AWARD AND SALE OF THE SYSTEM BONDS: The District will take action to adopt a resolution authorizing the issuance and awarding sale of the System Bonds (the “System Bond Resolution”) or will reject all bids promptly after the opening of bids at 5:00 P.M., Central Time, on Thursday, May 6, 2021. It is anticipated that said meeting will take place via telephonic conference in accordance with Section 551.125 of the Texas Government Code, as amended, and as modified by the Governor of Texas (the “Governor”) in the Governor’s proclamation on March 13, 2020, concerning the COVID-19 pandemic. If the Governor’s proclamation is lifted or expires, or if the Governor terminates the partial suspension of the Texas Open Meetings Act, a meeting in a physical location may become necessary. In such case, the Board will meet at the District’s regular meeting place at Sienna Plantation Residential Association, Inc., 9600 Scanlan Trace, Missouri City, Texas 77459. THE SYSTEM BONDS

DESCRIPTION OF CERTAIN TERMS OF THE SYSTEM BONDS: The System Bonds will be dated June 1, 2021, with interest payable on September 1, 2021, and each March 1 and September 1 thereafter (each an “Interest Payment Date”) until the earlier of maturity or prior redemption. The System Bonds will be issued only in fully registered form. Principal will be payable to the registered owner(s) of the System Bonds (the “Registered Owner(s)”) upon presentation and surrender at the principal payment office of the paying agent/registrar, initially, Zions Bancorporation, National Association, Houston, Texas (the “Paying Agent/Registrar”). Interest on the System Bonds will be payable by check of the Paying Agent/Registrar, dated as of the Interest Payment Date, and mailed by the Paying Agent/Registrar to the Registered Owners, as shown on the records of the Registrar at the close of business on the 15th day of the calendar month next preceding each Interest Payment Date (the “Record Date”). The System Bonds will be registered in the name of Cede & Co., as nominee for The Depository Trust Company, New York, New York (“DTC”), which will act as securities depository for the System Bonds. Beneficial owners of the System Bonds will not receive physical certificates representing the System Bonds, but will receive a credit balance on the books of the nominees of such beneficial owners. So long as Cede & Co. is the registered owner of the System Bonds, the principal of and interest on the System Bonds will be paid by the Paying Agent/Registrar directly to DTC, which will, in turn, remit such principal and interest to its participants for subsequent disbursement to the beneficial owners of the System Bonds as described herein. See “THE BONDS – Book-Entry-Only System” in the Preliminary Official Statement.

The System Bonds will mature on September 1 in each of the following years in the following amounts:

SERIAL BONDS AND/OR TERM BONDS: Bidders may provide that all the System Bonds be issued as serial bonds or may provide that any two (2) or more consecutive annual principal amounts may be combined into one (1) or more term bonds.

REDEMPTION PROVISIONS: The System Bonds that mature on or after September 1, 2026, are subject to redemption and payment, at the option of the District, in whole or, from time to time, in part, on September 1, 2025, or on any date thereafter, at a price equal to the principal amount thereof, plus accrued interest thereon to the date fixed for redemption. If less than all the System Bonds are redeemed at any time, the District shall determine the maturity or maturities and the amounts thereof to be redeemed in integral multiples of \$5,000 in principal amount, and if less than all of the System Bonds within a maturity are to be redeemed, the Paying Agent/Registrar shall designate by method of random selection the System Bonds within such maturity to be redeemed (or by DTC in accordance with its procedures while the System Bonds are in book-entry-only form). The Registered Owner of any System Bond, all or a portion of which has been called for redemption, shall be required to present such System Bond to the Paying Agent/Registrar for payment of the redemption price on the portion of the System Bond so called for redemption and issuance of an exchange System Bond in a principal amount equal to the portion of the System Bond not so redeemed.

SECURITY FOR PAYMENT: The System Bonds, when issued, will constitute valid and binding obligations of the District and will be payable from the proceeds of a continuing direct annual ad valorem tax, without legal limitation as to rate or amount, levied against all taxable property within the District.

OTHER TERMS AND COVENANTS: Other terms of the System Bonds and the various covenants of the District contained in the System Bond Resolution are described in the Preliminary Official Statement, to which reference is made for all purposes.

