The Bonds maturing on or after April 1, 2030, are subject to redemption at the option of the District, prior to maturity, in whole or from time to time in part, on April 1, 2029, or on any date thereafter, at a price of the par value thereof plus accrued interest from the most recent interest payment date to the date fixed for redemption. If fewer than all of the Bonds are redeemed at any time, the District shall determine the maturity or maturities and the amounts thereof to be redeemed, in integral multiples of \$5,000 in principal amount, and if fewer than all of the bonds within a maturity are to be redeemed, the Paying Agent/Registrar shall select the Bonds to be so redeemed by lot or such other random selection method. The registered owner of any Bond, all or a portion of which has been called for redemption, shall be required to present same to the Paying Agent/Registrar for payment of the redemption price on the portion of the Bond so called for redemption and the issuance of a new Bond in the principal amount equal to the portion of the Bond not redeemed.

Mandatory Sinking Fund:

Any successful bidder may elect, in its written bid, to alter the maturity schedule reflected above by converting the principal amounts of the Serial Bonds maturing in the years 2030 through 2050 into "Term Bonds." Such "Term Bonds" shall be subject to mandatory redemption on the April 1 next following the last maturity for Serial Bonds, and annually thereafter on each April 1, until the stated principal amount of the Term Bonds to be redeemed on each mandatory redemption date shall be the principal amount that would have been due and payable in the maturity schedule shown above had no conversion to Term Bonds occurred. At least thirty (30) days prior to each mandatory redemption date, the Paying Agent/Registrar shall select by lot the Term Bonds to be redeemed and issue a notice of redemption in the manner described in the Official Statement.

Successor Paying Agent/Registrar:

Provision is made in the Bond Order for replacement of the Paying Agent/Registrar. If the Paying Agent/Registrar is replaced by the District, the new Paying Agent/Registrar shall accept the previous Paying Agent/Registrar's records and act in the same capacity as the previous Paying Agent/Registrar. Any Paying Agent/Registrar selected by the District shall be either a national or state banking institution, trust company, financial institution, or other entity duly qualified and legally authorized to serve and perform the duties as Paying Agent/Registrar.

Security for Payment:

The Bonds, when issued, will constitute valid and binding obligations of the District, payable as to the principal and interest from the proceeds of a continuing direct annual ad valorem tax, without legal limitation as to rate or amount, levied against all taxable property

within the District, all to the extent and upon the conditions described in the Official Statement. In addition, the Bonds are secured by a pledge of the net revenues (as defined in the Bond Order), if any, of the District's waterworks and sewer system.

Municipal Bond Rating:

In connection with the sale of the Bonds, the District has made application to Moody's Investors Service, Inc. ("Moody's") which has assigned a rating of "A3" on the Bonds based upon the District's underlying credit without bond insurance. An explanation of the significance of such rating may be obtained from Moody's. The rating reflects only the view of Moody's and the District makes no representation as to the appropriateness of such rating. The District can make no assurance that the Moody's rating will continue for any period of time or that such rating will not be revised downward or withdrawn entirely by Moody's if in the judgment of Moody's circumstances so warrant. Any such downward revision or withdrawal of the rating may have an adverse effect on the market price of the Bonds.

Municipal Bond Insurance:

The District has applied to Assured Guaranty Municipal Corp. ("AGM") and Build America Mutual Assurance Company ("BAM") for qualification of the Bonds for bond insurance. The Underwriter (as defined herein) may bid for the Bonds with or without bond insurance. If the Underwriter bids for the Bonds with bond insurance, the cost of the bond insurance premium must be paid for by the Underwriter. The District will pay for the cost of the Moody's rating. The Underwriter must pay for the cost of any rating other than the Moody's rating. If the Underwriter purchases the Bonds with bond insurance and subsequent to the sale date and prior to the closing date, the bond insurer's credit rating is downgraded the Underwriter is still obligated to accept delivery of the Bonds. Information relative to the cost of the insurance premium will be available from AGM and BAM on the Sale Date.

CONDITIONS OF SALE

Types of Bids and Interest Rates:

The Bonds will be sold in one block on an "all or none" basis and at a price of not less than 97% of the par value thereof plus accrued interest from the date of the Bonds to the date of delivery. Bidders are to name the rates of interest to be borne by the Bonds, provided that each rate bid must be in a multiple of 1/8 of 1% or 1/20 of 1%. All Bonds maturing within a single year must bear the same rate of interest.

The net effective interest rate on the Bonds may not exceed 5.43% as calculated pursuant to Chapter 1204, Texas Government Code. Subject to the above conditions, no limitation will be imposed upon bidders as to the number of interest rates or changes in interest rates which may be used, but the highest interest rate bid for any maturity may not exceed the lowest interest rate bid for any maturity by more than two and one half (2-1/2) percentage points. Each bidder shall state in its bid the total and net interest cost in dollars and the net effective interest rate determined thereby, which shall be considered informative only and not as a part of the bid.

Basis of Award:

For the purpose of awarding the sale of the Bonds, the interest cost of each bid will be computed by determining, at the interest rates specified therein, the total dollar value of all interest on the Bonds from the date thereof to their respective maturities and adding thereto the discount, if any. Subject to the District's right to reject any or all bids, sale of the Bonds will be awarded to the bidder (the "Underwriter") whose bid, under the above computation, produces the lowest net interest cost to the District. In the event of mathematical discrepancies between the interest rates and the interest costs determined therefrom, as both appear on the Official Bid Form the bid will be solely governed by the interest rates named therein.

