It is anticipated that said meeting will be held via telephone conference call pursuant to Texas Government Code, Section 551.125, as amended, and as modified by the Governor of Texas in the Governor's proclamation on March 13, 2020, concerning the COVID-19 pandemic. If the Governor's proclamation is lifted or expires or if the Governor terminates the partial suspension of the Texas Open Meetings Act, a meeting in a physical location may become necessary. In such case, the Board will conduct the meeting at the District's regular meeting place at the District's Meeting Place, 830 Central Parkway East, Suite 300, Plano, Texas, 75074 and adopt a resolution (the "Resolution") authorizing the Bonds and approving the Official Statement.

THE BONDS

DESCRIPTION . . . The Bonds will be dated November 1, 2020 (the "Dated Date"). Interest will accrue from the Date of Delivery expected to be December 3, 2020 (the "Delivery Date") and will be payable on August 15, 2021, and each August 15 and February 15 thereafter until the earlier of maturity or prior redemption. The Bonds will be issued only in fully registered form in any integral multiple of \$5,000 for any one maturity. The Bonds will mature on February 15 in each year as follows:

MATURITY SCHEDULE

Principal		Principal		Principal	
Year	Amount	Year	Amount	Year	Amount
2023	\$ 185,000	2031	\$ 220,000	2038	\$ 260,000
2024	190,000	2032	225,000	2039	265,000
2025	195,000	2033	230,000	2040	270,000
2026	195,000	2034	235,000	2041	275,000
2027	200,000	2035	240,000	2042	285,000
2028	205,000	2036	245,000	2043	290,000
2029	210,000	2037	250,000	2044	300,000
2030	215,000			2045	310,000

OPTIONAL REDEMPTION . . . The District reserves the right, at its option, to redeem Bonds having stated maturities on and after February 15, 2028, in whole or in part in principal amounts of \$5,000 or any integral multiple thereof, on February 15, 2027, or any date thereafter, at a price equal to the principal amount thereof plus accrued interest to the date fixed for redemption.

SERIAL BONDS AND/OR TERM BONDS . . . Bidders may provide that all of the Bonds be issued as Bonds maturing serially as shown above (the "Serial Bonds") or may provide that any two or more consecutive maturing annual principal amounts be combined into one or more "Term Bonds".

MANDATORY SINKING FUND . . . If the successful bidder elects to alter the Maturity Schedule reflected above and convert principal amounts of the Serial Bonds into Term Bonds, such Term Bonds shall be subject to mandatory redemption on the first February 15 next following the last maturity for Serial Bonds, and annually thereafter on each February 15 until the stated maturity for the Term Bonds at the redemption prices of par plus accrued interest to the date of redemption. The principal amounts of the Term Bonds to be redeemed on each mandatory redemption date will be the principal amounts that would have been due and payable in the Maturity Schedule shown above had no conversion to Term Bonds occurred. At least 30 days prior to each mandatory redemption date, the Paying Agent/Registrar (hereinafter defined) will select, by lot or other method of random selection as Paying Agent/Registrar deems fair and appropriate, the Term Bonds to be redeemed and cause a notice of redemption to be given in the manner provided in the Resolution and described in the Preliminary Official Statement.

To the extent that the Term Bonds of a maturity which at least 45 days prior to a mandatory redemption date (i) have been previously purchased by the District and delivered to the Paying Agent/Registrar for cancellation or (ii) called for optional redemption in part and other than from a sinking fund redemption payment, the annual sinking fund payments will be reduced by the amount obtained by multiplying the principal amount of the Term Bonds of such maturity so purchased or redeemed by the ratio which each remaining annual sinking fund redemption payment therefore bears to the total sinking fund payments for such maturity, and by rounding each such payment to the nearest \$5,000.

A final Official Statement will incorporate the mandatory redemption provisions for the Bonds in the event the successful bidder elects to convert serial maturities into one or more Term Bonds.

BOOK-ENTRY-ONLY SYSTEM . . . The District intends to utilize the Book-Entry-Only System of The Depository Trust Company ("DTC"). See "THE BONDS - Book-Entry-Only System" in the Preliminary Official Statement.

PAYING AGENT/REGISTRAR . . . The initial Paying Agent/Registrar is BOKF, NA, Dallas, Texas. See "THE BONDS - Description" in the Preliminary Official Statement.