MUNICIPAL BOND INSURANCE AND RATINGS: The District has made an application to Build America Mutual Assurance Company and Assured Guaranty Municipal Corp. for a commitment for municipal bond guaranty insurance on the System Bonds. If qualified and the System Bonds Initial Purchaser (herein defined) elects to purchase municipal bond insurance, the payment of all costs associated with the insurance, including the premium charged by the insurance company, and fees charged by rating companies, other than Moody’s Investors Service, Inc. (“Moody’s”), will be at the option and expense of the System Bonds Initial Purchaser. The District will pay the rating fees charged by Moody’s. Moody’s has assigned an

underlying credit rating of “A2” to the System Bonds. See “MUNICIPAL BOND INSURANCE” and “RATINGS” in the Preliminary Official Statement.

CONDITIONS OF SALE

TYPES OF BIDS AND INTEREST RATES: The System Bonds will be sold in one (1) block on an “all or none” basis at a price of not less than 97% of the par value thereof, plus accrued interest from the date of the System Bonds to the date of delivery. Bidders are to name the rates of interest to be borne by the System Bonds, provided that each interest rate bid must be a multiple of 1/8th or 1/20th of 1%. All System Bonds maturing within a single year must bear the same rate of interest. The net effective interest rate on the System Bonds may not exceed 4.34%, as calculated pursuant to Chapter 1204 of the Texas Government Code. No limitation will be imposed upon bidders as to the number of rates which may be used, but the highest rate bid may not exceed the lowest rate bid by more than 2-1/2% in interest rate. No bids involving supplemental interest payments will be considered. No bid that generates a cash premium greater than \$5,000 will be considered. Each bid shall indicate the total and net interest costs in dollars and the net effective interest rate determined therefrom, which shall be considered informative only and not as a part of the bid.

BASIS OF AWARD: For the purpose of awarding sale of the System Bonds, the total interest cost of each bid will be computed by determining, at the rates specified therein, the total dollar value of all interest on the System Bonds from the date thereof to their respective maturities, and adding thereto the dollar amount of the discount bid, if any, or deducting therefrom the premium bid, if any. Subject to the District’s right to reject any or all bids, sale of the System Bonds will be awarded to the bidder (the “System Bonds Initial Purchaser”) whose bid, under the above computation, produces the lowest net effective interest rate to the District subject to compliance with Section 2252.908 of the Texas Government Code. The Board reserves the right to reject any or all bids. In the event of mathematical discrepancies between the interest rate(s) bid and the interest cost determined therefrom, as both appear on the Official Bid Form; the bid will be governed solely by the interest rate(s) bid.

REQUIRED DISCLOSURE OF INTERESTED PARTIES: Pursuant to Section 2252.908 of the Texas Government Code (the “Interested Party Disclosure Act” or the “Act”), the District may not award the System Bonds to a bidder that is privately held entity unless the bidder, and each privately held syndicate member listed on the Official Bid Form, has provided to the District (c/o Robert W. Baird & Co. Incorporated, 1331 Lamar Street, Suite 1360, Houston, Texas 77010, Attn: Jan Bartholomew, jbartholomew@rwbaird.com) a completed and signed TEC Form 1295 which has been assigned a certificate number by the Texas Ethics Commission (the “TEC”). Pursuant to the rules prescribed by the TEC, the TEC Form 1295 must be completed online through the TEC’s website, assigned a certificate number, printed, signed, and provided to the District. The TEC Form 1295 may accompany the Official Bid Form or may be submitted separately, but must be provided to the District prior to the time prescribed for the award of the System Bonds. The TEC Form 1295 may be provided to the District via facsimile or electronically, however, the original signed TEC Form 1295 complete with certificate number must be physically delivered to the District (c/o Allen Boone Humphries Robinson LLP, 3200 Southwest Freeway, Suite 2600, Houston, Texas 77027) within two (2) business days of the award. Following the award of the System Bonds, the District will notify the TEC of the receipt of each completed TEC Form 1295. The District reserves the right to reject any bid that does not comply with the requirements prescribed herein or to waive any such requirements.

For purposes of completing the TEC Form 1295, the entity’s name is “Sienna Plantation Municipal Utility District No. 12” and the contract ID number is “SPMUD12 – S2021S – B.” Neither the District nor its consultants have the ability to verify the information included in a TEC Form 1295, and neither have an obligation nor undertake responsibility for advising any bidder with respect to the proper completion of the TEC Form 1295. Consequently, an entity intending to bid on the System Bonds should consult its own advisors to the extent it deems necessary and be prepared to submit the completed form promptly upon notification from the District that its bid is the apparent winning bid.

