The Bonds maturing on or after February 1, 2030, are subject to redemption at the option of the District, prior to maturity, in whole or from time to time in part, on February 1, 2029, or on any date thereafter, at a price of the par value thereof plus accrued interest from the most recent interest payment date to the date fixed for redemption. If fewer than all of the Bonds are redeemed at any time, the District shall determine the maturity or maturities and the amounts thereof to be redeemed, in integral multiples of \$5,000 in principal amount, and if fewer than all of the bonds within a maturity are to be redeemed, the Paying Agent/Registrar shall select by lot or such other random selection method. The registered owner of any Bond, all or a portion of which has been called for redemption, shall be required to present same to the Paying Agent/Registrar for payment of the redemption price on the portion of the Bond so called for redemption and the issuance of a new Bond in the principal amount equal to the portion of the Bond not redeemed.

Term Bonds; Mandatory Sinking Fund:

Any successful bidder may elect, in its written bid, to alter the Maturity Schedule reflected on the cover by converting the principal amounts of Serial Bonds maturing in the years 2030 through 2050 into "Term Bonds," such "Term Bonds" shall be subject to mandatory redemption on the February 1 next following the last maturity for Serial Bonds, and annually thereafter on each February 1, until the stated principal amount of the Term Bonds to be redeemed on each mandatory redemption date shall be the principal amount that would have been due and payable in the Maturity Schedule shown on the cover had no conversion to Term Bonds occurred. At least thirty (30) days prior to each mandatory redemption date, the Paying Agent/Registrar shall select by lot the Term Bonds to be redeemed and issue a notice of redemption in the manner provided below.

Successor Paying Agent/Registrar:

Provision is made in the Bond Order for replacement of the Paying Agent/Registrar. If the Paying Agent/Registrar is replaced by the District, the new Paying Agent/Registrar shall accept the previous Paying Agent/Registrar's records and act in the same

capacity as the previous Paying Agent/Registrar. Any Paying Agent/Registrar selected by the District shall be either a national or state banking institution, trust company, financial institution, or other entity duly qualified and legally authorized to serve and perform the duties as Paying Agent/Registrar.

Security for Payment:

The Bonds, when issued, will constitute valid and binding obligations of the District, payable as to the principal and interest from the proceeds of a continuing direct annual ad valorem tax, without legal limitation as to rate or amount levied against all taxable property within the District; all to the extent and upon the conditions described in the Official Statement.

Municipal Bond Rating:

In connection with the sale of the Bonds the District has made application to S&P Global Ratings ("S&P") which assigned the underlying rating of "A" (stable outlook) on the Bonds based upon the District's underlying credit without bond insurance. An explanation of the significance of such rating may be obtained from S&P. The rating reflects only the view of S&P, and the District makes no representation as to the appropriateness of such rating.

Municipal Bond Insurance:

The District has applied for qualification of the Bonds for bond insurance. The Underwriter (as defined herein) may bid for the Bonds with or without bond insurance. If the Underwriter bids for the Bonds with bond insurance, the cost of the bond insurance premium must be paid for by the Underwriter. The District will pay for the cost of the S&P rating. The Underwriter must pay for the cost of any rating other than the S&P rating. If the Underwriter purchases the Bonds with bond insurance and subsequent to the sale date and prior to the closing date, the bond insurer's credit rating is downgraded the Underwriter is still obligated to accept delivery of the Bonds. Information relative to the cost of the insurance premium will be available from the bond insurance company on the day of the sale.

CONDITIONS OF SALE

Types of Bids and Interest Rates:

The Bonds will be sold in one block on an "all or none" basis and at a price of not less than 97% of the par value thereof plus accrued interest from the date of the Bonds to the date of delivery. Bidders are to name the rates of interest to be borne by the Bonds, provided that each rate bid must be in a multiple of 1/8 of 1% or 1/20 of 1%. All Bonds maturing within a single year must bear the same rate of interest.

The net effective interest rate on the Bonds may not exceed 5.39% as calculated pursuant to Chapter 1204, Texas Government Code, as amended. Subject to the above conditions, no limitation will be imposed upon bidders as to the number of interest rates or changes in interest rates which may be used, but the highest interest rate bid for any maturity may not exceed the lowest interest rate bid for any maturity by more than two and one half (2-1/2) percentage points. Each bidder shall state in its bid the total and net interest cost in dollars and the net effective interest rate determined thereby, which shall be considered informative only and not as a part of the bid.

