**AWARD AND SALE OF THE BONDS:** The District will take action to adopt a resolution (the "Bond Resolution") authorizing the issuance and awarding sale of the Bonds or will reject all bids promptly after the opening of bids. Sale of the Bonds will be made subject to the terms, conditions, and provisions of the Bond Resolution, to which reference is hereby made for all purposes, and subject to compliance with Texas Government Code § 2252.908 as more fully described below. The Board reserves the right to reject any or all bids and to waive any irregularities, except time of filing.

## THE BONDS

**DESCRIPTION OF CERTAIN TERMS OF THE BONDS:** The Bonds will be dated October 1, 2020, with interest payable on March 1, 2021, and each September 1 and March 1 thereafter (each an "Interest Payment Date") until the earlier of maturity or prior redemption. The Bonds will be issued only in fully registered form. Principal will be payable to the registered owner(s) of the Bonds (the "Registered Owner(s)") upon presentation and surrender at the principal payment office of the paying agent/registrar, initially, Regions Bank, an Alabama banking corporation, Houston, Texas (the "Paying Agent/Registrar"). Interest on the Bonds will be payable by check of the Paying Agent/Registrar, dated as of the Interest Payment Date, and mailed by the Paying Agent/Registrar to the Registered Owners, as shown on the records of the Paying Agent/Registrar at the close of business on the 15th day of the calendar month next preceding each Interest Payment Date (the "Record Date"). The Bonds will be registered in the name of Cede & Co., as nominee for The Depository Trust Company, New York, New York ("DTC"), which will act as securities depository for the Bonds. Beneficial owners of the Bonds will not receive physical certificates representing the Bonds, but will receive a credit balance on the books of the nominees of such beneficial owners. So long as Cede & Co. is the registered owner of the Bonds, the principal of and interest on the Bonds will be paid by the Paying Agent/Registrar directly to DTC, which will, in turn, remit such principal and interest to its participants for subsequent disbursement to the beneficial owners of the Bonds as described herein. See "THE BONDS - Book-Entry-Only System" in the Preliminary Official Statement.

The Bonds will mature serially on September 1 in each of the following years in the following amounts:

Maturity (September 1)	Principal Amount	Maturity (September 1)	Principal Amount
2022	\$ 50,000	2034	\$ 75,000
2023	55,000	2035	75,000

2026	60,000	2038	85,000
2027	60,000	2039	85,000
2028	60,000	2040	90,000
2029	65,000	2041	90,000
2030	65,000	2042	95,000
2031	70,000	2043	95,000
2032	70,000	2044	100,000
2033	70,000	2045	100,000

**SERIAL BONDS AND/OR TERM BONDS:** Bidders may provide that all the Bonds be issued as serial bonds or may provide that any two or more consecutive annual principal amounts may be combined into one or more term bonds.

**REDEMPTION PROVISIONS:** The Bonds maturing on or after September 1, 2026, are subject to redemption and payment, at the option of the District, in whole or, from time to time, in part, on September 1, 2025, or on any date thereafter, at a price equal to the principal amount thereof, plus accrued interest thereon to the date fixed for redemption. If fewer than all of the Bonds are redeemed at any time, the District shall determine the maturity or maturities and the amounts thereof to be redeemed in integral multiples of \$5,000 of principal amount, and, if fewer than all of the Bonds within a maturity are to be redeemed, the particular Bonds within a maturity to be redeemed shall be selected by the Paying Agent/Registrar by method of random selection (or by DTC in accordance with its procedures while the Bonds are in book-entry-only form). The Registered Owners of any Bond, of which all or a portion has been called for redemption, shall be required to present such Bond to the Paying Agent/Registrar for payment of the redemption price on the portion of the Bond so called for redemption and issuance of an exchange Bond in a principal amount equal to the portion of the Bond not so redeemed.

**SECURITY FOR PAYMENT:** The Bonds, when issued, will constitute valid and binding obligations of the District, payable as to principal and interest from the proceeds of an annual ad valorem tax, without legal limitation as to rate or amount, levied against all taxable property within the District.

