## INTRODUCTION

The purpose of this Official Statement, which includes the attached appendices, is to provide certain information concerning the sale and delivery of the \$57,465,000\* Montgomery County, Maryland Taxable Limited Obligation Certificates (Facility and Residential Development Projects), Series 2021A (the "Series 2021A Certificates") and the \$41,810,000\* Montgomery County, Maryland Taxable Limited Obligation Refunding Certificates (Facility and Residential Development Projects), Series 2021B (the "Series 2021B Certificates" and, together with the Series 2021A Certificates, the "Series 2021 Certificates"). The Series 2021 Certificates are to be issued pursuant to a Taxable Limited Obligation Certificate Trust Agreement dated as of April 1, 2010 (the "Original Trust Agreement"), as amended and supplemented by the First Supplemental Taxable Limited Obligation Certificate Trust Agreement and Supplemental Funding Agreement dated as of August 1, 2011 (the "First Supplemental Trust and Agreement"), the Second Supplemental Taxable Limited Obligation Certificate Trust Agreement and Supplemental Funding Agreement dated as of December 1, 2013 (the "Second Supplemental Trust and Agreement"), the Third Taxable Limited Obligation Certificate Trust Agreement and Supplemental Funding Agreement to be dated as of November 1, 2018 (the "Third Supplemental Trust and Agreement") and the Fourth Taxable Limited Obligation Certificate Trust Agreement and Supplemental Funding Agreement to be dated as of November 1, 2021 (the "Fourth Supplemental Trust and Agreement" and, collectively with the First Supplemental Trust and Agreement, the Second Supplemental Trust and Agreement, and the Third Supplemental Trust and Agreement amending the Original Trust Agreement, the "Trust Agreement"), each between Montgomery County, Maryland (the "County") and U.S. Bank National Association, as trustee (the "Trustee") and as the Bank under the Funding Agreement dated as of April 1, 2010 between the County and the Bank, as amended and supplemented by the First Supplemental Trust and Agreement, the Second Supplemental Trust and Agreement, the Third Supplemental Trust and Agreement, and the Fourth Supplemental Trust and Agreement (as so amended and supplemented, the "Funding Agreement"). The Series 2021 Certificates are being issued to (i) finance or refinance certain projects of the Montgomery Housing Initiative established by the County to promote a broad range of housing opportunities in the County (the "Projects"), (ii) refund all of the County's outstanding Series 2011 Certificates (as defined herein) and a portion of the County's outstanding Series 2013 Certificates (as defined herein) and (iii) pay the costs of issuance of the Series 2021 Certificates. For more information regarding the Projects see "Description of Projects and Refunding." Pursuant to the Trust Agreement, the County previously issued its (i) \$28,840,000 Montgomery County, Maryland Taxable Limited Obligation Certificates (Facility and Residential Development Projects), Series 2011 (the "Series 2011 Certificates"), (ii) \$38,015,000 Montgomery County, Maryland Taxable Limited Obligation Certificates (Facility and Residential Development Projects), Series 2013 (the "Series 2013 Certificates) and (iii) \$33,715,000 Montgomery County, Maryland Taxable Limited Obligation Certificates (Facility and Residential Development Projects), Series 2018A and \$22,420,000 Montgomery County, Maryland Taxable Limited Obligation Refunding Certificates (Facility and Residential Development Projects), Series 2018B (collectively, the "Series 2018 Certificates). For more information regarding the Series 2011 Certificates, the Series 2013 Certificates, and the Series 2018 Certificates, see "The Series 2021 Certificates - Additional Certificates."

The Series 2021 Certificates represent proportionate interests in the Funding Agreement. The Funding Agreement requires the County to make periodic payments (the "Contract Payments") in amounts sufficient to pay the scheduled debt service on the Series 2021 Certificates until the County shall pay the principal of and premium, if any, and interest on the Series 2021 Certificates. Payment by the County of amounts owed under the Funding Agreement, including the Contract Payments, is dependent on the appropriation in each year by the County Council (the "County Council") of funds sufficient for such purpose. The County expects that amounts owed under the Funding Agreement, including the Contract Payments, will be appropriated and paid by the County.

\*Preliminary, subject to change.

Capitalized terms used in the front part of this Official Statement and not defined herein shall have the meanings given to such terms in Appendix C, “Summary of Principal Legal Documents.”

*The Series 2021 Certificates, and the interest on them, are limited obligations of the County. The principal or redemption price of and the interest on the Series 2021 Certificates shall be payable solely from the Contract Payments and all amounts on deposit from time to time in the funds and accounts established under the Trust Agreement, as provided thereunder. All amounts payable by the County under the Funding Agreement, including the Contract Payments, are subject in each year to appropriation by the County Council. The County Council is under no obligation to make any appropriation with respect to the Funding Agreement. The Funding Agreement is not a general obligation of the County and shall never constitute an indebtedness of the County within the meaning of any constitutional or statutory limitation or a charge against the general credit or taxing power of the County.*

**SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2021 CERTIFICATES**

The Series 2021 Certificates are limited obligations of the County, the principal or redemption price of or interest on which are payable solely from and secured by (i) the Contract Payments and (ii) amounts realized pursuant to the exercise of certain remedies under the Funding Agreement upon the occurrence of nonappropriation or certain defaults by the County thereunder. Pursuant to the Trust Agreement, in order to provide for the payment of the Series 2021 Certificates and the interest with respect thereto according to their tenor, purport and effect, the County and the Bank have pledged and assigned to the Trustee for the benefit of the Holders, all rights, title and interest of the County and the Bank, respectively, under the Funding Agreement, the right to receive Revenues (as defined herein), and all amounts on deposit from time to time in the funds and accounts established under the Trust Agreement. The “Revenues” include all payments to be made by the County to the Bank pursuant to the Funding Agreement, the proceeds of the Series 2021 Certificates and all amounts from time to time on deposit in the funds and accounts established under the Trust Agreement, and all other revenues derived from the Funding Agreement or from the exercise of remedies under the Trust Agreement. The pledge made under the Trust Agreement is, by its terms, for the equal and ratable benefit of the Holders of all the Certificates (as defined in the Trust Agreement), without any priority of any one Certificate over any other, except as expressly provided in or permitted by the Trust Agreement. See “Summary of Principal Legal Documents - Summary of Certain Provisions of the Trust Agreement” in Appendix C.

ALL AMOUNTS PAYABLE BY THE COUNTY UNDER THE FUNDING AGREEMENT, INCLUDING THE CONTRACT PAYMENTS, ARE SUBJECT IN EACH YEAR TO APPROPRIATION BY THE COUNTY COUNCIL. THE FUNDS FROM WHICH AMOUNTS ARE APPROPRIATED TO PAY CONTRACT PAYMENTS ARE NOT LIMITED TO ANY PARTICULAR SOURCE OF COUNTY REVENUES. THE COUNTY COUNCIL IS UNDER NO OBLIGATION TO MAKE ANY APPROPRIATIONS WITH RESPECT TO THE FUNDING AGREEMENT. THE AMOUNTS PAYABLE BY THE COUNTY UNDER THE FUNDING AGREEMENT ARE NOT GENERAL OBLIGATIONS OF THE COUNTY AND SHALL NEVER CONSTITUTE AN INDEBTEDNESS OF THE COUNTY WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY LIMITATION OR A CHARGE AGAINST THE GENERAL CREDIT OR TAXING POWERS OF THE COUNTY. THE COUNTY HAS NOT PLEDGED ITS FULL FAITH AND CREDIT OR ITS TAXING POWERS TO THE PAYMENT OF AMOUNTS DUE UNDER THE FUNDING AGREEMENT.

THE FUNDING AGREEMENT MAY BE TERMINATED UPON THE OCCURRENCE OF NONAPPROPRIATION OR AN EVENT OF DEFAULT. IN SUCH EVENT, ALL PAYMENT OBLIGATIONS UNDER THE FUNDING AGREEMENT WILL TERMINATE, AND THE SERIES 2021 CERTIFICATES AND THE INTEREST THEREON WILL BE PAYABLE ONLY FROM AMOUNTS PAYABLE UNDER THE FUNDING AGREEMENT THAT WERE PREVIOUSLY APPROPRIATED AND FROM UNEXPENDED PROCEEDS OF THE SERIES 2021 CERTIFICATES. THERE IS NO ASSURANCE THAT SUCH MONEYS WILL BE SUFFICIENT FOR THE PAYMENT OF THE SERIES 2021 CERTIFICATES OR THE INTEREST THEREON UPON THE OCCURRENCE OF A NONAPPROPRIATION OR AN EVENT OF DEFAULT UNDER THE FUNDING AGREEMENT.

### ***Funding Agreement***

The Funding Agreement will remain in effect until the County has paid all Contract Payments required to be paid therein, unless terminated earlier in accordance with the Funding Agreement. The Contract Payments due under the Funding Agreement are sufficient to pay the scheduled debt service on the Series 2021 Certificates and the fees and expenses of the Trustee. The Contract Payments are due and payable on the second business day prior to each May 1 and November 1 of any year and shall be paid by the County in immediately available funds on the second business day prior to each May 1 and November 1.

The ability of the County to pay the Contract Payments is subject to annual appropriation of sufficient funds for such purpose by the County Council. Under the Funding Agreement, the County Executive of the County (the "County Executive") covenants, to the extent permitted by law and subject to applicable public policy, to use best efforts to obtain the authorization and appropriation of such funds, including, without limitation, the inclusion of such funds in the budget of the County to be submitted to the County Council and a request for adequate funds to meet the County's obligations under the Funding Agreement in full in its next fiscal year budget. Notwithstanding the foregoing, the Funding Agreement does not obligate the County Council to make any such appropriation.

In the event that sufficient funds are not appropriated for the payment of the Contract Payments, the County may terminate the Funding Agreement at the end of the last fiscal year or earlier date for which an appropriation is available and the County will not be obligated to make payment of the Contract Payments beyond the last date for which an appropriation is available. In the event the Funding Agreement is terminated for nonappropriation, the County will pay to the Trustee all proceeds of the Series 2021 Certificates not theretofore expended by the County, if any, or such lesser amount as shall be required to pay the outstanding principal of and interest on the Series 2021 Certificates and all other amounts payable under the Funding Agreement after the application to the payment thereof of amounts on deposit in the funds and accounts created by the Trust Agreement. See "Summary of Principal Legal Documents - Summary of Certain Provisions of the Funding Agreement" in Appendix C.

In the event of termination due to the occurrence of an Event of Default under the Funding Agreement, the County shall pay to the Bank all proceeds of the Series 2021 Certificates not theretofore expended by the County, if any, or such lesser amount as shall be required to pay the outstanding principal of and interest on the Series 2021 Certificates and all other amounts payable under the Funding Agreement after the application to the payment thereof of amounts on deposit in the funds and accounts created by the Trust Agreement. The County may be liable for any deficiency, if any, between (i) the amount actually appropriated for the payment of Contract Payments and other amounts payable under the Funding Agreement and unpaid by the County during the current fiscal year and which is therefore payable by the County to the end of the current fiscal year of the County and (ii) the sum of the amounts on deposit in the funds and accounts created by the Trust Agreement and the proceeds of the Series 2021 Certificates not theretofore expended by the County, if any, paid to the Bank, after deducting all the Bank's costs and expenses,

including (without limitation) reasonable attorneys' fees and expenses incurred in the enforcement of the Funding Agreement. See "Summary of Principal Legal Documents - Summary of Certain Provisions of the Funding Agreement" in Appendix C.

### ***No Lien on Property***

The payment of the Contract Payments by the County is *not* secured by any lien on housing or other assets that may be constructed, acquired or renovated with proceeds of the Series 2021 Certificates.

## **DESCRIPTION OF PROJECTS AND REFUNDING**

### ***Montgomery Housing Initiative***

The County has a long-standing tradition of commitment and dedication toward meeting the housing needs of its citizens. Under the leadership of the County Executive, the County has implemented a number of programs and initiatives dedicated to the goal of providing affordable housing in the County. In May 1988, the County Council enacted Section 25B-9 of the Montgomery County Code establishing the Montgomery Housing Initiative to help meet the County's existing and growing affordable housing needs.

