majority-owned subsidiary, parent company, or affiliate of those entities or business associations that exists to make a profit.

² “Company” means a sole proprietorship, organization, association, corporation, partnership, joint venture, limited partnership, limited liability partnership, limited liability company, or other entity or business association whose securities are publicly traded, including a wholly owned subsidiary, majority-owned subsidiary, parent company, or affiliate of those entities or business associations, that exists to make a profit.

neither offer nor sell that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following: (a) the date on which the Underwriter has sold at least 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public; or (b) the close of the fifth business day after the sale date. The Underwriter agrees to report to the District's financial advisor when it has sold 10% of a maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public if that occurs prior to the close of the fifth business day after the sale date. The attached Certificate of Underwriter has alternative language for use when the competitive sale requirements of Treasury Regulation § 1.148-1(f)(3)(i) are met and when such requirements are not met.

DELIVERY AND ACCOMPANYING DOCUMENTS

CUSIP Numbers:

It is anticipated that CUSIP identification numbers will be printed on the Bonds, but neither the failure to print such number on any Bond nor any error with respect thereto shall constitute cause for failure or refusal by the Underwriter to accept delivery of or make payment for the Bonds in accordance with the terms of the Official Bid Form and this Official Notice of Sale. All expenses in relation to the printing of CUSIP numbers on the Bonds shall be paid by the District; however, the CUSIP Service Bureau charge for the assignment of the numbers shall be paid by the Underwriter.

Delivery of Initial Bonds:

Initial delivery will be accomplished by the issuance of one initial Bond for the entire principal amount of the Bonds, payable in stated installments (the "Initial Bond"), either in typed or printed form, in the aggregate principal amount of \$5,000,000 registered in the name of Cede & Co., signed by the President and Secretary of the Board, approved by the Attorney General of Texas, and registered and manually signed by the Comptroller of Public Accounts of the State of Texas or his authorized representative. Initial delivery will be at the Houston, Texas principal payment office of the Paying Agent/Registrar. One definitive Bond for each maturity will be registered and delivered only to Cede & Co., and deposited with DTC in connection with DTC's Book-Entry-Only System. Payment for the Initial Bonds must be made in immediately available funds for unconditional credit to the District, or as otherwise directed by the District. The Underwriter will be given five (5) business days notice of the date fixed for delivery of the Initial Bond. It is anticipated that initial delivery can be made on or about March 19, 2020, and it is understood and agreed that the Underwriter will accept delivery and provide payment for the Initial Bonds by 10:00 a.m., Houston time, on March 19, 2020, or thereafter on the date the Bonds are tendered for delivery, up to and including April 17, 2020. If for any reason the District is unable to make delivery on or before April 17, 2020, then the District shall immediately contact the Underwriter and offer to allow the Underwriter to extend its offer for an additional thirty (30) days. If the Underwriter does not elect to extend its offer within six (6) days thereafter, then its Good Faith Deposit will be returned, and both the District and the Underwriter shall be relieved of any further obligation. In no event shall the District be liable for any damages by reason of its failure to deliver the Initial Bond, provided such failure is due to circumstances beyond the District's reasonable control.

Initial Exchange for Definitive Bonds:

Upon presentation by the Underwriter of the Initial Bond to the Paying Agent/Registrar, the Paying Agent/Registrar shall, in the time and manner provided in the Bond Order, exchange the Initial Bond for registered Bonds in the name of Cede & Co. in denominations of \$5,000 or any integral multiple thereof.

Conditions of Delivery:

The Underwriter's obligation to take delivery and pay for the Initial Bond is subject to the issuance of the Texas Attorney General's opinion and the Underwriter's receipt of the legal opinion of Bond Counsel and the no-litigation certificate, all as described below.

Legal Opinion:

The District will furnish to the Underwriter a transcript of certain proceedings held incident to the authorization and issuance of the Bonds, including a certified copy of the approving opinion of the Attorney General of Texas, as recorded in the Bond Register of the Comptroller of Public Accounts of the State of Texas, to the effect that the Bonds are valid and legally binding obligations of the District. The District will also furnish the approving legal opinion of Radcliffe Bobbitt Adams Polley PLLC, Houston, Texas, Bond Counsel for the District ("Bond Counsel"), to the effect that, based upon an examination of such transcript, the Bonds are validly issued under the Constitution and laws of the State of Texas, and to the effect that (i) interest on the Bonds is excludable from gross income for federal income tax purposes under existing law (ii) certain original issue discount on the Bonds is excludable from gross income for federal income tax purposes under existing law as described more fully in "Tac Accounting Treatment of Original Issue Discount Bonds" and (iii) interest on the Bonds will not be subject to the alternative minimum tax on individuals and corporations, except as described in the adjusted current earning adjustments for corporations.