GOOD FAITH DEPOSIT: Each bid must be accompanied by a bank cashier’s check payable to the order of “Sienna Plantation Municipal Utility District No. 12” in the amount of \$101,200, which is 2% of the par value of the System Bonds (the “Good Faith Deposit”). “Official Checks” will not be accepted. The check of the System Bonds Initial Purchaser will be considered as the Good Faith Deposit and will be retained uncashed by the District pending the System Bonds Initial Purchaser’s compliance with the terms of the bid. In the event the System Bonds Initial Purchaser should fail or refuse to take up and pay for the System Bonds in accordance with such terms, then the Good Faith Deposit will be cashed and the proceeds accepted by the District as full and complete liquidated damages. The Good Faith Deposit may accompany the bid or it may be submitted separately; if submitted separately, it shall be made available to the District prior to the opening of the bids and shall be accompanied by instructions from the bank on which it is drawn which authorize its use as the Good Faith Deposit of bidders named in such instructions. The Good Faith Deposit of the System Bonds Initial Purchaser will be returned to the System Bonds Initial Purchaser uncashed on the date of delivery of the System Bonds. No interest will be credited on the Good Faith Deposit. The checks accompanying all other bids will be returned immediately after the bids are opened and the award of the sale of the System Bonds has been made.

COMPLIANCE WITH LAWS PROHIBITING CONTRACTS WITH COMPANIES THAT BOYCOTT ISRAEL AND CERTAIN COMPANIES ENGAGED IN BUSINESS WITH IRAN, SUDAN, OR FOREIGN TERRORIST ORGANIZATIONS: The District will not award the System Bonds to a bidder unless the bidder verifies on behalf of itself and each syndicate member listed on the Official Bid Form that, to the extent the Official Bid Form represents a contract for goods or services within the meaning of Section 2271.002 of the Texas Government Code, as amended, solely for purposes of Chapter 2271 of the Texas Government Code, and except to the extent otherwise required by applicable federal law, at the time of execution and delivery of its bid and through the delivery date of the System Bonds, neither the bidder nor a syndicate member listed on the Official Bid Form is a Company¹ that boycotts or will boycott Israel. The term “boycotts Israel” and “boycott Israel” as used in this paragraph have the meanings assigned to the term “boycott Israel” in Section 808.001 of the Texas Government Code, as amended. Additionally, the District will not award the System Bonds to a bidder unless the bidder certifies that, to the extent the Official Bid Form represents a governmental contract within the meaning of Section 2252.151 of the Texas Government Code, as amended, solely for purposes of Chapter 2252 of the Texas Government Code, and except to the extent otherwise required by applicable federal law, at the time of execution and delivery of its bid, neither the bidder nor a syndicate member listed on the Official Bid Form is a Company² (i) that engages in business with Iran, Sudan, or any foreign terrorist organization as described in Chapter 2270 of the Texas Government Code, or Subchapter F of Chapter 2252 of the Texas Government Code, or (ii) listed by the Texas Comptroller of Public Accounts under Section 2270.0201 or 2252.153 of the Texas Government Code. The term “foreign terrorist organization” as used in this paragraph has the meaning assigned to such term in Section 2252.151 of the Texas Government Code.

CONTRACTING INFORMATION: The District will not award the System Bonds to a bidder unless the bidder verifies on behalf of itself and each syndicate member listed on the Official Bid Form that, to the extent the Official Bid Form represents a contract for goods or services within the meaning of Section 552.371 of the Texas Government Code, as amended, the bidder and each syndicate member listed on the Official Bid Form will (i) preserve all contracting information related to the bid as provided by the records retention requirements applicable to the District through the delivery date of the System Bonds, (ii) promptly provide to the District any contracting information related to the bid that is in the custody or possession of the bidder or any syndicate member on request of the District, and (iii) upon delivery of the System Bonds to the bidder, either (a) provide at no cost to the District all contracting information related to the bid that is in the custody or possession of the bidder or any syndicate member or (b) preserve the contracting information related to the bid as provided by the records retention requirements applicable to the District. The term “contracting information” as used in this paragraph has the meaning assigned to such term in Section 552.003 of the Texas Government Code.