Sale of the Bonds will also be subject to compliance with Texas Government Code §2252.908 as more fully described herein. See "Provisions of Texas Ethics Commission Form 1295 ("TEC Form 1295") by Bidders."

Good Faith Deposit:

Each bid must be accompanied by a bank's cashier's check, payable to the order of Hunter's Glen Municipal Utility District in the amount of \$147,400.00 (the "Good Faith Deposit"). The Good Faith Deposit submitted by the Underwriter will be retained uncashed by the District pending the Underwriter's compliance with the terms of the Official Bid Form and the Official Notice of Sale. In the event the Underwriter should fail or refuse to accept delivery of and pay for the Bonds in accordance with its bid, including without limitation due to the unwillingness or inability of the Underwriter to provide the Standing Letter (as defined herein) or Bringdown Verification (as defined herein) in a form acceptable to the Texas Attorney General for the delivery of their approving opinion at closing, then the check will be cashed and the proceeds accepted by the District as full and complete liquidated damages, subject to "CONDITIONS OF SALE – Statutory Representations and Covenants." See "CONDITIONS OF SALE – Standing Letter Requirement." A Good Faith Deposit may accompany the Official Bid Form or may be submitted separately; if submitted separately, it shall be made available to the District prior to the opening of the bids and shall be accompanied by instructions from the bank on which it is drawn which authorize its use as a Good Faith Deposit by the bidder(s) to be named in such instructions. No interest will be paid or allowed on any Good Faith Deposit. The checks accompanying all other bids will be returned immediately after the bids are opened and the award of the sale of the Bonds has been made.

Standing Letter Requirement:

The winning bidder represents that it, and each syndicate member listed on the Official Bid form, if any, has, as of the date bids are due on the Bonds and as of Closing, on file with the Texas Attorney General a standing letter addressing the representations and verifications hereinbefore described in this Notice of Sale in the form as provided by the Municipal Advisory Council of Texas or any other form accepted by the Texas Attorney General (a "Standing Letter"). In addition, if the winning bidder or the parent company, a wholly- or majority-owned subsidiary or another affiliate of such winning bidder receives or has received a letter from the Texas Comptroller of Public Accounts or the Texas Attorney General seeking written verification that such bidder is a member of the Net Zero Banking Alliance, Net Zero Insurance Alliance, Net Zero Asset Owner Alliance, or Net Zero Asset Managers or of the representations and certifications contained in the winning bidder's Standing Letter (a "Request Letter"), the winning bidder shall promptly notify the District and Bond Counsel (if it has not already done so) and provide to the District or Bond Counsel, two (2) business days prior to Closing and additionally upon request by the District or Bond Counsel, written verification to the effect that its Standing Letter described in the preceding sentence remains in effect and may be relied upon by the District and the Texas Attorney General (the "Bringdown Verification"). The Bringdown Verification shall also confirm that the winning bidder (or the parent company, a wholly- or majority-owned subsidiary or other affiliate of the winning bidder that received the Request Letter) intends to timely respond or has timely responded to the Request Letter. The District reserves the right, in its sole discretion, to reject any bid from a bidder that does not satisfy the foregoing requirements as of the deadline for bids for the Bonds.

Provision of Texas Ethics Commission Form 1295 ("TEC Form 1295") and Certification of Filing by Bidders:

Pursuant to Texas Government Code § 2252.908 (the "Interested Party Disclosure Act" or the "Act"), the District may not award the Bonds to a bidder that is a privately held entity unless the bidder, and each privately held syndicate member listed on the Official Bid Form, unless such bidder or syndicate member is exempt from such requirements pursuant to Texas Government Code § 2252.908(c)(4), have provided to the District (c/o Radcliffe Adams Barner PLLC, 2929 Allen Parkway, Suite 3450, Houston, Texas 77019) a completed and signed TEC Form 1295 which has been assigned a certificate number by the Texas Ethics Commission (the "TEC"). Pursuant to the rules prescribed by the TEC, the TEC Form 1295 must be completed online through the TEC's website, assigned a certificate number, printed, signed, and provided to the District. The TEC Form 1295 may accompany the Official Bid Form or may be submitted separately, but must be provided to the District prior to the time prescribed for the award of the Bonds (1:00 p.m., Houston time, on Wednesday, February 21, 2024). However, the original signed TEC Form 1295 complete with certificate number must be physically delivered to the District (c/o Radcliffe Adams Barner PLLC, 2929 Allen Parkway, Suite 3450, Houston, Texas 77019) within three business days of the award (Monday, February 26, 2024). Following the award of the Bonds, the District will notify the TEC of the receipt of each completed TEC Form 1295. The District reserves the right to reject any bid that does not comply with the requirements prescribed herein or to waive any such requirements. For purposes of completing the TEC Form 1295, the entity's name is "Hunter's Glen Municipal Utility District" and the contract ID number is HGMUD-S2024-B. Neither the District nor its consultants have the ability to verify the information included in a TEC Form 1295, and neither have an obligation nor undertake responsibility for advising any bidder with respect to the proper completion of the TEC Form 1295. Consequently, an entity intending to bid on the Bonds should consult its own advisors to the extent it deems necessary and be prepared to submit the completed form promptly upon notification from the District that its bid is the apparent winning bid.

