CONDITIONS OF THE SALE

TYPE OF BIDS AND INTEREST RATES . . . The Series 2020C Bonds will be sold in one block on an "All or None" basis, and at a price not less than 119.00% and not more than 120.00% of the principal amount thereof. Bidders are invited to name the rate(s) of interest to be borne by the Series 2020C Bonds, provided that each rate bid must be in a multiple of 1/8 of 1% or 1/20 of 1% and the net effective interest rate must not exceed 15%. The highest rate bid may not exceed the lowest rate bid by more than 3% in rate. The maximum coupon rate allowed is 5%. **For Series 2020C Bonds having stated maturities on and after March 1, 2030, no reoffering yield producing a dollar price less than 98.00 for any individual maturity will be accepted. The high bidder will be required to submit reoffering yields and dollar prices prior to award.** No limitation is imposed upon bidders as to the number of rates or changes which may be used. All Series 2020C Bonds of one maturity must bear one and the same rate. No bids involving supplemental interest rates will be considered.

ADJUSTMENT OF PRINCIPAL AMOUNTS AND/OR TYPES OF BIDS . . . Prior to 1:00 PM, CDT on the business day before the bids are due, the District may, in its sole discretion, adjust the principal amount set forth above (the "Maturity Schedule") and/or the type of bid required on the Series 2020C Bonds. HilltopSecurities, as Co-Financial Advisor to the District, will give notice of any such adjustment by Parity. Should such adjustments be made, a revised Official Bid Form will be made available through i-Deal Prospectus and PARITY. For purposes of this paragraph, the term "Maturity Schedule" shall include any adjustments to the principal amounts shown above including the total par amount so made by the District by posting a Parity Wire.

After final computation of the bids, in awarding the sale to the best bidder, the District may determine in its sole discretion, that the funds necessary to carry out the purposes for which the Series 2020C Bonds are to be issued may be either more or less than the proceeds of the proposed sale of all of the Series 2020C Bonds. Upon making such determination, the District reserves the right to adjust the principal amount of the Series 2020C Bonds shown on the Maturity Schedule. The principal amount of any maturity of the Series 2020C Bonds shall only be adjusted in \$5,000 increments and shall not be increased or decreased by an amount that exceeds 10% of the preliminary principal amount of such maturity (rounded up to the next higher integral of \$5,000) without permission of the successful bidder. Such adjustment(s), if any, shall be made within 4 hours of the opening of the bids for the Series 2020C Bonds.

In the event of any adjustment of the maturity schedule for the Series 2020C Bonds as described herein, no rebidding or recalculation of the proposals submitted will be required or permitted. Any such adjustment of the aggregate principal amount of the Series 2020C Bonds and/or the maturity schedule for the Series 2020C Bonds made by the District or its Co-Financial Advisor shall be prior to the award of the Series 2020C Bonds to the winning bidder as determined pursuant to "CONDITIONS OF THE SALE – Basis for Award" herein and shall not affect such determination. The successful bidder may not withdraw its bid as a result of any changes made within the aforementioned limits.

BASIS FOR AWARD . . . The sale of the Series 2020C Bonds will be awarded to the bidder making a bid that conforms to the specifications herein and which produces the lowest True Interest Cost rate to the District (the "Purchaser"). The True Interest Cost rate is that rate which, when used to compute the total present value as of the Delivery Date of all debt service payments on the Series 2020C Bonds on the basis of semi-annual compounding, produces an amount equal to the sum of the principal amount of the Series 2020C Bonds plus any premium bid. In the event of a bidder's error in interest cost rate calculations, the interest rates, and premium, if any, set forth in the Official Bid Form will be considered as the official bid.

