Term Bonds; Mandatory Sinking Fund:

Any successful bidder may elect in its written bid to alter the Maturity Schedule reflected on the cover by converting the principal amounts of a Serial Bond maturing in the years 2025 through 2030 into "Term Bonds," such "Term Bonds" shall be subject to mandatory redemption on the September 1 next following the last maturity for Serial Bonds in the same principal amount as shown on the Maturity Schedule shown on the cover page, and annually thereafter on each September 1, until the stated principal amount of the Term Bonds to be redeemed on each mandatory redemption date shall be the principal amount that would have been due and payable in the Maturity Schedule shown on the cover had no conversion to Term Bond occurred. At least 30 days prior to each mandatory redemption date, the Paying Agent/Registrar shall select by lot the term Bonds to be redeemed and issue a notice of redemption in the manner provided below.

Successor Paying Agent/Registrar:

Provision is made in the Bond Order for replacement of the Paying Agent/Registrar. If the Paying Agent/Registrar is replaced by the District, the new Paying Agent/Registrar shall accept the previous Paying Agent/Registrar's records and act in the same capacity as the previous Paying Agent/Registrar. Any Paying Agent/Registrar selected by the District shall be either a national or state banking institution, trust company, financial institution, or other entity duly qualified and legally authorized to serve and perform the duties as Paying Agent/Registrar.

Municipal Bond Rating:

In connection with the sale of the Bonds the District has made application to Standard & Poor's Credit Market Services (a division of McGraw-Hill Companies, Inc.) ("S&P"); the District anticipates that S&P will assign a rating of "A" (stable outlook) to the Bonds, as it has in the past, based upon the District's underlying credit without bond insurance. An explanation of the significance of such rating may be obtained from S&P. The rating reflects only the view of S&P and the District makes no representation as to the appropriateness of such rating. The District can make no assurance that S&P rating will continue for any period of time or that such rating will not be revised downward or withdrawn entirely by S&P if in the judgment of S&P circumstances so warrant. Any such downward revision or withdrawal of the rating may have an adverse effect on the market price of the Bonds. See "Municipal Bond Insurance."

Municipal Bond Insurance:

The bond insurance companies are reviewing the District's credit and are currently considering qualifying the Bonds for insurance via their "optional bid program." The Underwriter (as defined herein) may bid for the Bonds with or without bond insurance. If the Underwriter purchases the Bonds with bond insurance and subsequent to the sale date and prior to the closing date, the Insurer's credit rating is downgraded the Underwriter is still obligated to accept delivery of the Bonds. If the Underwriter bids for the Bonds with bond insurance, then the cost of the bond insurance premium, along with the cost of any other rating other than the S&P rating, must be paid for by the Underwriter, unless otherwise specified by the bond insurance company. The District will pay for the cost of the S&P rating. There is no assurance that such ratings will continue for any given period of time or that it will not be revised downward or withdrawn entirely if circumstances so warrant. Any such rating revision or withdrawal of the rating may have an adverse effect on the market price of the Bonds. Information relative to the cost of the bond insurance premium will be available from the bond insurance companies on the day of the sale.

Security for Payment:

The Bonds, when issued, will constitute valid and binding obligations of the District, payable as to the principal and interest from the proceeds of a continuing, direct annual ad valorem tax, without legal limitation as to rate or amount, levied against all taxable property within the District, all to the extent and upon the conditions described in the Preliminary Official Statement.

CONDITIONS OF SALE

Types of Bids and Interest Rates:

The Bonds will be sold in one block on an "all or none" basis and at a price of not less than 97% of the par value thereof plus accrued interest from the date of the Bonds to the date of delivery. Bidders are to name the rates of interest to be borne by the Bonds, provided that each rate bid must be in a multiple of 1/8 of 1% or 1/20 of 1%. All Bonds maturing within a single year must bear the same rate of interest.

The net effective interest rate on the Bonds may not exceed 4.46% as calculated pursuant to Chapter 1204, Public Security Procedures Act Texas Government Code Annotated, as amended. Subject to the above conditions, no limitation will be imposed upon bidders as to the number of interest rates or changes in interest rates which may be used, but the highest interest rate bid in any maturity may not exceed the lowest interest rate bid in any maturity by more than two and one half (2-1/2%) percentage points. Each bidder shall state in its bid the total and net interest cost in dollars and the net effective interest rate determined thereby, which shall be considered informative only and not as a part of the bid.