**OTHER TERMS AND COVENANTS:** Other terms of the Bonds and the various covenants of the District contained in the Utility Bond Resolution are described in the Preliminary Official Statement, to which reference is made for all purposes.

**MUNICIPAL BOND INSURANCE AND RATINGS:** Applications have been made to Assured Guaranty Municipal Corp. and Build America Mutual Assurance Company for a commitment for municipal bond guaranty insurance on the Bonds. The purchase of such insurance, if available, and payment of all associated costs, including the premium charged by the insurer, and fees charged by any rating companies, other than Moody's Investors Service, Inc. ("Moody's"), will be at the option of the Initial Purchaser (herein defined). Moody's has assigned an underlying credit rating of "Baa3" to the Bonds. See "MUNICIPAL BOND INSURANCE" and "RATINGS" in the Preliminary Official Statement.

#### CONDITIONS OF SALE

**TYPES OF BIDS AND INTEREST RATES:** The Bonds will be sold in one block on an "all or none" basis at a price of not less than 97% of the par value thereof, plus accrued interest from the date of the Bonds to the date of delivery. Bidders are to name the rates of interest to be borne by the Bonds, provided that each interest rate bid must be a multiple of 1/8th or 1/20th of 1%. All Bonds maturing within a single year must bear the same rate of interest. The net effective interest rate on the Bonds may not exceed 4.22%, as calculated pursuant to Chapter 1204 of the Texas Government Code. No limitation will be imposed upon bidders as to the number of

rates which may be used, but the highest rate bid may not exceed the lowest rate bid by more than 2-1/2% in interest rate. No bids involving supplemental interest payments will be considered. No bid that generates a cash premium greater than \$5,000 will be considered. Each bid shall indicate the total and net interest costs in dollars and the net effective interest rate determined therefrom, which shall be considered informative only and not as a part of the bid.

**BASIS OF AWARD:** For the purpose of awarding sale of the Bonds, the total interest cost of each bid will be computed by determining, at the rates specified therein, the total dollar value of all interest on the Bonds from the date thereof to their respective maturities, and adding thereto the dollar amount of the discount bid, if any, or deducting therefrom the premium bid, if any. Subject to the District's right to reject any or all bids, sale of the Bonds will be awarded to the bidder (the "Initial Purchaser") whose bid, under the above computation, produces the lowest net effective interest rate to the District, subject to compliance with Texas Government Code § 2252.908. The Board reserves the right to reject any or all bids. In the event of mathematical discrepancies between the interest rate(s) bid and the interest cost determined therefrom, as both appear on the Official Bid Form, the bid will be governed solely by the interest rate(s) bid.

**COMPLIANCE WITH LAWS PROHIBITING CONTRACTS WITH COMPANIES THAT BOYCOTT ISRAEL AND CERTAIN COMPANIES ENGAGED IN BUSINESS WITH IRAN, SUDAN, OR FOREIGN TERRORIST ORGANIZATIONS:** The District will not award the Bonds to a bidder unless the bidder verifies on behalf of itself and each syndicate member listed on the Official Bid Form that, to the extent the Official Bid Form represents a contract for goods or services within the meaning of Section 2271.002 of the Texas Government Code, as amended, solely for purposes of Chapter 2271 of the Texas Government Code, and except to the extent otherwise required by applicable federal law, at the time of execution and delivery of its bid and through the delivery date of the Bonds, neither the bidder nor a syndicate member listed on the Official Bid Form is a Company<sup>1</sup> that boycotts or will boycott Israel. The term "boycotts Israel" and "boycott Israel" as used in this paragraph have the meanings assigned to the term "boycott Israel" in Section 808.001 of the Texas Government Code, as amended. Additionally, the District will not award the Bonds to a bidder unless the bidder certifies that, to the extent the Official Bid Form represents a governmental contract within the meaning of Section 2252.151 of the Texas Government Code, as amended, solely for purposes of Chapter 2252 of the Texas Government Code, and except to the extent otherwise required by applicable federal law, at the time of execution and delivery of its bid, neither the bidder nor a syndicate member listed on the Official Bid Form is a Company<sup>2</sup> (i) that engages in business with Iran, Sudan, or any foreign terrorist organization as described in Chapter 2270 of the Texas Government Code, or Subchapter F of Chapter 2252 of the Texas Government Code, or (ii) listed by the Texas Comptroller of Public Accounts under Section 2270.0201 or 2252.153 of the Texas Government Code. The term "foreign terrorist organization" as used in this paragraph has the meaning assigned to such term in Section 2252.151 of the Texas Government Code.