Statutory Representations and Covenants:

By submitting a bid, each bidder makes the following representations and, if its bid is accepted, covenants pursuant to Chapters 2252, 2271, 2274, and 2276, Texas Government Code, as heretofore amended (the "Government Code"). As used in therein, "affiliate" means an entity that controls, is controlled by, or is under common control with the bidder within the meaning of SEC Rule 405, 17 C.F.R. § 230.405, and exists to make a profit. If a bidder's bid is accepted, then liability for breach of any such representation or covenant during the term of the contract for purchase and sale of the Bonds created thereby (the "Purchase Contract") shall survive until barred by the applicable statute of limitations, and shall not be liquidated or otherwise limited by any provision of the bid or this Official Notice of Sale, notwithstanding anything herein or therein to the contrary.

Not a Sanctioned Company. Each bidder represents that neither it nor any of its parent company, wholly- or majority-owned subsidiaries, and other affiliates is a company identified on a list prepared and maintained by the Texas Comptroller of Public Accounts under Section 2252.153 or Section 2270.0201, Government Code. The foregoing representation excludes each bidder and each of its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, that the United States government has affirmatively declared to be excluded from its federal sanctions regime relating to Sudan or Iran or any federal sanctions regime relating to a foreign terrorist organization.

No Boycott Israel. Each bidder hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not boycott Israel and, if its bid is accepted, will not boycott Israel during the term of the Purchase Contract. As used in the foregoing verification, "boycott Israel" has the meaning provided in Section 2271.001, Government Code.

No Discrimination Against Firearm Entities. Each bidder hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association and, if its bid is accepted, will not discriminate against a firearm entity or firearm trade association during the term of the Purchase Contract. As used in the foregoing verification, "discriminate against a firearm entity or firearm trade association" has the meaning provided in Section 2274.001(3), Government Code.

No Boycott of Energy Companies. Each bidder hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not boycott energy companies and, if its bid is accepted, will not boycott energy companies

during the term of the Purchase Contract. As used in the foregoing verification, "boycott energy companies" has the meaning provided in Section 2276.001(1), Government Code.

Contracting Information:

The District will not award the Bonds to a bidder unless the bidder verifies on behalf of itself and each syndicate member listed on the Official Bid Form that, to the extent the Official Bid Form represents a contract for goods or services within the meaning of Section 552.371 of the Texas Government Code, as amended, the bidder and each syndicate member listed on the Official Bid Form will (i) preserve all contracting information related to the bid as provided by the records retention requirements applicable to the District through the delivery date of the Bonds, (ii) promptly provide to the District any contracting information related to the bid that is in the custody or possession of the bidder or any syndicate member on request of the District, and (iii) upon delivery of the Bonds to the bidder, either (a) provide at no cost to the District all contracting information related to the bid that is in the custody or possession of the bidder or any syndicate member or (b) preserve the contracting information related to the bid as provided by the records retention requirements applicable to the District. The term "contracting information" as used in this paragraph has the meaning assigned to such term in Section 552.003 of the Texas Government Code.

Competitive Bidding and Certificate of Underwriter:

In the event that the District does not receive sufficient qualified bids to satisfy the competitive sale requirements of Treasury Regulation § 1.148-1(f)(3)(i), allowing the District to treat the reasonably expected initial offering price to the public as of the sale date as the issue price of the Bonds, the "hold-the-offering-price rule" shall apply, which will allow the District to treat the initial offering price to the public of each maturity as of the sale date as the issue price of that maturity (the "hold-the-offering-price rule." So long as the hold-the-offering-price rule applies to any maturity of the Bonds, the Underwriter will neither offer nor sell that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following: (i) the date on which the Underwriter has sold at least 10 percent of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public or (b) the close of the fifth business day after the sale date. The Underwriter agrees to report to the District's financial advisor when it has sold 10 percent of a maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public if that occurs prior to the close of the fifth business day after the sale date. The attached Issue Price Certificate has language for when (I) when the competitive sale requirements of Treasury Regulation § 1.148-1(f)(3)(i) are met and (II) when such requirements are not met.

DELIVERY AND ACCOMPANYING DOCUMENTS

CUSIP Numbers:

It is anticipated that CUSIP identification numbers will be printed on the Bonds, but neither the failure to print such number on any Bond nor any error with respect thereto shall constitute cause for failure or refusal by the Underwriter to accept delivery of or make payment for the Bonds in accordance with the terms of the Official Bid Form and this Official Notice of Sale. All expenses in relation to the printing of CUSIP numbers on the Bonds shall be paid by the District; however, the CUSIP Service Bureau charge for the assignment of the numbers shall be paid by the Underwriter.

