ADJUSTMENT OF PRINCIPAL AMOUNTS AND/OR BIDS INCLUDING CASH PREMIUM . . . Prior to the Sale: Prior to 5:00 PM CT on the business day before the bids are due, the City may, in its sole discretion, adjust the principal amount set forth in the Maturity Schedules under "THE NOTES – DESCRIPTION" and/or the type of bids required on the Notes including the cash premium. Hilltop Securities Inc., as Financial Advisor to the City, will give notice of any such adjustment by Bloomberg and PARITY. Any such notice shall be considered an amendment to this NOTICE OF SALE AND BIDDING INSTRUCTIONS and to the OFFICIAL BID FORM. For purposes of this paragraph, the term "Maturity Schedules" shall include any adjustments to the principal amounts shown above including the total par amount so made by the City by posting a change to PARITY and a Bloomberg Wire. Also see "CONDITIONS OF THE SALE" herein.

After the Sale: After final computation of the Bids, the City reserves the right to adjust the aggregate principal amount and the principal amount of each maturity of the Notes shown on the Maturity Schedule. The principal amount of any maturity of the Notes shall only be adjusted in \$5,000 increments and shall not be increased or decreased by an amount that exceeds 15% of the preliminary principal amount of such maturity (rounded up to the next higher integral of \$5,000) without permission of the successful bidder. Such adjustment(s), if any, shall be made within 4 hours of the award of the Notes. THE SUCCESSFUL BIDDER MAY NOT WITHDRAW ITS BID OR CHANGE THE INTEREST RATES BID OR THE INITIAL REOFFERING PRICES AS A RESULT OF ANY CHANGES MADE TO THE REVISED AMOUNTS WITHIN THESE LIMITS. The dollar amount bid by the successful bidder will be adjusted to reflect changes in the aggregate principal amounts of the Notes. Such adjusted bid price will reflect changes in the dollar amount of the underwriter's discount and the original issue discount/premium, if any, but will not change the selling compensation per \$1,000 of par amount of Notes from the selling compensation that would have been received based on the purchase price in the winning bid and initial reoffering prices.

In the event of any adjustment of the maturity schedule for the Notes as described herein, no rebidding or recalculation of the proposals submitted will be required or permitted. Any such adjustment of the aggregate principal amount of the Notes and/or the maturity schedules for the Notes made by the City or its Financial Advisor shall be subsequent to the award of the Notes to the winning bidder as determined pursuant to "CONDITIONS OF THE SALE – BASIS FOR AWARD" herein and shall not affect such determination. The successful Bidder may not withdraw its bid as a result of any changes made within the aforementioned limits.

OPTIONAL REDEMPTION . . . The Notes are not subject to optional redemption prior to maturity.

SERIAL NOTES AND/OR TERM NOTES . . . Bidders may provide that all of the Notes be issued as serial notes or may provide that any two or more consecutive annual principal amounts be combined into one or more Term Notes maturing in accordance with the Maturity Schedule shown above or as modified pursuant to the provisions herein.

* Preliminary, subject to change.

MANDATORY SINKING FUND REDEMPTION . . . If the successful bidder elects to alter the Maturity Schedule reflected above and convert the principal amounts of the Serial Notes maturing in the years 2022 through 2026 into "Term Notes", such "Term Notes" shall be subject to mandatory redemption on the first September 15 next following the last maturity for Serial Notes, and annually thereafter on each September 15 until the stated maturity for the Term Notes at the redemption price of par plus accrued interest to the date of redemption. The principal amounts of the Term Notes to be redeemed on each mandatory redemption date shall be the principal amounts that would have been due and payable in the Maturity Schedule shown above had no designation of such maturities as Term Notes occurred. Approximately 45 days prior to each mandatory date, the Paying Agent/Registrar shall select by lot the Term Notes to be redeemed and cause a notice of redemption to be given in the manner provided in the Official Statement. Notes to be redeemed in any year by mandatory sinking fund redemption shall be redeemed at par and shall be selected by lot from among the Notes then subject to redemption.