**CONTRACTING INFORMATION:** The District will not award the Bonds to a bidder unless the bidder verifies on behalf of itself and each syndicate member listed on the Official Bid Form that, to the extent the Official Bid Form represents a contract for goods or services within the meaning of Section 552.371 of the Texas Government Code, as amended, the bidder and each syndicate member listed on the Official Bid Form will (i) preserve all contracting information related to the bid as provided by the records retention requirements applicable to the District through the delivery date of the Bonds, (ii) promptly provide to the District any contracting information related to the bid that is in the custody or possession of the bidder or any syndicate member on request of the District, and (iii) upon delivery of the Bonds to the bidder, either (a) provide at no cost to the District all contracting information related to the bid that is in the custody or possession of the bidder or any syndicate member or (b) preserve the contracting information related to the bid as provided by

<sup>1</sup> "Company" means a for-profit, organization, association, corporation, partnership, joint venture, limited partnership, limited liability partnership, or limited liability company, including a wholly owned subsidiary, majority-owned subsidiary, parent company, or affiliate of those entities or business associations that exists to make a profit.

<sup>2</sup> "Company" means a sole proprietorship, organization, association, corporation, partnership, joint venture, limited partnership, limited liability partnership, limited liability company, or other entity or business association whose securities are publicly traded, including a wholly owned subsidiary, majority-owned subsidiary, parent company, or affiliate of those entities or business associations, that exists to make a profit.

the records retention requirements applicable to the District. The term “contracting information” as used in this paragraph has the meaning assigned to such term in Section 552.003 of the Texas Government Code.

**COMPETITIVE BIDDING AND CERTIFICATE OF INITIAL PURCHASER:** In the event that the District does not receive sufficient qualified bids to satisfy the competitive sale requirements of Treasury Regulation § 1.148-1(f)(3)(i), allowing the District to treat the reasonably expected initial offering price to the public as of the sale date as the issue price of the Bonds, the “hold-the-offering-price rule” shall apply, which will allow the District to treat the initial offering price to the public of each maturity as of the sale date as the issue price of that maturity (the “hold-the-offering-price rule”). So long as the hold-the-offering-price rule applies to any maturity of the Bonds, the Initial Purchaser will neither offer nor sell that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following: (i) the date on which the Initial Purchaser has sold at least 10 percent of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public or (ii) the close of the fifth business day after the sale date. The Initial Purchaser agrees to promptly report to the District’s financial advisor when it has sold 10 percent of a maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public if that occurs prior to the close of the fifth business day after the sale date. Alternative Certificates of Initial Purchaser are attached for use (I) when the competitive sale requirements of Treasury Regulation § 1.148-1(f)(3)(i) are met and (II) when such requirements are not met.

**GOOD FAITH DEPOSIT:** Each bid must be accompanied by a bank cashier’s check payable to the order of “Fort Bend County Municipal Utility District No. 161” in the amount of \$35,700, which is 2% of the par value of the Bonds (the “Good Faith Deposit”). “Official Checks” will not be accepted. The check of the Initial Purchaser will be considered as the Good Faith Deposit and will be retained uncashed by the District pending the Initial Purchaser’s compliance with the terms of the bid. In the event the Initial Purchaser should fail or refuse to take up and pay for the Bonds in accordance with such terms, then the Good Faith Deposit will be cashed and the proceeds accepted by the District as full and complete liquidated damages. The Good Faith Deposit may accompany the bid or it may be submitted separately; if submitted separately, it shall be made available to the District prior to the opening of the bids and shall be accompanied by instructions from the bank on which it is drawn which authorize its use as the Good Faith Deposit of bidders named in such instructions. The Good Faith Deposit of the Initial Purchaser will be returned to the Initial Purchaser uncashed on the date of delivery of the Bonds. No interest will be credited on the Good Faith Deposit. The checks accompanying all other bids will be returned immediately after the bids are opened and the award of the sale of the Bonds has been made.