Basis of Award:

For the purpose of awarding the sale of the Bonds, the interest cost of each bid will be computed by determining, at the interest rates specified therein, the total dollar value of all interest on the Bonds from the date thereof to their respective maturities and adding thereto the discount, if any. Subject to the District's right to reject any or all bids, the sale of the Bonds will be awarded to the bidder (the "Underwriter") whose bid, under the above computation, produces the lowest net interest cost to the District. In the event of mathematical discrepancies between the interest rates and the interest costs determined therefrom as both appear on the Official Bid Form, the bid will be solely governed by the interest rates named therein.

Provision of Texas Ethics Commission Form 1295 ("TEC Form 1295") and Certification of Filing by Bidders:

Pursuant to Texas Government Code § 2252.908 (the "Interested Party Disclosure Act" or the "Act"), the District may not award the Bonds to a bidder that is a privately held entity unless the bidder, and each privately held syndicate member listed on the Official Bid Form, unless such bidder or syndicate member is exempt from such requirements pursuant to Texas Government Code § 2252.908(c)(4), have provided to the District (c/o Sanford Kuhl Hagan Kugle Parker Kahn, LLP, 1980 Post Oak Boulevard, Suite 1380, Houston, Texas 77056) a completed and signed TEC Form 1295 which has been assigned a certificate number by the Texas Ethics Commission (the "TEC"). Pursuant to the rules prescribed by the TEC, the TEC Form 1295 must be completed online through the TEC's website, assigned a certificate number, printed, signed, and provided to the District. The TEC Form 1295 may accompany the Official Bid Form or may be submitted separately, but must be provided to the District prior to the time prescribed for the award of the Bonds (7:30 p.m., Houston time, on Wednesday, February 14, 2024). However, the original signed TEC Form 1295 complete with certificate number must be physically delivered to the District (c/o Sanford Kuhl Hagan Kugle Parker Kahn, LLP, 1980 Post Oak Boulevard, Suite 1380, Houston, Texas 77056) within three business days of the award (Monday, February 19, 2024). Following the award of the Bonds, the District will notify the TEC of the receipt of each completed TEC Form 1295. The District reserves the right to

reject any bid that does not comply with the requirements prescribed herein or to waive any such requirements. For purposes of completing the TEC Form 1295, the entity's name is "Sagemeadow Utility District" and the contract ID number is "SAGEUD-S2024-B." Neither the District nor its consultants have the ability to verify the information included in a TEC Form 1295, and neither have an obligation nor undertake responsibility for advising any bidder with respect to the proper completion of the TEC Form 1295. Consequently, an entity intending to bid on the Bonds should consult its own advisors to the extent it deems necessary and be prepared to submit the completed form promptly upon notification from the District that its bid is the apparent winning bid.

Statutory Representations and Covenants:

By submitting a bid, each bidder makes the following representations and, if its bid is accepted, covenants pursuant to Chapters 2252, 2271, 2274, and 2276, Texas Government Code, as heretofore amended (the "Government Code"). As used in therein, "affiliate" means an entity that controls, is controlled by, or is under common control with the bidder within the meaning of SEC Rule 405, 17 C.F.R. § 230.405, and exists to make a profit. If a bidder's bid is accepted, then liability for breach of any such representation or covenant during the term of the contract for purchase and sale of the Bonds created thereby (the "Purchase Contract") shall survive until barred by the applicable statute of limitations, and shall not be liquidated or otherwise limited by any provision of the bid or this Official Notice of Sale, notwithstanding anything herein or therein to the contrary.

Not a Sanctioned Company. Each bidder represents that neither it nor any of its parent company, wholly- or majority-owned subsidiaries, and other affiliates is a company identified on a list prepared and maintained by the Texas Comptroller of Public Accounts under Section 2252.153 or Section 2270.0201, Government Code. The foregoing representation excludes each bidder and each of its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, that the United States government has affirmatively declared to be excluded from its federal sanctions regime relating to Sudan or Iran or any federal sanctions regime relating to a foreign terrorist organization.