The principal amount of the Term Notes required to be redeemed pursuant to the operation of such mandatory redemption provisions may be reduced, at the option of the City, by the principal amount of the Term Notes of the same maturity which at least 45 days prior to a mandatory redemption date shall have been acquired by the City at a price not exceeding the principal amount of such Term Notes plus accrued interest to the date of purchase and delivered to the Paying Agent/Registrar for cancellation.

The final official statement will incorporate the mandatory redemption provisions for the Notes in the event the successful bidder elects to convert serial maturities into one or more Term Notes.

BOOK-ENTRY-ONLY SYSTEM . . . The City intends to utilize the Book-Entry-Only System of The Depository Trust Company ("DTC"). See "The Obligations - Book-Entry-Only System" in the Official Statement.

PAYING AGENT/REGISTRAR . . . The initial Paying Agent/Registrar shall be Wilmington Trust, N.A., Dallas, Texas (see "The Obligations - Paying Agent/Registrar" in the Official Statement).

SOURCE OF PAYMENT . . . The Notes are direct obligations of the City payable from a direct and continuing ad valorem tax levied, within the limits prescribed by law, on all taxable property within the City as provided in the Ordinance.

Further details regarding the Notes are set forth in the Preliminary Official Statement.

CONDITIONS OF THE SALE

TYPE OF BIDS AND INTEREST RATES . . . The Notes will be sold in one block on an "All or None" basis, and at a price of not less than 111% and not more than 113% of their par value. The maximum coupon rate permitted is 5.00%. Bidders are invited to name the rate(s) of interest to be borne by the Notes, provided that each rate bid must be in a multiple of 1/8 of 1% or 1/100 of 1%. The highest rate bid may not exceed the lowest rate bid by more than 3% in rate. No limitation is imposed upon bidders as to the number of rates or changes which may be used. All Notes of one maturity must bear one and the same rate. Each bidder shall state in the bid the total interest cost in dollars and the effective interest rate determined thereby (calculated in the manner prescribed by Chapter 1204, Texas Government Code), which shall be considered informative only and not as part of the bid. In the event of a bidder's error in interest cost rate calculations, the interest rates set forth in the Official Bid Form will be considered as the intended bid. Also see "ADJUSTMENT OF PRINCIPAL AMOUNTS AND/OR TYPES OF BIDS INCLUDING CASH PREMIUM."

The Purchaser (defined below) must provide the initial reoffering prices to the Financial Advisor by 12:30 PM, CT, or within 30 minutes of being notified of winning bid on the sale date. Such offering prices and yields, among other things, will be used by the Financial Advisor to calculate the final principal amount of each maturity of the Notes and the cash premium for the Notes. It is anticipated that the final principal amount of each maturity of the Notes and the final cash premium amount will not change the principal amount of any maturity of the Notes from the amount bid by more than 15 percent of the preliminary amount of such maturity (rounded up to the next higher integral of \$5,000) without permission of the successful bidder. The bid price bid by the successful bidder will be adjusted to reflect any adjustments in the aggregate principal amount of the Notes.

BASIS FOR AWARD . . . Subject to the City's right to reject any or all bids and to waive any irregularities except time of filing, the sale of the Notes will be awarded to the bidder or syndicate account manager whose name first appears on the Official Bid Form (the "Purchaser") making a bid that conforms to the specifications herein and which produces the lowest True Interest Cost rate to the City. The True Interest Cost rate is that rate which, when used to compute the total present value as of the Date of Delivery of all debt service payments on the Notes on the basis of semi-annual compounding, produces an amount equal to the sum of the par value of the Notes plus any premium bid, if any. In the event of a bidder's error in interest cost rate calculations, the interest rates, and premium, if any, set forth in the Official Bid Form will be considered as the intended bid.