COMPETITIVE BIDDING AND CERTIFICATE OF INITIAL PURCHASER: In the event that the District does not receive sufficient qualified bids to satisfy the competitive sale requirements of Section 1.148-1(f)(3)(i) of the Treasury Regulation, allowing the District to treat the reasonably expected initial offering price to the public as of the sale date as the issue price of the System Bonds, the “hold-the-offering-price rule” shall apply, which will allow the District to treat the initial offering price to the public of each maturity as of the sale date as the issue price of that maturity (the “hold-the-offering-price rule”). So long as the hold-the-offering-price rule applies to any maturity of the System Bonds, the System Bonds Initial Purchaser will neither offer nor sell that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following: (i) the date on which the System Bonds Initial Purchaser has sold at least 10% of that maturity of the System Bonds to the public at a price that is no higher than the initial offering price to the public or (b) the close of the fifth business day after the sale date. The System Bonds Initial Purchaser agrees to promptly report to the Financial Advisor when it has sold 10% of a maturity of the System Bonds to the public at a price that is no higher than the initial offering price to the public if that occurs prior to the close of the fifth business day after the sale date. Alternative Certificates of System Bonds Initial Purchaser are attached for use (i) when the competitive sale requirements of Section 1.148-1(f)(3)(i) of the Treasury Regulation are met and (ii) when such requirements are not met.

DELIVERY OF THE SYSTEM BONDS AND ACCOMPANYING DOCUMENTS

DELIVERY OF INITIAL BONDS: Initial delivery of the System Bonds will be as one (1) System Bond for each maturity, as set forth below. Unless otherwise agreed with the System Bonds Initial Purchaser, delivery will be at the corporate trust office of the Paying Agent/Registrar. Payment for the System Bonds must be made in immediately available funds for unconditional credit to the District, or as otherwise directed by the District. The System Bonds Initial Purchaser will be

¹ “Company” means a for-profit organization, association, corporation, partnership, joint venture, limited partnership, limited liability partnership, or limited liability company, including a wholly owned subsidiary, majority-owned subsidiary, parent company, or affiliate of those entities or business associations that exists to make a profit.

² “Company” means a sole proprietorship, organization, association, corporation, partnership, joint venture, limited partnership, limited liability partnership, limited liability company, or other entity or business association whose securities are publicly traded, including a wholly owned subsidiary, majority-owned subsidiary, parent company, or affiliate of those entities or business associations, that exists to make a profit.

given five (5) business days' notice of the time fixed for delivery of the System Bonds. It is anticipated that initial delivery can be made on or about June 8, 2021, and subject to the aforesaid notice, it is understood and agreed that the System Bonds Initial Purchaser will accept delivery and make payment for the initial System Bonds by 10:00 A.M., Central Time, on June 8, 2021, or thereafter on the date the initial System Bonds are tendered for delivery, up to and including July 8, 2021. If for any reason the District is unable to make delivery on or before July 8, 2021, then the District immediately shall contact the System Bonds Initial Purchaser and offer to allow the System Bonds Initial Purchaser to extend its offer for an additional 30 days. If the System Bonds Initial Purchaser does not elect to extend its offer within five (5) days thereafter, then the Good Faith Deposit will be returned, and both the District and the System Bonds Initial Purchaser shall be relieved of any further obligation.

CUSIP NUMBERS: It is anticipated that CUSIP identification numbers will be printed on the System Bonds, but neither the failure to print such number on any System Bond nor any error with respect thereto shall constitute cause for a failure or refusal by the System Bonds Initial Purchaser to accept delivery of and pay for the System Bonds in accordance with the terms of this Official Notice of Sale. All expenses relating to the printing of CUSIP numbers on the System Bonds shall be paid for by the District; however, payment of the CUSIP Global Services charge for the assignment of the numbers shall be the responsibility of the System Bonds Initial Purchaser.

EXCHANGE ON DELIVERY DATE: Upon written request of the System Bonds Initial Purchaser, delivered to the Paying Agent/Registrar not less than five (5) business days prior to the date fixed for delivery, the Paying Agent/Registrar will, on the delivery date, exchange the System Bonds to be delivered by the District for System Bonds registered in accordance with instructions contained in such request, in integral multiples of \$5,000, maturing as set out in the Official Notice of Sale and bearing interest in accordance with the terms of the System Bonds Initial Purchaser's bid.