Basis of Award:

For the purpose of awarding the sale of the Bonds, the interest cost of each bid will be computed by determining, at the interest rates specified therein, the total dollar value of all interest on the Bonds from the date thereof to their respective maturities and adding thereto the discount, if any. Subject to the District's right to reject any or all bids, sale of the Bonds will be awarded to the bidder (the "Underwriter") whose bid, under the above computation, produces the lowest net interest cost to the District. In the event of mathematical discrepancies between the interest rates and the interest costs determined therefrom, as both appear on the Official Bid Form the bid will be solely governed by the interest rates named therein.

Compliance with Laws Prohibiting Contracts with Companies that Boycott Israel and Certain Companies Engaged in Business with Iran, Sudan or Foreign Terrorist Organizations:

In *Amawi v. Pflugerville Independent School District* (1:18-cv-01091), the United States District Court for the Western District of Texas issued a preliminary injunction preventing the defendant school district from enforcement of Texas House Bill 89, codified at Texas Government Code § 2271 *et seq.*, or any “No Boycott Israel” clause (collectively, *Anti-Israel Boycotts*) in any state contract while litigation proceeds. The following verification is being voluntarily made for the purpose of compliance with current state statute pending final decision on the merits determining the validity of Anti-Israel Boycotts.

The District will not award the Bonds to a bidder unless the bidder verifies on behalf of itself and each syndicate member listed on the Official Bid Form that, to the extent the Official Bid Form represents a contract for goods or services within the meaning of Section 2271 of the Texas Government Code, as amended, solely for purposes of Chapter 2270 of the Texas Government Code, and except to the extent otherwise required by applicable federal law, at the time of execution and delivery of its bid and through the delivery date of the Bonds, neither the bidder nor a syndicate member listed on the Official Bid Form is a Company¹ that boycotts or will boycott Israel. The term “boycotts Israel” and “boycott Israel” as used in this paragraph have the meanings assigned to the term “boycott Israel” in Section 808.001 of the Texas Government Code, as amended.

Additionally, the District will not award the Bonds to a bidder unless the bidder certifies that, to the extent the Official Bid Form represents a governmental contract within the meaning of Section 2252.151 of the Texas Government Code, as amended, solely for purposes of Chapter 2252 of the Texas Government Code, and except to the extent otherwise required by applicable federal law, at the time of execution and delivery of its bid, neither the bidder nor a syndicate member listed on the Official Bid Form is a Company² (i) that engages in business with Iran, Sudan, or any foreign terrorist organization as described in Chapter 2270 of the Texas Government Code, or Subchapter F of Chapter 2252 of the Texas Government Code, or (ii) listed by the Texas Comptroller of Public Accounts under Section 2270.0201 or 2252.153 of the Texas Government Code. The term “foreign terrorist organization” as used in this paragraph has the meaning assigned to such term in Section 2252.151 of the Texas Government Code.

Good Faith Deposit:

Each bid must be accompanied by a bank's cashier's check, payable to the order of Galveston County Municipal Utility District No. 6, in the amount of \$54,600 (the "Good Faith Deposit"). The Good Faith Deposit submitted by the Underwriter will be retained uncashed by the District pending the Underwriter's compliance with the terms of the Official Bid Form and the Official Notice of Sale. In the event the Underwriter should fail or refuse to accept delivery of and pay for the Bonds in accordance with its bid, then the check will be cashed and the proceeds accepted by the District as full and complete liquidated damages. A Good Faith Deposit may accompany the Official Bid Form or may be submitted separately; if submitted separately, it shall be made available to the District prior to the opening of the bids and shall be accompanied by instructions from the bank on which it is drawn which authorize its use as a Good Faith Deposit by the bidder(s) to be named in such instructions.