GOOD FAITH DEPOSIT . . . A Good Faith Deposit, payable to the "Tarrant Regional Water District", in the amount of \$764,400.00, is required. Such Good Faith Deposit shall be a bank cashier's check or certified check, which is to be retained uncashed by the District pending the Purchaser's compliance with the terms of the bid and the Notice of Sale and Bidding Instructions. The Good Faith Deposit may accompany the Official Bid Form or it may be submitted separately. If submitted separately, it shall be made available to the District prior to the opening of the bids, and shall be accompanied by instructions from the bank on which drawn which authorize its use as a Good Faith Deposit by the Purchaser who shall be named in such instructions. **The Good Faith Deposit of the Purchaser will be returned to the Purchaser upon payment for the Series 2020C Bonds.** No interest will be allowed on the Good Faith Deposit. In the event the Purchaser should fail or refuse to take up and pay for the Series 2020C Bonds in accordance with the bid, then said check shall be cashed and accepted by the District as full and complete liquidated damages. The checks accompanying bids other than the winning bid will be returned immediately after the bids are opened, and an award of the Series 2020C Bonds has been made.

PROVISION OF TEXAS ETHICS COMMISSION FORM 1295 ("TEC FORM 1295") AND CERTIFICATION OF FILING BY BIDDERS . . .

Pursuant to Texas Government Code §2252.908 (the "Interested Party Disclosure Act"), unless the bidder represents and verifies on the Official Bid Form that bidder is a publicly traded business entity, or a wholly owned subsidiary of a publicly traded business entity, the District may not award the Series 2020C Bonds to a bidder unless the bidder has provided to the District a TEC Form 1295 as generated by the Texas Ethics Commission (the "TEC"). Pursuant to the rules prescribed by the TEC, the TEC Form 1295 must be completed online through the TEC's website at <https://www.ethics.state.tx.us/tec/1295-Infor.htm>. The TEC Form 1295 must then be printed, signed and provided to the District (c/o the District's Co-Financial Advisor, HilltopSecurities Inc. Attn: Laura Alexander, laura.alexander@hilltopsecurities.com) along with Certification of Filing generated by TEC. In the event that the bidder's bid for the Series 2020C Bonds is the best bid received, the District, acting through its Co-Financial Advisor, will promptly notify the bidder. That notification will serve as the conditional verbal acceptance of the bid, and will obligate the bidder to file promptly a completed TEC Form 1295 or certify that it is exempt as described above, in order to complete the award. **TEC Form 1295 or certification of exemption must be received by the District prior to the formal acceptance of the winning bid.** The TEC Form 1295 and Certificate of Filing may be provided to the District via facsimile or electronically to janet.reinert@trwd.com, or, the original signed TEC Form 1295 may be physically delivered to the District (Attn: Sandy Newby, 800 E. North Side Drive, Fort Worth, Texas 76102) within two business days of the award. Following the award of the Series 2020C Bonds, the District will acknowledge receipt of the TEC Form 1295 through the TEC website, as required by law. The District reserves the right to reject any bid that does not comply with the requirements prescribed herein. For purposes of completing the TEC Form 1295, box two is Tarrant Regional Water District and for box 3 the identification number assigned to this contract by the District is "2020162" and a description of the services to be provided under the contract: "Bond Refunding". Neither the District nor its consultants have the ability to verify the information included in a TEC Form 1295, and neither have an obligation nor undertake responsibility for advising any bidder with respect to the proper completion of the TEC Form 1295. Consequently, an entity intending to bid on the Series 2020C Bonds should consult its own advisors to the extent it deems necessary and be prepared to submit the completed form promptly upon notification from the District that its bid is the apparent winning bid.

IMPACT OF BIDDING SYNDICATE ON AWARD . . . For purposes of contracting for the sale of the Series 2020C Bonds, the entity signing the bid form as Purchaser shall be solely responsible for the payment of the purchase price of the Series 2020C Bonds. The Purchaser may serve as a syndicate manager and contract under a separate agreement with other syndicate members. However, the District is not a party to that agreement and any information provided regarding syndicate managers would be for informational purposes only.