Errors or omissions in the printing of such legal opinion shall not affect the validity of the Bonds nor constitute cause for the failure or refusal by the Underwriter to accept delivery and to pay for the Bonds. Certain legal matters will be passed upon for the District by Norton Rose Fulbright US LLP, Houston, Texas, as Disclosure Counsel.

Qualified Tax-Exempt Obligations - Purchase of Bonds by Financial Institutions:

The District will designate the Bonds as “qualified tax-exempt obligations” within the meaning of Section 265(b)(3)(B) of the Internal Revenue Code of 1986, as amended. Pursuant to that section of the Code, a qualifying financial institution will be allowed a deduction from its own federal corporate income tax for the portion of interest expense the financial institution is able to allocate to designated “bank-qualified” investments.

No-Litigation Certificate:

On the date of delivery of the Initial Bond to the Underwriter, the District will deliver to the Underwriter a certificate, dated as of the same date, to the effect that the District has no knowledge of litigation of any nature filed or pending to restrain or enjoin the issuance or delivery of the Bonds, or which would affect the provisions made for their payment or security or in any manner question the validity of the Bonds.

Establishment of Issue Price:

By submitting a bid, the Underwriter agrees to assist the District in establishing the issue price of the Bonds and agrees to execute and deliver to the District at least 5 business days before the date of delivery of the Bonds an “issue price” or similar certificate setting forth the reasonably expected initial offering price to the public of the Bonds, together with the supporting pricing wires or equivalent communications, substantially in the form attached hereto, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Underwriter, the District and Bond Counsel. It will be the responsibility of the Underwriter to institute such syndicate reporting requirements, to make such investigation, and otherwise to ascertain the facts necessary to enable it to make such certification with reasonable certainty. All actions to be taken by the District under this Notice of Sale to establish the issue price of the Bonds may be taken on behalf of the District by the District’s Financial Advisor identified herein and any notice or report to be provided to the District may be provided to the District’s Financial Advisor.

The District intends that the provisions of Treasury Regulation Section 1.148-1(f)(3)(i) (defining “competitive sale” for purposes of establishing the issue price of the Bonds) will apply to the initial sale of the Bonds (the “competitive sale requirements”) because:

- (1) the District shall disseminate this Notice of Sale to potential underwriters in a manner that is reasonably designed to reach potential underwriters;
- (2) all bidders shall have an equal opportunity to bid;
- (3) the District expects to receive bids from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds; and
- (4) the District anticipates awarding the sale of the Bonds to the bidder who submits a firm offer to purchase the Bonds at the highest price (or lowest interest cost), as set forth in this Notice of Sale.

Any bid submitted pursuant to this Notice of Sale shall be considered a firm offer for the purchase of the Bonds, as specified in the bid.

In the event that the District does not receive sufficient qualified bids to satisfy the competitive sale requirements of Treasury Regulation § 1.148-1(f)(3)(i), allowing the District to treat the reasonably expected initial offering price to the public as of the Sale Date as the issue price of the Bonds, the “hold-the-offering-price rule” shall apply, which will allow the District to treat the initial offering price to the public of each maturity as of the Sale Date as the issue price of that maturity (the “hold-the-offering-price rule”). So long as the hold-the-offering-price rule applies to any maturity of the Bonds, the Underwriter agrees that it will neither offer nor sell any Bonds of that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the Sale Date and ending on the earlier of the following: (i) the date on which the Underwriter has sold at least 10 percent of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public or (b) the close of the fifth business day after the Sale Date. The Underwriter agrees to promptly report to the District’s Financial Advisor when it has sold 10 percent of the Bonds of a maturity to the public at a price that is no higher than the initial offering price to the public if that occurs prior to the close of the fifth business day after the Sale Date.

GENERAL CONSIDERATIONS

Registration, Transfer, and Exchange:

The Bonds may be transferred, registered and assigned only on the registration books (the “Register”) of the Paying Agent/Registrar, and such registration (exclusive of any tax or governmental charge therefore) shall be at the expense of the District. A Bond may be assigned by execution of the assignment form on the Bonds or by such other instrument of transfer acceptable to the Paying Agent/Registrar. New Bonds will be delivered by the Paying Agent/Registrar to the last assignee (the new Registered Owner) in exchange for such transferred and assigned Bonds not more than three

(3) business days after receipt of the Bonds to be transferred in proper form. New Bonds must be in the denomination of \$5,000 for any one maturity, or any integral multiple thereof. The Bonds are transferable only on the Register upon surrender and reissuance. The Bonds are exchangeable for an equal principal amount of Bonds of the same maturity in any authorized denomination upon surrender of the Bonds to be exchanged at a corporate trust office of the Paying Agent/Registrar.