Section 25B-9 of the Montgomery County Code requires the County Executive to establish the Montgomery Housing Initiative in order to promote a broad range of housing opportunities in the County. The County Executive utilizes the Montgomery Housing Initiative to assist in alleviating the difficulties of many low and moderate income households in obtaining and maintaining housing at prices that they can afford. The Montgomery Housing Initiative helps the County meet a number of its housing goals including constructing new affordable housing units, renovating distressed properties, preserving housing that might otherwise be removed from the supply of affordable housing, developing special needs housing, helping to create mixed-income communities, making sure that housing programs build neighborhoods and not just housing units and working toward an equitable distribution of affordable housing units.

The County's Department of Housing and Community Affairs ("DHCA") administers the Montgomery Housing Initiative pursuant to regulations adopted by the County Executive, which include the requirement that any investments provide units affordable to households meeting income maximums; currently set at 65% of Area Median Income ("AMI") for non-high rise rental units and 70% of AMI for high rise rental units and all ownership units. DHCA partners with various affordable housing organizations and developers to construct new properties and to acquire and rehabilitate existing properties throughout the County. The County Executive is committed to continuing the tradition of creative action to provide affordable housing in the County, and as the need for affordable housing has increased in the County, the County has taken new approaches to the development of ideas that will meet the challenge. One such approach was the creation of the Montgomery Housing Initiative Fund to expand the Montgomery Housing Initiative.

On February 28, 2007, the County Executive issued Executive Order No. 84-07 forming the Affordable Housing Task Force (the "Task Force"). The Task Force was instructed to develop strategies that would result in more affordable housing in the County. The first priority identified by the Task Force in their findings was to preserve the housing stock. Further, the Task Force recommended creating a property acquisition fund as a tool to enable experienced organizations to purchase-at-risk properties and increase the public and nonprofit ownership of affordable rental housing.

The Montgomery Housing Initiative Fund has included over time County financial resources in addition to proceeds from the Series 2011 Certificates, the Series 2013 Certificates, the Series 2018 Certificates and will include the Series 2021 Certificates. Approximately \$57,000,000 of the proceeds of the Series 2021A Certificates will be used to acquire, construct, purchase and rehabilitate affordable housing units. DHCA's partners for projects financed with the Series 2021A Certificates include various for-profit and non-profit agencies.

### ***Revenue Stabilization Fund***

The State of Maryland (the "State") enacted legislation in 1992 authorizing political subdivisions in the State to establish "rainy day" or reserve funds to accommodate future funding shortfalls. Pursuant to this State law, the County, under Section 20-64 of Article XII of the County Code, established a Revenue Stabilization Fund (the "Fund") effective July 1, 1994. The Fund supplements the reserve or operating margin the County annually sets aside and provides a mechanism to level out the revenue stream by adjusting for year-to-year fluctuations beyond a certain baseline level.

Effective fiscal year 2011, the mandatory annual contribution to the Fund must equal the greater of 50 percent of any excess revenue or an annual amount equal to the lesser of 0.5 percent of the Adjusted Governmental Revenues ("AGR") or the amount needed to obtain a total reserve of 10 percent of the Adjusted Governmental Revenues. Excess revenue is the amount, if positive, by which total revenues from the income tax, real property, transfer tax, recordation tax, and investment income for the General Fund for the fiscal year exceed the original projections for these amounts. Adjusted Governmental Revenues means tax-supported County Governmental Funds revenues, plus revenues of the County Grants Fund, County Capital Projects Fund, tax-supported funds of the Montgomery County Public Schools, not including the County's local contribution, tax-supported funds of Montgomery College, not including the County's local tax contribution, and tax-supported funds of the County portion of the Maryland-National Capital Park and Planning Commission.

In fiscal year 2014, the fund balance in the Fund was combined with the General Fund in the Comprehensive Annual Financial Report. This amount is reported as restricted fund balance in the General Fund. The County's reserve policy target is 10 percent of AGR and the Fiscal Year 2020 and Fiscal Year 2021 approved budgets planned a reserve at 10 percent of AGR. Due to the County's response to the COVID-19 pandemic, Fiscal Year 2020 reserves were at 8.9% of AGR and Fiscal Year 2021- Fiscal Year 2023 reserves are estimated to be lower than the 10 percent policy target. When emergencies require reserves to dip below the 10 percent policy target, it is the County's policy to ensure that reserves achieve the policy target within three fiscal years. The County's Fiscal Plan shows reserves increasing to 9.0 percent in Fiscal Year 2021, 9.6 percent in Fiscal Year 2022, 9.8 percent in Fiscal Year 2023 and 10.0 percent in Fiscal Year 2024.

***Financial Impact of COVID-19***

The information in this section provides an overview of the County’s actions taken in responding to the public health crisis caused by the new strain of coronavirus and associated illness called COVID-19 (“COVID-19”). Following the initial events of the 2020 when (i) on January 31, 2020 the United States Department of Health and Human Services declared a public health emergency for the United States, (ii) the World Health Organization (“WHO”) and the Centers for Disease Control and Prevention declaring COVID-19 to be a “public health emergency of international concern”, (iii) on March 11, 2020 the WHO declared the COVID-19 outbreak to be a global pandemic and (iv) on March 13, 2020, the President of the United States declared a national state of emergency; both the State of Maryland and Montgomery County each took various actions to mitigate the spread of COVID-19. In the period of time (18 months) following these events, various executive orders have been issued by federal, state, and local entities focusing on mitigating COVID-19 and then transitioning to reopening the economy.

The County on May 28, 2021, moved to the next phase of reopening from the COVID-19 health crisis since at that time more than 60 percent of County residents had received at least one vaccine, and more than 50 percent had been fully vaccinated. Due to the spread of the contagious delta variant of COVID-19, on August 5, 2021, the County Council approved a new Board of Health regulation to reinstate indoor masking as the County exceeded the substantial COVID-19 transmission threshold as defined by the Centers for Disease Control and Prevention (“CDC”). The mask mandate went into effect on August 7, 2021 and will remain in effect until the County returns to moderate or low transmission rates for 7 consecutive days, as defined under CDC guidelines. Additionally, the County follows State of Maryland and Maryland Department of Health COVID-19 requirements as they are promulgated, which may result in the implementation of various additional safety protocols from time to time. Businesses and workplaces may set their own additional requirements. See website for further details. ([montgomerycountymd.gov/covid19/](http://montgomerycountymd.gov/covid19/)).

Over the past year, the County made many difficult financial decisions to adjust to unprecedented times. Federal and State partners have provided some much-needed assistance, and the County’s revenue forecasts have greatly improved compared to initial projections. The Coronavirus Aid, Relief, and Economic Security (CARES) Act provided the County with \$183.3 million in flexible aid to help address many of the most pressing expenditure challenges. In addition, the County received funds in the amount of \$30.2 million to help maintain our transit system that experienced record lows in ridership due to stay-at-home orders, business shutdowns, physical distancing requirements, and other societal shifts brought on by the virus. Under the Consolidated Appropriations Act, 2021 passed by the United States Congress on December 27, 2020, the County also received \$31.4 million in federal funding to be used for rental and utility assistance within the County. The State provided the County with funds to help its restaurants when the pandemic was in its most extreme phase. Most recently, with the enactment of President Biden’s American Rescue Plan Act (“ARPA”), the County government was allocated \$204.1 million in Federal aid that will be used over the coming months and years to replace revenue losses that occurred during the pandemic and provide economic assistance to the County’s residents and businesses. In addition, this funding will ensure that the County government recovers from the pandemic stronger and more resilient. On May 10, 2021, the U.S. Department of the Treasury issued interim guidance on the usage of funds the County will receive under the Coronavirus State and Local Fiscal Recovery Funds included in ARPA. On June 1, 2021, the County received the first tranche of \$102.1 million ARPA funding.

The County Executive recommended, and the County Council approved two Fiscal Year 2021 operating budget mid-year Savings Plans totaling \$44.4 million for Montgomery County Government. The two Fiscal Year 2021 mid-year Savings Plans also included reductions in the CIP including a reduction to PAYGO of \$32 million. The Fiscal Year 2022 budget and Fiscal Plan presents a plan to restore the reserves which were reduced below the policy level in fiscal 2020, to our policy level of ten percent within three fiscal years (Fiscal Year 2024).

On May 27, the Montgomery County Council formally approved a \$6 billion Fiscal Year 2022 Operating Budget that greatly reflects the recommended budget of County Executive Marc Elrich focusing on “response, recovery, and resilience” following the COVID-19 health crisis. During the budget review and approval process, the Council agreed to 99.85 percent of all spending proposals the County Executive had in his recommended budget. Additionally, the Federal Emergency Management Agency (FEMA) also provided the County with \$36.2 million in reimbursements for eligible expenditures.

The Fiscal Year 2022 total approved operating budget is \$6 billion - a 2.3 percent increase over Fiscal Year 2021. The Fiscal Year 2022 tax supported budget is \$5.1 billion and is a 1.0 percent increase over Fiscal Year 2021. The approved budget does not include an increase to the property tax rate and is consistent with the amended Charter Limit.

As a result of the Pandemic, the County has and will continue to experience an increase in expenses for emergency preparedness, public health and personnel costs. The County cannot determine at this time the full extent of the expenses it will incur as a result of the Pandemic. The County has the ability to modify its Fiscal Year 2022 operating budget (i.e., additional Savings Plan) and adjust its cash spending in the Capital Improvement Program to help the operating budget. Moreover, the County maintains an unrestricted General Fund reserve to pay for unanticipated increased expenses and, if necessary, can access the Revenue Stabilization Fund in the event that current year appropriations become unfunded and can utilize lines of credit for short-term borrowing in response to the delayed payment of taxes and other anticipated revenues.

The ongoing Pandemic may cause additional economic and health challenges that cannot be anticipated at this time. The County will continue to act proactively to manage its affairs through these uncertain times.

## **TAX MATTERS**

### ***State of Maryland Taxation***

Under existing law of the State of Maryland, the interest portion of the Contract Payments to be made by the County under the Funding Agreement and to be received by the holders of the Series 2021 Certificates is not exempt from income taxation by the State of Maryland or by any of its political subdivisions.

Interest on the Series 2021 Certificates may be subject to state or local income taxes in jurisdictions other than the State of Maryland under applicable state or local tax laws. Holders or prospective purchasers of the Series 2021 Certificates should consult their tax advisors regarding the taxable status of the Series 2021 Certificates in a particular state or local jurisdiction other than the State of Maryland.

### ***United States Federal Income Taxation***

A holder or prospective purchaser of the Series 2021 Certificates should seek advice based on the holder's or prospective purchaser's particular circumstances from an independent tax advisor.

*General.* The interest on the Series 2021 Certificates *will* be includable in gross income for United States federal income tax purposes.

*Certain Other Federal Tax Consequences Pertaining to Series 2021 Certificates.* Many factors may impact the application of federal income tax laws pertaining to the Series 2021 Certificates and the receipt of interest on the Series 2021 Certificates, including the status of the beneficial owner of the Series 2021 Certificates as a United States holder or non-United States holder under applicable rules, whether the Series 2021 Certificates are held as capital assets or in some other context, and whether the status of the beneficial owner or the financial context in which it is operating represents a special tax situation, such as an S corporation, insurance company, tax-exempt

organization, financial institution, regulated investment company, real estate investment trust, or broker-dealer and trader in securities. Persons considering the purchase of the Series 2021 Certificates should consult their own tax advisors concerning the application of federal income tax laws to their particular situations as well as any consequences arising from the federal alternative minimum tax or the federal estate tax or under the laws of any other taxing jurisdiction.