VERIFICATION PURSUANT TO CHAPTER 2271 OF THE TEXAS GOVERNMENT CODE . . . To the extent the winning bid for the Series 2020C Bonds represents a contract for goods or services within the meaning of Section 2271.002 of the Texas Government Code, as amended, the bidder will be required to verify in the Official Bid Form, for purposes of Chapter 2271 of the Texas Government Code, as amended, that, at the time of execution and delivery of its bid, neither the bidder nor any syndicate member listed on the Official Bid Form, nor any parent company, wholly- or majority- owned subsidiaries, and other affiliates of the same, if any, boycotts Israel or will boycott Israel through the date of delivery of the Series 2020C Bonds. The foregoing verification is made solely to comply with Section 2271.002, Texas Government Code, and to the extent such Section does not contravene applicable Federal law. As used in the foregoing verification, "boycotts Israel" and "boycott Israel" means refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations specifically with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made for ordinary business purposes. The bidder understands "affiliate" to mean an entity that controls, is controlled by, or is under common control with the bidder or any syndicate member listed on the Official Bid Form and exists to make a profit.

VERIFICATION PURSUANT TO CHAPTER 2252 OF THE TEXAS GOVERNMENT CODE . . . Pursuant to Chapter 2252 of the Texas Government Code, the winning bidder will be required to verify that neither the bidder nor any syndicate member listed on the Official Bid Form, nor any parent company, wholly- or majority-owned subsidiaries, or other affiliates of the same are companies identified on a list prepared and maintained by the Texas Comptroller of Public Accounts under Section 2252.153 or Section 2270.0201, Texas Government Code, and posted on any of the following pages of such officer's internet website: <https://comptroller.texas.gov/purchasing/docs/sudanlist.pdf>, <https://comptroller.texas.gov/purchasing/docs/iran-list.pdf>, or <https://comptroller.texas.gov/purchasing/docs/ftolist.pdf>. The foregoing representation is made solely to comply with Section 2252.152, Texas Government Code, and to the extent such Section does not contravene applicable Federal law and excludes the winning bidder or any syndicate member listed on the Official Bid Form and each parent company, wholly- or majority-owned subsidiaries, and other affiliates, of the same, if any, that the United States government has affirmatively declared to be excluded from its federal sanctions regime relating to Sudan or Iran or any federal sanctions regime relating to a foreign terrorist organization. The bidder understands "affiliate" to mean any entity that controls, is controlled by, or is under common control with the bidder or any syndicate member listed on the Official Bid Form and exists to make a profit.

DELIVERY OF THE SERIES 2020C BONDS AND ACCOMPANYING DOCUMENTS

CUSIP NUMBERS . . . It is anticipated that CUSIP identification numbers will appear on the Series 2020C Bonds, but neither the failure to print or type such number on any Bond nor any error with respect thereto shall constitute cause for a failure or refusal by the Purchaser to accept delivery of and pay for the Series 2020C Bonds in accordance with the terms of this Notice of Sale and Bidding Instructions and the terms of the Official Bid Form. All expenses in relation to the printing or typing of CUSIP numbers on the Series 2020C Bonds shall be paid by the District; provided, however, that the CUSIP Service Bureau charge for the assignment of the numbers shall be the responsibility of and shall be paid for by the Purchaser.

DELIVERY OF SERIES 2020C BONDS . . . Delivery will be accomplished by the issuance of one Initial Bond (the "Initial Bond"), either in typed or printed form, in the aggregate principal amount of \$38,220,000*, payable in stated installments to the Purchaser, signed by the President and Secretary of the Board of Directors, approved by the Attorney General, and registered and manually signed by the Comptroller of Public Accounts. Upon delivery of the Initial Bond, it shall be immediately canceled and one definitive Bond for each maturity will be registered and delivered only to Cede & Co., and deposited with DTC in connection with DTC's Book-Entry-Only System. Delivery will be at the principal office of the Paying Agent/Registrar. Payment for the Series 2020C Bonds must be made in immediately available funds for unconditional credit to the District, or as otherwise directed by the District.

The Purchaser will be given five business days' notice of the time fixed for delivery of the Series 2020C Bonds. It is anticipated that delivery of the Bond(s) can be made on or about December 3, 2020, and it is understood and agreed that the Purchaser will accept delivery and make payment for the Series 2020C Bonds by 10:00 AM, CST, on December 3, 2020, or thereafter on the date the Series 2020C Bonds are tendered for delivery, up to and including December 17, 2020. If for any reason the District is unable to make delivery on or before December 17, 2020, the District shall immediately contact the Purchaser and offer to allow the Purchaser to extend its offer for an additional thirty days. If the Purchaser does not elect to extend its offer within six days thereafter, then its Good Faith Deposit will be returned, and both the District and the Purchaser shall be relieved of any further obligation. In no event shall the District be liable for any damages by reason of its failure to deliver the Series 2020C Bonds, provided such failure is due to circumstances beyond the District's reasonable control.