No Boycott of Israel. Each bidder hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not boycott Israel and, if its bid is accepted, will not boycott Israel during the term of the Purchase Contract. As used in the foregoing verification, "boycott Israel" has the meaning provided in Section 2271.001, Government Code.

No Discrimination Against Firearm Entities. Each bidder hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association and, if its bid is accepted, will not discriminate against a firearm entity or firearm trade association during the term of the Purchase Contract. As used in the foregoing verification, "discriminate against a firearm entity or firearm trade association" has the meaning provided in Section 2274.001(3), Government Code.

No Boycott of Energy Companies. Each bidder hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not boycott energy companies and, if its bid is accepted, will not boycott energy companies during the term of the Purchase Contract. As used in the foregoing verification, "boycott energy companies" has the meaning provided in Section 2276.001(1), Government Code.

Contracting Information:

The District will not award the Bonds to a bidder unless the bidder verifies on behalf of itself and each syndicate member listed on the Official Bid Form that, to the extent the Official Bid Form represents a contract for goods or services within the meaning of Section 552.371 of the Texas Government Code, as amended, the bidder and each syndicate member listed on the Official Bid Form will (i) preserve all contracting information related to the bid as provided by the records retention requirements applicable to the District through the delivery date of the Bonds, (ii) promptly provide to the District any contracting information related to the bid that is in the custody or possession of the bidder or any syndicate member on request of the District, and (iii) upon delivery of the Bonds to the bidder, either (a) provide at no cost to the District all contracting information related to the bid that is in the custody or possession of the bidder or any syndicate member or (b) preserve the contracting information related to the bid as provided by the records retention requirements applicable to the District. The term "contracting information" as used in this paragraph has the meaning assigned to such term in Section 552.003 of the Texas Government Code.

Good Faith Deposit:

Each bid must be accompanied by a bank's cashier's check, payable to the order of Sagemeadow Utility District, in the amount of \$177,000.00 (the "Good Faith Deposit"). The Good Faith Deposit submitted by the Underwriter will be retained uncashed by the District pending the Underwriter's compliance with the terms of the Official Bid Form and the Official Notice of Sale. In the event the Underwriter should fail or refuse to accept delivery of and pay for the Bonds in accordance with its bid, including without limitation due to the unwillingness or inability of the Underwriter to provide the Standing Letter (as defined herein) or Bringdown Verification (as defined herein) in a form acceptable to the Texas Attorney General for the delivery of their approving opinion at closing, then the check will be cashed and the proceeds accepted by the District as full and complete liquidated damages, subject to the limitation on the liquidation of damages stated in "CONDITIONS OF SALE – Statutory Representations and Covenants." See "CONDITIONS OF SALE - Standing Letter Requirement." A Good Faith Deposit may accompany the Official Bid Form or may be submitted separately; if submitted separately, it shall be made available to the District prior to the opening of the bids and shall be accompanied by instructions from the bank on which it is drawn which authorize its use as a Good Faith Deposit by the bidder(s) to be named in such instructions.

No interest will be paid or allowed on any Good Faith Deposit. The checks accompanying all other bids will be returned immediately after the bids are opened and the award of the sale of the Bonds has been made.

Standing Letter Requirement:

The winning bidder represents that it, and each syndicate member listed on the Official Bid form, if any, has, as of the date bids are due on the Bonds and as of Closing, on file with the Texas Attorney General a standing letter addressing the representations and verifications hereinbefore described in this Notice of Sale in the form attached as Exhibit B to the Updated Recommendations for Compliance with the Texas BPA Verification and Representation Requirements (December 1, 2023) of the Municipal Advisory Council of Texas or any other form accepted by the Texas Attorney General (a "Standing Letter"). In addition, if the winning bidder or the parent company, a wholly- or majority-owned subsidiary or another affiliate of such winning bidder receives or has received a letter from the Texas Comptroller of Public Accounts or the Texas Attorney General seeking written verification that such bidder is a member of the Net Zero Banking Alliance, Net Zero Insurance Alliance, Net Zero Asset Owner Alliance, or Net Zero Asset Managers or of the representations and certifications contained in the winning bidder's Standing Letter (a "Request Letter"), the winning bidder shall promptly notify the District and Bond Counsel (if it has not already done so) and provide to the District or Bond Counsel, two (2) business days prior to Closing and additionally upon request by the District or Bond Counsel, written verification to the effect that its Standing Letter described in the preceding sentence remains in effect and may be relied upon by the District and the Texas Attorney General (the "Bringdown Verification"). The Bringdown Verification shall also confirm that the winning bidder (or the parent company, a wholly- or majority-owned subsidiary or other affiliate of the winning bidder that received the Request Letter) intends to timely respond or has timely responded to the Request Letter. The Bringdown Verification may be in the form of an e-mail. The District reserves the right, in its sole discretion, to reject any bid from a bidder that does not satisfy the foregoing requirements as of the deadline for bids for the Bonds.