The following is a summary of certain United States federal income tax consequences of the ownership of the Series 2021 Certificates held as capital assets by United States holders. The discussion below is based upon the provisions of the Internal Revenue Code of 1986, as amended (the “Code”), and regulations, rulings and judicial decisions as of the date of this Official Statement. Those provisions may be changed, in some cases retroactively, so as to result in United States federal income tax consequences different from those discussed below.

As used herein, “United States holder” means a beneficial owner of a Series 2021 Certificate who or that, for United States federal income tax purposes, is (i) a citizen or resident of the United States, (ii) an entity taxable as a corporation created or organized in or under the laws of the United States or any political subdivision of the United States, (iii) an estate the income of which is subject to United States federal income taxation regardless of its source or (iv) a trust if it is subject to the primary supervision of a court within the United States and one or more United States persons have the authority to control all substantial decisions of the trust or if it has a valid election in effect under applicable United States Treasury regulations to be treated as a United States person.

If a partnership, or other entity classified as a partnership for federal income tax purposes, holds Series 2021 Certificates, the tax treatment of a partner will generally depend upon the status of the partner and upon the activities of the partnership. A partner of a partnership holding Series 2021 Certificates should consult its tax advisor.

*Payment of Interest.* Interest on a Series 2021 Certificate will be taxable to a United States holder as ordinary interest income at the time it is accrued or is paid in accordance with the United States holder’s method of accounting for tax purposes.

*Tax Accounting Treatment of Discount Certificates.* Certain maturities of the Series 2021 Certificates may be issued at an initial public offering price which is less than the stated redemption price at maturity of such Series 2021 Certificates (the “Discount Certificates”). If the stated redemption price at maturity of Discount Certificates of a particular maturity exceeds the first price at which a substantial amount of such Discount Certificates was sold for money (excluding sales to bond houses, brokers or similar persons acting as underwriters, placement agents or wholesalers) by more than a *de minimis* amount, the Discount Certificates will be treated as having original issue discount. A holder of Discount Certificates (whether a cash or accrual method taxpayer) is required to include in gross income as interest the amount of such original issue discount which is treated as having accrued during a taxable year with respect to such Discount Certificates, in advance of the receipt of some or all of the related cash payments. Accrued original issue discount is added to the original cost basis of the holder in determining, for federal income tax purpose, gain or loss upon disposition (including sale, early redemption or repayment at maturity).

Original issue discount on Discount Certificates will be attributed to permissible compounding periods during the life of any Discount Certificates in accordance with a constant rate of interest accrual method. The yield to maturity of the Discount Certificates of each maturity is determined using permissible compounding periods. In general, the length of a permissible compounding period cannot exceed the length of the interval between debt service payments on the Discount Certificates and must begin or end on the date of such payments. The amount of original issue discount allocable to any compounding period is equal to the excess, if any, of (a) the Discount Certificate’s adjusted issue price at the beginning of the compounding period multiplied by its yield to maturity, determined on the basis of compounding at the close of each compounding period and properly adjusted for the length of the compounding period, over (b) the aggregate of all qualified stated interest allocable to the compounding period. Original issue discount allocable to a final compounding period is the difference between the amount payable at maturity, other than a payment of qualified stated interest, and the adjusted issue price at the beginning of the final compounding period. Special rules apply for calculating original issue discount for an initial short compounding period. The “adjusted issue price” of a Discount Certificate at the beginning of any compounding period is equal to its issue price increased by the accrued original issue discount for each prior compounding period (determined without regard to the amortization of any acquisition or Series 2021 Certificate

premium, as described below) and reduced by any payments made on the Discount Certificate (other than qualified stated interest) on or before the first day of the compounding period. Under these rules, a holder of a Discount Certificate will have to include in income increasingly greater amounts of original issue discount in successive compounding periods. The amount of original issue discount accrued on Discount Certificates held of record by persons other than corporations and other exempt holders will be reported to the Internal Revenue Service. If a Discount Certificate is sold or otherwise disposed of between compounding dates, then interest which would have accrued for that compounding period for federal income tax purposes is to be apportioned in equal amounts among the days in such compounding period.

The term “qualified stated interest” means stated interest that is unconditionally payable in cash or in property, other than debt instruments of the issuer, if the interest to be paid is payable at least once per year, is payable over the entire term of the Discount Certificate and is payable at a single fixed rate or, subject to certain conditions, based on one or more interest indices.

Holders of Discount Certificates should note that, under applicable regulations, the yield and maturity of a Discount Certificate is determined without regard to commercially reasonable sinking fund payments and any original issue discount remaining unaccrued at the time that a Discount Certificate is redeemed in advance of stated maturity will be treated as taxable gain. Moreover, tax regulations prescribe special conventions for determining the yield and maturity of certain debt instruments that provide for alternative payment schedules applicable upon the occurrence of certain contingencies.

The yields (and related prices) furnished by the successful bidder for the Series 2021 Certificates as shown on the inside cover of this Official Statement may not reflect the initial issue price for the purposes of determining the original issue discount for federal income tax purposes.

The foregoing summarizes certain federal income tax consequences of original issue discount with respect to the Discount Certificates but does not purport to deal with all aspects of federal income taxation that may be relevant to particular investors or circumstances, including those set out above. Prospective purchasers of Discount Certificates should consider possible State and local income, excise or franchise tax consequences arising from original issue discount on Discount Certificates. In addition, prospective foreign corporate purchasers should consider possible federal tax consequences arising from original issue discount on such Discount Certificates under the branch profits tax. The amount of original issue discount considered to have accrued may be reportable in the year of accrual for State and local tax purposes or for purposes of the branch profits tax without a corresponding receipt of cash with which to pay any tax liability attributable to such discount. Purchasers with questions concerning the detailed tax consequences of transactions in the Discount Certificates should consult their tax advisors.

*Purchase, Sale and Retirement of Certificates.* Except as noted below in the case of market discount, the sale or other disposition of a Series 2021 Certificate will normally result in capital gain or loss. A United States holder’s initial tax basis in a Series 2021 Certificate will be its cost. Upon the sale, redemption or retirement of a Series 2021 Certificate, for federal income tax purposes, a United States holder will recognize capital gain or loss upon the disposition of such security (including sale, early redemption or payment at maturity) in an amount equal to the difference between (a) the amount received upon such disposition (less an amount equal to any accrued qualified stated interest, which will be treated as a payment of interest) and (b) the tax basis in such Series 2021 Certificate, determined by adding to the original cost basis in such Series 2021 Certificate the amount of any original issue discount and any market discount previously included in such holder’s income, and by subtracting any amortized premium and any cash payments on the Series 2021 Certificate other than qualified stated interest, as more fully described above under “Tax Accounting Treatment of Discount Certificates”. Such gain or loss will be long-term capital gain or loss if at the time of the sale, redemption or retirement the Series 2021 Certificate has been held for more than one year. Under present law, both long and short-term capital gains of corporations are taxed at the rates applicable to ordinary income. For noncorporate taxpayers, however, short-term capital gains are taxed at the rates applicable to ordinary income, while net capital gains are taxed at lower rates. Net capital gains are the excess of net long-term capital gains (gains on capital assets held for more than one year) over net short-term capital losses.

*Market Discount.* If a United States holder acquires a Series 2021 Certificate after its original issuance at a cost which is less than its stated redemption price at maturity (or, in the case of a Series 2021 Certificate having original issue discount, its revised issue price) by more than a certain *de minimis* amount, such holder will be

deemed to have acquired the Series 2021 Certificate at “market discount.” The amount of market discount treated as having accrued will be determined either on a ratable basis, or, if the holder so elects, on a constant interest method. Upon any subsequent disposition (including a gift, redemption or payment at maturity) of such Series 2021 Certificate (other than in connection with certain nonrecognition transactions), the lesser of any gain on such disposition (or appreciation, in the case of a gift) or the portion of the market discount that accrued while the Series 2021 Certificate was held by such holder will be treated as ordinary income at the time of the disposition. In lieu of including accrued market discount in income at the time of disposition, a holder may elect to include market discount in income currently. Unless a holder so elects, a holder may be required to defer deductions for a portion of such holder’s interest expenses with respect to any indebtedness incurred or maintained to purchase or carry such Series 2021 Certificate until the holder disposes of the Series 2021 Certificate. The election to include market discount in income currently, once made, is irrevocable and applies to all market discount obligations acquired on or after the first day of the first taxable year to which the election applies and may not be revoked without the consent of the Internal Revenue Service.

*Acquisition Premium.* A subsequent United States holder of a Series 2021 Certificate is generally subject to rules for accruing original issue discount described above. However, if such holder’s purchase price for the Series 2021 Certificate exceeds the adjusted issue price (the sum of the issue price of the Series 2021 Certificate and the aggregate amount of the original issue discount includable in the gross income of all holders for periods before the acquisition of the Series 2021 Certificate by such holder and reduced by any payment previously made on the Series 2021 Certificate other than a payment of qualified stated interest) the excess (referred to as “acquisition premium”) is offset ratably against the amount of original issue discount otherwise includable in such holder’s taxable income (*i.e.*, such holder may reduce the daily portions of original issue discount by a fraction, the numerator of which is the excess of such holder’s purchase price for the Series 2021 Certificate over the adjusted issue price, and the denominator of which is the excess of the sum of all amounts payable on the Series 2021 Certificate after the purchase date other than qualified stated interest over the Series 2021 Certificates’ adjusted price).

*Amortizable Certificate Premium.* If the United States holder’s basis in a Series 2021 Certificate exceeds the sum of all amounts payable on the Series 2021 Certificate after the date on which the holder acquires it other than qualified stated interest, such excess will constitute amortizable premium with respect to the Series 2021 Certificate and, in the case of a Discount Certificate, such holder will not have to account for original issue discount with respect to such Series 2021 Certificate. The holder of a Series 2021 Certificate having amortizable premium generally may elect to amortize the premium over the remaining term of the Series 2021 Certificate on a constant yield method as an offset to interest when includable in income under its regular accounting method. In the case of instruments that provide for alternative payment schedules, premium is calculated by assuming that (a) the holder will exercise or not exercise options in a manner that maximizes its yield and (b) the issuer will exercise or not exercise options in a manner that minimizes its yield (except that the issuer will be assumed to exercise call options in a manner that maximizes the holder’s yield). If the holder does not elect to amortize premium, that premium will decrease the gain or increase the loss that would otherwise be recognized on disposition of the Series 2021 Certificate. An election to amortize premium on a constant yield method will also apply to all debt obligations held or subsequently acquired by the holder on or after the first day of the first taxable year to which the election applies. The holder may not revoke the election without the consent of the Internal Revenue Service. Holders of Series 2021 Certificates having amortizable premium should consult with their own tax advisors before making this election.

*Election to Use Original Discount Method with Respect to a Certificate.* The holder of a Series 2021 Certificate may elect to treat all interest on the Series 2021 Certificate as original issue discount and calculate the amount includable in gross income under the constant yield method described above. For the purposes of this election, interest includes stated interest, acquisition discount, original issue discount, *de minimis* original issue discount, market discount, *de minimis* market discount and unstated interest, as adjusted by any amortizable premium or acquisition premium. The holder must make this election for the taxable year in which the Series 2021 Certificate is acquired and may not revoke the election without the consent of the Internal Revenue Service. Holders of Series 2021 Certificates should consult with their own tax advisors about this election.

*Medicare Tax.* Interest income from the Series 2021 Certificates and net gain realized on the sale or other disposition of property such as the Series 2021 Certificates generally must be taken into account when computing the 3.8% Medicare tax with respect to net investment income or undistributed net investment income, as applicable,

imposed on certain high income individuals and specified trusts and estates. Holders of the Series 2021 Certificates should consult their tax advisors concerning this additional tax as it may apply to the purchase, holding and disposition of the Series 2021 Certificates.

*Consequences of Defeasance.* The Series 2021 Certificates may be defeased prior to maturity at the option of the County. Holders of the Series 2021 Certificates should be aware that under applicable Treasury Regulations, any such defeasance may be treated as a sale or retirement and subsequent reissuance of the Series 2021 Certificates for tax purposes with the result that such holders would be required to recognize capital gain or loss for federal income tax purposes at the time of such defeasance.