Provision of Texas Ethics Commission Form 1295 ("TEC Form 1295") by Bidders:

Pursuant to Texas Government Code § 2252.908 (the "Interested Party Disclosure Act" or the "Act"), the District may not award the Bonds to a bidder that is a privately held entity unless the bidder, and each privately held syndicate member listed on the Official Bid Form, have provided to the District (c/o Norton Rose Fulbright US LLP, Attn: Neil Thomas, 1301 McKinney, Suite 5100, Houston, Texas, 77010) a completed and signed TEC Form 1295 which has been assigned a certificate number by the Texas Ethics Commission (the "TEC"). Pursuant to the rules prescribed by the TEC, the TEC Form 1295 must be completed online through the TEC's website, assigned a certificate number, printed, signed, and provided to the District. The TEC Form 1295 may be provided to the District via facsimile or electronically prior to the time prescribed for the award of the Bonds (7:30 p.m. Houston time on Monday, April 6, 2020). However, the original signed TEC Form 1295 complete with certificate number must be physically delivered to the District (c/o Norton Rose Fulbright US LLP, Attn: Neil Thomas, 1301 McKinney, Suite 5100, Houston, Texas 77010) within three business days of the award (Friday, April 10, 2020). Following the award of the Bonds, the District will notify the TEC of the receipt of each completed TEC Form 1295. The District reserves the right to reject any bid that does not comply with the requirements prescribed herein or to waive any such requirements. For purposes of completing the TEC Form 1295, the entity's name is Galveston County Municipal Utility District No. 6 and the contract ID number is GCMUD6-S2020-B. Neither the District nor its consultants have the ability to verify the information included in a TEC Form 1295, and neither have an obligation nor undertake responsibility for advising any bidder with respect to the proper completion of the TEC Form 1295.

¹ "Company" means a for-profit organization, association, corporation, partnership, joint venture, limited partnership, limited liability partnership, or limited liability company, including a wholly owned subsidiary, majority-owned subsidiary, parent company, or affiliate of those entities or business associations that exists to make a profit.

² "Company" means a sole proprietorship, organization, association, corporation, partnership, joint venture, limited partnership, limited liability partnership, limited liability company or other entity or business association whose securities are publicly traded, including a wholly owned subsidiary, majority-owned subsidiary, parent company, or affiliate of those entities or business associations, that exists to make a profit.

Consequently, an entity intending to bid on the Bonds should consult its own advisors to the extent it deems necessary and be prepared to submit the completed form promptly upon notification from the District that its bid is the apparent winning bid.

DELIVERY AND ACCOMPANYING DOCUMENTS

CUSIP Numbers:

It is anticipated that CUSIP identification numbers will be printed on the Bonds, but neither the failure to print such number on any Bond nor any error with respect thereto shall constitute cause for failure or refusal by the Underwriter to accept delivery of or make payment for the Bonds in accordance with the terms of the Official Bid Form and this Official Notice of Sale. All expenses in relation to the printing of CUSIP numbers on the Bonds shall be paid by the District; however, the CUSIP Service Bureau charge for the assignment of the numbers shall be paid by the Underwriter.

DTC Definitive Bonds:

After delivery of the initial bonds, the Bonds will be issued in book-entry-only form. Cede & Co. is the nominee for DTC. All references herein to the Registered Owners of the Bonds shall mean Cede & Co. and not the Beneficial Owners of the Bonds. Purchase of beneficial interests in the Bonds will be made in book-entry-only form (without registered Bonds) in the denomination of \$5,000 principal amount or any integral multiple thereof. Under certain limited circumstances described herein, the District may determine to forego immobilization of the Bonds at DTC, or another securities depository, in which case, such beneficial interests would become exchangeable for one or more fully registered Bonds of like principal amount for the Bonds. See "BOOK-ENTRY-ONLY SYSTEM" in the Preliminary Official Statement.

Delivery of Initial Bonds:

Initial delivery will be accomplished by the issuance of one initial Bond (the "Initial Bond"), either in typed or printed form, in the aggregate principal amount of \$2,730,000 registered to the person or entity designated by the Underwriter in the Official Bid, signed manually or in facsimile by the President and Secretary of the Board, approved by the Attorney General of Texas, and registered and manually signed by the Comptroller of Public Accounts of the State of Texas or her authorized deputy. Initial delivery will be through the Depository Trust Company ("DTC"). One definitive Bond for each maturity will be registered and delivered in the name of Cede & Co., and deposited with DTC in connection with DTC's Book-Entry-Only System. Payment for the Initial Bond must be made in immediately available funds for unconditional credit to the District, or as otherwise directed by the District. The Underwriter will be given six business days' notice of the date fixed for delivery of the Initial Bond. It is anticipated that initial delivery can be made on or about May 7, 2020, and it is understood and agreed that the Underwriter will accept delivery and provide payment for the Initial Bond by 10:00 A.M., (Houston time) on May 7, 2020 or thereafter on the date the Bonds are tendered for delivery, up to and including June 4, 2020. If for any reason the District is unable to make delivery on or before June 4, 2020, then the District shall immediately contact the Underwriter and offer to allow the Underwriter to extend its offer for an additional 30 days. If the Underwriter does not elect to extend its offer within six days thereafter, then its Good Faith Deposit will be returned, and both the District and the Underwriter shall be relieved of any further obligation. In no event shall the District be liable for any damages by reason of its failure to deliver the Initial Bond, provided such failure is due to circumstances beyond the District's reasonable control.