SECURITY AND SOURCE OF PAYMENT . . . The Bonds will constitute valid and legally binding obligations of the District, with principal and interest payable solely from the proceeds of a continuing, direct, annual ad valorem tax, without legal limitation as to rate or amount, levied against all taxable property located within the District.

Further details regarding the Bonds are set forth in the Preliminary Official Statement.

MUNICIPAL BOND RATING . . . The Bonds and the presently unenhanced outstanding debt of the District have been assigned an unenhanced rating of "Baa2" by Moody's Investors Service, Inc. ("Moody's"). An explanation of the rating may be obtained from Moody's, 7 World Trade Center, at 250 Greenwich Street, New York, NY 10007. The fee associated with the rating assigned to the District buy Moody's will be paid by the District; however, any fee associated with ratings provided by other agencies will be at the expense of the Initial Purchaser.

MUNICIPAL BOND INSURANCE . . . The District has submitted applications with certain municipal bond insurance companies to have the payment of the principal of and interest on the Bonds insured by a municipal bond insurance policy. In the event the Bonds are qualified for municipal bond insurance, and the Initial Purchaser desires to purchase such insurance, the cost, including rating fees, will be paid by the Initial Purchaser. The final Official Statement shall disclose information provided by the insurer relating to any such financial guaranty insurance policy.

CONDITIONS OF THE SALE

TYPE OF BIDS AND INTEREST RATES . . . The Bonds will be sold in one block on an "All or None" basis, and at a price of not less than 98.00% and not more than 101.00% of their principal amount plus accrued interest from the Delivery Date of the Bonds. Bidders are invited to name the rate(s) of interest to be borne by the Bonds, provided that each rate bid must be in a multiple of 1/8 of 1% or 1/100 of 1% and the net effective interest rate must not exceed 15%. The highest rate bid may not exceed the lowest rate bid by more than 2% in rate. **For Bonds having stated maturities on and after February 15, 2028, no reoffering yield producing a dollar price less than 98.00 for any individual maturity will be accepted. The winning bidder will be required to submit reoffering yields and dollar prices prior to award.** No limitation is imposed upon bidders as to the number of coupon rates which may be used, but all Bonds of one maturity must bear one and the same rate. No bids involving supplemental interest rates will be considered.

BASIS FOR AWARD . . . For the purpose of awarding the sale of the Bonds, the interest cost of each bid will be computed by determining, at the rate or rates specified therein, the total dollar cost of all interest on the Bonds from the Delivery Date to their respective maturities, using the table of Bond Years herein, and adding thereto the dollar amount of the discount bid, if any, (the "Net Interest Cost Calculation"). Subject to the District's right to reject any or all bids and to waive any irregularities except time of filing, the Bonds will be awarded to the bidder or syndicate account manager whose name first appears on the Official Bid Form (the "Initial Purchaser") whose bid, based on the Net Interest Cost Calculation, produces the lowest net effective interest cost to the District. In the event of a bidder's error in interest cost rate calculations, the interest rates, and discount, if any, set forth in the Official Bid Form will be considered as the intended bid.

GOOD FAITH DEPOSIT . . . A "Good Faith Deposit", payable to the "Canyon Falls Water Control and Improvement District No. 2 of Denton County", in the amount of \$109,900.00 is required. Such Good Faith Deposit shall be a bank cashier's check or certified check, which is to be retained uncashed by the District pending the Initial Purchaser's compliance with the terms of the bid and the Notice of Sale and Bidding Instructions. The Good Faith Deposit may accompany the Official Bid Form or it may be submitted separately. If submitted separately, it must be made available to the District prior to the opening of the bids and accompanied by instructions from the bank on which drawn that authorize its use as a Good Faith Deposit by the Initial Purchaser who shall be named in such instructions. **The Good Faith Deposit of the Initial Purchaser will be returned to the Initial Purchaser upon payment for the Bonds.** No interest will be allowed on the Good Faith Deposit. In the event the Initial Purchaser should fail or refuse to take up and pay for the Bonds in accordance with the bid, then said check will be cashed and accepted by the District as full and complete liquidated damages. The checks accompanying bids other than the winning bid will be returned immediately after the bids are opened, and an award of the Bonds has been made.