**REQUIRED DISCLOSURE OF INTERESTED PARTIES:** Pursuant to Texas Government Code § 2252.908, unless the bidder is a publicly traded business entity or a wholly owned subsidiary of a publicly traded business entity, the District may not award the Bonds to a bidder unless the bidder has provided to the District (c/o Robert W. Baird & Co. Incorporated, 1331 Lamar Street, Suite 1360, Houston, Texas 77010, Attn: Jan Bartholomew, jbartholomew@rwbaird.com) a completed and signed Texas Ethics Commission Form 1295 (“TEC Form 1295”) which has been assigned a certificate number by the Texas Ethics Commission (the “TEC”). Pursuant to the rules prescribed by the TEC, the TEC Form 1295 must be completed online through the TEC’s website, assigned a certificate number, printed, signed, and provided to the District. The TEC Form 1295 may accompany the Official Bid Form or be submitted separately but must be provided to the District prior to the time prescribed for the award of the Bonds. The TEC Form 1295 may be provided to the District via facsimile or electronically, however, the original signed TEC Form 1295 complete with certificate number must be physically delivered to the District (c/o Allen Boone Humphries Robinson LLP, 1108 Lavaca Street, Suite 510, Austin, Texas 78701) within two business days of the award. Following the award of the Bonds, the District will notify the TEC of the receipt of each completed TEC Form 1295. The District reserves the right to reject any bid that does not comply with the requirements prescribed herein or to waive any such requirements. For purposes of completing the TEC Form 1295, the entity’s name is “Fort Bend County Municipal Utility District No. 161” and the contract ID number is [FBMUD161 – S2020RD – B]. Neither the District nor its consultants have the ability to verify the information included in a TEC Form 1295, and neither have an obligation nor undertake responsibility for advising any bidder with respect to the proper completion of the TEC Form 1295. Consequently, an entity intending to bid on the Bonds should consult its own advisors to the extent it deems necessary and be prepared to submit the completed form promptly upon notification from the District that its bid is the apparent winning bid.

## DELIVERY OF THE BONDS AND ACCOMPANYING DOCUMENTS

**DELIVERY OF INITIAL BONDS:** Initial delivery of the Bonds (“Initial Delivery”) will be as one Bond for each maturity, as set forth below. Unless otherwise agreed with the Initial Purchaser, delivery will be at the corporate trust office of the Paying Agent/Registrar in Houston, Texas. Payment for the Bonds must be made in immediately available funds for unconditional credit to the District, or as otherwise directed by the District. If, at the time set for closing, the Initial Purchaser has provided the Paying Agent/Registrar five (5) business days’ written notice of its registration instructions, the Initial Purchaser shall not be required to pay for the initial Bonds until the Paying Agent/Registrar is able to deliver to the Initial Purchaser definitive, registered Bonds conforming to such registration instructions. The Initial Purchaser will be given six (6) business days’ notice of the time fixed for delivery of the Bonds. It is anticipated that Initial Delivery can be made on or about October 28, 2020, and subject to the aforesaid notice, it is understood and agreed that the Initial Purchaser will accept delivery and make payment for the initial Bonds by 10:00 A.M., Central Time, on October 28, 2020, or thereafter on the date the initial Bonds are tendered for delivery, up to and including November 25, 2020. If for any reason the District is unable to make delivery on or before November 25, 2020, then the District immediately shall contact the Initial Purchaser and offer to allow the Initial Purchaser to extend its offer for an additional thirty (30) days. If the Initial Purchaser does not elect to extend its offer within six (6) days thereafter, then the Good Faith Deposit will be returned, and both the District and the Initial Purchaser shall be relieved of any further obligation.