CONDITIONS TO DELIVERY: The obligation to take up and pay for the System Bonds is subject to the following conditions: the issuance of an approving opinion of the Attorney General of Texas, the System Bonds Initial Purchaser's receipt of the initial bonds, the System Bonds Initial Purchaser's receipt of the legal opinion of Allen Boone Humphries Robinson LLP, Houston, Texas ("Bond Counsel"), and the no-litigation certificate, and the non-occurrence of the events described below under the caption "NO MATERIAL ADVERSE CHANGE," all as described below. Further, the System Bonds Initial Purchaser is not obligated to take up and pay for the System Bonds at initial delivery if at any time after the award of the System Bonds and at or prior to initial delivery, the Congress of the United States shall have declared war or a national emergency. In addition, if the District fails to comply with its obligations described under "OFFICIAL STATEMENT" below, the System Bonds Initial Purchaser may terminate its contract to purchase the System Bonds by delivering written notice to the District within five (5) days thereafter.

INITIAL PURCHASER'S CERTIFICATION OF ISSUE PRICE: In order to provide the District with information required to enable it to comply with certain conditions of the Internal Revenue Code of 1986, as amended (the "Code"), relating to the exclusion of interest on the System Bonds from gross income for federal tax purposes, the System Bonds Initial Purchaser will be required to complete, execute and deliver to the District (on or before the date of delivery of the System Bonds) a certification regarding the "issue price" of the System Bonds in the form accompanying this Official Notice of Sale. Each bidder, by submitting its bid, agrees to complete, execute and deliver such a certificate by the date of delivery of the System Bonds, if its bid is accepted by the District. It will be the responsibility of the System Bonds Initial Purchaser to institute such syndicate reporting requirements, to make such investigation, or otherwise to ascertain the facts necessary to enable it to make such certification with reasonable certainty. Any questions concerning such certification should be directed to Bond Counsel.

DTC DEFINITIVE BONDS: After delivery, the System Bonds will be issued in book-entry-only form. Cede & Co. is the nominee for DTC. All references herein to the registered owners of the System Bonds shall mean Cede & Co. and not the Beneficial Owners of the System Bonds. Purchase of beneficial interests in the System Bonds will be made in book-entry-only form (without registered System Bonds) in the denomination of \$5,000 principal amount or any integral multiple thereof. Under certain limited circumstances described herein, the District may determine to forego immobilization of the System Bonds at DTC, or another securities depository, in which case, such beneficial interests would become exchangeable for one (1) or more fully registered System Bonds of like principal amount for the System Bonds. See "THE BONDS - Book-Entry-Only System" in the Preliminary Official Statement.

LEGAL OPINIONS: The District will furnish to the System Bonds Initial Purchaser a transcript of certain certified proceedings incident to the issuance and authorization of the System Bonds, including a certified copy of the approving legal opinion of the Attorney General of Texas, as recorded in the Bond Register of the Comptroller of Public Accounts of the State of Texas, to the effect that the Attorney General has examined a transcript of proceedings authorizing the issuance of the System Bonds, and that based upon such examination, the System Bonds are valid and binding obligations of the District payable from the proceeds of an annual ad valorem tax, levied without legal limitation as to rate or amount upon all taxable property in the District. The District will also furnish the approving legal opinion of Bond Counsel, to the effect that, based upon an examination of such transcript, the System Bonds are valid and binding obligations of the District under the Constitution and laws of the State of Texas, except to the extent that enforcement of the rights and remedies of the registered owners of the System Bonds may be limited by laws relating to bankruptcy, reorganization, or other similar laws

of general application affecting the rights of creditors of political subdivisions such as the District. The legal opinion of Bond Counsel will further state that the System Bonds are payable, both as to principal and interest, from the levy of ad valorem taxes without legal limitation as to rate or amount, upon all taxable property within the District, and that, under existing law, interest on the System Bonds is excludable from gross income for federal tax purposes and interest on the System Bonds is not subject to the alternative minimum tax on individuals. See "LEGAL MATTERS" in the Preliminary Official Statement. Such opinions express no opinion with respect to the sufficiency of the security for or marketability of the System Bonds.