Delivery of Initial Bonds:

Initial delivery will be accomplished by the issuance of one initial Bond for the entire principal amount of the Bonds, payable in stated installments (the "Initial Bond"), either in typed or printed form, in the aggregate principal amount of \$7,370,000 registered in the name of Cede & Co., signed by the President and Secretary of the Board, approved by the Attorney General of Texas, and registered and manually signed by the Comptroller of Public Accounts of the State of Texas or his authorized representative. Initial delivery will be at the Houston, Texas principal payment office of the Paying Agent/Registrar. One definitive Bond for each maturity will be registered and delivered only to Cede & Co., and deposited with DTC in connection with DTC's Book-Entry-Only System. Payment for the Initial Bonds must be made in immediately available funds for unconditional credit to the District, or as otherwise directed by the District. The Underwriter will be given five (5) business days notice of the date fixed for delivery of the Initial Bond. It is anticipated that initial delivery can be made on or about March 21, 2024, and it is understood and agreed that the Underwriter will accept delivery and provide payment for the Initial Bonds by 10:00 a.m., Houston time, on March 21, 2024, or thereafter on the date the Bonds are tendered for delivery, up to and including April 22, 2024. If for any reason the District is unable to make delivery on or before April 22, 2024, then the District shall immediately contact the Underwriter and offer to allow the Underwriter to extend its offer for an additional thirty (30) days. If the Underwriter does not elect to extend its offer within six (6) days thereafter, then its Good Faith Deposit will be returned, and both the District and the Underwriter shall be relieved of any further obligation. In no event shall the District be liable for any damages by reason of its failure to deliver the Initial Bond, provided such failure is due to circumstances beyond the District's reasonable control.

Initial Exchange for Definitive Bonds:

Upon presentation by the Underwriter of the Initial Bond to the Paying Agent/Registrar, the Paying Agent/Registrar shall, in the time and manner provided in the Bond Order, exchange the Initial Bond for registered Bonds, to be deposited in accordance with the requirements of the DTC and registered in the name of Cede & Co. in denominations of \$5,000 or any integral multiple thereof.

Conditions of Delivery:

The Underwriter's obligation to take delivery and pay for the Initial Bond is subject to the issuance of the Texas Attorney General's opinion and the Underwriter's receipt of the legal opinion of Bond Counsel and the no-litigation certificate, all as described below.

Legal Opinion:

The District will furnish to the Underwriter a transcript of certain proceedings held incident to the authorization and issuance of the Bonds, including a certified copy of the approving opinion of the Attorney General of Texas, as recorded in the Bond Register of the Comptroller of Public Accounts of the State of Texas, to the effect that the Bonds are valid and legally binding obligations of the District. The District will also furnish the approving legal opinion of Radcliffe Adams Barner PLLC, Houston, Texas, Bond Counsel for the District ("Bond Counsel"), to the effect that, based upon an examination of such transcript, the Bonds are validly issued under the Constitution and laws of the State of Texas, and to the effect that (i) interest on the Bonds is excludable from gross income for federal income tax purposes under existing law, (ii) certain original issue discount on the Bonds is excludable from gross income for federal income tax purposes under existing law as described more fully in the Preliminary Official Statement under "TAX MATTERS – Tax Exemption," and (iii) interest on the Bonds will not be subject to the alternative minimum tax on individuals and corporations, except as described in the adjusted current earning adjustments for corporations.

Errors or omissions in the printing of such legal opinion shall not affect the validity of the Bonds nor constitute cause for the failure or refusal by the Underwriter to accept delivery and to pay for the Bonds. Certain legal matters will be passed upon for the District by Norton Rose Fulbright US LLP, Houston, Texas, as Disclosure Counsel.

Qualified Tax-Exempt Obligations - Purchase of Bonds by Financial Institutions:

The District will designate the Bonds as "qualified tax-exempt obligations" within the meaning of Section 265(b)(3)(B) of the Internal Revenue Code of 1986, as amended. Pursuant to that section of the Code, a qualifying financial institution will be allowed a deduction from its own federal corporate income tax for the portion of interest expense the financial institution is able to allocate to designated "bank-qualified" investments.

No-Litigation Certificate:

On the date of delivery of the Initial Bond to the Underwriter, the District will deliver to the Underwriter a certificate, dated as of the same date, to the effect that the District has no knowledge of litigation of any nature filed or pending to restrain or enjoin the issuance or delivery of the Bonds, or which would affect the provisions made for their payment or security or in any manner question the validity of the Bonds.

No Material Adverse Change:

The obligation of the District to deliver the Bonds and of the Underwriter to accept delivery of and pay for the Bonds are subject to the condition that, up to the time of delivery of and receipt of payment for the Bonds, there shall have been no material adverse change in condition (financial or otherwise) of the District from that set forth in or contemplated by the Preliminary Official Statement, as it may have been supplemented or amended through the date of sale.

Establishment of Issue Price:

By submitting a bid, the Underwriter agrees to assist the District in establishing the issue price of the Bonds and agrees to execute and deliver to the District at least 5 business days before the date of delivery of the Bonds an "issue price" or similar certificate setting forth the reasonably expected initial offering price to the public of the Bonds, together with the supporting pricing wires or equivalent communications, substantially in the form attached hereto, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Underwriter, the District and Bond Counsel. It will be the responsibility of the Underwriter to institute such syndicate reporting requirements, to make such investigation, and otherwise to ascertain the facts necessary to enable it to make such certification with reasonable certainty. All actions to be taken by the District under this Notice of Sale to establish the issue price of the Bonds may be taken on behalf of the District by the District's Financial Advisor identified herein and any notice or report to be provided to the District may be provided to the District's Financial Advisor.