DELIVERY AND ACCOMPANYING DOCUMENTS

CUSIP Numbers:

It is anticipated that CUSIP identification numbers will be printed on the Bonds, but neither the failure to print such number on any Bond nor any error with respect thereto shall constitute cause for failure or refusal by the Underwriter to accept delivery of or make payment for the Bonds in accordance with the terms of the Official Bid Form and this Official Notice of Sale. All expenses in relation to the printing of CUSIP numbers on the Bonds shall be paid by the District; however, the CUSIP Service Bureau charge for the assignment of the numbers shall be paid by the Underwriter.

Delivery of Initial Bond:

Initial delivery will be accomplished by the issuance of one initial Bond for the entire principal amount of the Bonds payable in stated installments (the "Initial Bonds"), either in typed or printed form, in the aggregate principal amount of \$8,850,000 registered to the person or entity designated by the Underwriter in the Official Bid Form that has been signed manually or in facsimile by the President and Secretary of the Board, approved by the Attorney General of Texas, registered, and manually signed by the Comptroller of Public Accounts of the State of Texas or authorized representative. Initial delivery will be through DTC. One definitive Bond for each maturity will be registered and delivered in the name of Cede & Co., and deposited with or under agreement with DTC in connection with DTC's Book-Entry-Only System. Payment for the Initial Bonds must be made in immediately available funds for unconditional credit to the District, or as otherwise directed by the District. The Underwriter will be given five (5) business days notice of the date fixed for delivery of the Initial Bonds. It is anticipated that Initial Delivery can be made on or about March 14, 2024, and it is understood and agreed that the Underwriter will accept delivery and provide payment for the Initial Bonds by 10:00 a.m., Houston time, on March 14, 2024, or thereafter on the date the Bonds are tendered for delivery, up to and including April 15, 2024. If for any reason the District is unable to make delivery on or before April 15, 2024, then the District shall immediately contact the Underwriter and offer to allow the Underwriter to extend its offer for an additional thirty (30) days. If the Underwriter does not elect to extend its offer within six (6) days thereafter, then its Good Faith Deposit will be returned and both the District and the Underwriter shall be relieved of any further obligation. In no event shall the District be liable for any damages by reason of its failure to deliver the Initial Bonds, provided such failure is due to circumstances beyond the District's reasonable control.

Initial Exchange for Definitive Bonds:

Upon presentation by the Underwriter of the Initial Bonds to the Paying Agent/Registrar, the Paying Agent/Registrar shall, in the time and manner provided in the Bond Order, exchange the Initial Bonds for registered Bonds in denominations of \$5,000 or any integral multiple thereof, to be deposited in accordance with the requirements of The Depository Trust Company and registered in the name of Cede & Co.

Conditions of Delivery:

The Underwriter's obligation to take delivery and pay for the Initial Bonds is subject to the issuance of the Texas Attorney General's opinion as to the legality of the Bonds and the Underwriter's receipt of the legal opinion of Bond Counsel and the no-litigation certificate all as described below.

Continuing Disclosure Agreement:

The District will agree in the Bond Order, to provide certain periodic information and notices of material events in accordance with Securities and Exchange Commission Rule 15c2-12 ("SEC Rule 15c2-12"), as described in the Preliminary Official Statement under "CONTINUING DISCLOSURE OF INFORMATION – SEC Rule 15c2-12." The Underwriter's obligation to accept and pay for the Bonds is conditioned upon delivery to the Underwriter or its agent of a certified copy of the Bond Order containing the agreement described under such heading.

