THE ROAD BONDS

DESCRIPTION OF CERTAIN TERMS OF THE ROAD BONDS: The Road Bonds will be dated October 1, 2020, with interest payable on May 1, 2021, and each November 1 and May 1 thereafter (each an “Interest Payment Date”) until the earlier of maturity or prior redemption. The Road Bonds will be issued only in fully registered form. Principal will be payable to the registered owner(s) of the Road Bonds (the “Registered Owner(s)”) upon presentation and surrender at the principal payment office of the paying agent/registrar, initially, Regions Bank, an Alabama banking corporation, Houston, Texas (the “Paying Agent/Registrar”). Interest on the Road Bonds will be payable by check of the Paying Agent/Registrar, dated as of the Interest Payment Date, and mailed by the Paying Agent/Registrar to the Registered Owners, as shown on the records of the Registrar at the close of business on the 15th day of the calendar month next preceding each Interest Payment Date (the “Record Date”). The Road Bonds will be registered in the name of Cede & Co., as nominee for The Depository Trust Company, New York, New York (“DTC”), which will act as securities depository for the Road Bonds. Beneficial owners of the Road Bonds will not receive physical certificates representing the Road Bonds, but will receive a credit balance on the books of the nominees of such beneficial owners. So long as Cede & Co. is the registered owner of the Road Bonds, the principal of and interest on the Road Bonds will be paid by the Paying Agent/Registrar directly to DTC, which will, in turn, remit such principal and interest to its participants for subsequent disbursement to the beneficial owners of the Road Bonds as described herein. See “THE BONDS – Book-Entry-Only System” in the Preliminary Official Statement.

The Road Bonds will mature on November 1 in each of the following years in the following amounts:

SERIAL BONDS AND/OR TERM BONDS: Bidders may provide that all the Road Bonds be issued as serial bonds or may provide that any two or more consecutive annual principal amounts may be combined into one or more term bonds.

REDEMPTION PROVISIONS: The Road Bonds that mature on or after November 1, 2026, are subject to redemption and payment, at the option of the Master District, in whole or, from time to time, in part, on November 1, 2025, or on any date thereafter, at a price equal to the principal amount thereof, plus accrued interest thereon to the date fixed for redemption. If less than all the Road Bonds are redeemed at any time, the Master District shall determine the maturity or maturities and the amounts thereof to be redeemed in integral multiples of \$5,000 in principal amount, and if less than all of the Road Bonds within a maturity are to be redeemed, the Paying Agent/Registrar shall designate by method of random selection the Road Bonds within such maturity to be redeemed (or by DTC in accordance with its procedures while the Road Bonds are in book-entry-only form). The Registered Owner of any Road Bond, all or a portion of which has been called for redemption, shall be required to present such Road Bond to the Paying Agent/Registrar for payment of the redemption price on the portion of the Road Bond so called for redemption and issuance of an exchange Road Bond in a principal amount equal to the portion of the Road Bond not so redeemed.

SECURITY FOR PAYMENT: The Road Bonds, when issued, will constitute valid and binding obligations of the Master District and will be payable from Contract Payments, as defined and further described in the Preliminary Official Statement.

OTHER TERMS AND COVENANTS: Other terms of the Road Bonds and the various covenants of the Master District contained in the Road Bond Resolution are described in the Preliminary Official Statement, to which reference is made for all purposes.

MUNICIPAL BOND INSURANCE AND RATINGS: The Master District has made an application to Build America Mutual Assurance Company and Assured Guaranty Municipal Corp. for a commitment for municipal bond guaranty insurance on the Road Bonds. If qualified and the Road Bonds Initial Purchaser (herein defined) elects to purchase municipal bond insurance, the payment of all costs associated with the insurance, including the premium charged by the insurance company, and fees charged by rating companies, will be the obligation of the Road Bonds Initial Purchaser.

The Master District has not made an application for a municipal bond rating on the Road Bonds. Furthermore, it is not expected that the Master District would have been successful in receiving an investment grade municipal bond rating on the Road Bonds. See "MUNICIPAL BOND INSURANCE AND RATINGS" in the Preliminary Official Statement.