**EXCHANGE ON DELIVERY DATE:** Upon written request of the Initial Purchaser, delivered to the Paying Agent/Registrar not less than five (5) business days prior to the date fixed for delivery, the Paying Agent/Registrar will, on the delivery date, exchange the Bonds to be delivered by the District for Bonds registered in accordance with instructions contained in such request, in integral multiples of \$5,000, maturing as set out in the Official Notice of Sale and bearing interest in accordance with the terms of the Initial Purchaser’s bid.

**CUSIP NUMBERS:** It is anticipated that CUSIP identification numbers will be printed on the Bonds, but neither the failure to print such number on any Utility Bond nor any error with respect thereto shall constitute cause for a failure or refusal by the Initial Purchaser to accept delivery of and pay for the Bonds in accordance with the terms of this Official Notice of Sale. All expenses relating to the printing of CUSIP numbers on the Bonds shall be paid for by the District; however, payment of the CUSIP Global Services charge for the assignment of the numbers shall be the responsibility of the Initial Purchaser.

**CONDITIONS TO DELIVERY:** The obligation to take up and pay for the Bonds is subject to the following conditions: the issuance of an approving opinion of the Attorney General of Texas, the Initial Purchaser’s receipt of the initial Bonds (or definitive Bonds if the Initial Purchaser has provided the Paying Agent/Registrar with registration instructions as provided above), the Initial Purchaser’s receipt of the legal opinion of Bond Counsel and the no-litigation certificate, and the non-occurrence of the events described below under the caption “– NO MATERIAL ADVERSE CHANGE,” all as described below. Further, the Initial Purchaser is not obligated to take up and pay for the Bonds at Initial Delivery if at any time after the award of the Bonds and at or prior to Initial Delivery, the Congress of the United States shall have declared war or a national emergency. In addition, if the District fails to comply with its obligations described under “OFFICIAL STATEMENT” below, the Initial Purchaser may terminate its contract to purchase the Bonds by delivering written notice to the District within five (5) days thereafter.

**INITIAL PURCHASER’S CERTIFICATION OF ISSUE PRICE:** In order to provide the District with information required to enable it to comply with certain conditions of the Internal Revenue Code of 1986, as amended (the “Code”), relating to the exclusion of interest on the Bonds from gross income for federal income tax purposes, the Initial Purchaser will be required to complete, execute, and deliver to the District (on or before the date of delivery of the Bonds) a certification regarding the “issue price” of the Bonds in the form accompanying this Official Notice of Sale. Each bidder, by submitting its bid, agrees to complete, execute, and deliver such a certificate by the date of delivery of the Bonds, if its bid is accepted by the District. It will be the responsibility of the Initial Purchaser to institute such syndicate reporting requirements, to make such investigation, or otherwise to ascertain the facts necessary to enable it to make such certification with reasonable certainty. Any questions concerning such certification should be directed to Allen Boone Humphries Robinson LLP, Bond Counsel.

**DTC DEFINITIVE BONDS:** After delivery, the Bonds will be issued in book-entry-only form. Cede & Co. is the nominee for DTC. All references herein to the registered owners of the Bonds shall mean Cede & Co. and not the Beneficial Owners of the Bonds. Purchase of beneficial interests in the Bonds will be made in book-entry-only form (without registered Bonds) in the denomination of \$5,000 principal amount or any integral multiple thereof. Under certain limited circumstances described herein, the District may determine to forego immobilization of the Bonds at DTC, or another securities depository, in which case, such beneficial interests would become exchangeable for one or more fully registered Bonds of like principal amount for the Bonds. See “THE BONDS – Book-Entry-Only System” in the Preliminary Official Statement.