Compliance with Prior Undertakings:

The District's 2020 Annual Report filing with the MSRB was timely filed, but, due to an administrative oversight, was missing some required information. The District amended the 2020 Annual Report filing, and put procedures in place to ensure that future filings are complete.

Except for the foregoing, during the last five years, the District has complied in all material respects with all continuing disclosure agreements made by the District in accordance with SEC Rule 15c2-12.

Legal Opinion:

The District will furnish to the Underwriter a transcript of certain proceedings held incident to the authorization and issuance of the Bonds, including a certified copy of the approving opinion of the Attorney General of Texas, as recorded in the Bond Register of the Comptroller of Public Accounts of the State of Texas, to the effect that the Bonds are a valid and legally binding obligation of the District. The District will also furnish the approving legal opinion of Sanford Kuhl Hagan Kugle Parker Kahn LLP, Houston, Texas, Bond Counsel for the District ("Bond Counsel"), to the effect that, based upon an examination of such transcript, the Bonds are validly issued under the Constitution and laws of the State of Texas, except to the extent that enforcement of the rights and remedies of the registered owners of the Bonds may be limited by laws relating to bankruptcy, reorganization, or other similar laws of general application affecting the rights of creditors of political subdivisions such as the District, and to the effect that: (i) interest on the Bonds is excludable from gross income for federal income tax purposes under existing law; and (ii) interest on the Bonds will not be subject to the alternative minimum tax on individuals. See "TAX MATTERS" in the Preliminary Official Statement.

Errors or omissions in the printing of such legal opinion shall not affect the validity of the Bonds nor constitute cause for the failure or refusal by the Underwriter to accept delivery and to pay for the Bonds. Certain legal matters will be passed upon for the District by Norton Rose Fulbright US LLP, Houston, Texas, as Disclosure Counsel for the District.

No-Litigation Certificate:

On the date of delivery of the Initial Bonds to the Underwriter, the District will deliver to the Underwriter a certificate dated as of the same date, to the effect that the District has no knowledge of litigation of any nature filed or pending to restrain or enjoin the issuance or delivery of the Bonds, or which would affect the provisions made for their payment or security or in any manner question the validity of the Bonds.

Competitive Bidding and Certificate of Underwriter:

In the event that the District does not receive sufficient qualified bids to satisfy the competitive sale requirements of Treasury Regulation § 1.148-1(f)(3)(i), allowing the District to treat the reasonably expected initial offering price to the public as of the sale date as the issue price of the Bonds, the "hold-the-offering-price rule" shall apply, which will allow the District to treat the initial offering price to the public of each maturity as of the sale date as the issue price of that maturity (the "hold-the-offering-price rule." So long as the hold-the-offering-price rule applies to any maturity of the Bonds, the Underwriter will neither offer nor sell that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following: (i) the date on which the Underwriter has sold at least 10 percent of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public or (b) the close of the fifth business day after the sale date. The Underwriter agrees to promptly report to the District's financial advisor when it has sold 10 percent of a maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public if that occurs prior to the close of the fifth business day after the sale date. Alternative Certificates of Underwriter are attached for use (I) when the competitive sale requirements of Treasury Regulation § 1.148-1(f)(3)(i) are met and (II) when such requirements are not met.

Issue Price:

To provide the District with information to enable it to comply with certain conditions of the Internal Revenue Code of 1986, as amended, relating to the exclusion of interest on the Bonds from gross income for federal income tax purposes, the Underwriter will be required to complete, execute and deliver to the District, on or before the date of delivery of the Bonds, a certification regarding "issue price" substantially in the form accompanying this Notice of Sale. If the Underwriter will not reoffer the Bonds for sale or has not sold a substantial amount of the Bonds of any maturity by the date of delivery, such certificate may be modified in a manner approved by the District and Bond Counsel. In no event will the District fail to deliver the Bonds as a result of the Underwriter's inability to certify actual sales of the Bonds at a particular price prior to delivery. Each bidder, by submitting its bid, agrees to complete, execute, and deliver such certificate by the date of delivery of the Bonds if its bid is accepted by the District. It will be the responsibility of the

successful bidder to institute such syndicated reporting requirements, to make such investigation, or otherwise to ascertain the facts necessary to enable it to make such certification with reasonable certainty. Any questions concerning such certification should be directed to Bond Counsel.