CONDITIONS TO DELIVERY . . . The obligation of the Purchaser to take up and pay for the Series 2020C Bonds is subject to the Purchaser's receipt of (a) the respective legal opinions of McCall, Parkhurst & Horton L.L.P., Dallas, Texas, and Kintop Smith, PLLC, Dallas, Texas, Co-Bond Counsel for the District ("Co-Bond Counsel"), (b) the no-litigation certificate, (c) the certification as to the Official Statement, all as further described in the Official Statement, and (d) the non-occurrence of the events described under "No Material Adverse Change" below.

In order to provide the District and its consultants with information required to be submitted to the Texas Bond Review Board pursuant to Section 1202.008, Texas Government Code, as amended, the Purchaser will be required to provide the District (on or before the 10th business day prior to the delivery of the Series 2020C Bonds) with a breakdown of its "underwriting spread" among the following categories: Takedown, Management Fee (if any), Legal Counsel Fee (if any) and Spread Expenses (if any).

NO-LITIGATION CERTIFICATE . . . At the time of the initial delivery of the Series 2020C Bonds, the District will provide the Purchaser with a certificate to the effect that no litigation of any nature has been filed or is then pending challenging the issuance of the Series 2020C Bonds or that affects the payment and security of the Series 2020C Bonds or in any other manner questioning the issuance, sale or delivery of the Series 2020C Bonds.

NO MATERIAL ADVERSE CHANGE . . . The obligations of the District to deliver the Series 2020C Bonds and of the Purchaser to accept delivery of and pay for the Series 2020C Bonds are subject to the condition that to the time for delivery of and receipt of payment for the Series 2020C Bonds, there shall be no material adverse change in the financial condition of the District from those set forth in or contemplated by the Preliminary Official Statement, as it may have been supplemented or amended through the date of sale.

LEGAL OPINIONS . . . The Series 2020C Bonds are offered when, as and if issued, subject to the approval of the Attorney General of the State of Texas. Delivery of and payment for the Series 2020C Bonds is subject to the receipt by the Purchaser of the opinions of Co-Bond Counsel, to the effect that the Series 2020C Bonds are valid and binding obligations of the District.

CERTIFICATION OF OFFICIAL STATEMENT . . . On the Delivery Date the District will execute and deliver to the Purchaser a certificate in the form set forth in the Official Statement.

CHANGE IN TAX EXEMPT STATUS . . . At any time before the Series 2020C Bonds are tendered for delivery, the Purchaser may withdraw its bid if the interest received by private holders on obligations of the same type and character shall be declared to be includable in gross income under present federal income tax laws, either by ruling of the Internal Revenue Service or by a decision of any Federal court, or shall be declared taxable or be required to be taken into account in computing any federal income taxes, by the terms of any federal income tax law enacted subsequent to the date of this Notice of Sale and Bidding Instructions.

* Preliminary, subject to change. See "Adjustment of Principal Amount and/or Types of Bids" herein.

ESTABLISHING THE ISSUE PRICE FOR THE SERIES 2020C BONDS . . . The Issuer intends to rely on Treasury Regulation section 1.148-1(f)(3)(i) (defining "competitive sale" for purposes of establishing the issue price of municipal bonds), which require, among other things, that the Issuer receives bids from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds (the "Competitive Sale Requirement").

In the event that the bidding process does not satisfy the Competitive Sale Requirement bids will not be subject to cancellation and the winning bidder (i) agrees to promptly report to the Issuer the first prices at which at least 10% of each maturity of the Series 2020C Bonds (the "First Price Maturity") have been sold to the Public on the Sale Date (the "10% Test") and (ii) agrees to hold-the-offering-price of each maturity of the Series 2020C Bonds that does not satisfy the 10% Test ("Hold-the-Price Maturity"), as described below.