CONDITIONS OF SALE

TYPES OF BIDS AND INTEREST RATES: The Road Bonds will be sold in one block on an "all or none" basis at a price of not less than 97% of the par value thereof, plus accrued interest from the date of the Road Bonds to the date of delivery. Bidders are to name the rates of interest to be borne by the Road Bonds, provided that each interest rate bid must be a multiple of 1/8th or 1/20th of 1%. All Road Bonds maturing within a single year must bear the same rate of interest. The net effective interest rate on the Road Bonds may not exceed 4.22%, as calculated pursuant to Chapter 1204 of the Texas Government Code. No limitation will be imposed upon bidders as to the number of rates which may be used, but the highest rate bid may not exceed the lowest rate bid by more than 2-1/2% in interest rate. No bids involving supplemental interest payments will be considered. No bid that generates a cash premium greater than \$5,000 will be considered. Each bid shall indicate the total and net interest costs in dollars and the net effective interest rate determined therefrom, which shall be considered informative only and not as a part of the bid.

BASIS OF AWARD: For the purpose of awarding sale of the Road Bonds, the total interest cost of each bid will be computed by determining, at the rates specified therein, the total dollar value of all interest on the Road Bonds from the date thereof to their respective maturities, and adding thereto the dollar amount of the discount bid, if any, or deducting therefrom the premium bid, if any. Subject to the Master District's right to reject any or all bids, sale of the Road Bonds will be awarded to the bidder (the "Road Bonds Initial Purchaser") whose bid, under the above computation, produces the lowest net effective interest rate to the Master District subject to compliance with Texas Government Code §2252.908. The Board reserves the right to reject any or all bids. In the event of mathematical discrepancies between the interest rate(s) bid and the interest cost determined therefrom, as both appear on the Official Bid Form; the bid will be governed solely by the interest rate(s) bid.

REQUIRED DISCLOSURE OF INTERESTED PARTIES: Pursuant to Texas Government Code §2252.908 (the "Interested Party Disclosure Act" or the "Act"), the Master District may not award the Road Bonds to a bidder that is privately held entity unless the bidder, and each privately held syndicate member listed on the Official Bid Form, has provided to the Master District (c/o Robert W. Baird & Co. Incorporated, 1331 Lamar Street, Suite 1360, Houston, Texas 77010, Attn: Jan Bartholomew, jbartholomew@rwbaird.com) a completed and signed TEC Form 1295 which has been assigned a certificate number by the Texas Ethics Commission (the "TEC"). Pursuant to the rules prescribed by the TEC, the TEC Form 1295 must be completed online through the TEC's website, assigned a certificate number, printed, signed, and provided to the Master District. The TEC Form 1295 may accompany the Official Bid Form or may be submitted separately, but must be provided to the Master District prior to the time prescribed for the award of the Road Bonds. The TEC Form 1295 may be provided to the Master District via facsimile or electronically, however, the original signed TEC Form 1295 complete with certificate number must be physically delivered to the Master District (c/o Allen Boone Humphries Robinson LLP, 3200 Southwest Freeway, Suite 2600, Houston, Texas 77027) within two business days of the award. Following the award of the Road Bonds, the Master District will notify the TEC of the receipt of each completed TEC Form 1295. The Master District reserves the right to reject any bid that does not comply with the requirements prescribed herein or to waive any such requirements.

For purposes of completing the TEC Form 1295, the entity's name is "Sienna Plantation Municipal Utility District No. 5" and the contract ID number is "SPMUD5 - S2020RD - B." Neither the Master District nor its consultants have the ability to verify the information included in a TEC Form 1295, and neither have an obligation nor undertake responsibility for advising any bidder with respect to the proper completion of the TEC Form 1295. Consequently, an entity intending to bid on the Road Bonds should consult its own advisors to the extent it deems necessary and be prepared to submit the completed form promptly upon notification from the Master District that its bid is the apparent winning bid.