*U.S. Federal Information Reporting and Backup Withholding.* Under current United States federal income tax law, a 24% backup withholding tax requirement may apply to certain payments of interest and original issue discount on, and the proceeds of the sale, exchange or redemption of, the Series 2021 Certificates if the holder fails to satisfy applicable IRS information reporting requirements. In addition, certain persons making such payments are required to submit information returns (i.e., IRS Forms 1099) to the IRS with regard to those payments. Backup withholding and information reporting will generally not apply with respect to payments made to certain exempt recipients such as corporations or certain exempt entities.

*Foreign Investors.* Subject to the discussion in the following paragraph, payments with respect to the Series 2021 Certificates to a non-United States holder that has no connection with the United States other than holding its Series 2021 Certificates generally will be exempt from United States income tax and will be made free of withholding tax, as long as that holder has complied with certain tax identification and certification requirements. Non-United States holders should consult their tax advisors regarding the possible United States income tax implications of their ownership and disposition of the Series 2021 Certificates.

Sections 1471 through 1474 of the Code and related federal income tax guidance, collectively referred to as FATCA, generally impose United States federal withholding tax at a rate of 30% on certain types of payments to certain foreign entities, unless various information reporting and diligence requirements are satisfied. This tax generally would apply in the case of Series 2021 Certificates held through foreign financial institutions that do not satisfy such requirements. Generally, the 30% United States federal withholding tax under FATCA will apply to United States-sourced interest (such as interest and original issue discount on the Series 2021 Certificates) and, under current guidance, would apply to certain “passthru” payments no earlier than the date that is two years after the publication of final regulations defining the term “foreign passthru payment.” Non-United States holders should consult their tax advisors regarding the possible implications of FATCA on their ownership and disposition of the Series 2021 Certificates.

*Future Tax Developments.* Future legislation or regulatory actions and proposals may affect the federal or State income tax consequences of owning the Series 2021 Certificates or the market value of the Series 2021 Certificates. Prospective holders of the Series 2021 Certificates should consult their own independent tax advisors regarding any pending or proposed federal or State tax legislation, regulations, rulings or litigation as to which McKennon Shelton & Henn LLP, special counsel, expresses no opinion.

The foregoing discussion does not discuss all aspects of federal income taxation that may be relevant to a particular holder of Series 2021 Certificates in light of his or her particular circumstances and income tax situation. Each holder of Series 2021 Certificates should consult such holder’s tax advisor as to the specific tax consequences to such holder of the ownership and disposition of the Series 2021 Certificates, including the application of State, local, foreign and other tax laws.

## **LITIGATION**

The County is currently processing numerous claims for damages and is also a defendant in a number of lawsuits which are expected to be paid, when applicable, through its self-insurance program. In addition to those suits in which claims for liability are adequately covered by insurance, the County is a defendant in various suits involving tort claims, violations of civil rights, breach of contract, inverse condemnation, and other suits and actions arising in the normal course of business. In the opinion of the County Attorney, the possible liability of the County in the resolution of these cases will not materially affect the County’s ability to perform its obligations to the holders of the Series 2021 Certificates.

### **INDEPENDENT PUBLIC ACCOUNTANTS**

The audited basic financial statements of the County are included in Appendix A to the County's AIS, which have been audited by SB & Company LLC ("SBC"), independent public accountants, as indicated in their report with respect thereto. The audited basic financial statements have been included in reliance upon the qualification of said firm to issue said report. In the report, SBC states that with respect to certain of the County's component units, its opinion is based on the reports of other independent public accountants. The report of SBC also contains an explanatory paragraph which states that SBC did not audit certain identified supplementary information and expressed no opinion thereon.

### **FINANCIAL ADVISOR**

PFM Financial Advisors LLC (the "Financial Advisor") has been retained as financial advisor to the County with respect to the issuance and sale of the Series 2021 Certificates. The Financial Advisor has not and is not obligated to undertake or to make an independent verification of, or to assume responsibility for the accuracy, completeness or fairness of the information contained in this Official Statement.

### **RATINGS**

Moody's Investors Service, Inc., and S&P Global Ratings ("S&P") have given the Series 2021 Certificates the respective ratings indicated on the cover page of this Official Statement. A rating reflects only the view of the rating organization and explanations of the significance of such rating may be obtained from the rating agency furnishing the same. There is no assurance that such rating will continue for any given period of time or that it will not be revised downward or withdrawn entirely by such rating agency if, in the judgment of such rating agency, circumstances so warrant. Any such downward revision or withdrawal of such rating may have an adverse effect on the market price of the Series 2021 Certificates.

### **VERIFICATION OF MATHEMATICAL COMPUTATIONS**

With respect to the Series 2021B Certificates, Robert Thomas CPA LLC (the "Verification Agent") will verify the mathematical accuracy of the computations performed by the Financial Advisor, including the adequacy of the funds held in the Escrow Deposit Fund for the payment when due of the principal of and interest on and, as applicable, the redemption price of and accrued interest on the Refunded 2013 Certificates on the redemption date therefor. Such verification is based upon data and information supplied to the Verification Agent by the Financial Advisor.

### **CERTIFICATE OF COUNTY OFFICIALS**

The Chief Administrative Officer and the Director of Finance of the County will furnish a certificate to the successful bidders for the Series 2021 Certificates to the effect that, to the best of their knowledge and belief, this Official Statement, as of the date of sale and the date of delivery of the Series 2021 Certificates, is true and correct in all material respects and does not contain an untrue statement of a material fact or omit to state a material fact, required to be stated or necessary to be stated, to make such statements, in the light of the circumstances under which they were made, not misleading.

### **CONTINUING DISCLOSURE UNDERTAKING**

In order to enable participating underwriters, as defined in Rule 15c2-12 of the Securities Exchange Act of 1934 ("Rule 15c2-12"), to comply with the requirements of paragraph (b)(5) of Rule 15c2-12, the County will execute and deliver a continuing disclosure agreement (the "Continuing Disclosure Agreement") on or before the date of issuance and delivery of the Series 2021 Certificates, the form of which is attached to this Official Statement as Appendix B. Potential purchasers of the Series 2021 Certificates should note that the definition of Reportable Events in Appendix B is intended to completely restate the events specified in Rule 15c2-12. It is noted that certain Reportable Events are expected to have no applicability to the Series 2021 Certificates, such as the possibility of unscheduled draws on debt service reserves and matters affecting collateral for the Series 2021 Certificates.

With the exception of the following, the County has complied in all material respects with its continuing disclosure undertakings pursuant to Rule 15c2-12 during the last five years. The County has established procedures to ensure that the County will fulfill the requirements of its continuing disclosure obligations for its bonds.

- The County failed to file notices of ratings changes in connection with: (i) the upgrade by Standard & Poor's Rating Group in January 2016 of the County's Revenue Bonds (Water Quality Protection Charge), Series 2012, (ii) the upgrade by Fitch Ratings in April 2016 of the County's Taxable Limited Obligation Certificates (Facility and Residential Development Projects), and (iii) the upgrade by Fitch Ratings in April 2016 of the County's Lease Revenue Project and Refunding Bonds (Metrorail Garage Projects). The County subsequently filed notices of such upgrades on EMMA.

County Executive and Council Members:

In connection with the issuance of \$ \_\_\_\_\_ Montgomery County, Maryland, Taxable Limited Obligation Certificates (Facility and Residential Development Projects) Series 2021A (the “Series 2021A Certificates”) we have examined:

(iv) Executive Order No. B397-21 executed by the County Executive of the County on October 13, 2021 and Executive Order No. \_\_\_\_\_ of the County Executive of the County executed and delivered as of \_\_\_\_\_, 2021;

(v) form of the Series 2021A Certificates;

(vi) relevant provisions of the Internal Revenue Code of 1986, as amended (the “Code”); and

(vii) other proofs submitted to us relative to the issuance of the Series 2021A Certificates.

The Funding Agreement provides for the payment by the County of contract payments (the “Contract Payments”). Each Contract Payment has a principal portion and an interest portion, in the amounts and on the dates set forth in the Funding Agreement.

The Series 2021A Certificates are in registered form in denominations of \$5,000 or any integral multiple thereof. The Series 2021A Certificates bear interest, mature and are subject to redemption prior to maturity in the manner and upon the terms and conditions set forth therein and in the Trust Agreement.

We have made no investigation of, and are rendering no opinion regarding the title to real or personal property or the priority or perfection of any lien or security interest in real or personal property. Based upon the foregoing, it is our opinion that:

(a) The County is a validly created and existing body politic and corporate and political subdivision of the State of Maryland.

(b) The Series 2021A Certificates have been duly authorized and issued pursuant to, and are permitted by the terms of, the Trust Agreement, constitute valid and binding obligations evidencing direct and proportionate interests of the owners thereof in principal and interest components of Contract Payments, and are equally and ratably secured under the Trust Agreement. Additional Certificates secured equally and ratably with the Series 2021A Certificates may be issued from time to time under the conditions, limitations and restrictions set forth in the Trust Agreement.

(c) The County's obligation to make Contract Payments is subject to and dependent upon the County Council making annual appropriations for such purpose. Such obligation does not constitute a debt of the County within the meaning of any constitutional or statutory limitation nor a liability of or a lien or charge upon funds or property of the County beyond any fiscal year for which the County Council has appropriated moneys to make such payments.

(d) The Funding Agreement and the Trust Agreement have been duly authorized, executed and delivered by the County and, assuming the due authorization, execution and delivery thereof by the other parties thereto, constitute the valid and binding obligation of the County enforceable against the County in accordance with their terms.

## SUMMARY OF CERTAIN PROVISIONS OF THE FUNDING AGREEMENT

The following is a summary of certain provisions of the Funding Agreement. This summary is not a complete recital of the terms of the Funding Agreement, and reference should be made to the Funding Agreement for a complete statement of its terms.

***Term of Agreement (Section 3.02.)***

The Funding Agreement will remain in effect until the County has paid all of the Contract Payments and any other sums required to be paid under the provisions of the Funding Agreement to the Bank or until the date on which the Funding Agreement is terminated.

***Contract Payments to Be Unconditional (Section 4.03.)***

The obligation of the County to make payment of the Contract Payments required under the Funding Agreement and to perform and observe the other covenants and agreements contained therein is absolute and unconditional in all events except as expressly provided in the Funding Agreement. Notwithstanding any dispute between the County and the Bank or any other person, the County agrees to pay all Contract Payments when due and not to withhold any part of any Contract Payments pending final resolution of the dispute. The County agrees that it will not assert any right of set-off, cross-claim, recoupment, or counterclaim against its obligation to make the payments required under the Funding Agreement. The County's obligation to pay Contract Payments during the term of the Funding Agreement will not be abated through accident or unforeseen circumstances.

***Continuation of Agreement by the County (Section 4.04.)***

The County agrees, subject to the nonappropriation provisions of the Funding Agreement, to pay the Contract Payments due under the Funding Agreement. The County agrees, to the extent permitted by law and subject to applicable public policy that it will not terminate the Funding Agreement for nonappropriation of funds in any fiscal year for which sufficient funds for the payment of Contract Payments due in that fiscal year are appropriated for such Contract Payments. The County Executive, to the extent permitted by law and subject to applicable public policy, will use best efforts to obtain the authorization and appropriation of such funds, including (without limitation) the inclusion of such funds in the budget of the County to be submitted to the County Council and a request for adequate funds to meet the County's obligations in full in its next fiscal year budget.