In order to provide the Issuer with information that enables it to comply with the establishment of the issue price of the Series 2020C Bonds under the Internal Revenue Code of 1986, as amended, the winning bidder agrees to complete, execute, and timely deliver to the Issuer or to the Issuer's financial advisor, (the "Issuer's Financial Advisor") a certification as to the Series 2020C Bonds' "issue price" (the "Issue Price Certificate") substantially in the form and to the effect accompanying this Notice of Sale, within 5 business days of the Closing Date. In the event the winning bidder will not reoffer any maturity of the Series 2020C Bonds for sale to the Public (as defined herein) by the Closing Date, the Issue Price Certificate may be modified in a manner approved by the Issuer. It will be the responsibility of the winning bidder to institute such syndicate reporting requirements, to make such investigation, or otherwise to ascertain such facts necessary to enable it to make such certification with reasonable certainty. Any questions concerning such certification should be directed to Bond Counsel (identified in the Preliminary Official Statement).

For purposes of this section of this Notice of Sale:

- (i) "Public" means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter or a Related Party,
- (ii) "Underwriter" means (A) any person that agrees pursuant to a written contract with the Issuer (or with the lead Underwriter to form an underwriting syndicate) to participate in the initial sale of the Series 2020C Bonds to the Public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Series 2020C Bonds to the Public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Series 2020C Bonds to the Public),
- (iii) "Related Party" means any two or more persons (including an individual, trust, estate, partnership, association, company, or corporation) that are subject, directly or indirectly, to (i) at least 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and
- (iv) "Sale Date" means the date that the Series 2020C Bonds are awarded by the Issuer to the winning bidder.

All actions to be taken by the Issuer under this Notice of Sale to establish the issue price of the Series 2020C Bonds may be taken on behalf of the Issuer by the Issuer's Financial Advisor, and any notice or report to be provided to the Issuer may be provided to the Issuer's Financial Advisor.

The Issuer will consider any bid submitted pursuant to this Notice of Sale to be a firm offer for the purchase of the Series 2020C Bonds, as specified in the bid and, if so stated, in the Official Bid Form.

By submitting a bid, each bidder confirms that: (i) any agreement among underwriters, any selling group agreement and each third-party distribution agreement (to which the bidder is a party) relating to the initial sale of the Series 2020C Bonds to the Public, together with the related pricing wires, contains or will contain language obligating each Underwriter, each dealer who is a member of the selling group, and each broker-dealer that is a party to such third-party distribution agreement, as applicable, (A) to report the prices at which it sells to the Public the unsold Series 2020C Bonds of each maturity allocated to it until either all such Series 2020C Bonds have been sold or it is notified by the winning bidder that either the 10% Test has been satisfied as to the Series 2020C Bonds of that maturity, (B) to promptly notify the winning bidder of any sales of Series 2020C Bonds that, to its knowledge, are made to a purchaser who is a Related Party to an Underwriter, and (C) to acknowledge that, unless otherwise advised by the underwriter, dealer or broker-dealer, the winning bidder will assume that based on such agreement each order submitted by the underwriter, dealer or broker-dealer is a sale to the Public; and (ii) any agreement among underwriters or selling group agreement relating to the initial sale of the Series 2020C Bonds to the Public, together with the related pricing wires, contains or will contain language obligating each Underwriter that is a party to a third-party distribution agreement to be employed in connection with the initial sale of the Series 2020C Bonds to the Public to require each underwriter or dealer that is a party to such third-party distribution agreement to report the prices at which it sells to the Public the unsold Series 2020C Bonds of each maturity allocated to it until either all such Series 2020C Bonds have been sold or it is notified by the winning bidder or such Underwriter that either the 10% Test has been satisfied as to the Series 2020C Bonds of that maturity. Sales of any Series 2020C Bonds to any person that is a Related Party to an Underwriter shall not constitute sales to the public for purposes of this Notice of Sale.