GOOD FAITH DEPOSIT: Each bid must be accompanied by a bank cashier's check payable to the order of "Sienna Plantation Municipal Utility District No. 5" in the amount of \$120,000, which is 2% of the par value of the Road Bonds (the "Good Faith Deposit"). "Official Checks" will not be accepted. The check of the Road Bonds Initial Purchaser will be considered as the Good Faith Deposit and will be retained uncashed by the Master District pending the Road Bonds Initial Purchaser's compliance with the terms of the bid. In the event the Road Bonds Initial Purchaser should fail or refuse to take up and pay for the Road Bonds in accordance with such terms, then the Good Faith Deposit will be cashed and the proceeds accepted by the Master District as full and complete liquidated damages. The Good Faith Deposit may accompany the bid or it may be submitted separately; if submitted separately, it shall be made available to the Master District prior to the opening of the bids and shall be accompanied by instructions from the bank on which it is drawn which authorize its use as the Good Faith Deposit of bidders named in such instructions. The Good Faith Deposit of the Road Bonds Initial Purchaser will be returned to the Road Bonds Initial Purchaser uncashed on the date of delivery of the Road Bonds. No interest will be credited on the Good Faith Deposit. The checks accompanying all other bids will be returned immediately after the bids are opened and the award of the sale of the Road Bonds has been made.

COMPLIANCE WITH LAWS PROHIBITING CONTRACTS WITH COMPANIES THAT BOYCOTT ISRAEL AND CERTAIN COMPANIES ENGAGED IN BUSINESS WITH IRAN, SUDAN, OR FOREIGN TERRORIST ORGANIZATIONS: The Master District will not award the Road Bonds to a bidder unless the bidder verifies on behalf of itself and each syndicate member listed on the Official Bid Form that, to the extent the Official Bid Form represents a contract for goods or services within the meaning of Section 2271.002 of the Texas Government Code, as amended, solely for purposes of Chapter 2271 of the Texas Government Code, and except to the extent otherwise required by applicable federal law, at the time of execution and delivery of its bid and through the delivery date of the Road Bonds, neither the bidder nor a syndicate member listed on the Official Bid Form is a Company¹ that boycotts or will boycott Israel. The term “boycotts Israel” and “boycott Israel” as used in this paragraph have the meanings assigned to the term “boycott Israel” in Section 808.001 of the Texas Government Code, as amended. Additionally, the Master District will not award the Road Bonds to a bidder unless the bidder certifies that, to the extent the Official Bid Form represents a governmental contract within the meaning of Section 2252.151 of the Texas Government Code, as amended, solely for purposes of Chapter 2252 of the Texas Government Code, and except to the extent otherwise required by applicable federal law, at the time of execution and delivery of its bid, neither the bidder nor a syndicate member listed on the Official Bid Form is a Company² (i) that engages in business with Iran, Sudan, or any foreign terrorist organization as described in Chapter 2270 of the Texas Government Code, or Subchapter F of Chapter 2252 of the Texas Government Code, or (ii) listed by the Texas Comptroller of Public Accounts under Section 2270.0201 or 2252.153 of the Texas Government Code. The term “foreign terrorist organization” as used in this paragraph has the meaning assigned to such term in Section 2252.151 of the Texas Government Code.

CONTRACTING INFORMATION: The Master District will not award the Road Bonds to a bidder unless the bidder verifies on behalf of itself and each syndicate member listed on the Official Bid Form that, to the extent the Official Bid Form represents a contract for goods or services within the meaning of Section 552.371 of the Texas Government Code, as amended, the bidder and each syndicate member listed on the Official Bid Form will (i) preserve all contracting information related to the bid as provided by the records retention requirements applicable to the Master District through the delivery date of the Road Bonds, (ii) promptly provide to the Master District any contracting information related to the bid that is in the custody or possession of the bidder or any syndicate member on request of the Master District, and (iii) upon delivery of the Road Bonds to the bidder, either (a) provide at no cost to the Master District all contracting information related to the bid that is in the custody or possession of the bidder or any syndicate member or (b) preserve the contracting information related to the bid as provided by the records retention requirements applicable to the Master District. The term “contracting information” as used in this paragraph has the meaning assigned to such term in Section 552.003 of the Texas Government Code.