***Nonappropriation (Section 4.05.)***

In the event that sufficient funds are not appropriated for the payment of the Contract Payments, the County may terminate the Funding Agreement at the end of the last fiscal year or earlier date for which an appropriation is available and the County will not be obligated to make payment of the Contract Payments beyond the last date for which an appropriation is available. The County agrees to deliver written notice to the Bank of such termination no later than seven days after the County has knowledge that an appropriation will not be available. The failure to give the notice will not extend the Funding Agreement beyond such fiscal year or affect the termination of the Funding Agreement. Upon termination of the Funding Agreement for nonappropriation, the County will pay to the Bank all proceeds of the Certificates not theretofore expended by the County, if any, or such lesser amount as shall be required to pay the outstanding principal of and interest on the Certificates and all other amounts payable under the Funding Agreement after the application to the payment thereof of amounts on deposit in the funds and accounts created by the Trust Agreement. Upon the payment of such proceeds to the Bank, all obligations of the County under the Funding Agreement requiring the expenditure of money will cease (other than the obligation to pay any Contract Payments and other amounts payable under the Funding Agreement previously appropriated).

***Essentiality (Section 4.06.)***

The County represents that the Program is essential to the County.

***Events of Default and Remedies (Sections 6.01., 6.02. and 6.03.)***

The following constitute an "Events of Default" under the Funding Agreement, subject to the provisions under the Funding Agreement regarding nonappropriation: (a) failure by the County to pay any

Contract Payment at the time specified in the Funding Agreement; or (b) failure by the County to observe and perform any covenant, condition or agreement on its part to be observed or performed, for a period of 30 days after written notice to the County by the Bank, specifying such failure and requesting that it be remedied, unless the Bank agrees to an extension of such time; *provided* that if the failure stated on the notice cannot be corrected within 30 days, the Bank will not unreasonably withhold its consent to an extension of such time if corrective action is instituted by the County within the applicable period and diligently pursued until the default is corrected; or (c) the County files any proceeding under the United States Bankruptcy Code or makes a general assignment for the benefit of creditors or institutes or consents to the filing of any proceeding for any receivership under any other bankruptcy or insolvency laws.

Whenever any Event of Default shall have happened and be continuing, the Bank shall have the right, at its sole option, without any further demand or notice, to terminate the Funding Agreement and require the County to pay to the Bank all proceeds of the Certificates not theretofore expended by the County, if any, or such lesser amount as shall be required to pay the outstanding principal of and interest on the Certificates and all other amounts payable thereunder after the application to the payment thereof of amounts on deposit in the funds and accounts created by the Trust Agreement, holding the County liable for the deficiency, if any, between (i) the amount actually appropriated for the payment of Contract Payments and other amounts payable thereunder and unpaid by the County during the current fiscal year and which is therefore payable by the County thereunder to the end of the current fiscal year of the County and (ii) the sum of the amounts on deposit in the funds and accounts created by the Trust Agreement and the proceeds of the Certificates not theretofore expended by the County, if any, paid to the Bank, after deducting all the Bank's costs and expenses, including (without limitation) reasonable attorneys' fees and expenses incurred in the enforcement of the Funding Agreement.

Whenever an Event of Default shall have occurred and be continuing, the Bank shall have the right, at its sole option, without further demand or notice, to institute appropriate legal proceedings to require the County to cure any such Event of Default by observing, complying with or performing its obligations under the Funding Agreement.

No delay or omission to exercise any right or power accruing upon any default will impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Bank to exercise any remedy reserved to it in the Funding Agreement, it will not be required to give any notice other than such notice as may be required in the Funding Agreement.

Prior to the issuance of each series of Additional Certificates and the execution and delivery of a supplemental trust agreement in connection therewith, the County and the Trustee shall enter into an amendment to the Funding Agreement which shall provide among other things that, with the consent of the County, the Contract Payments shall be increased and computed so as to amortize in full the principal of and interest on such Additional Certificates and any other costs in connection therewith.

***Limitation on Duties (Section 8.05.)***

The Trustee shall not have any duty or obligation to manage, control, use, sell or otherwise transfer title to or dispose of or otherwise deal with any part of the assets constituting the Trust Estate, or to otherwise take or refrain from taking any action under or in connection with the Funding Agreement or the Certificates, except as expressly provided by the terms of the Funding Agreement and the Trust Agreement or as expressly provided in written instructions from the Holders of not less than a majority in aggregate principal amount of the Certificates Outstanding. Whenever the Trustee is required to give any consent, approval, permission or otherwise act affirmatively under the terms of the Funding Agreement, the Trustee at its discretion may give such consent, approval, permission or otherwise act affirmatively as it may deem appropriate.

***Trustee May Deal in Certificates and Take Action as a Holder (Section 8.06.)***

The Trustee and its directors, officers, employees or agents may in good faith buy, sell, own and hold any of the Certificates issued under and secured by the Trust Agreement, and may join in the capacity of a Holder in any action which any Holder may be entitled to take with like effect as if it were not the Trustee under the Trust Agreement.

***Resignation and Removal of Trustee (Sections 8.09. and 8.10.)***

The Trustee may resign and thereby become discharged from the trusts thereby created by notice in writing given to the County and the Holders of the Certificates. Such resignation shall take effect immediately upon, but only upon (i) the appointment of a new Trustee, (ii) upon acceptance by the new Trustee of the trusts created and the duties of the Trustee under the Trust Agreement, and (iii) assignment by the Trustee and acceptance and assumption by the new Trustee of all the rights, title and interest, duties and obligations of the Trustee under the Funding Agreement. Upon the occurrence of any such resignation, the Trustee, by appropriate documentation, shall transfer all right, title and interest it may have as Trustee under the Trust Agreement and as Trustee under the Funding Agreement to the successor Trustee.

The Trustee may be removed at any time by an instrument or concurrent instruments in writing executed by the Holders of not less than a majority in aggregate principal amount of the Certificates Outstanding.

The Trustee may also be removed at any time for any breach of trust or for acting or proceeding in violation of, or for failing to act or proceed in accordance with, any provision of the Trust Agreement with respect to the duties and obligations of the Trustee, by any court of competent jurisdiction upon the application of the County or the Holders of not less than a majority in aggregate principal amount of the Certificates Outstanding. Upon any such removal of the Trustee, the Trustee, by appropriate documentation, shall transfer all right, title and interest it may have as Trustee under the Trust Agreement

and under the Funding Agreement to the successor Trustee. Removal of the Trustee shall take effect immediately upon (i) the appointment of a new Trustee and (ii) upon acceptance by the new Trustee of the trusts created and the duties of the Trustee under the Trust Agreement and under the Funding Agreement.

***Appointment of Successor Trustee; Qualifications of Trustee (Section 8.11.)***

If at any time the Trustee shall resign, be removed, be dissolved or otherwise become incapable of acting, or the bank or trust company acting as the Trustee shall be taken over by a governmental official, agency, department or board, the position of Trustee shall thereupon become vacant. If the position of Trustee shall become vacant for any of the foregoing reasons or for any other reason, the County shall appoint a successor Trustee to fill such vacancy and shall mail notice of any such appointment to the Trustee and the Holders.

At any time within one year after any such vacancy shall have occurred, the Holders of not less than a majority in aggregate principal amount of the Certificates Outstanding, by an instrument or concurrent instruments in writing, executed by such Holders and filed with the County may appoint a successor Trustee, which appointment shall supersede any appointment theretofore made by the County. Copies of each such instrument shall be delivered promptly by the County to the predecessor Trustee and the Trustee so appointed by the Holders.

If no appointment of a successor Trustee shall be made, the Holders of not less than a majority in aggregate principal amount of the Certificates outstanding or any retiring Trustee may apply to any court of competent jurisdiction to appoint a successor Trustee. Such court may thereupon, after such notice, if any, as such court may deem proper, appoint a successor Trustee.

Any successor Trustee appointed under the provisions of the Trust Agreement shall (i) be a commercial bank or trust company duly authorized to exercise corporate trust powers and subject to examination by federal or state authority, of good standing and having a combined capital and surplus aggregating not less than \$50,000,000; and (ii) have, in the opinion of the County, substantial prior experience as a trustee for the benefit of municipal bondholders or certificate holders if such a bank or trust company is available and willing to assume the position of successor Trustee upon reasonable and customary terms. If the Trustee has or shall acquire any conflicting interest, it shall, within ninety (90) days after ascertaining that it has such conflicting interest, either eliminate such conflicting interest or resign and thereby become discharged from the trusts thereby created by giving notice as provided in the Trust Agreement, such resignation to become effective immediately upon the appointment of a successor Trustee and such successor Trustee's acceptance of such appointment. The Trustee shall be deemed to have a conflicting interest if such interest is a conflicting interest within the meaning of Section 310(b)(1) to (9), inclusive, of the Trust Indenture Act of 1939, as amended.

***Liability of Trustee (Section 8.14.)***

Except as expressly provided in the Trust Agreement, the Trustee shall have no obligation or liability to the Holders with respect to the payment of the Contract Payments when due, or with respect to the performance by the County of any other covenant made by the County in the Funding Agreement. The Trustee shall be under no liability to any person for interest earned on any money received by it for deposit in the Certificate Fund. Any money deposited with the Trustee for the payment of the principal, premium (if any) or interest on the Certificates and remaining unclaimed for five (5) years after the Certificate has become due and payable, will be paid by the Trustee to the County, and the Holder of such Certificate shall thereafter look only to the County for payment thereof, and all liability of the Trustee with respect to such moneys shall thereupon cease. The Trustee shall in no event be liable to any Holder or Holders of any Certificate or any other person for any amount due on any Certificate from its own funds.

***Limited Liability of the County (Section 8.15.)***

The liability of the County is limited solely to its obligations under the Funding Agreement. No recourse shall be had for the payment of the principal or redemption price of and interest on any Certificate

or for any claims based thereon, on the Funding Agreement or on the Trust Agreement against any officer, official, council member, employee or agent of Montgomery County, Maryland, all such liability, if any, being expressly waived and released by every Holder of a Certificate by the acceptance of such Certificate.

***Supplemental Trust Agreements and Modification to Trust Agreement (Sections 10.01. and 10.02.)***

Without the consent of the Holders, the County and the Trustee may from time to time, and at any time, enter into such supplemental trust agreements as shall not be inconsistent with the terms and provisions hereof, which supplemental trust agreements shall thereafter form a part thereof:

(a) to cure any ambiguity or formal defect or omission or to correct any inconsistent provisions in the Trust Agreement or in any supplemental trust agreement;

(b) to grant to or confer upon the Trustee or the Holders any additional rights, remedies, powers, authority or security that may lawfully be granted to or conferred upon the Trustee or the Holders;

(c) to authorize the issuance of Additional Certificates; or

(d) to make any other change in the Trust Agreement that, in the opinion of the County and the Trustee, shall not prejudice in any material respect the rights of the Holders of Certificates Outstanding at the date as of which such change shall become effective.

Not less than thirty (30) days prior to the execution of any supplemental trust agreement for any of the purposes indicated above, the Trustee shall cause a notice of the proposed execution of such supplemental trust agreement to be mailed, postage prepaid, to all Holders at their addresses as they appear on the registration books. Such notice shall briefly set forth the nature of the proposed supplemental trust agreement and shall state that copies thereof are on file at the principal corporate trust office of the Trustee for inspection by all Holders.

Subject to the terms and provisions of the Trust Agreement, Holders of not less than a majority in aggregate principal amount of the Certificates Outstanding shall have the right from time to time, anything contained in the Trust Agreement to the contrary notwithstanding, to consent to and approve the execution by the County and the Trustee of a supplemental trust agreement for the purpose of modifying, altering, amending, adding to or rescinding, any of the terms or provisions contained in the Trust Agreement or in any supplemental trust agreement; provided, however, that nothing therein contained shall permit or be construed as permitting:

(a) a preference or priority of any Certificate or Certificates over any other Certificate or Certificates;

(b) a change in the interest rates, payment terms or payment dates of any of the Certificates;

(c) a reduction in the aggregate principal amount of the Certificates without the consent of the holders of such Certificates; or

(d) the adoption of a provision in any supplemental trust agreement which increases the obligations of the County under the Funding Agreement.