ADDITIONAL CONDITION OF AWARD - DISCLOSURE OF INTERESTED PARTY FORM. . . Pursuant to Texas Government Code, Section 2252.908 (the "Interested Party Disclosure Act"), unless the Purchaser is exempt from the filing requirements of Section 2252.908, the City may not award the Notes to the Purchaser unless the Purchaser submits a Certificate of Interested Parties Form 1295 (the "Disclosure Form") to the City as prescribed by the Texas Ethics Commission ("TEC"). Effective January 1, 2018, publicly traded business entities (including wholly owned subsidiaries of a publicly traded business entity) will no longer be required to file Form 1295 as provided in Section 2252.908(c)(4). Prior to entering into a purchase agreement with the Purchaser, the Purchaser must either (1) complete an electronic form of the TEC Form 1295 through the TEC's electronic portal and submit the resulting certified TEC Form 1295 that is generated by the TEC's electronic portal to the City or (2) submit a written representation that it is exempt from the TEC Form 1295 filing requirements pursuant to Section 2252.908(c)(4). The failure to provide the TEC Form 1295 or written representation regarding exemption, as described herein, will prohibit the City from entering into a purchase agreement with the Purchaser. In the event that the bidder's bid for the Notes conforms to the specifications herein and which produces the lowest True Interest Cost to the City, the City, acting through its financial advisor, will promptly notify the bidder. That notification will serve as the conditional verbal acceptance of the bid and will obligate the bidder, if not otherwise exempt, to promptly file a completed Disclosure Form, as described below, in order to complete the award. For purpose of this obligation, "promptly filing" means the submission by the winning bidder and each syndicate member listed on the Official Bid Form of the completed Disclosure Form to the City within two (2) hours of receiving the conditional verbal response.

If a Purchaser is claiming an exception to the filing requirement under Section 2252.908(c)(4), the written representation that the Purchaser is not required to file a Form 1295 must state that it is publicly traded business entity or a wholly owned subsidiary of a publicly traded business entity and identify the publicly traded business entity that allows them to utilize the exception.

If the Purchaser is submitting a Disclosure Form, the form can be found at <https://www.ethics.state.tx.us/forms/1295.pdf>, and reference should be made to the following information in order to complete it: (a) item 2 – Name ("City of Irving, Texas"), (b) item 3 – the identification number ("Notes 2021 Bid Form"), and (c) item 3 – description of the goods or services assigned to this contract by the City ("Notes Purchasing Services"). If completing the Disclosure Form, the Purchaser must (i) complete the Disclosure Form electronically at the TEC's "electronic portal", and (ii) print, sign and deliver a copy of the Disclosure Form that is generated by the TEC's "electronic portal" to the City by email to the City at bduff@cityofirving.org and City's Financial Advisor at darlene.snodgrass@hilltopsecurities.com.

If the apparent winning bidder and each syndicate member listed on the Official Bid Form fail to promptly file the Disclosure Form, the City reserves the right to reject such bid and, through its Financial Advisor, provide conditional verbal acceptance to the bidder submitting a bid, conforming to the specifications herein, which produces the next, lowest True Interest Cost rate to the City.

Neither the City nor its consultants have the ability to verify the information included in a Disclosure Form or written representation, and neither have an obligation nor undertake responsibility for advising any bidder with respect to the proper completion of the Disclosure Form or the written representation. Consequently, an entity intending to bid on the Notes should consult its own advisors to the extent it deems necessary and be prepared to submit the completed form or written representation promptly upon notification from the City that its bid is the conditional winning bid.

ANTI-BOYCOTT VERIFICATION . . . The Purchaser will be required to represent that, to the extent Section 2271.002 of the Texas Government Code is applicable to the sale of the Notes, solely for purposes of compliance

with Chapter 2271 of the Texas Government Code, and subject to applicable Federal law, neither the Purchaser nor any wholly owned subsidiary, majority-owned subsidiary, parent company, or affiliate of the Purchaser, (i) boycotts Israel or (ii) will boycott Israel through the delivery date of the Notes. For purposes of this representation, the terms “boycotts Israel” and “boycott Israel” have the meanings assigned to the term “boycott Israel” in Section 808.001 of the Texas Government Code, as amended.

IRAN, SUDAN, AND FOREIGN TERRORISTS ORGANIZATIONS . . . Additionally, the Purchaser will be required to represent that, as of the date of the bid form associated with the Notes, to the extent the purchase of the Notes represents a governmental contract within the meaning of Section 2252.151 of the Texas Government Code, as amended, solely for purposes of compliance with Chapter 2252 of the Texas Government Code, and except to the extent otherwise required by applicable Federal law, neither the Purchaser, nor any wholly owned subsidiary, majority-owned subsidiary, parent company or affiliate of the Purchaser is an entity listed by the Texas Comptroller of Public Accounts under Sections 2252.153 or 2270.021 of the Texas Government Code.