**LEGAL OPINIONS:** The District will furnish to the Initial Purchaser a transcript of certain certified proceedings incident to the issuance and authorization of the Bonds, including a certified copy of the approving legal opinion of the Attorney General of Texas, as recorded in the Bond Register of the Comptroller of Public Accounts of the State of Texas, to the effect that the Attorney General has examined a transcript of proceedings authorizing the issuance of the Bonds, and that based upon such examination, the Bonds are valid and binding obligations of the District payable from the proceeds of an annual ad valorem tax, levied without legal limitation as to rate or amount, upon all taxable property in the District. The District will also furnish the approving legal opinion of Bond Counsel to the effect that, based upon an examination of such transcript, the Bonds are valid and binding obligations of the District under the Constitution and laws of the State of Texas, except to the extent that enforcement of the rights and remedies of the registered owners of the Bonds may be limited by laws relating to bankruptcy, reorganization, or other similar laws of general application affecting the rights of creditors of political subdivisions such as the District. The legal opinion of Bond Counsel will further state that the Bonds are payable, both as to principal and interest, from the levy of ad valorem taxes without legal limitation as to rate or amount, upon all taxable property within the District, and that under existing law, interest on the Bonds is excludable from gross income for federal income tax purposes and interest on the Bonds is not subject to the alternative minimum tax on individuals. See “LEGAL MATTERS” in the Preliminary Official Statement. Such opinions express no opinion with respect to the sufficiency of the security for or marketability of the Bonds.

**QUALIFIED TAX-EXEMPT OBLIGATIONS:** The Code requires a pro rata reduction in the interest expense deduction of a financial institution to reflect such financial institution’s investment in tax-exempt obligations acquired after August 7, 1986. An exception to the foregoing provision is provided in the Code for “qualified tax-exempt obligations,” which include tax-exempt obligations, such as the Bonds, (a) designated by the issuer as “qualified tax-exempt obligations” and (b) issued by a political subdivision for which the aggregate amount of tax-exempt obligations (not including private activity bonds other than qualified 501(c)(3) bonds) to be issued during the calendar year is not expected to exceed \$10,000,000.

The District will designate the Bonds as “qualified tax-exempt obligations” and has represented that the aggregate amount of tax-exempt bonds (including the Bonds) issued by the District and entities subordinate to the District during calendar year 2020 is not expected to exceed \$10,000,000 and that the District and entities subordinate to the District have not designated more than \$10,000,000 in “qualified tax-exempt obligations” (including the Bonds) during calendar year 2020.

Notwithstanding this exception, financial institutions acquiring the bonds will be subject to a 20% disallowance of allocable interest expense.

**NO-LITIGATION CERTIFICATE:** On the date of delivery of the Bonds to the Initial Purchaser, the District will execute and deliver to the Initial Purchaser, a certificate to the effect that no litigation of any nature has been filed or is pending, as of that date, of which the District has notice, to restrain or enjoin the issuance or delivery of the Bonds, or which would affect the provisions made for their payment or security, or in any manner question the validity of the Bonds.

**NO MATERIAL ADVERSE CHANGE:** The obligation of the Initial Purchaser to take up and pay for the initial Bonds, and of the District to deliver the initial Bonds, is subject to the condition that, up to the time of delivery of and receipt of payment for the initial Bonds, there shall have been no material adverse change in the affairs of the District subsequent to the date of sale from that set forth in the Preliminary Official Statement, as it may have been finalized, supplemented, or amended through the date of delivery.

## OFFICIAL STATEMENT

To assist the Initial Purchaser in complying with Rule 15c2-12 of the United States Securities and Exchange Commission (“SEC”), the District and the Initial Purchaser contract and agree, by the submission and acceptance of the winning bid, as follows.