COMPETITIVE BIDDING AND CERTIFICATE OF INITIAL PURCHASER: In the event that the Master District does not receive sufficient qualified bids to satisfy the competitive sale requirements of Treasury Regulation § 1.148-1(f)(3)(i), allowing the Master District to treat the reasonably expected initial offering price to the public as of the sale date as the issue price of the Road Bonds, the “hold-the-offering-price rule” shall apply, which will allow the Master District to treat the initial offering price to the public of each maturity as of the sale date as the issue price of that maturity (the “hold-the-offering-price rule”). So long as the hold-the-offering-price rule applies to any maturity of the Road Bonds, the Road Bonds Initial Purchaser will neither offer nor sell that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following: (i) the date on which the Road Bonds Initial Purchaser has sold at least 10 percent of that maturity of the Road Bonds to the public at a price that is no higher than the initial offering price to the public or (b) the close of the fifth business day after the sale date. The Road Bonds Initial Purchaser agrees to promptly report to the Financial Advisor when it has sold 10 percent of a maturity of the Road Bonds to the public at a price that is no higher than the initial offering price to the public if that occurs prior to the close of the fifth business day after the sale date. Alternative Certificates of Road Bonds Initial Purchaser are attached for use (I) when the competitive sale requirements of Treasury Regulation § 1.148-1(f)(3)(i) are met and (II) when such requirements are not met.

DELIVERY OF THE ROAD BONDS AND ACCOMPANYING DOCUMENTS

DELIVERY OF INITIAL BONDS: Initial delivery of the Road Bonds will be as one Road Bond for each maturity, as set forth below. Unless otherwise agreed with the Road Bonds Initial Purchaser, delivery will be at the corporate trust office of the Paying Agent/Registrar. Payment for the Road Bonds must be made in immediately available funds for unconditional credit

¹ “Company” means a for-profit organization, association, corporation, partnership, joint venture, limited partnership, limited liability partnership, or limited liability company, including a wholly owned subsidiary, majority-owned subsidiary, parent company, or affiliate of those entities or business associations that exists to make a profit.

² “Company” means a sole proprietorship, organization, association, corporation, partnership, joint venture, limited partnership, limited liability partnership, limited liability company, or other entity or business association whose securities are publicly traded, including a wholly owned subsidiary, majority-owned subsidiary, parent company, or affiliate of those entities or business associations, that exists to make a profit.

to the Master District, or as otherwise directed by the Master District. The Road Bonds Initial Purchaser will be given five (5) business days' notice of the time fixed for delivery of the Road Bonds. It is anticipated that initial delivery can be made on or about October 20, 2020, and subject to the aforesaid notice, it is understood and agreed that the Road Bonds Initial Purchaser will accept delivery and make payment for the initial Road Bonds by 10:00 A.M., Central Time, on October 20, 2020, or thereafter on the date the initial Road Bonds are tendered for delivery, up to and including November 19, 2020. If for any reason the Master District is unable to make delivery on or before November 19, 2020, then the Master District immediately shall contact the Road Bonds Initial Purchaser and offer to allow the Road Bonds Initial Purchaser to extend its offer for an additional thirty (30) days. If the Road Bonds Initial Purchaser does not elect to extend its offer within five (5) days thereafter, then the Good Faith Deposit will be returned, and both the Master District and the Road Bonds Initial Purchaser shall be relieved of any further obligation.

CUSIP NUMBERS: It is anticipated that CUSIP identification numbers will be printed on the Road Bonds, but neither the failure to print such number on any Road Bond nor any error with respect thereto shall constitute cause for a failure or refusal by the Road Bonds Initial Purchaser to accept delivery of and pay for the Road Bonds in accordance with the terms of this Official Notice of Sale. All expenses relating to the printing of CUSIP numbers on the Road Bonds shall be paid for by the Master District; however, payment of the CUSIP Global Services charge for the assignment of the numbers shall be the responsibility of the Road Bonds Initial Purchaser.

EXCHANGE ON DELIVERY DATE: Upon written request of the Road Bonds Initial Purchaser, delivered to the Paying Agent/Registrar not less than five (5) business days prior to the date fixed for delivery, the Paying Agent/Registrar will, on the delivery date, exchange the Road Bonds to be delivered by the Master District for Road Bonds registered in accordance with instructions contained in such request, in integral multiples of \$5,000, maturing as set out in the Official Notice of Sale and bearing interest in accordance with the terms of the Road Bonds Initial Purchaser's bid.