GOOD FAITH DEPOSIT . . . A Good Faith Deposit, payable to the "City of Irving, Texas", in the amount of \$16,000* for the Notes is required. Such Good Faith Deposit shall be a bank cashier's check or certified check, which is to be retained uncashed by the City pending the Purchaser's compliance with the terms of the bid and the Notice of Sale and Bidding Instructions. The Good Faith Deposit may accompany the Official Bid Form or it may be submitted separately. If submitted separately, it shall be made available to the City prior to the opening of the bids, and shall be accompanied by instructions from the bank on which drawn which authorize its use as a Good Faith Deposit by the Purchaser who shall be named in such instructions. **The Good Faith Deposit of the Purchaser will be returned to the Purchaser upon payment for the Notes.** No interest will be allowed on the Good Faith Deposit. In the event the Purchaser should fail or refuse to take up and pay for the Notes in accordance with the bid, then said check shall be cashed and accepted by the City as full and complete liquidated damages. The checks accompanying bids other than the winning bid will be returned immediately after the bids are opened, and an award of the Notes has been made.

ESTABLISHING THE ISSUE PRICE FOR THE NOTES

GENERAL: In order to provide the City with information that enables it to comply with certain requirements of the Internal Revenue Code of 1986, as amended, relating to the excludability of interest on the Notes from gross income for federal income tax purposes, the winning bidder will be required to complete, execute, and deliver to the City or to the City's municipal advisor, Hilltop Securities Inc. (the "Financial Advisor"), at least five business days before the delivery date of the Notes, a certification as to the Notes' "issue price" (the "Issue Price Certificate") substantially in one of the forms and to the effect attached hereto or accompanying this Notice of Sale. In the event the winning bidder will not reoffer any maturity of the Notes for sale to the Public (as defined herein) by the delivery date of the Notes, the Issue Price Certificate may be modified in a manner approved by the City and Bond Counsel (identified in the Preliminary Official Statement). Each bidder, by submitting its bid, agrees to complete, execute, and timely deliver the appropriate Issue Price Certificate, if its bid is accepted by the City. It will be the responsibility of the winning bidder to institute such syndicate reporting requirements, to make such investigation, or otherwise to ascertain such facts as are necessary to enable it to make such certification with reasonable certainty. Any questions concerning such certification should be directed to Bond Counsel (identified in the Preliminary Official Statement).

DEFINED TERMS: For purposes of this section of this Notice of Sale:

- (i) "Public" means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter or a Related Party to an Underwriter.
- (ii) "Underwriter" means (A) any person that agrees pursuant to a written contract with the City (or with the lead Underwriter to form an underwriting syndicate) to participate in the initial sale of the Notes to the Public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Notes to the Public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Notes to the Public).

* Preliminary, such to change.

(iii) “Related Party” means any two or more persons who are subject, directly or indirectly, to (A) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (B) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (C) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other).

(iv) “Sale Date” means the date that the Notes are awarded by the City to the winning bidder.

All actions to be taken by the City under this Notice of Sale to establish the issue price of the Notes may be taken on behalf of the City by the Financial Advisor, and any notice or report to be provided to the City may be provided to the Financial Advisor.

The City will consider any bid submitted pursuant to this Notice of Sale to be a firm offer for the purchase of the Notes, as specified in the bid and as so stated in the Official Bid Form.

THREE BID REQUIREMENT: The City intends to rely on Treasury Regulation section 1.148-1(f)(3)(i) for purposes of establishing the issue price of municipal bonds, which requires, among other things, that the City receives bids from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds (the “Three Bid Requirement”). In the event that the Three Bid Requirement is not satisfied, Treasury Regulations permit the issue price for any maturity of the Notes to be determined based upon either (i) the first price at which 10% of such maturity is sold to the Public (the “10% Test”) or (ii) if the requirements of the “Hold-the-Offering-Price Rule” described below are met, the initial offering price to the Public as of the Sale Date. For purposes hereof, if different interest rates apply within a maturity, each separate CUSIP number will be treated separately.