**FINAL OFFICIAL STATEMENT:** The District has approved and authorized distribution of the accompanying Preliminary Official Statement for dissemination to potential purchasers of the Bonds, but does not presently intend to prepare any other document or version thereof for such purpose, except as described below. Accordingly, the District intends the Preliminary Official Statement to be final as of its date, within the meaning of SEC Rule 15c2-12(b)(1), except for information relating to the offering prices, interest rates, final debt service schedule, selling compensation, identity of the Initial Purchaser, and other similar information, terms, and provisions to be specified in the competitive bidding process. The Initial Purchaser shall be responsible for promptly informing the District of the initial offering yields of the Bonds. Thereafter, the District will complete and authorize distribution of the Official Statement identifying the Initial Purchaser and containing such omitted information. The District does not intend to amend or supplement the Official Statement otherwise, except to take into account certain subsequent events, if any, as described below. By delivering the final Official Statement or any amendment or supplement thereto in the requested quantity to the Initial Purchaser on or after the sale date, the District intends the same to be final as of such date, within the meaning of SEC Rule 15c2-12(e)(3). Notwithstanding the foregoing, the only representations concerning the absence of material misstatements or omissions from the Official Statement which are being or which will be made by the District are those described and contained in the Official Statement under the caption “OFFICIAL STATEMENT – Certification as to Official Statement.”

**CHANGES TO OFFICIAL STATEMENT:** If, subsequent to the date of the Official Statement, the District learns, through the ordinary course of business and without undertaking any investigation or examination for such purposes, or is notified by the Initial Purchaser of any adverse event that causes the Official Statement to be materially misleading, and unless the Initial Purchaser elects to terminate its obligation to purchase the Bonds, as described above under “DELIVERY OF THE BONDS AND ACCOMPANYING DOCUMENTS – CONDITIONS TO DELIVERY,” the District will promptly prepare and supply to the Initial Purchaser an appropriate amendment or supplement to the Official Statement satisfactory to the Initial Purchaser; provided, however, that the obligation of the District to do so will terminate when the District delivers the Bonds to the Initial Purchaser, unless the Initial Purchaser notifies the District on or before such date that less than all of the Bonds have been sold to ultimate customers, in which case the District’s obligations hereunder will extend for an additional period of time (but not more than 90 days after the date the District delivers the Bonds) until all of the Bonds have been sold to ultimate customers.

**DELIVERY OF OFFICIAL STATEMENTS:** The District shall furnish to the Initial Purchaser (and to each participating underwriter of the Bonds, within the meaning of SEC Rule 15c2-12(a), designated by the Initial Purchaser), within seven (7) business days after the sale date, the aggregate number of Official Statements specified in the winning bid. The District also shall furnish to the Initial Purchaser a like number of any supplements or amendments approved and authorized for distribution by the District for dissemination to potential purchasers of the Bonds, as well as such additional copies of the Official Statement or any such supplements or amendments as the Initial Purchaser may request prior to the 90th day after the end of the underwriting period described in SEC Rule 15c2-12(e)(2). The District shall pay the expense of preparing the number of copies of the Official Statement specified in the winning bid and an equal number of any supplements or amendments issued on or before the delivery date, but the Initial Purchaser shall pay for all other copies of the Official Statement or any supplement or amendment thereto.

**CONTINUING DISCLOSURE OF INFORMATION:** The District will agree in the Bond Resolution to provide certain periodic information and notices of material events in accordance with SEC Rule 15c2-12, as described in the Preliminary Official Statement under “CONTINUING DISCLOSURE OF INFORMATION.” The Initial Purchaser’s obligation to accept and pay for the Bonds is conditioned upon delivery to the Initial Purchasers or their agent of a certified copy of the Utility Bond Resolution containing the provisions described under such heading.

## GENERAL CONSIDERATIONS

**REGISTRATION:** The Bonds are transferable on the bond register kept by the Paying Agent/Registrar upon surrender and reissuance. The Bonds are exchangeable for an equal principal amount of Bonds of the same maturity in any authorized denomination upon surrender of the Bonds to be exchanged, but the District may require payment of a sum sufficient to cover any tax or governmental charge payable in connection therewith.

