during the Village Board meeting on said date to the best bidder whose proposal shall result in the lowest true interest cost rate to the Village. The true interest cost is computed as the discount rate which, when used with semiannual compounding to determine the present worth of the principal and interest payments as of the date of the 2021B Bonds, produces an amount equal to the purchase price. If two or more bids provide the same lowest true interest rate, the Village shall determine which proposal shall be accepted, and such determination shall be final. A computation by the bidder of such true interest cost rate contained in any bid shall be for information only and shall not constitute a part of the bid. The purchaser shall pay accrued interest from the date of the 2021B Bonds to the date of delivery and payment of the purchase price.

In the event delivery is not made within 45 days after the date of the sale of the 2021B Bonds, the successful bidder may, prior to tender of the 2021B Bonds, at its option, be relieved of its obligation under the contract to purchase the 2021B Bonds and its good faith check shall be returned, but no interest shall be allowed thereon. Delivery of the 2021B Bonds is currently anticipated to be on or about February 3, 2021.

CUSIP Numbers. The Village will assume no obligation for the assignment of CUSIP numbers on the 2021B Bonds or for the correctness of any numbers printed thereon. The Village will permit such numbers to be assigned and printed at the expense of the original purchaser, but neither the failure to print such numbers on any 2021B Bonds nor any error with respect thereto will constitute cause for failure or refusal by the original purchaser to accept delivery of the 2021B Bonds. The Village's Municipal Advisor will request CUSIP numbers prior to the sale.

Official Statement. Upon the sale of the 2021B Bonds, the Village will publish an Official Statement in substantially the same form as the Preliminary Official Statement subject to minor additions, deletions and revisions as required to complete the Preliminary Official Statement. The details and terms of the undertaking are set forth in a Continuing Disclosure Certificate to be executed and delivered by the Village, a form of which is included in the Preliminary Official Statement and in the final Official Statement.