Record Date:

The record date ("Record Date") for the interest payable on any interest payment date means the 15th calendar day of the month next preceding such interest payment date.

Limitation on Transfers and Exchanges:

Neither the District nor the Paying Agent/Registrar shall be required to transfer or exchange any Bond during a period beginning at the opening of business on a Record Date and ending at the close of business on the next succeeding interest payment date, to issue, transfer or exchange any Bond selected for redemption during a period beginning at the opening of business 15 days before the day of the first mailing of a notice of redemption of Bonds and ending at the close of business on the day of such mailing, or to transfer or exchange any Bond so selected for redemption in whole or in part when such redemption is scheduled to occur within 30 calendar days thereafter.

Investment Considerations:

The Bonds involve special investment considerations. Prospective bidders are urged to examine carefully the Preliminary Official Statement with respect to the investment risks pertaining to the Bonds. Particular attention should be given to the information set forth therein under "INVESTMENT CONSIDERATIONS."

No Registration or Qualification Under Securities Laws:

The offer and sale of the Bonds has not been registered with the Securities and Exchange Commission under the Securities Act of 1933, as amended, in reliance upon exemptions provided thereunder. The Bonds have not been registered or qualified under the Securities Act of Texas, as amended, in reliance upon various exemptions contained therein; nor have the Bonds been registered or qualified under the securities laws of any other jurisdiction. The District assumes no responsibility for registration or qualification of the Bonds under the securities laws of any other jurisdiction in which the Bonds may be sold, assigned, pledged, hypothecated or otherwise transferred. This disclaimer of responsibility for registration or qualification for sale or other disposition of the Bonds shall not be construed as an interpretation of any kind with regard to the availability of any exemption from securities registration or qualification provisions. In those jurisdictions where persons registered or licensed as dealers or brokers may offer and sell the Bonds, it is assumed that such persons have complied and will comply with all applicable statutes and regulations concerning dealers and brokers and concerning the registration or licensing of agents or salesmen.

By the submission of its bid, the Underwriter represents that the offer and sale of the Bonds in states other than Texas will be made only pursuant to exemptions from registration or qualification, or where necessary, the Underwriter will register or qualify the Bonds in accordance with the securities laws of the states in which the Bonds are offered or sold. The District agrees to cooperate, at the Underwriter's written request and expense, in registering or qualifying the Bonds, or in obtaining an exemption from registration or qualification in any state where such action is necessary, provided that the District shall not be required to file a general consent to service of process in any jurisdiction.

Continuing Disclosure:

The District will agree in the Bond Order to provide certain periodic information and notices of material events in accordance with Securities and Exchange Commission Rule 15-c2-12, as described in the Preliminary Official Statement under "CONTINUING DISCLOSURE OF INFORMATION – SEC RULE 15-c2-12." The Underwriters' obligation to accept and pay for the Bonds is conditioned upon delivery to the Underwriters or their agent of a certified copy of the Bond Order containing the agreement described under such heading.

Substantive Requirements for Official Statement:

During the last five years, the District has complied in all material respects with all continuing disclosure agreements made by the District in accordance with SEC Rule 15-c2-12.

Final Official Statement:

The District has prepared the accompanying Preliminary Official Statement for dissemination to potential purchasers of the Bonds. The District will prepare a final Official Statement, which will describe the reoffering yields and underwriting discount bid, the interest rates and identity of the Underwriter, and the final debt service schedule and ratios and tax rates consequent thereon. The District does not intend to amend or supplement the Preliminary or final Official Statement, except to take into account certain subsequent events, if any, as described below. Accordingly, the District deems the accompanying Preliminary Official Statement to be final as of its date, within the meaning of SEC Rule 15-c2-12(b)(1), except for the omission of the foregoing items. By delivering the final Official Statement or any amendment or

supplement thereto in the requested quantity to the Underwriter on or after the sale date, the District intends the same to be complete as of such date, within the meaning of SEC Rule 15-c2-12(e)(3). Notwithstanding the foregoing, the only representations concerning the absence of material misstatements or omissions from the Official Statement which are or will be made by the District are those described in the Official Statement under "OFFICIAL STATEMENT – Certification as to Official Statement."