**INVESTMENT CONSIDERATIONS:** The Bonds involve certain investment risks as set forth in the Preliminary Official Statement. Prospective purchasers of the Bonds should carefully review the entire Preliminary Official Statement before making an investment decision. Particular attention should be given to the information set forth therein under the caption "INVESTMENT CONSIDERATIONS."

**RESERVATION OF RIGHTS:** The District reserves the right to reject all bids or any bid not conforming with the terms hereof and the right to waive any and all irregularities, except time of filing.

**NOT AN OFFER TO SELL:** This Official Notice of Sale does not alone constitute an offer to sell the Bonds but is merely notice of sale of the Bonds. The invitation for bids on the Bonds is being made by means of this Official Notice of Sale, the Preliminary Official Statement, and the Official Bid Form.

**SECURITIES REGISTRATION AND QUALIFICATION:** No registration statement relating to the Bonds has been filed with the SEC under the Securities Act of 1933, as amended, in reliance upon exemptions provided thereunder. The Bonds have not been registered or qualified under the Securities Act of Texas in reliance upon various exemptions contained therein; nor have the Bonds been registered or qualified under the securities laws or regulations of any other jurisdiction. The District assumes no responsibility for registration or qualification of the Bonds under the securities laws or regulations of any other jurisdiction in which the Bonds may be offered, sold, or otherwise transferred. This disclaimer of responsibility for registration or qualification for sale or other disposition of the Bonds shall not be construed as an interpretation of any kind with regard to the availability of any exemption from securities registration or qualification provisions in such other jurisdictions.

By submission of a bid, the Initial Purchaser represents that the sale of the Bonds in states other than Texas will be made only pursuant to exemptions from registration or qualification or, where necessary, the Initial Purchaser will register or qualify the Bonds in accordance with the securities laws or regulations of any jurisdiction which so requires. The District agrees to cooperate, at the Initial Purchaser's written request and expense, in registering or qualifying the Bonds, or in obtaining an exemption from registration or qualification, in any jurisdiction where such action is necessary, provided that the District shall not be required to file a general consent to service of process in any jurisdiction.

**ADDITIONAL COPIES:** Additional copies of this Official Notice of Sale, the Official Bid Form, and the Preliminary Official Statement may be obtained from Robert W. Baird & Co. Incorporated, 1331 Lamar Street, Suite 1360, Houston, Texas 77010.

The undersigned hereby certifies as follows with respect to the sale of \$1,785,000 Unlimited Tax Bonds, Series 2020 (the “Bonds”), by Fort Bend County Municipal Utility District No. 161 (the “District”):

1. The undersigned is the initial purchaser or the manager of the syndicate of underwriters (“Initial Purchaser”) which has purchased the Bonds from the District at competitive sale.
2. The Initial Purchaser was not given the opportunity to review other bids prior to submitting its bid, and the bid submitted by the Initial Purchaser constituted a firm bid to purchase the Bonds.
3. As of the Sale Date (defined below), the reasonably expected initial offering prices of the Bonds to the public by the Initial Purchaser (expressed as a percentage of principal amount and exclusive of accrued interest) are as set forth below:

4. The Initial Purchaser [has] [has not] purchased bond insurance for the Bonds. The bond insurance has been purchased from \_\_\_\_\_ (the “Insurer”) for a fee of \$\_\_\_\_\_ (net of any nonguarantee cost, e.g., rating agency fees). The amount of such fee is set forth in the Insurer’s commitment and does not include any payment for any direct or indirect services other than the transfer of credit risk, unless the compensation for those other services is separately stated, reasonable, and excluded from such fee. Such fee does not exceed a reasonable, arms-length charge for the transfer of credit risk. The present value of the debt service savings expected to be realized as a result of such insurance exceeds the amount of the fee set forth above. For this purpose, present value is computed using the yield on the Bonds, determined by taking into account the amount of the fee set forth above, as the discount rate. No portion of the fee payable to the Insurer is refundable upon redemption of any of the Bonds in an amount which would exceed the portion of such fee that had not been earned.

5. The term “public” means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an underwriter or a related party to an underwriter.