By submitting a bid, the winning bidder agrees, on behalf of each Underwriter participating in the purchase of the Series 2020C Bonds, that each Underwriter will neither offer nor sell any Hold-the-Price Maturity to any person at a price that is higher than the initial offering price to the Public during the period starting on the Sale Date and ending on the earlier of (1) the close of the fifth (5th) business day after the Sale Date; or (2) the date on which the Underwriters have sold at least 10% of that Hold-the-Price Maturity to the Public at a price that is no higher than the initial offering price to the Public. The winning bidder shall promptly advise the Issuer when the Underwriters have sold 10% of a Hold-the-Price Maturity to the Public at a price that is no higher than the initial offering price to the Public, if that occurs prior to the close of the fifth (5th) business day after the Sale Date.

ISSUE PRICE CERTIFICATE
(Sales where 3 bids are received)

The undersigned, as the underwriter or the manager of the syndicate of underwriters ("Purchaser"), with respect to the purchase at competitive sale of the Water Revenue Refunding Bonds, Series 2020C issued by the Tarrant Regional Water District ("Issuer") in the principal amount of \$38,220,000* ("Series 2020C Bonds"), hereby certifies and represents, based on its records and information, as follows:

- (a) On the first day on which there was a binding contract in writing for the purchase of the Series 2020C Bonds by the Purchaser, the Purchaser's reasonably expected initial offering prices of each maturity of the Series 2020C Bonds with the same credit and payment terms (the "Expected Offering Prices") to a person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter are as set forth in the pricing wire or equivalent communication for the Series 2020C Bonds, as attached to this Certificate as Schedule A. The Expected Offering Prices are the prices for the Series 2020C Bonds used by the Purchaser in formulating its bid to purchase the Series 2020C Bonds.
- (b) The Purchaser had an equal opportunity to bid to purchase the Series 2020C Bonds and it was not given the opportunity to review other bids that was not equally given to all other bidders (i.e., no last look).
- (c) The bid submitted by the Purchaser constituted a firm bid to purchase the Series 2020C Bonds.
- (d) The Purchaser has or [has not] purchased bond insurance for the Series 2020C Bonds. The bond insurance has been purchased from _____ (the "Insurer") for a fee of \$_____ (net any nonguarantee cost, e.g., rating agency fees). The amount of such fee is set forth in the Insurer's commitment and does not include any payment for any direct or indirect services other than the transfer of credit risk, unless the compensation for those other services is separately stated, reasonable, and excluded from such fee. Such fee does not exceed a reasonable, arm's-length charge for the transfer of credit risk and it has been paid to a person who is not exempt from federal income taxation and who is not a user or related to the user of any proceeds of the Series 2020C Bonds. The present value of the debt service savings expected to be realized as a result of such insurance exceeds the amount of the fee set forth above. For this purpose, present value is computed using the yield on the Series 2020C Bonds, determined by taking into account the amount of the fee set forth above, as the discount rate. No portion of the fee payable to the Insurer is refundable upon redemption of any of the Series 2020C Bonds in an amount which would exceed the portion of such fee that has not been earned.

For purposes of this Issue Price Certificate, the term "Underwriter" means (1) (i) a person that agrees pursuant to a written contract with the Issuer (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Series 2020C Bonds to the Public, or (ii) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (1)(i) of this paragraph (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Series 2020C Bonds to the Public) to participate in the initial sale of the Series 2020C Bonds to the Public, and (2) any person who has more than 50% common ownership, directly or indirectly, with a person described in clause (1) of this paragraph.

The undersigned understands that the foregoing information will be relied upon by the Issuer with respect to certain of the representations set forth in the Federal Tax Certificate and with respect to compliance with the federal income tax rules affecting the Series 2020C Bonds, and by McCall, Parkhurst & Horton L.L.P. in connection with rendering its opinion that the interest on the Series 2020C Bonds is excluded from gross income for federal income tax purposes, the preparation of the Internal Revenue Service Form 8038-G, and other federal income tax advice that it may give to the Issuer from time to time relating to the Series 2020C Bonds. Notwithstanding anything set forth herein, the Purchaser is not engaged in the practice of law and makes no representation as to the legal sufficiency of the factual matters set forth herein.