Changes to Official Statement:

For the period beginning on the date of the award of the sale of the Bonds to the Underwriter and ending on the ninety-first (91st) day after the "end of the underwriting period" (as defined in SEC Rule 15-c(2)-12(e)(2)), if any event shall occur of which the District has knowledge and as a result of which it is necessary to amend or supplement the Official Statement in order to make the statements therein, in light of the circumstances when the Official Statement is delivered to a prospective purchaser, not misleading, the District will promptly notify the Underwriter of the occurrence of such event and will cooperate in the preparation of a revised Official Statement, or amendments or supplements thereto, so that the statements in the Official Statement, as revised, amended or supplemented, will not, in light of the circumstances when such Official Statement is delivered to a prospective purchaser, be misleading.

Delivery of Official Statements:

The District will furnish to the Underwriter (and to each other participating underwriter of the Bonds, within the meaning of SEC Rule 15-c2-12(a), designated by the Underwriter), within seven (7) business days after the sale date, the aggregate number of Official Statements as requested by the Underwriter. The District will also furnish to the Underwriter a like number of any supplement or amendment prepared by the District for dissemination to potential purchasers of the Bonds as described above, as well as such additional copies of the Official Statement or any supplement or amendment as the Underwriter may request prior to the 90th day after the end of the underwriting period referred to in SEC Rule 15-c2-12(e)(2). The District will pay the expense of preparing up to 50 copies of the Official Statement and all copies of any supplement or amendment issued on or before the delivery date, but the Underwriter must pay for all other copies of the Official Statement or any supplement or amendment thereto. The District assumes no responsibility or obligation for the distribution or delivery of any copies of the Official Statement to anyone other than the Underwriter.

CERTIFICATE REGARDING ISSUE PRICE

The undersigned, being a duly authorized representative of the underwriter or the manager of the syndicate of underwriters ("Underwriter") which has purchased the Waterworks and Sewer System Combination Unlimited Tax and Revenue Bonds, Series 2020, being issued by the Hunter's Glen Municipal Utility District (the "District"), hereby certifies and represents, based on its records and information, as follows:

(1) On the Sale Date, the Underwriter's reasonably expected initial offering price of each Maturity of the Bonds (the "Expected Offering Price") to as the Public is set forth in the pricing wire or equivalent communication for the Bonds, as attached to this Issue Price Certificate as **Schedule A**. The Expected Offering Prices are the prices for the Bonds used by the Underwriter in formulating its bid to purchase the Bonds.

(2) The Underwriter had an equal opportunity to bid to purchase the Bonds and it was not given the opportunity to review other bids that was not equally given to all other bidders (i.e., no last look).

(3) The bid submitted by the Underwriter constituted a firm bid to purchase the Bonds.

(4) The Underwriter has made a bona fide offering of all the Bonds of each Maturity to the Public at its Expected Offering Price set forth in **Schedule A**.

If less than 3 qualified bids are received from underwriters please attach Schedule B.

(5) On the Sale Date, the first price at which at least 10% of each Maturity of the Bonds, except for Bonds listed on Schedule B (the "Hold-the-Offering-Price Maturities"), was sold to the Public is the respective price listed in Schedule A.

(6) As set forth in the Notice of Sale for the Bonds, the Underwriter has agreed in writing that, (i) for each of the Hold-the-Offering-Price Maturities, it would neither offer nor sell any of the Bonds of such Maturity to any person at a price that is higher than the Expected Offering Price for such Maturity during the Holding Period for such Maturity (the "hold-the-offering-price rule"), and (ii) any selling group agreement shall contain the agreement of each dealer who is a member of the selling group, and any retail distribution agreement shall contain the agreement of each broker-dealer who is a party to the retail distribution agreement, to comply with the hold-the-offering-price rule. Pursuant to such agreement, no Underwriter (as defined below) has offered or sold any Bonds of the Hold-the-Offering-Price Maturities to any person at a price that is higher than the respective Expected Offering Price for that Maturity of the Bonds during the Holding Period.

(7) Defined Terms.

(i) Hold-the-Offering-Price Maturities means those Maturities of the Bonds listed in Schedule B hereto as the "Hold-the-Offering-Price Maturities."

(ii) Holding Period means, with respect to a Hold-the-Offering-Price Maturity, the period starting on the Sale Date and ending on the earlier of (i) the close of the fifth business day after the Sale Date, or (ii) the date on which the Underwriter has sold at least 10% of such Hold-the-Offering-Price Maturity to the Public at prices that are no higher than the Expected Offering Price for such Hold-the-Offering-Price Maturity.