CONDITIONS TO DELIVERY: The obligation to take up and pay for the Road Bonds is subject to the following conditions: the issuance of an approving opinion of the Attorney General of Texas, the Road Bonds Initial Purchaser's receipt of the initial bonds, the Road Bonds Initial Purchaser's receipt of the legal opinion of Allen Boone Humphries Robinson LLP, Houston, Texas ("Bond Counsel"), and the no-litigation certificate, and the non-occurrence of the events described below under the caption "NO MATERIAL ADVERSE CHANGE," all as described below. Further, the Road Bonds Initial Purchaser is not obligated to take up and pay for the Road Bonds at initial delivery if at any time after the award of the Road Bonds and at or prior to initial delivery, the Congress of the United States shall have declared war or a national emergency. In addition, if the Master District fails to comply with its obligations described under "OFFICIAL STATEMENT" below, the Road Bonds Initial Purchaser may terminate its contract to purchase the Road Bonds by delivering written notice to the Master District within five (5) days thereafter.

INITIAL PURCHASER'S CERTIFICATION OF ISSUE PRICE: In order to provide the Master District with information required to enable it to comply with certain conditions of the Internal Revenue Code of 1986, as amended (the "Code"), relating to the exclusion of interest on the Road Bonds from gross income for federal income tax purposes, the Road Bonds Initial Purchaser will be required to complete, execute and deliver to the Master District (on or before the date of delivery of the Road Bonds) a certification regarding the "issue price" of the Road Bonds in the form accompanying this Official Notice of Sale. Each bidder, by submitting its bid, agrees to complete, execute and deliver such a certificate by the date of delivery of the Road Bonds, if its bid is accepted by the Master District. It will be the responsibility of the Road Bonds Initial Purchaser to institute such syndicate reporting requirements, to make such investigation, or otherwise to ascertain the facts necessary to enable it to make such certification with reasonable certainty. Any questions concerning such certification should be directed to Bond Counsel.

DTC DEFINITIVE BONDS: After delivery, the Road Bonds will be issued in book-entry-only form. Cede & Co. is the nominee for DTC. All references herein to the registered owners of the Road Bonds shall mean Cede & Co. and not the Beneficial Owners of the Road Bonds. Purchase of beneficial interests in the Road Bonds will be made in book-entry-only form (without registered Road Bonds) in the denomination of \$5,000 principal amount or any integral multiple thereof. Under certain limited circumstances described herein, the Master District may determine to forego immobilization of the Road Bonds at DTC, or another securities depository, in which case, such beneficial interests would become exchangeable for one or more fully registered Road Bonds of like principal amount for the Road Bonds. See "THE BONDS – Book-Entry-Only System" in the Preliminary Official Statement.

LEGAL OPINIONS: The Master District will furnish to the Road Bonds Initial Purchaser a transcript of certain certified proceedings incident to the issuance and authorization of the Road Bonds, including a certified copy of the approving legal opinion of the Attorney General of Texas, as recorded in the Bond Register of the Comptroller of Public Accounts of the State of Texas, to the effect that the Attorney General has examined a transcript of proceedings authorizing the issuance of the Road Bonds, and that based upon such examination, the Road Bonds are valid and binding obligations of the Master District payable from the proceeds of an annual ad valorem tax, levied without legal limitation as to rate or amount upon all taxable property in the Master District. The Master District will also furnish the approving legal opinion of Bond Counsel, to the effect that, based upon an examination of such transcript, the Road Bonds are valid and binding obligations of the Master District under the Constitution and laws of the State of Texas, except to the extent that enforcement of the rights and

remedies of the registered owners of the Road Bonds may be limited by laws relating to bankruptcy, reorganization, or other similar laws of general application affecting the rights of creditors of political subdivisions such as the Master District. The legal opinion of Bond Counsel will further state that the Road Bonds are payable, both as to principal and interest, from the levy of ad valorem taxes without legal limitation as to rate or amount, upon all taxable property within the Master District, and that, under existing law, interest on the Road Bonds is excludable from gross income for federal income tax purposes and interest on the Road Bonds is not subject to the alternative minimum tax on individuals. See “LEGAL MATTERS” in the Preliminary Official Statement. Such opinions express no opinion with respect to the sufficiency of the security for or marketability of the Road Bonds.