The District intends that the provisions of Treasury Regulation Section 1.148-1(f)(3)(i) (defining "competitive sale" for purposes of establishing the issue price of the Bonds) will apply to the initial sale of the Bonds (the "competitive sale requirements") because:

- (1) the District shall disseminate this Notice of Sale to potential underwriters in a manner that is reasonably designed to reach potential underwriters;
- (2) all bidders shall have an equal opportunity to bid;
- (3) the District expects to receive bids from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds; and

- (4) the District anticipates awarding the sale of the Bonds to the bidder who submits a firm offer to purchase the Bonds at the highest price (or lowest interest cost), as set forth in this Notice of Sale.

Any bid submitted pursuant to this Notice of Sale shall be considered a firm offer for the purchase of the Bonds, as specified in the bid.

In the event that the District does not receive sufficient qualified bids to satisfy the competitive sale requirements of Treasury Regulation § 1.148-1(f)(3)(i), allowing the District to treat the reasonably expected initial offering price to the public as of the Sale Date as the issue price of the Bonds, the "hold-the-offering-price rule" shall apply, which will allow the District to treat the initial offering price to the public of each maturity as of the Sale Date as the issue price of that maturity (the "hold-the-offering-price rule"). So long as the hold-the-offering-price rule applies to any maturity of the Bonds, the Underwriter agrees that it will neither offer nor sell any Bonds of that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the Sale Date and ending on the earlier of the following: (i) the date on which the Underwriter has sold at least 10 percent of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public or (b) the close of the fifth business day after the Sale Date. The Underwriter agrees to promptly report to the District's Financial Advisor when it has sold 10 percent of the Bonds of a maturity to the public at a price that is no higher than the initial offering price to the public if that occurs prior to the close of the fifth business day after the Sale Date.

GENERAL CONSIDERATIONS

Registration, Transfer, and Exchange:

The Bonds may be transferred, registered and assigned only on the registration books (the "Register") of the Paying Agent/Registrar, and such registration (exclusive of any tax or governmental charge therefore) shall be at the expense of the District. A Bond may be assigned by execution of the assignment form on the Bonds or by such other instrument of transfer acceptable to the Paying Agent/Registrar. New Bonds will be delivered by the Paying Agent/Registrar to the last assignee (the new Registered Owner) in exchange for such transferred and assigned Bonds not more than three (3) business days after receipt of the Bonds to be transferred in proper form. New Bonds must be in the denomination of \$5,000 for any one maturity, or any integral multiple thereof. The Bonds are transferable only on the Register upon surrender and reissuance. The Bonds are exchangeable for an equal principal amount of Bonds of the same maturity in any authorized denomination upon surrender of the Bonds to be exchanged at a corporate trust office of the Paying Agent/Registrar.

Record Date:

The record date ("Record Date") for the interest payable on any interest payment date means the 15th calendar day of the month next preceding such interest payment date.

Limitation on Transfers and Exchanges:

Neither the District nor the Paying Agent/Registrar shall be required to transfer or exchange any Bond during a period beginning at the opening of business on a Record Date and ending at the close of business on the next succeeding interest payment date, to issue, transfer or exchange any Bond selected for redemption during a period beginning at the opening of business 15 days before the day of the first mailing of a notice of redemption of Bonds and ending at the close of business on the day of such mailing, or to transfer or exchange any Bond so selected for redemption in whole or in part when such redemption is scheduled to occur within 30 calendar days thereafter.

Investment Considerations:

The Bonds involve special investment considerations. Prospective bidders are urged to examine carefully the Preliminary Official Statement with respect to the investment risks pertaining to the Bonds. Particular attention should be given to the information set forth therein under "INVESTMENT CONSIDERATIONS."

No Registration or Qualification Under Securities Laws:

The offer and sale of the Bonds has not been registered with the Securities and Exchange Commission under the Securities Act of 1933, as amended, in reliance upon exemptions provided thereunder. The Bonds have not been registered or qualified under the Securities Act of Texas, as amended, in reliance upon various exemptions contained therein; nor have the Bonds been registered or qualified under the securities laws of any other jurisdiction. The District assumes no responsibility for registration or qualification of the Bonds under the securities laws of any other jurisdiction in which the Bonds may be sold, assigned, pledged, hypothecated or otherwise transferred. This disclaimer of responsibility for registration or qualification for sale or other disposition of the Bonds shall not be construed as an interpretation of any kind with regard to the availability of any exemption from securities registration or qualification provisions. In those jurisdictions where persons registered or licensed as dealers or brokers may offer and sell the Bonds, it is assumed that such persons have complied and will comply with all applicable statutes and regulations concerning dealers and brokers and concerning the registration or licensing of agents or salesmen.

By the submission of its bid, the Underwriter represents that the offer and sale of the Bonds in states other than Texas will be made only pursuant to exemptions from registration or qualification, or where necessary, the Underwriter will register or qualify the Bonds in accordance with the securities laws of the states in which the Bonds are offered or sold. The District agrees to cooperate, at the

Underwriter's written request and expense, in registering or qualifying the Bonds, or in obtaining an exemption from registration or qualification in any state where such action is necessary, provided that the District shall not be required to file a general consent to service of process in any jurisdiction.