GENERAL CONSIDERATIONS

Registration, Transfer and Exchange:

The Bonds may be transferred, registered, and assigned only on the registration books (the "Register") of the Paying Agent/Registrar, and such registration (exclusive of any tax or governmental charge therefor) shall be at the expense of the District. A Bond may be assigned by execution of the assignment form on the Bonds or by such other instrument of transfer acceptable to the Paying Agent/Registrar. New Bonds will be delivered by the Paying Agent/Registrar to the last assignee (the new "Registered Owner") in exchange for such transferred and assigned Bonds not more than three (3) business days after receipt of the Bonds to be transferred in proper form. New Bonds must be in the denomination of \$5,000 for any one maturity, or any integral multiple thereof. The Bonds are transferable only on the Register upon surrender and reissuance. The Bonds are exchangeable for an equal principal amount of Bonds of the same maturity in any authorized denomination upon surrender of the Bonds to be exchanged at a corporate trust office of the Paying Agent/Registrar.

Record Date:

The record date ("Record Date") for the interest payable on any interest payment date means the 15th calendar day of the month next preceding such interest payment date.

Limitation on Transfers and Exchanges:

Neither the District nor the Paying Agent/Registrar shall be required to transfer or exchange any Bond during a period beginning at the opening of business on a Record Date and ending at the close of business on the next succeeding interest payment date to issue, transfer, or exchange any Bond selected for redemption during a period beginning at the opening of business 15 days before the day of the first mailing of a notice of redemption of the Bonds and ending at the close of business on the day of such mailing, or to transfer or exchange any Bond so selected for redemption in whole or in part when such redemption is scheduled to occur within 30 calendar days thereafter.

Investment Considerations:

The Bonds involve special risk factors. Prospective bidders are urged to examine carefully the Preliminary Official Statement with respect to the investment risks pertaining to the Bonds. Particular attention should be given to the information set forth therein under "RISK FACTORS."

No Registration or Qualification Under Securities Laws:

The offer and sale of the Bonds has not been registered with the Securities and Exchange Commission under the Securities Act of 1933, as amended, in reliance upon exemptions provided thereunder. The Bonds have not been registered or qualified under the Securities Act of Texas, as amended, in reliance upon various exemptions contained therein; nor have the Bonds been registered or qualified under the securities laws of any other jurisdiction. The District assumes no responsibility for registration or qualification of the Bonds under the securities laws of any other jurisdiction in which the Bonds may be sold, assigned, pledged, hypothecated or otherwise transferred. This disclaimer of responsibility for registration or qualification for sale or other disposition of the Bonds shall not be construed as an interpretation of any kind with regard to the availability of any exemption from securities registration or qualification provisions. In those jurisdictions where persons registered or licensed as dealers or brokers may offer and sell the Bonds, it is assumed that such persons have complied and will comply with all applicable statutes and regulations concerning dealers and brokers and concerning the registration or licensing of agents or salesmen.

By the submission of its bid, the Underwriter represents that the offer and sale of the Bonds in states other than Texas will be made only pursuant to exemptions from registration or qualification, or where necessary, the Underwriter will register or qualify the Bonds in accordance with the securities laws of the states in which the Bonds are offered or sold. The District agrees to cooperate, at the Underwriter's written request and expense, in registering or qualifying the Bonds, or in obtaining an exemption from registration or qualification in any state where such action is necessary, provided that the District shall not be required to file a general consent to service of process in any jurisdiction.

Qualified Tax-Exempt Obligations – Purchase of Bonds by Financial Institutions:

Section 265(a) of the Internal Revenue Code of 1986, as amended, ("the Code") requires a pro rata reduction in the interest expense deduction of a financial institution to reflect such financial institution's investment in tax-exempt obligations acquired after August 7, 1986. An exception to the foregoing provision is provided in the Code for "qualified tax-exempt obligations," which include tax-exempt obligations, such as the Bonds: (a) designated by the issuer as "qualified tax-exempt obligations," and (b) issued by a political subdivision for which the aggregate amount of tax-exempt obligations (not including private activity bonds other than qualified 501(c) (3) bonds) to be issued during the calendar year is not expected to exceed \$10,000,000.