NOT QUALIFIED TAX-EXEMPT OBLIGATIONS: The Bonds are NOT “qualified tax-exempt obligations” for financial institutions.

NO-LITIGATION CERTIFICATE: On the date of delivery of the Road Bonds to the Road Bonds Initial Purchaser, the Master District will execute and deliver to the Road Bonds Initial Purchaser, a certificate to the effect that no litigation of any nature has been filed or is pending, as of that date, of which the Master District has notice, to restrain or enjoin the issuance or delivery of the Road Bonds, or which would affect the provisions made for their payment or security, or in any manner question the validity of the Road Bonds.

NO MATERIAL ADVERSE CHANGE: The obligation of the Road Bonds Initial Purchaser to take up and pay for the initial Road Bonds, and of the Master District to deliver the initial Road Bonds, is subject to the condition that, up to the time of delivery of and receipt of payment for the initial Road Bonds, there shall have been no material adverse change in the affairs of the Master District subsequent to the date of sale from that set forth in the Preliminary Official Statement, as it may have been finalized, supplemented or amended through the date of delivery.

OFFICIAL STATEMENT

FINAL OFFICIAL STATEMENT: The Master District has approved and authorized distribution of the accompanying Preliminary Official Statement for dissemination to potential purchasers of the Road Bonds, but does not presently intend to prepare any other document or version thereof for such purpose, except as described below. Accordingly, the Master District intends the Preliminary Official Statement to be final as of its date, within the meaning of SEC Rule 15c2-12(b)(1), except for information relating to the offering prices, interest rates, final debt service schedule, selling compensation, identity of the Road Bonds Initial Purchaser and other similar information, terms and provisions to be specified in the competitive bidding process. The Road Bonds Initial Purchaser shall be responsible for promptly informing the Master District of the initial offering yields of the Road Bonds. Thereafter, the Master District will complete and authorize distribution of the Official Statement identifying the Road Bonds Initial Purchaser and containing such omitted information. The Master District does not intend to amend or supplement the Official Statement otherwise, except to take into account certain subsequent events, if any, as described below. By delivering the final Official Statement or any amendment or supplement thereto in the requested quantity to the Road Bonds Initial Purchaser on or after the sale date, the Master District intends the same to be final as of such date, within the meaning of SEC Rule 15c2-12(e)(3). Notwithstanding the foregoing, the only representations concerning the absence of material misstatements or omissions from the Official Statement which are being or which will be made by the Master District are those described and contained in the Official Statement under the caption “OFFICIAL STATEMENT – Certification as to Official Statement.”

CHANGES TO OFFICIAL STATEMENT: If, subsequent to the date of the Official Statement, the Master District learns, through the ordinary course of business and without undertaking any investigation or examination for such purposes, or is notified by the Road Bonds Initial Purchaser of any adverse event which causes the Official Statement to be materially misleading, and unless the Road Bonds Initial Purchaser elects to terminate its obligation to purchase the Road Bonds, as described above under “DELIVERY OF THE ROAD BONDS AND ACCOMPANYING DOCUMENTS – CONDITIONS TO DELIVERY,” the Master District will promptly prepare and supply to the Road Bonds Initial Purchaser an appropriate amendment or supplement to the Official Statement satisfactory to the Road Bonds Initial Purchaser; provided, however, that the obligation of the Master District to do so will terminate when the Master District delivers the Road Bonds to the Road Bonds Initial Purchaser, unless the Road Bonds Initial Purchaser notifies the Master District on or before such date that less than all of the Road Bonds have been sold to ultimate customers, in which case the Master District’s obligations hereunder will extend for an additional period of time (but not more than 90 days after the date the Master District delivers the Road Bonds) until all of the Road Bonds have been sold to ultimate customers.