Continuing Disclosure:

The District will agree in the Bond Order to provide certain periodic information and notices of material events in accordance with Securities and Exchange Commission Rule 15-c2-12 ("SEC Rule 15c2-12"), as described in the Preliminary Official Statement under "CONTINUING DISCLOSURE OF INFORMATION – SEC RULE 15-c2-12." The Underwriters' obligation to accept and pay for the Bonds is conditioned upon delivery to the Underwriters or their agent of a certified copy of the Bond Order containing the agreement described under such heading.

Compliance with Prior Undertakings:

During the last five years, the District has substantially complied with all of its continuing disclosure agreements in accordance with SEC Rule 15c2-12.

Final Official Statement:

The District has prepared the accompanying Preliminary Official Statement for dissemination to potential purchasers of the Bonds. The District will prepare a final Official Statement, which will describe the reoffering yields and underwriting discount bid, the interest rates and identity of the Underwriter, and the final debt service schedule and ratios and tax rates consequent thereon. The District does not intend to amend or supplement the Preliminary or final Official Statement, except to take into account certain subsequent events, if any, as described below. Accordingly, the District deems the accompanying Preliminary Official Statement to be final as of its date, within the meaning of SEC Rule 15-c2-12(b)(1), except for the omission of the foregoing items. By delivering the Final Official Statement or any amendment or supplement thereto in the requested quantity to the Underwriter on or after the sale date, the District intends the same to be complete as of such date, within the meaning of SEC Rule 15-c2-12(e)(3). Notwithstanding the foregoing, the only representations concerning the absence of material misstatements or omissions from the Official Statement which are or will be made by the District are those described in the Official Statement under "OFFICIAL STATEMENT – Certification as to Official Statement."

Changes to Official Statement:

For the period beginning on the date of the award of the sale of the Bonds to the Underwriter and ending on the ninety-first (91st) day after the "end of the underwriting period" {as defined in SEC Rule 15-c(2)-12(e)(2)}, if any event shall occur of which the District has knowledge and as a result of which it is necessary to amend or supplement the Official Statement in order to make the statements therein, in light of the circumstances when the Official Statement is delivered to a prospective purchaser, not misleading, the District will promptly notify the Underwriter of the occurrence of such event and will cooperate in the preparation of a revised Official Statement, or amendments or supplements thereto, so that the statements in the Official Statement, as revised, amended or supplemented, will not, in light of the circumstances when such Official Statement is delivered to a prospective purchaser, be misleading.

Delivery of Official Statements:

The District will furnish to the Underwriter (and to each other participating underwriter of the Bonds, within the meaning of SEC Rule 15-c2-12(a), designated by the Underwriter), within seven (7) business days after the sale date, the aggregate number of Official Statements as requested by the Underwriter. The District will also furnish to the Underwriter a like number of any supplement or amendment prepared by the District for dissemination to potential purchasers of the Bonds as described above, as well as such additional copies of the Official Statement or any supplement or amendment as the Underwriter may request prior to the 90th day after the end of the underwriting period referred to in SEC Rule 15-c2-12(e)(2). The District will pay the expense of preparing up to 50 copies of the Official Statement and all copies of any supplement or amendment issued on or before the delivery date, but the Underwriter must pay for all other copies of the Official Statement or any supplement or amendment thereto. The District assumes no responsibility or obligation for the distribution or delivery of any copies of the Official Statement to anyone other than the Underwriter.

Severability:

In case any provision herein, or application thereof, shall be invalid, illegal, or unenforceable, the validity, legality, and enforceability of the remaining provisions or applications shall not in any way be affected or impaired thereby.

Additional copies of this Official Notice of Sale, the Official Bid Form and the Preliminary Official Statement may be obtained from Corey Howell, Senior Vice President, The GMS Group, L.L.C., 5075 Westheimer, Suite 1175, Houston, Texas 77056-5606; phone number (713) 622-7620.

CERTIFICATE REGARDING ISSUE PRICE

The undersigned, being a duly authorized representative of the underwriter or the manager of the syndicate of underwriters ("Underwriter") which has purchased the \$7,370,000 Waterworks and Sewer System Combination Unlimited Tax and Revenue Bonds, Series 2024, being issued by the Hunter's Glen Municipal Utility District (the "District"), hereby certifies and represents, based on its records and information, as follows:

(1) On the Sale Date, the Underwriter's reasonably expected initial offering price of each Maturity of the Bonds (the "Expected Offering Price") to as the Public is set forth in the pricing wire or equivalent communication for the Bonds, as attached to this Issue Price Certificate as **Schedule A**. The Expected Offering Prices are the prices for the Bonds used by the Underwriter in formulating its bid to purchase the Bonds.

(2) The Underwriter had an equal opportunity to bid to purchase the Bonds and it was not given the opportunity to review other bids that was not equally given to all other bidders (i.e., no last look).

(3) The bid submitted by the Underwriter constituted a firm bid to purchase the Bonds.

(4) The Underwriter has made a bona fide offering of all the Bonds of each Maturity to the Public at its Expected Offering Price set forth in **Schedule A**.

If less than 3 qualified bids are received from underwriters please attach Schedule B.

(5) On the Sale Date, the first price at which at least 10% of each Maturity of the Bonds, except for Bonds listed on Schedule B (the "Hold-the-Offering-Price Maturities"), was sold to the Public is the respective price listed in Schedule A.