Conditions of Delivery:

The Underwriter's obligation to take delivery and pay for the Initial Bond is subject to the issuance of the Texas Attorney General's opinion and the Underwriter's receipt of the legal opinion of Bond Counsel and the no-litigation certificate, all as described below, and the nonoccurrence of the events described below under the caption "No Material Adverse Change."

Continuing Disclosure Agreement:

The District will agree in the Bond Order to provide certain periodic information and notices of material events in accordance with Securities and Exchange Commission Rule 15c2-12, as described in the Preliminary Official Statement under "Continuing Disclosure of Information." The Underwriters' obligation to accept and pay for the Bonds is conditioned upon delivery to the Underwriters or their agent of a certified copy of the Bond Order containing the agreement described under such heading.

Legal Opinion:

The District will furnish to the Underwriter a transcript of certain proceedings held incident to the authorization and issuance of the Bonds, including a certified copy of the approving opinion of the Attorney General of Texas, as recorded in the Bond Register of the Comptroller of Public Accounts of the State of Texas, to the effect that the Bonds are valid and legally binding obligations of the District. The District will also furnish the approving legal opinion of Norton Rose Fulbright US LLP, Houston, Texas, Bond Counsel for the District ("Bond Counsel"), to the effect that, based upon an examination of such transcript, the Bonds are validly issued under the Constitution and laws of the State of Texas, and to the effect that (i) interest on the Bonds is excludable from gross income for federal income tax purposes under existing law and (ii) interest on the Bonds will not be subject to the alternative minimum tax on individuals.

Errors or omissions in the printing of such legal opinion shall not affect the validity of the Bonds nor constitute cause for the failure or refusal by the Underwriter to accept delivery and to pay for the Bonds. Certain legal matters will be passed upon for the District by Sanford Kuhl Hagan Kugle Parker Kahn LLP, Houston, Texas, as Disclosure Counsel.

Qualified Tax-Exempt Obligations – Purchase of Bonds by Financial Institutions:

Section 265(a) of the Internal Revenue Code of 1986, as amended, ("the Code") requires a pro rata reduction in the interest expense deduction of a financial institution to reflect such financial institution's investment in tax-exempt obligations acquired after August 7, 1986. An exception to the foregoing provision is provided in the Code for "qualified tax-exempt obligations," which include tax-exempt obligations, such as the Bonds: (a) designated by the issuer as "qualified tax-exempt obligations," and (b) issued by a political subdivision for which the aggregate amount of tax-exempt obligations (not including private activity bonds other than qualified 501(c) (3) bonds) to be issued during the calendar year is not expected to exceed \$10,000,000.

The District will designate the Bonds as "qualified tax-exempt obligations" and will represent that the aggregate amount of tax-exempt bonds (including the Bonds) issued by the District and entities aggregated with the District under the Code during calendar year 2020 is not expected to exceed \$10,000,000 and that the District and entities aggregated with the District under the Code have not designated more than \$10,000,000 in "qualified tax-exempt obligations" (including the Bonds) during calendar year 2020.

Notwithstanding this exception, financial institutions acquiring the Bonds will be subject to a 20% disallowance of allocable interest expense.

No-Litigation Certificate:

On the date of delivery of the Initial Bond to the Underwriter, the District will deliver to the Underwriter a certificate, dated as of the same date, to the effect that there is no litigation of any nature pending or, to the knowledge of the signatories, threatened, to restrain or enjoin the issuance or delivery of the Bonds, or which would affect the provisions made for their payment or security, or in any manner question the validity of the Bonds.