(iii) Maturity means Bonds with the same credit and payment terms. Bonds with different maturity dates, or Bonds with the same maturity date but different stated interest rates, are treated as separate maturities.

(iv) Public means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter or a related party to an Underwriter. The term "related party" for purposes of this certificate generally means any entity if an Underwriter and such entity are subject, directly or indirectly, to (i) at least 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profit interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other).

(v) Sale Date means the first day on which there is a binding contract in writing for the sale of the Bonds. The Sale Date of the Bonds is February 18, 2020.

(vi) Underwriter means (i) any person that agrees pursuant to a written contract with the Issuer (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the Public, and (ii) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (i) of this paragraph to participate in the initial sale of the Bonds to the Public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the Public).

(8) Please choose the appropriate statement:

() Purchaser will not purchase bond insurance for the Bonds.

() Purchaser will purchase bond insurance from _____ (the "Insurer") for a fee/premium of \$_____ (the "Fee"). To the best of the undersigned's knowledge, information and belief, based upon the facts available at this time and current market conditions, the Fee is a reasonable amount payable solely for the transfer of credit risk for the payment of debt service on the Bonds and does not include any amount payable for a cost other than such guarantee, e.g., a credit rating or legal fees. Purchaser represents that the present value of the Fee for each obligation constituting the Bonds to which such Fee is properly allocated and which are insured thereby is less than the present value of the interest reasonably expected to be saved as a result of the insurance on each obligation constituting the Bonds. In determining present value for this purpose, the yield of the Bonds (determined with regard to the payment of the guarantee fee) has been used as the discount rate. The Fee has been paid to a person who is not exempt from federal income taxation and who is not a user or related to the user of any proceeds of the Bonds. No portion of the Fee is refundable upon redemption of any of the Bonds in an amount which would exceed the portion of such Fee that has not been earned.

The undersigned understands that the foregoing information will be relied upon by District with respect to certain of the representations set forth in the Federal Tax Certificate and with respect to compliance with the federal income tax rules affecting the Bonds, and by Radcliffe Bobbitt Adams Polley PLLC in connection with rendering its opinion that the interest on the Bonds is excluded from gross income for federal income tax purposes, the preparation of the Internal Revenue Service Form 8038-G, and other federal income tax advice that it may give to the District from time to time relating to the Bonds. Notwithstanding anything set forth herein, the Underwriter is not engaged in the practice of law and makes no representation as to the legal sufficiency of the factual matters set forth herein.

In *Amawi v. Pflugerville Independent School District* (1:18-cv-01091), the United States District Court for the Western District of Texas issued a preliminary injunction (the "NBI Injunction") preventing the defendants, including the State of Texas, from enforcing Texas Government Code § 2270.001 *et seq.*, or any "No Boycott of Israel" clause in any state contract while litigation proceeds. On May 7, 2019, House Bill 793, 86th Texas Legislature, Regular Session, became law, amending Texas Government Code § 2270.001 *et seq.*, now codified at Texas Government Code § 2271.001 *et seq.*, to remedy issues raised in *Amawi v. Pflugerville Independent School District*. On May 10, 2019, the Texas Attorney General filed a Motion to Stay the NBI Injunction with the United States Court of Appeals for the Fifth Circuit. In light of the foregoing recent developments, the following representation is provided by the Underwriter to avoid any uncertainty regarding the authority of the District.

The term "boycotts Israel" and "boycott Israel" as used in this paragraph have the meanings assigned to the term "boycott Israel" in Section 808.001 of the Texas Government Code, as amended.

Additionally, by executing this Official Bid Form, the bidder also represents and certifies that, to the extent the Official Bid Form represents a governmental contract within the meaning of Section 2252.151 of the Texas Government Code, as amended, solely for purposes of Chapter 2252 of the Texas Government Code, and except to the extent otherwise required by applicable federal law, at the time of execution and delivery of its bid, neither the bidder nor a syndicate member listed on the Official Bid Form is a Company² (i) that engages in business with Iran, Sudan, or any foreign terrorist organization as described in Chapter 2270 of the Texas Government Code, or Subchapter F of Chapter 2252 of the Texas Government Code, or (ii) listed by the Texas Comptroller of Public Accounts under Section 2270.0201 or 2252.153 of the Texas Government Code. The term "foreign terrorist organization" as used in this paragraph has the meaning assigned to such term in Section 2252.151 of the Texas Government Code. The undersigned agrees to execute, at the request of the District, further written certifications as may be necessary or convenient for the District to establish compliance with these laws.