In the event that the Three Bid Requirement is satisfied, the sale of the Notes will be awarded to the bidder making a bid that conforms to the specifications herein. In the event that the Three Bid Requirement is not satisfied, the City will notify the prospective winning bidder to that effect, and the prospective winning bidder will advise the City of any maturity of the Notes that satisfies the 10% Test. For any maturity of the Notes that does not meet the 10% Test, it is the City’s intention to apply the “Hold-the-Offering-Price Rule” to any maturity of the Notes, as described below.

HOLD-THE-OFFERING-PRICE RULE: If the “Hold-the-Offering-Price Rule” is applied to any maturity of the Notes (each, a “Held Maturity”), the winning bidder agrees, on behalf of each Underwriter participating in the purchase of the Notes, that each Underwriter will neither offer nor sell any Held Maturity to any person at a price that is higher than the initial offering price to the Public during the period starting on the Sale Date and ending on the earlier of the following:

- (1) the close of the fifth business day after the Sale Date; or
- (2) the date on which the Underwriters have satisfied the 10% Test with respect to that Held Maturity at a price that is no higher than the initial offering price to the Public.

The winning bidder shall promptly advise the City when the Underwriters have satisfied the 10% Test with respect to each Held Maturity at a price that is no higher than the initial offering price to the Public, if that occurs prior to the close of the fifth business day after the Sale Date. On or after the sixth business day after the Sale Date, if requested by the City, the winning bidder will confirm that the Underwriters have complied with the Hold-the-Offering-Price-Rule. If at any time the winning bidder becomes aware of any noncompliance by an Underwriter with respect to the Hold-the-Offering Price Rule, the winning bidder will promptly report such noncompliance to the City.

ADDITIONAL REQUIREMENTS: By submitting a bid, each bidder confirms that: (i) any agreement among underwriters, any selling group agreement and each retail distribution agreement (to which the bidder is a party) relating to the initial sale of the Notes to the Public, together with the related pricing wires, contains or will contain

language obligating each Underwriter, each dealer who is a member of the selling group, and each broker-dealer that is a party to such retail distribution agreement, as applicable, to (A) report the prices at which it sells to the Public the unsold Notes of each maturity allotted to it until it is notified by the winning bidder that either the 10% Test has been satisfied as to the Notes of that maturity or all Notes of that maturity have been sold to the Public and (B) comply with the Hold-the-Offering-Price Rule, if applicable, in each case if and for so long as directed by the winning bidder and as set forth in the related pricing wires, and (ii) any agreement among underwriters relating to the initial sale of the Notes to the Public, together with the related pricing wires, contains or will contain language obligating each Underwriter that is a party to a retail distribution agreement to be employed in connection with the initial sale of the Notes to the Public to require each broker-dealer that is a party to such retail distribution agreement to (A) report the prices at which it sells to the Public the unsold Notes of each maturity allotted to it until it is notified by the winning bidder or such Underwriter that either the 10% Test has been satisfied as to the Notes of that maturity or all Notes of that maturity have been sold to the Public and (B) comply with the Hold-the-Offering-Price Rule, if applicable, in each case if and for so long as directed by the winning bidder or such Underwriter and as set forth in the related pricing wires.

DELIVERY OF THE NOTES AND ACCOMPANYING DOCUMENTS

CUSIP NUMBERS . . . It is anticipated that CUSIP identification numbers will appear on the Notes, but neither the failure to print or type such number on any s nor any error with respect thereto shall constitute cause for a failure or refusal by the Purchaser to accept delivery of and pay for the Notes in accordance with the terms of this Notice of Sale and Bidding Instructions and the terms of the Official Bid Form. All expenses in relation to the printing or typing of CUSIP numbers on the Notes shall be paid by the City; provided, however, that the CUSIP Service Bureau charge for the assignment of the numbers shall be the responsibility of and shall be paid for by the Purchaser.