Establishment of Issue Price:

By submitting a bid, the Underwriter agrees to assist the District in establishing the issue price of the Bonds and agrees to execute and deliver to the District at least 5 business days before the date of delivery of the Bonds an "issue price" or similar certificate setting forth the reasonably expected initial offering price to the public of the Bonds, together with the supporting pricing wires or equivalent communications, substantially in the form attached hereto, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Underwriter, the District and Bond Counsel. It will be the responsibility of the Underwriter to institute such syndicate reporting requirements, to make such investigation, and otherwise to ascertain the facts necessary to enable it to make such certification with reasonable certainty. All actions to be taken by the District under this Notice of Sale to establish the issue price of the Bonds may be taken on behalf of the District by the District's Financial Advisor identified herein and any notice or report to be provided to the District may be provided to the District's Financial Advisor.

The District intends that the provisions of Treasury Regulation Section 1.148-1(f)(3)(i) (defining "competitive sale" for purposes of establishing the issue price of the Bonds) will apply to the initial sale of the Bonds (the "competitive sale requirements") because:

- (1) the District shall disseminate this Notice of Sale to potential underwriters in a manner that is reasonably designed to reach potential underwriters;
- (2) all bidders shall have an equal opportunity to bid;
- (3) the District expects to receive bids from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds; and
- (4) the District anticipates awarding the sale of the Bonds to the bidder who submits a firm offer to purchase the Bonds at the highest price (or lowest interest cost), as set forth in this Notice of Sale.

Any bid submitted pursuant to this Notice of Sale shall be considered a firm offer for the purchase of the Bonds, as specified in the bid.

In the event that the District does not receive sufficient qualified bids to satisfy the competitive sale requirements of Treasury Regulation § 1.148-1(f)(3)(i), allowing the District to treat the reasonably expected initial offering price to the public as of the Sale Date as the issue price of the Bonds, the “hold-the-offering-price rule” shall apply, which will allow the District to treat the initial offering price to the public of each maturity as of the Sale Date as the issue price of that maturity (the “hold-the-offering-price rule.”) By submitting a bid, the winning bidder shall (i) confirm that the underwriters have offered or will offer the Bonds to the public on or before the date of award at the offering price or prices (the “initial offering price”), or at the corresponding yield or yields, set forth in the bid submitted by the winning bidder and (ii) agree, on behalf of the underwriters participating in the purchase of the Bonds, that the underwriters will neither offer nor sell unsold Bonds of any maturity to which the hold-the-offering-price rule applies to any person at a price that is higher than the initial offering price to the public during the period starting on the Sale Date and ending on the earlier of the following:

- (1) the close of the fifth (5th) business day after the Sale Date; or
- (2) the date on which the underwriters have sold at least 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public.

The winning bidder shall promptly advise the District when the underwriters have sold 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public, if that occurs prior to the close of the fifth (5th) business day after the Sale Date.

The District acknowledges that, in making the representation set forth above, the winning bidder will rely on (i) the agreement of each underwriter to comply with the hold-the-offering-price rule, as set forth in an agreement among underwriters and the related pricing wires, (ii) in the event a selling group has been created in connection with the initial sale of the Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the hold-the-offering-price rule, as set forth in a selling group agreement and the related pricing wires, and (iii) in the event that an underwriter is a party to a retail distribution agreement that was employed in connection with the initial sale of the Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the hold-the-offering-price rule, as set forth in the retail distribution agreement and the related pricing wires. The District further acknowledges that each underwriter shall be solely liable for its failure to comply with its agreement regarding the hold-the-offering-price rule and that no underwriter shall be liable for the failure of any other underwriter, or of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a retail distribution agreement to comply with its corresponding agreement regarding the hold-the-offering-price rule as applicable to the Bonds.

By submitting a bid, each bidder confirms that: (i) any agreement among underwriters, any selling group agreement and each retail distribution agreement (to which the bidder is a party) relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter, each dealer who is a member of the selling group, and each broker-dealer that is a party to such retail distribution agreement, as applicable, to (A) report the prices at which it sells to the public the unsold Bonds of each maturity allotted to it until it is notified by the winning bidder that the hold-the-price rule no longer applies to such maturity and (B) to comply with the hold-the-offering-price rule, if applicable, in each case if and for so long as directed by the winning bidder and as set forth in the related pricing wires, and (ii) any agreement among underwriters relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter that is a party to a retail distribution agreement to be employed in connection with the initial sale of the Bonds to the public to require each broker-dealer that is a party to such retail distribution agreement to (A) report the prices at which it sells to the public the unsold Bonds of each maturity allotted to it until it is notified by the winning bidder or such underwriter that the hold-the-offering-price rule no longer applies to such maturity and (B) comply with the hold-the-offering-price rule, if applicable, in each case if and for so long as directed by the winning bidder or such underwriter and as set forth in the related pricing wires.