PROVISION OF TEXAS ETHICS COMMISSION FORM 1295 ("TEC FORM 1295") AND CERTIFICATION OF FILING BY BIDDERS . . . Pursuant to Texas Government Code §2252.908 (the "Interested Party Disclosure Act"), the District may not award the Bonds to a bidder unless the bidder has provided to the District a TEC Form 1295 and a Certification of Filing as generated by the Texas Ethics Commission (the "TEC"). Pursuant to the rules prescribed by the TEC, the TEC Form 1295 must be completed online through the TEC's website at <https://www.ethics.state.tx.us/tec/1295-Info.htm>. The TEC Form 1295 must then be printed, signed, and provided to the District (c/o the District's Financial Advisor, HilltopSecurities. Attn: Laura Alexander, laura.alexander@hilltopsecurities.com) along with Certification of Filing generated by TEC. In the event that the bidder's bid for the Bonds is the best bid received, the District, acting through its Financial Advisor, will promptly notify the bidder. That notification will serve as the conditional verbal acceptance of the bid, and will obligate the bidder to file promptly a completed TEC Form 1295, in order to complete the award. **TEC Form 1295 must be received by the District prior to the formal acceptance of the winning bid.** The TEC Form 1295 and Certification of Filing may be provided to the District via facsimile or electronically, however, the original signed TEC Form 1295 and Certification of Filing must be physically delivered to the District (Attn: Mr. Victor Toledo, President, Canyon Falls WCID No. 2 of Denton County, 19 Briar Lane, Suite 245, Houston, Texas 77027) within two business days after the award. Following the award of the Bonds, the District will notify the TEC of the receipt of each completed TEC Form 1295 and Certification of Filing. The District reserves the right to reject any bid that does not comply with the requirements prescribed herein. For purposes of completing the TEC Form 1295, box two is "Canyon Falls Water Control and Improvement District No. 2 of Denton County" and box 3 is "CFWCID2-11052020-BPR". Neither the District nor its consultants have the ability to verify the information included in a TEC Form 1295, and neither have an obligation nor undertake responsibility for advising any bidder with respect to the proper completion of the TEC Form 1295. Consequently, an entity intending to bid on the Bonds should consult its own advisors to the extent it deems necessary and be prepared to submit the completed form promptly upon notification from the District that its bid is the apparent winning bid.

COMPLIANCE WITH LAWS PROHIBITING CONTRACTS WITH COMPANIES THAT BOYCOTT ISRAEL AND CERTAIN COMPANIES ENGAGED IN BUSINESS WITH IRAN, SUDAN OR FOREIGN TERRORIST ORGANIZATIONS The District will not award the Bonds to a bidder unless the bidder verifies on behalf of itself and each syndicate member listed on the Official Bid Form that, to the extent the Official Bid Form represents a contract for goods or services within the meaning of Section 2271.002 of the Texas Government Code, as amended, solely for purposes of Chapter 2271 of the Texas Government Code, and except to the extent otherwise required by applicable federal law, at the time of execution and delivery of its bid and through the delivery date of the Bonds, neither the bidder nor a syndicate member listed on the Official Bid Form is a Company⁽¹⁾ that boycotts or will boycott Israel. The term "boycotts Israel" and "boycott Israel" as used in this paragraph have the meanings assigned to the term "boycott Israel" in Section 808.001 of the Texas Government Code, as amended. Additionally, the District will not award the Bonds to a bidder unless the bidder certifies that, to the extent the Official Bid Form represents a governmental contract within the meaning of Section 2252.151 of the Texas Government Code, as amended, solely for purposes of Chapter 2252 of the Texas Government Code, and except to the extent otherwise required by applicable federal law, at the time of execution and delivery of its bid, neither the bidder nor a syndicate member listed on the Official Bid Form is a Company⁽²⁾ (i) that engages in business with Iran, Sudan, or any foreign terrorist organization as described in Chapter 2270 of the Texas Government Code, or Subchapter F of Chapter 2252 of the Texas Government Code, or (ii) listed by the Texas Comptroller of Public Accounts under Section 2270.0201 or 2252.153 of the Texas Government Code. The term "foreign terrorist organization" as used in this paragraph has the meaning assigned to such term in Section 2252.151 of the Texas Government Code.