(6) As set forth in the Notice of Sale for the Bonds, the Underwriter has agreed in writing that, (i) for each of the Hold-the-Offering-Price Maturities, it would neither offer nor sell any of the Bonds of such Maturity to any person at a price that is higher than the Expected Offering Price for such Maturity during the Holding Period for such Maturity (the "hold-the-offering-price rule"), and (ii) any selling group agreement shall contain the agreement of each dealer who is a member of the selling group, and any retail distribution agreement shall contain the agreement of each broker-dealer who is a party to the retail distribution agreement, to comply with the hold-the-offering-price rule. Pursuant to such agreement, no Underwriter (as defined below) has offered or sold any Bonds of the Hold-the-Offering-Price Maturities to any person at a price that is higher than the respective Expected Offering Price for that Maturity of the Bonds during the Holding Period.

(7) Defined Terms.

(i) *Hold-the-Offering-Price Maturities* means those Maturities of the Bonds listed in Schedule B hereto as the "Hold-the-Offering-Price Maturities."

(ii) *Holding Period* means, with respect to a Hold-the-Offering-Price Maturity, the period starting on the Sale Date and ending on the earlier of (i) the close of the fifth business day after the Sale Date, or (ii) the date on which the Underwriter has sold at least 10% of such Hold-the-Offering-Price Maturity to the Public at prices that are no higher than the Expected Offering Price for such Hold-the-Offering-Price Maturity.

(iii) *Maturity* means Bonds with the same credit and payment terms. Bonds with different maturity dates, or Bonds with the same maturity date but different stated interest rates, are treated as separate maturities.

(iv) *Public* means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter or a related party to an Underwriter. The term "related party" for purposes of this certificate generally means any entity if an Underwriter and such entity are subject, directly or indirectly, to (i) at least 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profit interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other).

(v) *Sale Date* means the first day on which there is a binding contract in writing for the sale of the Bonds. The Sale Date of the Bonds is February 21, 2024.

(vi) *Underwriter* means (i) any person that agrees pursuant to a written contract with the Issuer (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the Public, and (ii) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (i) of this paragraph to participate in the initial sale of the Bonds to the Public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the Public).

(8) Please choose the appropriate statement:

() Underwriter will not purchase bond insurance for the Bonds.

() Underwriter will purchase bond insurance from _____ (the "Insurer") for a fee/premium of \$_____ (the "Fee"). To the best of the undersigned's knowledge, information and belief, based upon the facts available at this time and current market conditions, the Fee is a reasonable amount payable solely for the transfer of credit risk for the payment of debt service on the Bonds and does not include any amount payable for a cost other than such guarantee, e.g., a credit rating or legal fees. Underwriter represents that the present value of the Fee for each obligation constituting the Bonds to which such Fee is properly allocated and which are insured thereby is less than the present value of the interest reasonably expected to be saved as a result of the insurance on each obligation constituting the Bonds. In determining present value for this purpose, the yield of the Bonds (determined with regard to the payment of the guarantee fee) has been used as the discount rate. The Fee has been paid to a person who is not exempt from federal income taxation and who is not a user or related to the user of any proceeds of the Bonds. No portion of the Fee is refundable upon redemption of any of the Bonds in an amount which would exceed the portion of such Fee that has not been earned.

The undersigned understands that the foregoing information will be relied upon by District with respect to certain of the representations set forth in the Federal Tax Certificate and with respect to compliance with the federal income tax rules affecting the Bonds, and by Radcliffe Adams Barner PLLC in connection with rendering its opinion that the interest on the Bonds is excluded from gross income for federal income tax purposes, the preparation of the Internal Revenue Service Form 8038-G, and other federal income tax advice that it may give to the District from time to time relating to the Bonds. Notwithstanding anything set forth herein, the Underwriter is not engaged in the practice of law and makes no representation as to the legal sufficiency of the factual matters set forth herein.

If we purchase the Bonds, with bond insurance, and subsequent to the sale date and prior to the closing date, the Insurer's credit rating is downgraded we understand that we are still obligated to accept delivery of the Bonds.

The definitive Bonds shall be initially registered and delivered only to CEDE & Co., Inc., the Nominee of The Depository Trust Company ("DTC") pursuant to the Book-Entry-Only System described in the Official Statement. We will advise The Bank of New York Mellon Trust Company, N.A. (the "Paying Agent/Registrar"), on forms to be provided by the Paying Agent/Registrar, of our registration instructions at least five business days prior to the date set for initial delivery. We understand that the Paying Agent/Registrar will not be required to accept any further registration instructions after the five-day period.

The undersigned agrees to complete, execute, and deliver to the District, by the date of delivery of the Bonds, a certificate relating to the "issue price" of the Bonds in the form accompanying the Official Notice of Sale, with such changes thereto as may be acceptable to the District. In addition, in the event all of the Bonds are not sold to ultimate customers prior to the date of delivery of the Bonds, we will so notify the District on such date.

Cashier's Check No. _____, issued by Frost Bank, Austin, Texas, and payable to your order in the amount of \$147,400.00 is attached hereto or has been made available to you prior to the opening of this bid as a Good Faith Deposit for disposition in accordance with the Official Notice of Sale. Should we fail or refuse to make payment for the Bonds in accordance with the terms and conditions set forth in the Official Notice of Sale, this check shall be cashed and the proceeds retained by the District as complete liquidated damages against us in accordance with the Official Notice of Sale. We understand that the sale of the Bonds has not been registered or qualified under the securities laws of any jurisdiction and that it is our responsibility to obtain such registration or qualification, if any is required.