Sales of any Bonds to any person that is a related party to an underwriter shall not constitute sales to the public for purposes of this Notice of Sale. Further, for purposes of this section of the Notice of Sale:

- (i) “public” means any person other than an underwriter or a related party,
- (ii) “underwriter” means (A) any person that agrees pursuant to a written contract with the District (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the public),
- (iii) a purchaser of any of the Bonds is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct

ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and

- (iv) "Sale Date" means the date that the Bonds are awarded by the District to the winning bidder.

GENERAL CONSIDERATIONS

Registration, Transfer and Exchange:

The District will cause to be kept at the place of payment a register in which, subject to such reasonable regulations as the District or the Paying Agent/registrar may prescribe, the Paying Agent/Registrar will provide for the registration of the Bonds and registration of transfers of the Bonds as provided in the Bond Order.

Upon surrender for transfer of any Bond at the place of payment, the District will execute, and the Paying Agent/Registrar will authenticate and deliver, in the name of the designated transferee or transferees, one or more newly fully registered Bonds of the same stated maturity, of any authorized denominations, and of a like aggregate principal amount.

At the option of the Registered Owner, Bonds may be exchanged for other Bonds of the same stated maturity, of any authorized denominations, and of like aggregate principal amount, upon surrender of the Bonds to be exchanged at the place of payment. Whenever any Bonds are so surrendered for exchange, the District will execute, and the Paying Agent/Registrar will authenticate and deliver, the Bonds which the Registered Owner of Bonds making the exchange is entitled to receive.

All Bonds issued upon any transfer or exchange of Bonds will be valid obligations of the District, evidencing the same debt, and entitled to the same benefits under the Order, as the Bonds surrendered upon such transfer or exchange.

Every Bond presented or surrendered for transfer or exchange will be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the District and the Paying Agent/Registrar may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds.

No service charge will be made to the Registered Owner for any registration, transfer, or exchange of Bonds, but the District or the Paying Agent/Registrar may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds.

Record Date:

The record date ("Record Date") for the interest payable on any interest payment date means the 15th calendar day of the month next preceding such interest payment date.

Limitation on Transfers and Exchanges:

Neither the District nor the Paying Agent/Registrar shall be required to (1) transfer or exchange any Bond during a period beginning at the opening 15 days before the day of the first mailing of a notice of redemption of Bonds and ending at the close of business on the day of such mailing, or (2) thereafter to transfer or exchange in whole or in part any Bond so selected for redemption.

Investment Considerations:

The Bonds involve special investment considerations. Prospective bidders are urged to examine carefully the Preliminary Official Statement with respect to the investment risks pertaining to the Bonds. Particular attention should be given to the information set forth therein under "RISK FACTORS."

No Registration or Qualification Under Securities Laws:

The offer and sale of the Bonds has not been registered with the Securities and Exchange Commission under the Securities Act of 1933, as amended, in reliance upon exemptions provided thereunder. The Bonds have not been registered or qualified under the Securities Act of Texas, as amended, in reliance upon various exemptions contained therein; nor have the Bonds been registered or qualified under the securities laws of any other jurisdiction. The District assumes no responsibility for registration or qualification of the Bonds under the securities laws of any other jurisdiction in which the Bonds may be sold, assigned, pledged, hypothecated or otherwise transferred. This disclaimer of responsibility for registration or qualification for sale or other disposition of the Bonds shall not be construed as an interpretation of any kind with regard to the availability of any exemption from securities registration or qualification provisions. In those jurisdictions where persons registered or licensed as dealers or brokers may offer and sell the Bonds, it is assumed that such persons have complied and will comply with all applicable statutes and regulations concerning dealers and brokers and concerning the registration or licensing of agents or salesmen.

By the submission of its bid, the Underwriter represents that the offer and sale of the Bonds in states other than Texas will be made only pursuant to exemptions from registration or qualification, or where necessary, the Underwriter will register or qualify the Bonds in accordance with the securities laws of the states in which the Bonds are offered or sold. The District agrees to cooperate, at the Underwriter's written request and expense, in registering or qualifying the Bonds, or in obtaining an exemption from registration or qualification in any state where such action is necessary, provided that the District shall not be required to file a general consent to service of process in any jurisdiction.