If the Holders of not less than a majority in aggregate principal amount of the Certificates at the time of the execution of such supplemental trust agreement shall have consented to and approved the execution thereof as therein provided, no Holder shall have any right to object to the execution of such supplemental trust agreement, or to object to any of the terms and provisions contained therein or the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Trustee or the County from executing the same or from taking any action pursuant to the provisions thereof.

### ***Defaults and Remedies (Article XI)***

The occurrence of an Event of Default (as such term is defined in the Funding Agreement) under the Funding Agreement constitutes an Event of Default under the Trust Agreement.

The failure by the Trustee to receive from the County sufficient amounts (in funds satisfactory to the Trustee) to pay the principal or redemption price of or interest on the Certificates when due or to redeem Certificates on any date fixed for redemption of Certificates, or the failure by the Trustee to pay (the County having deposited sufficient funds with the Trustee for such payment) to the Holders the interest on or principal of any Certificate when due, are also declared to be and constitute Events of Default under the Trust Agreement.

Upon the occurrence and continuance of an Event of Default, subject to any applicable cure period as set forth in the Funding Agreement, the Trustee may, and shall, upon written request of the Holders of not less than a majority in aggregate principal amount of the Certificates then outstanding, declare the principal amount of and accrued interest on the Certificates due and payable; subject, however, to the condition that after the principal of and accrued interest on the Certificates shall have been so declared to be due and payable, the Trustee may, and shall, upon the written request of the Holders of not less than a majority in aggregate principal amount of the Certificates then Outstanding, waive such Event of Default and rescind and annul such declaration and its consequences by written notice to the County; provided that no such waiver, rescission and annulment shall extend to or affect any subsequent Event of Default or impair any right or remedy consequent thereon and provided further that an Event of Default based on the nonpayment of interest on or principal of a Certificate may not be waived without the written consent of the Holders of all Certificates then Outstanding.

The Trustee may, in its discretion, enforce each and every right or remedy granted to it, in its capacity as the Bank, pursuant to the Funding Agreement.

Upon the happening of any Event of Default, the Trustee may, and shall, upon the written request of the Holders of not less than a majority in aggregate principal amount of the Certificates then Outstanding and receipt of indemnity to its satisfaction: (a) by mandamus, or other suit, action or proceeding at law or in equity, enforce all rights of the Holders and require the County to carry out any agreements with or for the benefit of the Holders and to perform its duties under the Funding Agreement and the Trust Agreement; (b) bring suit against the County upon the Funding Agreement; (c) by action or suit in equity enjoin any acts or things which may be unlawful or in violation of the rights of the Holders; (d) intervene in proceedings involving the rights of the Bank, the Trustee or the Holders; or (e) exercise any other rights or remedies now or hereafter existing at law or in equity including, without implied limitation, the rights and remedies of the Trustee as the Bank under the Funding Agreement.

No Holder shall have any right to institute any suit, action or proceeding in equity or at law for the execution of any trust, or any other remedy under the Trust Agreement or on the Certificates, unless (a) such Holder previously shall have given to the Trustee written notice of a continuing Event of Default; (b) the Holders of not less than a majority in aggregate principal amount of the Certificates then outstanding shall have made written request of the Trustee so to do, after the right to exercise such powers or rights of action, as the case may be, shall have accrued, and shall have afforded the Trustee a reasonable opportunity either to proceed to exercise the powers granted, or to institute such action, suit or proceeding in its or their name; (c) there shall have been offered to the Trustee security and indemnity satisfactory to it against the costs, expenses (including counsel fees) and liabilities to be incurred therein or thereby; and (d) the Trustee shall not have complied with such request within a reasonable time. Such notification, request and offer of indemnity are thereby declared in every such case, at the option of the Trustee, to be conditions precedent to the execution of the trusts of the Trust Agreement or for any other remedy; it being understood and intended that no one or more Holders of the Certificates thereby secured shall have any right in any manner whatever by his, her or their action to affect, disturb or prejudice the security of the Trust Agreement, or to enforce any right under the Trust Agreement or under the Certificates, except in the manner therein provided, and that all proceedings at law or in equity shall be instituted, held and maintained in the manner therein provided and for the equal and ratable benefit of all Holders of Outstanding Certificates.

Nothing contained in the Trust Agreement shall, however, affect or impair the right of any Holder of Certificates to enforce the payment of the principal or redemption price of and the interest on any Certificate at and after the maturity thereof.

***Defeasance (Article XII)***

If the Trustee shall pay or cause to be paid the principal or redemption price of and interest on all of the Certificates, then the pledge of the Trust Estate and all other rights granted under the Trust Agreement to the Trustee or the Holders shall be discharged and satisfied. In such event, upon the request of the County, the Trustee shall execute and deliver to the County all such instruments as may be desirable to evidence such discharge and satisfaction, and the Trustee, without any request required, shall pay or deliver all moneys, securities and funds held by it pursuant to the Trust Agreement that are not required for the payment or redemption of Certificates not theretofore surrendered for such payment or redemption to the County or to such officer, board or body as may then be entitled by law to receive the same.

A Certificate shall be deemed to have been paid if (i) sufficient money for the payment of the principal or redemption price of and interest on such Certificate shall then be held by the Trustee (through deposit by the County of moneys for such payment or otherwise, regardless of the source of such moneys), whether at or prior to the maturity or the redemption date of such Certificates or (ii) if the maturity or redemption date of such Certificate shall not then have arrived, provision shall have been made for the payment of the principal or redemption price of and interest on such Certificate on the due dates for such payments, by deposit with the Trustee (or other method satisfactory to the Trustee) of Government Obligations, the principal of and the interest on which when due will provide sufficient moneys for such payment and the Trustee shall have given notice, at the expense of the County, by first class mail, postage paid, to all Holders at their addresses as they appear on the registration books maintained by the Trustee, that such moneys are so available for such payment; provided, however, that if any such Certificate is to be redeemed prior to the maturity thereof, provisions shall have been made for the giving of notice of such redemption.

Anything in the Trust Agreement to the contrary notwithstanding, any moneys held by the Trustee in trust for the payment and discharge of any of the Certificates that remain unclaimed for five (5) years after the date on which such Certificates became due and payable either at their stated maturity dates or by call for earlier redemption, if such moneys were held by the Trustee at such dates or for five (5) years after the date of deposit of such moneys if deposited with the Trustee after such date, shall, at the written request of the County Representative, be repaid by the Trustee to the County or to such officer, board or body as may then be entitled by law to receive such moneys, as its absolute property and free from trust, and the Trustee shall thereupon be released and discharged; provided, however, that, before being required to make any such payment, the Trustee may, at the expense of the County, give notice, by first class mail, postage paid, to all Holders at their addresses as they appear on the registration books maintained by the Trustee, that such moneys remain unclaimed and that, after a date named in such notice which date shall be not fewer than forty (40) nor more than ninety (90) days after the date of giving of such notice, the balance of such moneys then unclaimed shall be returned to the County.

## THE CERTIFICATES

### Authority for Issuance

The Certificates are to be issued pursuant to a Taxable Limited Obligation Certificate Trust Agreement (the “Original Trust Agreement”), as amended and supplemented by the First Supplemental Taxable Limited Obligation Certificate Trust Agreement and Supplemental Funding Agreement (the “First Supplemental Trust and Agreement”), the Second Supplemental Taxable Limited Obligation Certificate Trust Agreement and Supplemental Funding Agreement (the “Second Supplemental Trust and Agreement”), the Third Supplemental Taxable Limited Obligation Certificate Trust Agreement and Supplemental Funding Agreement (the “Third Supplemental Trust and Agreement”) and the Fourth Supplemental Taxable Limited Obligation Certificate Trust Agreement and Supplemental Funding Agreement (the “Fourth Supplemental Trust and Agreement” and, together with the First Supplemental Trust and Agreement, the Second Supplemental Trust and Agreement, the Third Supplemental Trust and Agreement and the Original Trust Agreement, the “Trust Agreement”) each between Montgomery County, Maryland (the “County”) and U.S. Bank National Association, as trustee (the “Trustee”) and the Bank (the “Bank”). The Certificates represent proportionate interests in a Funding Agreement (as amended by the First Supplemental Trust and Agreement, the Second Supplemental Trust and Agreement, the Third Supplemental Trust and Agreement and the Fourth Supplemental Trust and Agreement, the “Funding Agreement”) between the County and the Bank. The Funding Agreement requires the County to make periodic payments (the “Contract Payments”) in amounts sufficient to pay the scheduled debt service on the Certificates until the County shall pay the principal of and premium, if any, and interest on the Certificates. Payment by the County of amounts owed under the Funding Agreement, including the Contract Payments, is dependent on the appropriation in each year by the County Council of the County (the “County Council”) of funds sufficient for such purpose. The County expects that amounts owed under the Funding Agreement, including the Contract Payments, will be appropriated and paid by the County.

### Security

**The Certificates, and the interest on them, are limited obligations of the County. The principal or redemption price of and the interest on the Certificates shall be payable solely from the Contract Payments and other funds pledged for the payment thereof under the Trust Agreement. All amounts payable by the County under the Funding Agreement, including the Contract Payments, are subject in each year to appropriation by the County Council. The County Council is under no obligation to make any appropriation with respect to the Funding Agreement. The Funding Agreement is not a general obligation of the County and shall never constitute an indebtedness of the County within the meaning of any constitutional or statutory limitation or a charge against the general credit or taxing power of the County.**

### Use of Proceeds

The proceeds of the Certificates will be used as described in the Preliminary Official Statement for the Certificates. See the Preliminary Official Statement under the caption “Description of Projects and Refunding”.

### Description of the Certificates

The Certificates will be issued in fully registered form in denominations of \$5,000 or integral multiples thereof, will be dated the anticipated date of delivery (the “Dated Date”) set forth in the Bidding Parameters Table, and will bear interest from the Dated Date until paid or duly called for redemption at the annual rate or rates specified by the successful bidder, subject to the limitations specified below, payable as shown on the Bidding Parameters Table. Interest will be computed on the basis of a 360-day year of twelve 30-day months and will be rounded pursuant to the rules of the Municipal Securities Rulemaking Board (“MSRB”).

The Certificates will mature on the month and day, in the years and principal amounts shown in the Principal Amortization Schedule, subject in each case to adjustment to the extent permitted in this Official Notice of Sale. See “Adjustments of Amounts and Maturities.”

## **Book-Entry Only**

The Certificates will be issued in fully registered, book-entry only form and a certificate for each maturity will be issued to The Depository Trust Company, New York, New York (“DTC”), registered in the name of its nominee, Cede & Co., and immobilized in its custody. A book-entry system will be employed, evidencing ownership of the Certificates, with transfers of ownership effected on the records of DTC and its participants pursuant to rules and procedures adopted by DTC and its participants. The successful bidder, as a condition to delivery of the Certificates, will be required to deposit the certificates with DTC, registered in the name of Cede & Co. Principal of, premium, if any, and interest on the Certificates will be payable by the Trustee by wire transfer or in clearinghouse funds to DTC or its nominee as registered owner of the Certificates. Transfer of principal, premium, if any, and interest payments to the beneficial owners by participants of DTC will be the responsibility of such participants and other nominees of beneficial owners. Neither the County nor the Trustee will be responsible or liable for payments by DTC to its participants or by DTC participants to beneficial owners or for maintaining, supervising or reviewing the records maintained by DTC, its participants or persons acting through such participants. The successful bidder will be required to furnish to DTC within seven days after the sale the customary underwriter’s questionnaire and information as to each DTC participant and the Certificates to be held for it. See the Preliminary Official Statement for more information regarding DTC.

## **Redemption**

Certificates that mature on or before November 1, 2029 are not subject to redemption prior to their respective maturities. Certificates that mature on or after November 1, 2030 are subject to redemption beginning November 1, 2029 as a whole or in part at any time thereafter, in any order of their maturities, at the option of the County, at a redemption price for each Certificate equal to the principal amount of the Certificate to be redeemed, together with interest accrued to the date fixed for redemption, without premium.