The District will designate the Bonds as "qualified tax-exempt obligations" and will represent that the aggregate amount of tax-exempt bonds (including the Bonds) issued by the District and entities aggregated with the District under the Code during calendar year 2024 is not expected to exceed \$10,000,000 and that the District and entities aggregated with the District under the Code have not designated more than \$10,000,000 in "qualified tax-exempt obligations" (including the Bonds) during calendar year 2024.

Notwithstanding this exception, financial institutions acquiring the Bonds will be subject to a twenty percent (20%) disallowance of allocable interest expense.

Final Official Statement:

The District has prepared the accompanying Preliminary Official Statement for dissemination to potential purchasers of the Bonds. The District will prepare a final Official Statement which will describe the reoffering yields and underwriting discount bid, the interest rates for the Bonds determined as described above, and the final debt service schedule and ratios and tax rates consequent thereon. The District does not intend to amend or supplement the Preliminary or final Official Statement, except to take into account certain subsequent events, if any, as described below. Accordingly, the District deems the accompanying Preliminary Official Statement to be final as of its date, within the meaning of SEC Rule 15c2-12(b)(1), except for the omission of the foregoing items. By delivering the final Official Statement or any amendment or supplement thereto in the requested quantity to the Underwriters on or after the sale date, the District represents the same to be complete as of such date, within the meaning of SEC Rule 15c2-12(e)(3). Notwithstanding the foregoing, the only representations concerning the absence of material misstatements or omissions from the Official Statement which are or will be made by the District are those described in the Official Statement under "OFFICIAL STATEMENT--Certification as to Official Statement."

Changes to Official Statement:

If, subsequent to the date of the Official Statement, the District learns or is notified by the Underwriter of any adverse event which causes any of the key representations in the Official Statement to be materially misleading, the District will promptly prepare and supply to the Underwriter a supplement to the Official Statement which corrects such representation to the reasonable satisfaction of the Underwriter, unless the Underwriter elects to terminate its obligation to purchase the Bonds as described above. See "DELIVERY AND ACCOMPANYING DOCUMENTS – Conditions of Delivery." The obligation of the District to supplement the Official Statement will terminate when the District delivers the Bonds to the Underwriter, unless the Underwriter notifies the District that less than all of the Bonds have been sold to ultimate customers on or before such date, in which case the obligation will extend for an additional period of time (but not for more than 90 days after the sale date) until all of the Bonds have been sold to ultimate purchasers.

Delivery of Official Statements:

The District will furnish to the Underwriter (and to each other participating underwriter of the Bonds, within the meaning of SEC Rule 15c2-12(a) designated by the Underwriter) within seven (7) business days after the sale date, the aggregate number of Official Statements as requested by the Underwriter. The District will also furnish to the Underwriter a like number of any supplements or amendments prepared by the District for dissemination to potential purchasers of the Bonds as described above, as well as such additional copies of the Official Statement or any supplement or amendment as the Underwriter may request prior to the 90th day after the end of the underwriting period referred to in SEC Rule 15c2-12(e)(2). The District will pay the expense of preparing up to 50 copies of the Official Statement and all copies of any supplements or amendments issued on or before the delivery date, but the Underwriter must pay for all other copies of the Official Statement or any supplements or amendments thereto. The District assumes no responsibility or obligation for the distribution or delivery of any copies of the Official Statement to anyone other than the Underwriter.

Severability:

In case any provision herein, or application thereof, shall be invalid, illegal, or unenforceable, the validity, legality, and enforceability of the remaining provisions or applications shall not in any way be affected or impaired thereby.

Additional Copies:

Additional copies of this Official Notice of Sale, the Official Bid Form, and the Preliminary Official Statement may be obtained from Corey Howell, Senior Vice President, The GMS Group, L.L.C., 5075 Westheimer, Suite 1175, Houston, Texas 77056-5606; phone number (713) 622-7620.