Continuing Disclosure:

The District will agree in the Bond Order to provide certain periodic information and notices of material events in accordance with Securities and Exchange Commission Rule 15-c2-12, as described in the Preliminary Official Statement under "CONTINUING DISCLOSURE OF INFORMATION." The Underwriter's obligation to accept and pay for the Bonds is conditioned upon delivery to the Underwriters or their agent of a certified copy of the Bond Order containing the agreement described under such heading.

Substantive Requirements for Official Statement:

The District has complied in all material respects with all continuing disclosure agreements made by the District in accordance with SEC Rule 15-c2-12.

Final Official Statement:

The District has prepared the accompanying Preliminary Official Statement for dissemination to potential purchasers of the Bonds. The District will prepare a final Official Statement, which will describe the reoffering yields and underwriting discount bid, the interest rates and identity of the Underwriter, and the final debt service schedule and ratios and tax rates consequent thereon. The District does not intend to amend or supplement the Preliminary or final Official Statement, except to take into account certain subsequent events, if any, as described below. Accordingly, the District deems the accompanying Preliminary Official Statement to be final as of its date, within the meaning of SEC Rule 15-c2-12(b)(1), except for the omission of the foregoing items. By delivering the final Official Statement or any amendment or supplement thereto in the requested quantity to the Underwriter on or after the sale date, the District intends the same to be complete as of such date, within the meaning of SEC Rule 15-c2-12(e)(3). Notwithstanding the foregoing, the only representations concerning the absence of material misstatements or omissions from the Official Statement which are or will be made by the District are those described in the Official Statement under "OFFICIAL STATEMENT--Certification as to Official Statement."

Changes to Official Statement:

For the period beginning on the date of the award of the sale of the Bonds to the Underwriter and ending on the 91st day after the "end of the underwriting period" {as defined in SEC Rule 15-c(2)-12(e)(2)}, if any event shall occur of which the District has knowledge and as a result of which it is necessary to amend or supplement the Official Statement in order to make the statements therein, in light of the circumstances when the Official Statement is delivered to a prospective purchaser, not misleading, the District will promptly notify the Underwriter of the occurrence of such event and will cooperate in the preparation of a revised Official Statement, or amendments or supplements thereto, so that the statements in the Official Statement, as revised, amended or supplemented, will not, in light of the circumstances when such Official Statement is delivered to a prospective purchaser, be misleading.

Delivery of Official Statements:

The District will furnish to the Underwriter (and to each other participating underwriter of the Bonds, within the meaning of SEC Rule 15-c2-12(a), designated by the Underwriter), within seven business days after the sale date, the aggregate number of Official Statements as requested by the Underwriter. The District will also furnish to the Underwriter a like number of any supplement or amendment prepared by the District for dissemination to potential purchasers of the Bonds as described above, as well as such additional copies of the Official Statement or any supplement or amendment as the Underwriter may request prior to the 90th day after the end of the underwriting period referred to in SEC Rule 15-c2-12(e)(2). The District will pay the expense of preparing up to 50 copies of the Official Statement and all copies of any supplement or amendment issued on or before the delivery date, but the Underwriter must pay for all other copies of the Official Statement or any supplement or amendment thereto. The District assumes no responsibility or obligation for the distribution or delivery of any copies of the Official Statement to anyone other than the Underwriter.

Severability:

In case any provision herein, or application thereof, shall be invalid, illegal, or unenforceable, the validity, legality, and enforceability of the remaining provisions or applications shall not in any way be affected or impaired thereby.

Additional copies of this Official Notice of Sale, the Official Bid Form and the Preliminary Official Statement may be obtained from John Howell, Senior Vice President, The GMS Group, L.L.C., 5075 Westheimer, Suite 1175, Houston, Texas 77056-5606; phone number (713) 622-7620.

ISSUE PRICE CERTIFICATE

The undersigned hereby certifies as follows with respect to the sale of \$2,730,000 Galveston County Municipal Utility District No. 6 Unlimited Tax Bonds, Series 2020 (the "Bonds"):

1. The undersigned is the underwriter or the manager of the syndicate of underwriters (the "Underwriter") that has purchased the Bonds from Galveston County Municipal Utility District No. 6 (the "District") at competitive sale.

2. The Underwriter was not given the opportunity to review other bids prior to submitting its bid, and the bid submitted by the Underwriter constituted a firm bid to purchase the Bonds.