DELIVERY OF OFFICIAL STATEMENTS: The Master District shall furnish to the Road Bonds Initial Purchaser (and to each participating underwriter of the Road Bonds, within the meaning of SEC Rule 15c2-12(a), designated by the Road Bonds Initial Purchaser), within seven (7) business days after the sale date, the aggregate number of Official Statements specified in the winning bid. The Master District also shall furnish to the Road Bonds Initial Purchaser a like number of any

supplements or amendments approved and authorized for distribution by the Master District for dissemination to potential purchasers of the Road Bonds, as well as such additional copies of the Official Statement or any such supplements or amendments as the Road Bonds Initial Purchaser may request prior to the 90th day after the end of the underwriting period described in SEC Rule 15c2-12(e)(2). The Master District shall pay the expense of preparing the number of copies of the Official Statement specified in the winning bid and an equal number of any supplements or amendments issued on or before the delivery date, but the Road Bonds Initial Purchaser shall pay for all other copies of the Official Statement or any supplement or amendment thereto.

CONTINUING DISCLOSURE OF INFORMATION: The Master District will agree in the Road Bond Resolution to provide certain periodic information and notices of material events in accordance with SEC Rule 15c2-12, as described in the Preliminary Official Statement under "CONTINUING DISCLOSURE OF INFORMATION." The Road Bonds Initial Purchaser's obligation to accept and pay for the Road Bonds is conditioned upon delivery to the Road Bonds Initial Purchasers or their agent of a certified copy of the Road Bond Resolution containing the provisions described under such heading.

GENERAL CONSIDERATIONS

REGISTRATION: The Road Bonds are transferable on the bond register kept by the Paying Agent/Registrar upon surrender and reissuance. The Road Bonds are exchangeable for an equal principal amount of Road Bonds of the same maturity in any authorized denomination upon surrender of the Road Bonds to be exchanged, but the Master District may require payment of a sum sufficient to cover any tax or governmental charge payable in connection therewith.

RISK FACTORS: The Road Bonds involve certain investment risks as set forth in the Preliminary Official Statement. Prospective purchasers of the Road Bonds should carefully review the entire Preliminary Official Statement before making an investment decision. Particular attention should be given to the information set forth therein under the caption "RISK FACTORS."

RESERVATION OF RIGHTS: The Master District reserves the right to reject all bids or any bid not conforming with the terms hereof and the right to waive any and all irregularities, except time of filing.

NOT AN OFFER TO SELL: This Official Notice of Sale does not alone constitute an offer to sell the Road Bonds but is merely notice of sale of the Road Bonds. The invitation for bids on the Road Bonds is being made by means of this Official Notice of Sale, the Preliminary Official Statement, and the Official Bid Form.

SECURITIES REGISTRATION AND QUALIFICATION: No registration statement relating to the Road Bonds has been filed with the United States Securities and Exchange Commission under the Securities Act of 1933, as amended, in reliance upon exemptions provided thereunder. The Road Bonds have not been registered or qualified under the Securities Act of Texas in reliance upon various exemptions contained therein; nor have the Road Bonds been registered or qualified under the securities laws or regulations of any other jurisdiction. The Master District assumes no responsibility for registration or qualification of the Road Bonds under the securities laws or regulations of any other jurisdiction in which the Road Bonds may be offered, sold or otherwise transferred. This disclaimer of responsibility for registration or qualification for sale or other disposition of the Road Bonds shall not be construed as an interpretation of any kind with regard to the availability of any exemption from securities registration or qualification provisions in such other jurisdictions.

By submission of a bid, the Road Bonds Initial Purchaser represents that the sale of the Road Bonds in states other than Texas will be made only pursuant to exemptions from registration or qualification or, where necessary, the Road Bonds Initial Purchaser will register or qualify the Road Bonds in accordance with the securities laws or regulations of any jurisdiction which so requires. The Master District agrees to cooperate, at the Road Bonds Initial Purchaser's written request and expense, in registering or qualifying the Road Bonds, or in obtaining an exemption from registration or qualification, in any jurisdiction where such action is necessary, provided that the Master District shall not be required to file a general consent to service of process in any jurisdiction.