## **Adjustment of Amounts and Maturities**

Prior to the Sale Date, the County may cancel the sale of the Certificates or adjust the aggregate principal amount and the principal amount of any maturity of the Certificates. The preliminary aggregate principal amount of the Certificates and the preliminary principal amount of each annual payment on the Certificates as set forth in this Official Notice of Sale (the “Preliminary Aggregate Principal Amount” and the “Preliminary Principal Amount”, and collectively the “Preliminary Amounts”) may be revised before the receipt and opening of the bids for their purchase. **ANY SUCH REVISIONS MADE PRIOR TO THE OPENING OF THE BIDS** (the “Revised Aggregate Principal Amount” and the “Revised Principal Amount”, and collectively the “Revised Amounts”) **WILL BE PUBLISHED ON THOMSON REUTERS MUNICIPAL MARKET MONITOR (“TM3”) (www.tm3.com) NOT LATER THAN 9:30 A.M., PREVAILING EASTERN TIME ON THE DAY OF THE SALE FOR THE CERTIFICATES.**

In the event that no such revisions are made, the Preliminary Amounts will constitute the Revised Amounts. Bidders shall submit bids based on the Revised Amounts and the Revised Amounts will be used to compare bids and select a successful bidder.

After the receipt and opening of the bids for their purchase, the County may reject the bids for the Certificates or adjust the aggregate principal amount and the principal amount of each maturity of the Certificates; provided that such adjustments are within the limitations set forth in the Bidding Parameters Table, calculated based on the applicable bid amount. The County will consult with the successful bidder before adjusting the amount of any maturity of the Certificates or canceling the sale of the Certificates; however, the County reserves the sole right to make adjustments, within the limits described above, or to cancel the sale of the Certificates. The County intends to notify the successful bidder, if any, of any adjustments made after the opening of the bids promptly and in any event not later than eight (8) hours after the bid opening unless waived by the successful bidder. Adjustments within the limits described above will not relieve the successful bidder from its obligation to purchase all of the Certificates offered by the County, assuming the County has satisfied all other conditions of this Official Notice of Sale.

If the principal amount of any maturity of the Certificates is adjusted after the award, the interest rate and reoffering price (as a percentage of the adjusted principal) for each maturity and the Underwriter's Discount, per \$1,000 of par amount of the Certificates, as submitted by the successful bidder shall be held constant. The "Underwriter's Discount" shall be defined as the difference between the purchase price of the Certificates submitted by the bidder and the price at which the Certificates will be issued to the public, calculated from information provided by the bidder, divided by the par amount of the Certificates bid.

### **Change or Cancellation of Sale Date and/or Date of Delivery**

The County may cancel or postpone the sale of the Certificates prior to the Sale Date. Notice of a cancellation or postponement will be announced via the Thomson Municipal News wire at [www.tm3.com](http://www.tm3.com) not later than 4:00 pm, prevailing Eastern Time, on the business day immediately preceding the bid opening. Such notice will specify the revised principal amount or other revised feature, if any, and any later date selected for the sale, which may be postponed or cancelled in the same manner. If the sale is postponed, a later public sale may be held at the hour and place and on such date as communicated on at least twenty-four (24) hours notice via the Thomson Municipal News wire at [www.tm3.com](http://www.tm3.com).

The County may change the scheduled delivery date for the Certificates by notice given in the same manner as that set forth above.

### **Preliminary Official Statement; Continuing Disclosure**

The County has deemed the Preliminary Official Statement to be final as of its date for purposes of Rule 15c2-12 of the United States Securities and Exchange Commission (the "SEC"), except for the omission of certain information permitted to be omitted by said rule. The County agrees to deliver to the successful bidder for its receipt no later than seven business days after the date of sale of the Certificates an electronic copy of the final official statement. The County will deliver hard copies of the final official statement at the successful bidder's expense.

The County has made certain covenants for the benefit of the holders from time to time of the Certificates to provide certain continuing disclosure, in order to assist bidders for the Certificates in complying with Rule 15c2-12(b)(5) of the SEC. Such covenants are described in the Preliminary Official Statement.

Each bid must be unconditional and received by PARITY® before the Sale Time set forth in the Bidding Parameters Table. No proposal to purchase the Certificates may be withdrawn after the deadline set for receiving bids. Prior to the deadline set for receiving bids, an eligible prospective bidder may, subject to any limitations which may be imposed by PARITY®, modify the proposed terms of its bid in which event the proposed terms last modified will constitute its bid for Certificates. At the deadline stated above for receiving bids, the bidding process will close and each bid shall then constitute an irrevocable offer to purchase the Certificates on the terms provided in the bid and this Official Notice of Sale.

#### ***Eligibility to Bid***

All prospective bidders shall be solely responsible for making necessary arrangements to access PARITY® for purposes of submitting such bidder's bid in a timely manner and in compliance with the requirements of the County pursuant to this Official Notice of Sale. The County shall have no duty or obligation to provide or assure such access to any bidder. Without limiting the generality of the foregoing, bidders submitting an electronic proposal must fulfill any requirements of the bidding service provider, if any, over and above the requirements of the County set forth in this Official Notice of Sale. Each bidder may contact BiDCOMP for further information regarding its services.

### ***Form of Bid, Interest Rates and Bid Prices***

All bids must conform to the requirements of this Official Notice of Sale. Bidders must bid to purchase all maturities of the Certificates. No bid will be considered which does not offer to purchase all of the Certificates. Each bid must specify (i) an annual rate of interest for each maturity, (ii) a reoffering price or yield for each maturity, and (iii) a dollar purchase price for the entire issue of the Certificates.

A bidder must specify the rate or rates of interest per annum per maturity, which the Certificates are to bear, to be expressed in the coupon rate multiples set forth in the Bidding Parameters Table. Any number of interest rates may be named, but the Certificates of each maturity must bear interest at the same single rate for all Certificates of that maturity.

Each bid for the Certificates must meet the minimum and maximum coupon and pricing criteria shown in the Bidding Parameters Table on a maturity and aggregate basis. Reoffering prices presented as a part of the bids will not be used in computing the bidders' true interest cost. As promptly as reasonably possible after bids are received, the County will notify each successful bidder that it is an apparent winner.

### ***Disclaimer***

The use of PARITY<sup>®</sup> electronic bidding shall be at the bidder's risk and expense, and the County shall have no liability with respect thereto. The County is using electronic bidding as a communications medium and solely as a courtesy to prospective bidders. PARITY<sup>®</sup> is not acting as the County's agent. The County shall assume no responsibility or liability for bids submitted through such electronic bidding service provider. The County shall not be responsible for proper operation of, or have any liability for, any delays or interruptions of, or any damages caused by, the approved provider's service. Without limiting the generality of the foregoing disclaimers, the County does not assume responsibility for any communications or negotiations between bidders and any electronic bidding service provider, or for any failure of such a provider to accurately or timely submit any electronic proposal.

*Each electronic bid submitted via PARITY<sup>®</sup> shall be deemed an offer, in response to this Official Notice of Sale, and shall be binding on the bidder as if made by a signed, sealed bid delivered to the County.*

Any electronic proposals shall be deemed to be submitted with the intent to incorporate all of the provisions of this Official Notice of Sale. If any provision of this Official Notice of Sale conflicts with information provided by PARITY<sup>®</sup>, this Official Notice of Sale shall control. The County is not bound by any advice or determination of PARITY<sup>®</sup> as to whether any bid complies with the terms of this Official Notice of Sale. The time as maintained by PARITY<sup>®</sup> shall constitute the official time with respect to all bids submitted.

### **Award of Bid**

The County expects to award the Certificates to the successful bidder or bidders on the Sale Date. It is anticipated that all bids will be reviewed by the Director of Finance of the County at the time stated above and will be acted on following the opening, tabulation and verification of the bids received. The decision as to the award of the Certificates will be final. Bids may not be withdrawn prior to the award.

The Certificates will be awarded by the County on the Sale Date to the bidder or bidders whose bid complies with this Official Notice of Sale and results in the lowest true interest cost to the County. The lowest true interest cost will be determined in accordance with the True Interest Cost ("TIC") method by doubling the semi-annual interest rate, compounded semi-annually, necessary to discount the debt service payments from the payment dates to the Dated Date of the Certificates and to the aggregate purchase price of the Certificates. If two or more bidders offer to purchase the Certificates at the same lowest TIC, such Certificates may be apportioned between such bidders if it is agreeable to each of the bidders who have offered the price producing the same lowest TIC; provided, that if apportionment is not acceptable to such bidders, the County will have the right to award such Certificates to one of such bidders.

### **Right of Rejection**

The County expressly reserves the right (i) to waive any informalities, (ii) to reject all bids, any incomplete bid or any bid not fully complying with all of the requirements set forth herein, and (iii) to solicit new bids

or proposals for the sale of the Certificates or otherwise provide for the public sale of the Certificates if all bids are rejected or the successful bidder defaults, including, without limitation, sale of the Certificates to one or more of the losing or rejected bidders without regard to their original bid or its relationship to any other bid.

### **Delivery and Payment**

Delivery of the Certificates will be made by the Trustee under the direction of the County to DTC in book-entry only form, in New York, New York on or about the Dated Date, or on or about such other date as may be agreed on by the County and the successful bidder.

At the time of delivery of the Certificates, payment of the amount due for the Certificates must be made by the successful bidder to the order of the County immediately available in federal funds or other funds immediately available to the County, or by such other means as may be acceptable to the Director of Finance of the County. Any expense incurred in providing immediately available funds, whether by transfer of federal funds or otherwise, shall be borne by the successful bidder.

### **Good Faith Deposit**

A Good Faith Deposit in the amount of \$574,650 is only required of the successful bidder. The successful bidder for the Certificates is required to submit such Good Faith Deposit payable to the order of the County in the form of a wire transfer in federal funds as instructed by the County's Financial Advisor, PFM Financial Advisors LLC. The successful bidder shall submit the Good Faith Deposit not more than two hours after verbal award is made. The successful bidder should provide as quickly as it is available, evidence of wire transfer by providing the County the federal funds reference number. If the Good Faith Deposit is not received in the time allotted, the bid of the successful bidder may be rejected and the County may direct the next lowest bidder to submit a Good Faith Deposit and thereafter may award the sale of the Certificates to the same. If the successful bidder fails to comply with the Good Faith Deposit requirement as described herein, that bidder is nonetheless obligated to pay to the County the sum of \$574,650 as liquidated damages due to the failure of the successful bidder to timely deposit the Good Faith Deposit.

***Submission of a bid to purchase the Certificates serves as acknowledgement and acceptance of the terms of the Good Faith Deposit requirement.***

The Good Faith Deposit so wired will be retained by the County until the delivery of the Certificates, at which time the Good Faith Deposit will be applied against the purchase price of the Certificates or the Good Faith Deposit will be retained by the County as partial liquidated damages in the event of the failure of the successful bidder to take up and pay for such Certificates in compliance with the terms of this Official Notice of Sale and of its bid. No interest on the Good Faith Deposit will be paid by the County. The balance of the purchase price must be wired in federal funds to the account detailed in the closing memorandum, simultaneously with delivery of the Certificates.

### **CUSIP Numbers; Expenses of the Bidder**

CUSIP identification numbers will be applied for by the County's Financial Advisor, PFM Financial Advisors LLC, with respect to the Certificates, but the County will assume no obligation for the assignment or printing of such numbers on the Certificates or the correctness of such numbers, and neither the failure to print such numbers on any Certificate nor any error with respect thereto shall constitute cause for a failure or refusal by the successful bidder to accept delivery of and pay for the Certificates in accordance with the terms of this Notice of Sale.

All charges of DTC and all other expenses of the successful bidder will be the responsibility of the successful bidder for the Certificates.