QUALIFIED TAX-EXEMPT OBLIGATIONS: The Code requires a pro rata reduction in the interest expense deduction of a financial institution to reflect such financial institution's investment in tax-exempt obligations acquired after August 7, 1986. An exception to the foregoing provision is provided in the Code for "qualified tax-exempt obligations," which include tax-exempt obligations, such as the System Bonds, (a) designated by the issuer as "qualified tax-exempt obligations" and (b) issued by a political subdivision for which the aggregate amount of tax-exempt obligations (not including private activity bonds other than qualified 501(c)(3) bonds) to be issued during the calendar year is not expected to exceed \$10,000,000.

The District will designate the System Bonds as "qualified tax-exempt obligations" and has represented that the aggregate amount of tax-exempt bonds (including the System Bonds) issued by the District and entities subordinate to the District during calendar year 2021 is not expected to exceed \$10,000,000 and that the District and entities subordinate to the District have not designated more than \$10,000,000 in "qualified tax-exempt obligations" (including the System Bonds) during calendar year 2021.

Notwithstanding this exception, financial institutions acquiring the System Bonds will be subject to a 20% disallowance of allocable interest expense.

NO-LITIGATION CERTIFICATE: On the date of delivery of the System Bonds to the System Bonds Initial Purchaser, the District will execute and deliver to the System Bonds Initial Purchaser, a certificate to the effect that no litigation of any nature has been filed or is pending, as of that date, of which the District has notice, to restrain or enjoin the issuance or delivery of the System Bonds, or which would affect the provisions made for their payment or security, or in any manner question the validity of the System Bonds.

NO MATERIAL ADVERSE CHANGE: The obligation of the System Bonds Initial Purchaser to take up and pay for the initial System Bonds, and of the District to deliver the initial System Bonds, is subject to the condition that, up to the time of delivery of and receipt of payment for the initial System Bonds, there shall have been no material adverse change in the affairs of the District subsequent to the date of sale from that set forth in the Preliminary Official Statement, as it may have been finalized, supplemented or amended through the date of delivery.

OFFICIAL STATEMENT

To assist the System Bonds Initial Purchaser in complying with United States Securities and Exchange Commission (the "SEC") Rule 15c2-12, the District, and the System Bonds Initial Purchaser contract and agree, by the submission and acceptance of the winning bid, as follows.

FINAL OFFICIAL STATEMENT: The District has approved and authorized distribution of the accompanying Preliminary Official Statement for dissemination to potential purchasers of the System Bonds, but does not presently intend to prepare any other document or version thereof for such purpose, except as described below. Accordingly, the District intends the Preliminary Official Statement to be final as of its date, within the meaning of SEC Rule 15c2-12(b)(1), except for information relating to the offering prices, interest rates, final debt service schedule, selling compensation, identity of the System Bonds Initial Purchaser and other similar information, terms and provisions to be specified in the competitive bidding process. The System Bonds Initial Purchaser shall be responsible for promptly informing the District of the initial offering yields of the System Bonds. Thereafter, the District will complete and authorize distribution of the Official Statement identifying the System Bonds Initial Purchaser and containing such omitted information. The District does not intend to amend or supplement the Official Statement otherwise, except to take into account certain subsequent events, if any, as described below. By delivering the final Official Statement or any amendment or supplement thereto in the requested quantity to the System Bonds Initial Purchaser on or after the sale date, the District intends the same to be final as of such date, within the meaning of SEC Rule 15c2-12(e)(3). Notwithstanding the foregoing, the only representations concerning the absence of material misstatements or omissions from the Official Statement which are being or which will be made by the District are those described and contained in the Official Statement under the caption "OFFICIAL STATEMENT – Certification as to Official Statement."

CHANGES TO OFFICIAL STATEMENT: If, subsequent to the date of the Official Statement, the District learns, through the ordinary course of business and without undertaking any investigation or examination for such purposes, or is notified by the System Bonds Initial Purchaser of any adverse event which causes the Official Statement to be materially misleading, and unless the System Bonds Initial Purchaser elects to terminate its obligation to purchase the System Bonds, as described above under "DELIVERY OF THE SYSTEM BONDS AND ACCOMPANYING DOCUMENTS – CONDITIONS TO DELIVERY," the District will promptly prepare and supply to the System Bonds Initial Purchaser an appropriate amendment or supplement

to the Official Statement satisfactory to the System Bonds Initial Purchaser; provided, however, that the obligation of the District to do so will terminate when the District delivers the System Bonds to the System Bonds Initial Purchaser, unless the System Bonds Initial Purchaser notifies the District on or before such date that less than all of the System Bonds have been sold to ultimate customers, in which case the District's obligations hereunder will extend for an additional period of time (but not more than 90 days after the date the District delivers the System Bonds) until all of the System Bonds have been sold to ultimate customers.