CONTRACTING INFORMATION. . . . The District will not award the Bonds to a bidder unless the bidder verifies on behalf of itself and each syndicate member listed on the Official Bid Form that, to the extent the Official Bid Form represents a contract for goods or services within the meaning of Section 552.371 of the Texas Government Code, as amended, the bidder and each syndicate member listed on the Official Bid Form will (i) preserve all contracting information related to the bid as provided by the records retention requirements applicable to the District through the delivery date of the Bonds, (ii) promptly provide to the District any contracting information related to the bid that is in the custody or possession of the bidder or any syndicate member on request of the District, and (iii) upon delivery of the Bonds to the bidder, either (a) provide at no cost to the District all contracting information related to the bid that is in the custody or possession of the bidder or any syndicate member or (b) preserve the contracting information related to the bid as provided by the records retention requirements applicable to the District. The term "contracting information" as used in this paragraph has the meaning assigned to such term in Section 552.003 of the Texas Government Code.

IMPACT OF BIDDING SYNDICATE ON AWARD . . . For purposes of contracting for the sale of the Bonds, the entity signing the bid form as Initial Purchaser shall be solely responsible for the payment of the purchase price of the Bonds. The purchaser may serve as a syndicate manager and contract under a separate agreement with other syndicate members. However, the District is not a party to that agreement and any information provided regarding syndicate managers would be for informational purposes only.

COMPETITIVE BIDDING AND CERTIFICATE OF UNDERWRITER . . . In the event that the District does not receive sufficient qualified bids to satisfy the competitive sale requirements of Treasury Regulation § 1.148-1(f)(3)(0), allowing the District to treat the reasonably expected initial offering price to the public as of the sale date as the issue price of the Bonds, the "hold-the-offering-price rule" shall apply, which will allow the District to treat the initial offering price to the public of each maturity as of the sale date as the issue price of that maturity (the "hold-the-offering-price rule." So long as the hold-the-offering-price rule applies to any maturity of the Bonds, the Initial Purchaser will neither offer nor sell that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following: (i) the date on which the Initial Purchaser has sold at least 10 percent of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public or (ii) the close of the fifth business day after the sale date. The Initial Purchaser agrees to promptly report to the District's financial advisor when it has sold 10 percent of a maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public if that occurs prior to the close of the fifth business day after the sale date. Alternative Certificates of Underwriter are attached for use (i) when the competitive sale requirements of Treasury Regulation § 1.148-1(f)(3)(i) are met and (ii) when such requirements are not met.

DELIVERY OF THE BONDS AND ACCOMPANYING DOCUMENTS

CUSIP NUMBERS . . . It is anticipated that CUSIP identification numbers will appear on the Bonds, but neither the failure to print or type such number on any Bond nor any error with respect thereto will constitute cause for a failure or refusal by the Initial Purchaser to accept delivery of and pay for the Bonds in accordance with the terms of this Notice of Sale and Bidding Instructions and the terms of the Official Bid Form. All expenses in relation to the printing or typing of CUSIP numbers on the Bonds will be paid by the District; provided, however, that the CUSIP Service Bureau charge for the assignment of the numbers is the responsibility of and will be paid for by the Initial Purchaser.

(1) "Company" means a for-profit organization, association, corporation, partnership, joint venture, limited partnership, limited liability partnership, or limited liability company, including a wholly owned subsidiary, majority-owned subsidiary, parent company, or affiliate of those entities or business associations that exists to make a profit.

(2) "Company" means a sole proprietorship, organization, association, corporation, partnership, joint venture, limited partnership, limited liability partnership, limited liability company, or other entity or business association whose securities are publicly traded, including a wholly owned subsidiary, majority-owned subsidiary, parent company, or affiliate of those entities or business associations, that exists to make a profit.

DELIVERY OF BONDS . . . Initial delivery ("Initial Delivery") will be accomplished by the issuance of one Initial Bond, either in typed or printed form, in the aggregate principal amount of \$5,495,000, payable in stated installments to the Initial Purchaser, signed by the President and Secretary of the Board, approved by the Attorney General of the State of Texas, and registered and manually signed by the Comptroller of Public Accounts of the State of Texas. Upon delivery of the Initial Bond, it will be immediately cancelled and one definitive Bond for each maturity will be registered and delivered only to Cede & Co., and deposited with DTC in connection with DTC's Book-Entry-Only System. Initial Delivery will be at the principal office of the Paying Agent/Registrar. Payment for the Bonds must be made in immediately available funds for unconditional credit to the District, or as otherwise directed by the District. The Initial Purchaser will be given five (5) business days' notice of the time fixed for delivery of the Bonds. It is anticipated that delivery of the Bonds can be made on or about December 3, 2020, and it is understood and agreed that the Initial Purchaser will accept delivery and make payment for the Bonds by 10:00 AM, CST, on December 3, 2020, or thereafter on the date the Initial Bond is tendered for delivery, up to and including December 17, 2020. If for any reason the District is unable to make delivery on or before December 17, 2020, the District will immediately contact the Initial Purchaser and offer to allow the Initial Purchaser to extend its offer for an additional 30 days. If the Initial Purchaser does not elect to extend its offer within six days thereafter, then its Good Faith Deposit will be returned, and both the District and the Initial Purchaser will be relieved of any further obligation. In no event will the District be liable for any damages by reason of its failure to deliver the Bonds, provided such failure is due to circumstances beyond the District's reasonable control.