It is anticipated that delivery of the Note(s) can be made on or about July 15, 2021, and it is understood and agreed that the Purchaser will accept delivery and make payment for the Notes by 10:00 AM, CT, on July 15, 2021, or thereafter on the date the Notes is tendered for delivery, up to and including July 29, 2021. If for any reason the City is unable to make delivery on or before July 29, 2021, the City shall immediately contact the Purchaser and offer to allow the Purchaser to extend its offer for an additional thirty days. If the Purchaser does not elect to extend its offer within six days thereafter, then its Good Faith Deposit will be returned, and both the City and the Purchaser shall be relieved of any further obligation. In no event shall the City be liable for any damages by reason of its failure to deliver the Notes.

The obligation of the Purchaser to take up and pay for Notes is subject to the Purchaser's receipt of (a) the legal opinion of Bracewell LLP, Dallas, Texas, Bond Counsel for the City ("Bond Counsel"), (b) the no-litigation certificate, and (c) the certification as to the Official Statement, all as further described in the Official Statement.

ISSUE PRICE CERTIFICATE

[THREE BID REQUIREMENT SATISFIED]

I, the undersigned officer of _____ (the "Purchaser"), acting on behalf of itself and any underwriting syndicate, make this certification in connection with the \$800,000* TAX NOTES, SERIES 2021 (the "Notes") issued by the City of Irving, Texas (the "City").

1. I hereby certify as follows in good faith as of the date hereof:

(a) I am the duly chosen, qualified and acting officer of the Purchaser for the office shown below my signature; as such, I am familiar with the facts herein certified and I am duly authorized to execute and deliver this certificate on behalf of the Purchaser and any underwriting syndicate. I am the officer of the Purchaser charged, along with other officers of the Purchaser and any underwriting syndicate, with responsibility for the Notes.

(b) The reasonably expected initial offering prices of the Notes to the Public by the Purchaser as of the Sale Date are the prices set forth on the inside cover of the Official Statement prepared in connection with the Notes (the "Initial Offering Prices"). The Initial Offering Prices are the applicable prices for the Notes used by the Purchaser in formulating its bid to purchase the Notes. Attached hereto as Attachment I is a true and correct copy of the bid provided by the Purchaser to purchase the Notes.

(c) The Purchaser was not given the opportunity to review other bids prior to submitting its bid.

(d) The bid submitted by the Purchaser constituted a firm offer to purchase the Notes.

(e) The aggregate of the Initial Offering Prices of all maturities of the Notes is \$ _____. The Notes were sold with pre-issuance accrued interest in the amount of \$ _____. The sum of these two amounts is \$ _____.

(f) Please choose the appropriate statement:

The Purchaser will not purchase bond insurance for the Notes.

The Purchaser will purchase bond insurance from _____ (the "Insurer") for a fee/premium of \$ _____ (the "Fee"). The Fee is a reasonable amount payable solely for the transfer of credit risk for the payment of debt service on the Notes and does not include any amount payable for a cost other than such guarantee, e.g., a credit rating or legal fees. The Purchaser represents that the present value of the Fee for each obligation constituting the Notes to which such Fee is properly allocated and which are insured thereby is less than the present value of the interest reasonably expected to be saved as a result of the insurance on each obligation constituting the Notes. The Fee has been paid to a person who is not exempt from federal income taxation and who is not a user or related to the user of any proceeds of the Notes. In determining present value for this purpose, the yield of the Notes (determined with regard to the payment of the guarantee fee) has been used as the discount rate. No portion of the Fee is refundable upon redemption of any of the Notes in an amount which would exceed the portion of such Fee that has not been earned. The Purchaser will also be responsible for payment of any rating fees on the Notes, if and as required by the Insurer to be obtained in connection with the purchase of insurance.

2. For purposes of this Issue Price Certificate, the following definitions apply:

(c) "Sale Date" means the first day on which there is a binding contract in writing for the sale or exchange of the Notes. The Sale Date of the Notes is _____, 2021.

The representations set forth in this certificate are limited to factual matters only. Nothing in this certificate represents the Purchaser's interpretation of any laws, including specifically sections 103 and 148 of the Internal Revenue Code of 1986, as amended, and the Treasury Regulations thereunder.