Unless the bidder is exempt from such requirements pursuant to Texas Government Code §2252.908(c)(4), the District may not accept this bid until it has received from the bidder, if that bidder is a privately held entity, a completed and signed TEC Form 1295 complete with a certificate number assigned by the Texas Ethics Commission ("TEC"), pursuant to Texas Government Code § 2252.908, and the rules promulgated thereunder by the TEC. The undersigned understands that failure to provide said form complete with a certificate number assigned by the TEC as provided for in the Official Notice of Sale will result in a non-conforming bid and will prohibit the District from considering this bid for acceptance.

By executing this Official Bid Form, the bidder hereby certifies to the following representations and covenants pursuant to Chapters 2252, 2271, 2274, and 2276, Texas Government Code, as heretofore amended (the "Government Code"). As used in therein, "affiliate" means an entity that controls, is controlled by, or is under common control with the bidder within the meaning of SEC Rule 405, 17 C.F.R. § 230.405, and exists to make a profit. Liability for breach of any such representation or covenant during the term of the contract for purchase and sale of the Bonds created thereby (the "Purchase Contract") shall survive until barred by the applicable statute of limitations, and shall not be liquidated or otherwise limited by any provision of the bid or this Official Notice of Sale, notwithstanding anything herein or therein to the contrary.

Additionally, by executing this Official Bid Form, the bidder hereby represents and verifies that neither it nor any of its parent company, wholly- or majority owned subsidiaries, and other affiliates is a company identified on a list prepared and maintained by the Texas Comptroller of Public Accounts under Section 2252.153 or Section 2270.0201, Government Code. The foregoing representation excludes each bidder and each of its parent company, wholly- or majority owned subsidiaries, and other affiliates, if any, that the United States government has affirmatively declared to be excluded from its federal sanctions regime relating to Sudan or Iran or any federal sanctions regime relating to a foreign terrorist organization.

Additionally, by executing this Official Bid Form, the bidder hereby represents and verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not boycott Israel and, if its bid is accepted, will not boycott Israel during the term of the Purchase Contract. As used in the foregoing verification, "boycott Israel" has the meaning provided in Section 2271.001, Government Code.

Additionally, by executing this Official Bid Form, the bidder hereby represents and verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association and will not discriminate against a firearm entity or firearm trade association during the term of the Purchase Contract. As used in the foregoing verification, "discriminate against a firearm entity or firearm trade association" has the meaning provided in Section 2274.001(3), Government Code.

Additionally, by executing this Official Bid Form, the bidder hereby represents and verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not boycott energy companies and will not boycott energy companies during the term of the Purchase Contract. As used in the foregoing verification, "boycott energy companies" has the meaning provided in Section 2276.001(1), Government Code.

Additionally, by executing this Official Bid Form, the bidder also represents and certifies that, the bidder and each syndicate member listed on the Official Bid Form will (i) preserve all contracting information related to the bid as provided by the records retention requirements applicable to the District through the delivery date of the Bonds, (ii) promptly provide to the District any contracting information related to the bid that is in the custody or possession of the bidder or any syndicate member on request of the District, and (iii) upon delivery of the Bonds to the bidder, either (a) provide at no cost to the District all contracting information related to the bid that is in the custody or possession of the bidder or any syndicate member or (b) preserve the contracting information related to the bid as provided by the records retention requirements applicable to the District. The term "contracting information" as used in this paragraph has the meaning assigned to such term in Section 552.003 of the Texas Government Code.

Additionally, by submitting this Official Bid Form, bidder represents to the District that it and each syndicate member listed on the Official Bid Form, if any, (i) has filed a standing letter with the Attorney General and the Municipal Advisory Council of Texas that conforms to the form as provided by the Municipal Advisory Council of Texas or any other form accepted by the Texas Attorney General, (ii) has no reason to believe that the District may not be entitled to rely on such standing letters, and (iii) neither bidder, any syndicate member listed on the Official Bid Form, nor any parent company, any wholly- or majority-owned subsidiaries, or affiliates of the same, have received a letter from the Texas Comptroller of Public Accounts or the Attorney General related to its inclusion on any list of financial companies boycotting energy companies or companies that have been found to have a practice, policy, guidance or direction that discriminates against a firearm entity or firearm trade association. Bidder agrees that it will not rescind its standing letter at any time before the delivery of the Bonds unless same is immediately replaced with a standing letter that meets the requirements of the Attorney General.

The undersigned agrees to execute, at the request of the District, further written certifications as may be necessary or convenient for the District to establish compliance with these laws.

We agree to make payment for the Bonds in immediately available funds at the office of The Bank of New York Mellon Trust Company, N.A., in Dallas, Texas, no later than 10:00 a.m., Houston time, on Thursday, March 21, 2024, or thereafter on the date the Bonds are tendered for delivery, pursuant to the terms set forth in the Notice of Sale.

Upon acceptance of this bid by the District, the accepted bid and Official Notice of Sale will together comprise a binding contract between the winning bidder and the District in accordance with their terms. The acceptance of the bid creates a binding contract with a term that extends until the Bonds are taken up and paid for by the bidder or any earlier termination of this contract in accordance with the terms of the Official Notice of Sale.

Respectfully submitted,