CONDITIONS TO DELIVERY . . . The obligation of the Initial Purchaser to take up and pay for the Bonds is subject to the Initial Purchaser's receipt of (a) the legal opinion of Allen Boone Humphries Robinson LLP, Houston, Texas, Bond Counsel for the District, (b) the no-litigation certificate of the District's officers, (c) the certification of the District's officers as to the Official Statement, all as further described in the Preliminary Official Statement, and (d) the non-occurrence of the events specified herein under "No Material Adverse Change".

To provide the District with information to enable it to comply with certain conditions of the Internal Revenue Code of 1986, as amended, relating to the exclusion of interest on the Bonds from gross income for federal income tax purposes, the Initial Purchaser will be required to complete, execute, and deliver to the District (no more than two business days after the award of the bid for the Bonds) a certification regarding "issue price" in the form and to the effect attached hereto or accompanying this Notice of Sale and Bidding Instructions. Each bidder, by submitting its bid, agrees to complete, execute, and deliver such a certificate by the date of delivery of the Bonds, if its bid is accepted by the District. It will be the responsibility of the Initial Purchaser to institute such syndicate reporting requirements to make such investigation, or otherwise to ascertain the facts necessary to enable it to make such certification with reasonable certainty. Any questions concerning such certification should be directed to Bond Counsel.

LEGAL OPINIONS . . . The Bonds are offered when, as and if issued, subject to the approval of the Attorney General of the State of Texas. Initial Delivery of and payment for the Bonds is subject to the receipt by the Initial Purchaser of opinion of Bond Counsel, based upon the assumption described in the Official Statement under the heading "LEGAL MATTERS – Legal Proceedings," to the effect that the Bonds are valid and binding obligations of the District and to the effect that interest on the Bonds is excludable from gross income for federal income tax purposes under existing law, and interest on the Bonds is not subject to the alternative minimum tax on individuals.

NO MATERIAL ADVERSE CHANGE . . . The obligation of the Initial Purchaser to take up and pay for the Bonds, and of the District to deliver the Bonds, is subject to the condition that, up to the time of delivery of and receipt of payment for the Bonds, there shall have been no material adverse change in the financial condition of the District subsequent to the date of sale from the that set forth in the Preliminary Official Statement, as it may have been finalized, supplemented or amended through the date of sale.

NO-LITIGATION CERTIFICATE . . . On the date of delivery of the Bonds to the Initial Purchaser, the District will execute and deliver to the Initial Purchaser, a certificate to the effect that no litigation of any nature has been filed or is pending, as of that date, of which the District has notice, to restrain or enjoin the issuance or delivery of the Bonds, or which would affect the provisions made for their payment or security, or any manner question the validity of the Bonds.

RULE G-32 REQUIREMENTS . . . It is the responsibility of the Initial Purchaser to comply with the Municipal Securities Rulemaking Board's Rule G-32 within the required time frame. The Initial Purchaser must send two copies of the Official Statement along with two complete Form G-32's to the appropriate address.

GENERAL

FINANCIAL ADVISOR . . . HilltopSecurities, is employed as Financial Advisor to the District in connection with the issuance of the Bonds. The Financial Advisor's fee for services rendered with respect to the sale of the Bonds is contingent upon the issuance and delivery of the Bonds. HilltopSecurities, in its capacity as Financial Advisor, has relied on the opinion of Bond Counsel and has not verified and does not assume any responsibility for the information, covenants and representations contained in any of the legal documents with respect to the federal income tax status of the Bonds, or the possible impact of any present, pending or future actions taken by any legislative or judicial bodies. In the normal course of business, the Financial Advisor may from time to time sell investment securities to the District for the investment of bond proceeds or other funds of the District upon the request of the District.