3. As of the Sale Date, the reasonably expected initial offering price of each maturity of the Bonds to the Public (the "Initial Offering Price") by the Underwriter (expressed as a percentage of principal amount and exclusive of accrued interest) is as set forth on the pricing wire attached as Exhibit A. The Initial Offering Price for each maturity of the Bonds (a) represented the price (payable in cash, with no other consideration being included), at which the Underwriter reasonably expected that each such Bond would be sold to the Public, and (b) was the basis for the Underwriter's winning bid for the Bonds.

4. The Underwriter has made a bona fide offering to the Public of all the Bonds of each maturity at the respective Initial Offering Price set forth in paragraph 3 above.

If the District received fewer than three bids for the Bonds, check this box and complete paragraph 5.

5. At least 10% of each maturity of the Bonds was sold to the Public at its respective Initial Offering Price on the Sale Date, except for the Bonds maturing in the years _____, _____, _____, _____, _____, and _____ (the "Excepted Maturities"). As set forth in the Notice of Sale, the Underwriter has agreed in writing that, (i) for each of the Excepted Maturities, the Underwriter would neither offer nor sell any of the Bonds of such maturity to any person at a price that is higher than the Initial Offering Price for each maturity, as set forth in the pricing wire or equivalent communication for the Bonds attached to this Certificate, during the Offering Period for such maturity, nor would the Underwriter permit a related party to do so, and (ii) any selling group agreement shall contain the agreement of each dealer who is a member of the selling group, and any retail distribution agreement shall contain the agreement of each broker-dealer who is a party to the retail distribution agreement, to comply with the hold-the-offering-price rule. Pursuant to such agreement, no underwriter has offered nor sold any of the Excepted Maturities at a price higher than the respective Initial Offering Price for that maturity of the Bonds during the Offering Period. For purposes of this paragraph, the term "Offering Period" means, with respect to an Excepted Maturity, the period beginning on the Sale Date and ending on the earlier of (a) the close of the fifth business day after the Sale Date or (b) the date on which the Underwriter has sold at least 10 percent of such Excepted Maturity to the public at a price that is no higher than the Initial Offering Price for such Excepted Maturity.

6. The term "Public" means any person (including an individual, trust, estate, partnership, association, company or corporation) other than an underwriter or a related party to an underwriter. The term "underwriter" means any person that agrees to participate in the initial sale of the Bonds to the Public pursuant to a written contract with the District (or with the lead underwriter to form an underwriting syndicate) or pursuant to a written contract directly or indirectly with any person which has entered into a written contract with the District or with the lead underwriter to form a syndicate (for example, a retail distribution agreement between a national lead underwriter and a regional firm under which the regional firm participates in the initial sale of the Bonds to the public). A related party generally means two or more persons with greater than 50 percent common ownership, directly or indirectly.

7. Sale Date means the first date on which there is a binding contract in writing for the sale of the Bonds. The Sale Date of the Bonds is April 6, 2020.

8. The Underwriter [has] [has not] purchased bond insurance for the Bonds. The bond insurance has been purchased from _____ (the "Insurer") for a fee of \$_____ (net of any non-guarantee cost, e.g., rating agency fees). The amount of such fee is set forth in the Insurer's commitment and does not include any payment for any direct or indirect services other than the transfer of credit risk, unless the compensation for those other services is separately stated, reasonable, and excluded from such fee. Such fee does not exceed a reasonable, arms-length charge for the transfer of credit risk. The present value of the debt service savings expected to be realized as a result of such insurance exceeds the amount of the fee set forth above. For this purpose, present value is computed using the yield on the Bonds, determined by taking into account the amount of the fee set forth above, as the discount rate. No portion of the fee payable to the Insurer is refundable upon redemption of any of the Bonds in an amount which would exceed the portion of such fee that had not been earned.

9. The undersigned understands that the statements made herein above will be relied upon by the District and Bond Counsel in complying with the conditions imposed by the Internal Revenue Code of 1986, as amended, on the exclusion of interest on the Bonds from the gross income of their owners for federal income tax purposes.

10. The undersigned has calculated the total underwriting spread on the Bonds to be \$_____. As used herein, the term "total underwriting spread" means the cost for marketing and selling the Bonds, and includes (a) a total take down of \$_____, (b) a total management fee of \$_____, (c) fees and expenses of Underwriter's counsel in the estimated total amount of \$_____, and (d) other expenses in the total estimated amount of \$_____.