DELIVERY OF OFFICIAL STATEMENTS: The District shall furnish to the System Bonds Initial Purchaser (and to each participating underwriter of the System Bonds, within the meaning of SEC Rule 15c2-12(a), designated by the System Bonds Initial Purchaser), within seven (7) business days after the sale date, the aggregate number of Official Statements specified in the winning bid. The District also shall furnish to the System Bonds Initial Purchaser a like number of any supplements or amendments approved and authorized for distribution by the District for dissemination to potential purchasers of the System Bonds, as well as such additional copies of the Official Statement or any such supplements or amendments as the System Bonds Initial Purchaser may request prior to the 90th day after the end of the underwriting period described in SEC Rule 15c2-12(e)(2). The District shall pay the expense of preparing the number of copies of the Official Statement specified in the winning bid and an equal number of any supplements or amendments issued on or before the delivery date, but the System Bonds Initial Purchaser shall pay for all other copies of the Official Statement or any supplement or amendment thereto.

CONTINUING DISCLOSURE OF INFORMATION: The District will agree in the System Bond Resolution to provide certain periodic information and notices of material events in accordance with SEC Rule 15c2-12, as described in the Preliminary Official Statement under "CONTINUING DISCLOSURE OF INFORMATION." The System Bonds Initial Purchaser's obligation to accept and pay for the System Bonds is conditioned upon delivery to the System Bonds Initial Purchasers or their agent of a certified copy of the System Bond Resolution containing the provisions described under such heading.

GENERAL CONSIDERATIONS

REGISTRATION: The System Bonds are transferable on the bond register kept by the Paying Agent/Registrar upon surrender and reissuance. The System Bonds are exchangeable for an equal principal amount of System Bonds of the same maturity in any authorized denomination upon surrender of the System Bonds to be exchanged, but the District may require payment of a sum sufficient to cover any tax or governmental charge payable in connection therewith.

INVESTMENT CONSIDERATIONS: The System Bonds involve certain investment risks as set forth in the Preliminary Official Statement. Prospective purchasers of the System Bonds should carefully review the entire Preliminary Official Statement before making an investment decision. Particular attention should be given to the information set forth therein under the caption "INVESTMENT CONSIDERATIONS."

RESERVATION OF RIGHTS: The District reserves the right to reject all bids or any bid not conforming with the terms hereof and the right to waive any and all irregularities, except time of filing.

NOT AN OFFER TO SELL: This Official Notice of Sale does not alone constitute an offer to sell the System Bonds but is merely notice of sale of the System Bonds. The invitation for bids on the System Bonds is being made by means of this Official Notice of Sale, the Preliminary Official Statement, and the Official Bid Form.

SECURITIES REGISTRATION AND QUALIFICATION: No registration statement relating to the System Bonds has been filed with the United States Securities and Exchange Commission under the Securities Act of 1933, as amended, in reliance upon exemptions provided thereunder. The System Bonds have not been registered or qualified under the Securities Act of Texas in reliance upon various exemptions contained therein; nor have the System Bonds been registered or qualified under the securities laws or regulations of any other jurisdiction. The District assumes no responsibility for registration or qualification of the System Bonds under the securities laws or regulations of any other jurisdiction in which the System Bonds may be offered, sold or otherwise transferred. This disclaimer of responsibility for registration or qualification for sale or other disposition of the System Bonds shall not be construed as an interpretation of any kind with regard to the availability of any exemption from securities registration or qualification provisions in such other jurisdictions.

By submission of a bid, the System Bonds Initial Purchaser represents that the sale of the System Bonds in states other than the State of Texas will be made only pursuant to exemptions from registration or qualification or, where necessary, the System Bonds Initial Purchaser will register or qualify the System Bonds in accordance with the securities laws or regulations of any jurisdiction which so requires. The District agrees to cooperate, at the System Bonds Initial Purchaser's written request and expense, in registering or qualifying the System Bonds, or in obtaining an exemption from registration or qualification, in any jurisdiction where such action is necessary, provided that the District shall not be required to file a general consent to service of process in any jurisdiction.