BLUE SKY LAWS . . . By submission of its bid, the Initial Purchaser represents that the sale of the Bonds in states other than Texas will be made only pursuant to exemptions from registration or, where necessary, the Initial Purchaser will register the Bonds in accordance with the securities law of the states in which the Bonds are offered or sold. The District agrees to cooperate with the Initial Purchaser, at the Initial Purchaser's written request and expense, in registering the Bonds or obtaining an exemption from registration in any state where such action is necessary; provided, however, that the District is not obligated to execute a general or special consent to service of process in any such jurisdiction.

NOT AN OFFER TO SELL . . . This Notice of Sale and Bidding Instructions does not alone constitute an offer to sell the Bonds, but is merely notice of the sale of the Bonds. The offer to sell the Bonds is being made by means of the Notice of Sale and Bidding Instructions, the Official Bid Form, and the Preliminary Official Statement. Prospective purchasers are urged to carefully examine the Preliminary Official Statement to determine the investment quality of the Bonds.

ISSUANCE OF ADDITIONAL DEBT . . . The District intends to issue additional bonds from its voted authorizations for road improvements and for water, sewer and drainage facilities. The District has \$50,005,000 in authorized but unissued unlimited tax bonds for water, sanitary sewer, and drainage purposes. After issuance of the Bonds, the District will have \$44,510,000 in authorized but unissued Bonds and \$38,465,000 in authorized but unissued road bonds. In addition, the District has \$50,005,000 for the purpose of refunding bonds issued for water, sanitary sewer, and drainage purposes and \$88,355,000 for the purpose of refunding of bonds issued for road purposes. See "THE BONDS – Authority for Issuance". Any bonds issued by the District, however, must be approved by the Attorney General of Texas. Approval of the TCEQ is necessary for the issuance of bonds issued to finance the acquisition or construction of water, wastewater or drainage purposes. See "THE DISTRICT - General."

The Bond Resolution imposes no limitation on the amount of additional parity bonds which may be authorized for issuance by the District's voters or the amount ultimately issued by the District. The District does not employ any formula with regard to assessed valuations or tax collections or otherwise to limit the amount of bonds which may be issued. However, the District must comply with feasibility tests promulgated by the Attorney General, in the case of bonds issued for road purposes, and the TCEQ, in the case of bonds issued for water, sanitary sewer, and drainage purposes, respectively, with regard to taxable assessed valuations and ad valorem tax rates that may limit the amount of bonds which may be issued from time to time in the future. Furthermore, pursuant to Article III, Section 52 of the Texas Constitution, the total amount of bonds and other obligations of the District issued for road purposes may not exceed one-fourth of the assessed valuation of real property in the District at the time of issuance.

The District also is authorized by statute to engage in fire-fighting activities, including the issuing of bonds payable from taxes for such purpose. Before the District could issue fire-fighting bonds payable from taxes, however, the following actions would be required: (a) authorization of a detailed master plan and bonds for such purpose by the qualified voters in the District; (b) approval of the master plan and issuance of bonds by the TCEQ; and (c) approval of bonds by the Attorney General of Texas. The District does not provide fire protection service, and the Board has not considered calling such an election at this time.

THE PRELIMINARY OFFICIAL STATEMENT AND COMPLIANCE WITH SEC RULE 15c2-12 . . . The District has prepared the accompanying Preliminary Official Statement and, for the limited purpose of complying with SEC Rule 15c2-12 (the "Rule"), deems such Preliminary Official Statement to be final as of its date within the meaning of such Rule for the purpose of review prior to bidding. To the knowledge and belief of the District, the Preliminary Official Statement contains information, including financial information or operating data, concerning every entity, enterprise, fund, account, or person that is material to an evaluation of the offering of the Bonds. Representations made and to be made by the District concerning the absence of material misstatements and omissions in the Preliminary Official Statement are addressed elsewhere in this Notice of Sale and Bidding Instructions and in the Preliminary Official Statement.

The District will furnish to the Initial Purchaser, acting through a designated senior representative, in accordance with instructions received from the Initial Purchaser, within seven (7) business days from the sale date an aggregate of 100 copies of the Official Statement reflecting interest rates and other terms relating to the initial reoffering of the Bonds. The cost of any Official Statement copies in excess of the number specified shall be prepared and distributed at the cost of the Initial Purchaser.