### **Reoffering Prices and Certificate**

The successful bidder shall make a bona fide public offering of all of the Certificates and shall represent to the County that such reoffering is in compliance with all applicable securities laws of the jurisdictions in which such Certificates are offered. **Within 30 minutes after being notified of the tentative award of the Certificates, the successful bidder shall advise the County in writing (via facsimile or e-mail**

transmission) to Geoffrey Stewart at [StewartG@pfm.com](mailto:StewartG@pfm.com) or Cailin Nappi at [nappic@pfm.com](mailto:nappic@pfm.com) of the initial public offering prices of the Certificates. The County will review the initial public offering prices for compliance with applicable securities laws prior to final confirmation of the award.

#### **Tax Status, Legal Opinions, Closing Documents and No Litigation**

The approving legal opinion of McKennon Shelton & Henn LLP, Baltimore, Maryland, Special Counsel, will be furnished without cost to purchasers of the Certificates. A summary description of the tax treatment of the Certificates is contained in the Preliminary Official Statement under the heading "Tax Matters." The proposed form of legal opinion of Special Counsel is attached as Appendix A to the Preliminary Official Statement.

## THE CERTIFICATES

### Authority for Issuance

The Certificates are to be issued pursuant to a Taxable Limited Obligation Certificate Trust Agreement (the “Original Trust Agreement”), as amended and supplemented by the First Supplemental Taxable Limited Obligation Certificate Trust Agreement and Supplemental Funding Agreement (the “First Supplemental Trust and Agreement”), the Second Supplemental Taxable Limited Obligation Certificate Trust Agreement and Supplemental Funding Agreement (the “Second Supplemental Trust and Agreement”), the Third Supplemental Taxable Limited Obligation Certificate Trust Agreement and Supplemental Funding Agreement (the “Third Supplemental Trust and Agreement”) and the Fourth Supplemental Taxable Limited Obligation Certificate Trust Agreement and Supplemental Funding Agreement (the “Fourth Supplemental Trust and Agreement” and, together with the First Supplemental Trust and Agreement, the Second Supplemental Trust and Agreement, the Third Supplemental Trust and Agreement and the Original Trust Agreement, the “Trust Agreement”) each between Montgomery County, Maryland (the “County”) and U.S. Bank National Association, as trustee (the “Trustee”) and the Bank (the “Bank”). The Certificates represent proportionate interests in a Funding Agreement (as amended by the First Supplemental Trust and Agreement, the Second Supplemental Trust and Agreement, the Third Supplemental Trust and Agreement and the Fourth Supplemental Trust and Agreement, the “Funding Agreement”) between the County and the Bank. The Funding Agreement requires the County to make periodic payments (the “Contract Payments”) in amounts sufficient to pay the scheduled debt service on the Certificates until the County shall pay the principal of and premium, if any, and interest on the Certificates. Payment by the County of amounts owed under the Funding Agreement, including the Contract Payments, is dependent on the appropriation in each year by the County Council of the County (the “County Council”) of funds sufficient for such purpose. The County expects that amounts owed under the Funding Agreement, including the Contract Payments, will be appropriated and paid by the County.

### Security

**The Certificates, and the interest on them, are limited obligations of the County. The principal or redemption price of and the interest on the Certificates shall be payable solely from the Contract Payments and other funds pledged for the payment thereof under the Trust Agreement. All amounts payable by the County under the Funding Agreement, including the Contract Payments, are subject in each year to appropriation by the County Council. The County Council is under no obligation to make any appropriation with respect to the Funding Agreement. The Funding Agreement is not a general obligation of the County and shall never constitute an indebtedness of the County within the meaning of any constitutional or statutory limitation or a charge against the general credit or taxing power of the County.**

### Use of Proceeds

The proceeds of the Certificates will be used as described in the Preliminary Official Statement for the Certificates. See the Preliminary Official Statement under the caption “Description of Projects and Refunding”.

### Description of the Certificates

The Certificates will be issued in fully registered form in denominations of \$5,000 or integral multiples thereof, will be dated the anticipated date of delivery (the “Dated Date”) set forth in the Bidding Parameters Table, and will bear interest from the Dated Date until paid or duly called for redemption at the annual rate or rates specified by the successful bidder, subject to the limitations specified below, payable as shown on the Bidding Parameters Table. Interest will be computed on the basis of a 360-day year of twelve 30-day months and will be rounded pursuant to the rules of the Municipal Securities Rulemaking Board (“MSRB”).

The Certificates will mature on the month and day, in the years and principal amounts shown in the Principal Amortization Schedule, subject in each case to adjustment to the extent permitted in this Official Notice of Sale. See “Adjustments of Amounts and Maturities.”

## **Book-Entry Only**

The Certificates will be issued in fully registered, book-entry only form and a certificate for each maturity will be issued to The Depository Trust Company, New York, New York (“DTC”), registered in the name of its nominee, Cede & Co., and immobilized in its custody. A book-entry system will be employed, evidencing ownership of the Certificates, with transfers of ownership effected on the records of DTC and its participants pursuant to rules and procedures adopted by DTC and its participants. The successful bidder, as a condition to delivery of the Certificates, will be required to deposit the certificates with DTC, registered in the name of Cede & Co. Principal of, premium, if any, and interest on the Certificates will be payable by the Trustee by wire transfer or in clearinghouse funds to DTC or its nominee as registered owner of the Certificates. Transfer of principal, premium, if any, and interest payments to the beneficial owners by participants of DTC will be the responsibility of such participants and other nominees of beneficial owners. Neither the County nor the Trustee will be responsible or liable for payments by DTC to its participants or by DTC participants to beneficial owners or for maintaining, supervising or reviewing the records maintained by DTC, its participants or persons acting through such participants. The successful bidder will be required to furnish to DTC within seven days after the sale the customary underwriter’s questionnaire and information as to each DTC participant and the Certificates to be held for it. See the Preliminary Official Statement for more information regarding DTC.

## **Redemption**

The Certificates are not subject to optional redemption prior to their respective maturities.

## **Adjustment of Amounts and Maturities**

Prior to the Sale Date, the County may cancel the sale of the Certificates or adjust the aggregate principal amount and the principal amount of any maturity of the Certificates. The preliminary aggregate principal amount of the Certificates and the preliminary principal amount of each annual payment on the Certificates as set forth in this Official Notice of Sale (the “Preliminary Aggregate Principal Amount” and the “Preliminary Principal Amount”, and collectively the “Preliminary Amounts”) may be revised before the receipt and opening of the bids for their purchase. **ANY SUCH REVISIONS MADE PRIOR TO THE OPENING OF THE BIDS** (the “Revised Aggregate Principal Amount” and the “Revised Principal Amount”, and collectively the “Revised Amounts”) **WILL BE PUBLISHED ON THOMSON REUTERS MUNICIPAL MARKET MONITOR (“TM3”) (www.tm3.com) NOT LATER THAN 9:30 A.M., PREVAILING EASTERN TIME ON THE DAY OF THE SALE FOR THE CERTIFICATES.**

In the event that no such revisions are made, the Preliminary Amounts will constitute the Revised Amounts. Bidders shall submit bids based on the Revised Amounts and the Revised Amounts will be used to compare bids and select a successful bidder.

After the receipt and opening of the bids for their purchase, the County may reject the bids for the Certificates or adjust the aggregate principal amount and the principal amount of each maturity of the Certificates; provided that such adjustments are within the limitations set forth in the Bidding Parameters Table, calculated based on the applicable bid amount. The County will consult with the successful bidder before adjusting the amount of any maturity of the Certificates or canceling the sale of the Certificates; however, the County reserves the sole right to make adjustments, within the limits described above, or to cancel the sale of the Certificates. The County intends to notify the successful bidder, if any, of any adjustments made after the opening of the bids promptly and in any event not later than eight (8) hours after the bid opening unless waived by the successful bidder. Adjustments within the limits described above will not relieve the successful bidder from its obligation to purchase all of the Certificates offered by the County, assuming the County has satisfied all other conditions of this Official Notice of Sale.

If the principal amount of any maturity of the Certificates is adjusted after the award, the interest rate and reoffering price (as a percentage of the adjusted principal) for each maturity and the Underwriter's Discount, per \$1,000 of par amount of the Certificates, as submitted by the successful bidder shall be held constant. The "Underwriter's Discount" shall be defined as the difference between the purchase price of the Certificates submitted by the bidder and the price at which the Certificates will be issued to the public, calculated from information provided by the bidder, divided by the par amount of the Certificates bid.

### **Change or Cancellation of Sale Date and/or Date of Delivery**

The County may cancel or postpone the sale of the Certificates prior to the Sale Date. Notice of a cancellation or postponement will be announced via the Thomson Municipal News wire at [www.tm3.com](http://www.tm3.com) not later than 4:00 pm, prevailing Eastern Time, on the business day immediately preceding the bid opening. Such notice will specify the revised principal amount or other revised feature, if any, and any later date selected for the sale, which may be postponed or cancelled in the same manner. If the sale is postponed, a later public sale may be held at the hour and place and on such date as communicated on at least twenty-four (24) hours notice via the Thomson Municipal News wire at [www.tm3.com](http://www.tm3.com).

The County may change the scheduled delivery date for the Certificates by notice given in the same manner as that set forth above.

### **Preliminary Official Statement; Continuing Disclosure**

The County has deemed the Preliminary Official Statement to be final as of its date for purposes of Rule 15c2-12 of the United States Securities and Exchange Commission (the "SEC"), except for the omission of certain information permitted to be omitted by said rule. The County agrees to deliver to the successful bidder for its receipt no later than seven business days after the date of sale of the Certificates an electronic copy of the final official statement. The County will deliver hard copies of the final official statement at the successful bidder's expense.

The County has made certain covenants for the benefit of the holders from time to time of the Certificates to provide certain continuing disclosure, in order to assist bidders for the Certificates in complying with Rule 15c2-12(b)(5) of the SEC. Such covenants are described in the Preliminary Official Statement.

### **Electronic Bidding**

#### ***Procedures***

Only electronic bids submitted via PARITY® will be accepted. No other provider of electronic bidding services will be accepted. No bid delivered in person or by facsimile directly to the County will be accepted. Bidders are permitted to submit bids for the Certificates during the bidding time period, provided they are eligible to bid as described under "ELIGIBILITY TO BID" below.

Each bid must be unconditional and received by PARITY® before the Sale Time set forth in the Bidding Parameters Table. At the deadline stated above for receiving bids, the bidding process will close and each bid shall then constitute an irrevocable offer to purchase the Certificates on the terms provided in the bid and this Official Notice of Sale.

#### ***Eligibility to Bid***

All prospective bidders shall be solely responsible for making necessary arrangements to access PARITY® for purposes of submitting such bidder's bid in a timely manner and in compliance with the requirements of the County pursuant to this Official Notice of Sale. The County shall have no duty or obligation to provide or assure such access to any bidder. Each bidder may contact BiDCOMP for further information regarding its services.

### ***Form of Bid, Interest Rates and Bid Prices***

All bids must conform to the requirements of this Official Notice of Sale. Bidders must bid to purchase all maturities of the Certificates. No bid will be considered which does not offer to purchase all of the Certificates. Each bid must specify (i) an annual rate of interest for each maturity, (ii) a reoffering price or yield for each maturity, and (iii) a dollar purchase price for the entire issue of the Certificates.

A bidder must specify the rate or rates of interest per annum per maturity, which the Certificates are to bear, to be expressed in the coupon rate multiples set forth in the Bidding Parameters Table. Any number of interest rates may be named, but the Certificates of each maturity must bear interest at the same single rate for all Certificates of that maturity.

Each bid for the Certificates must meet the minimum and maximum coupon and pricing criteria shown in the Bidding Parameters Table on a maturity and aggregate basis. Reoffering prices presented as a part of the bids will not be used in computing the bidders' true interest cost. The decision as to the award of the Certificates will be final. Bids may not be withdrawn prior to the award.

The Certificates will be awarded by the County on the Sale Date to the bidder or bidders whose bid complies with this Official Notice of Sale and results in the lowest true interest cost to the County. ### **Delivery and Payment**

Delivery of the Certificates will be made by the Trustee under the direction of the County to DTC in book-entry only form, in New York, New York on or about the Dated Date, or on or about such other date as may be agreed on by the County and the successful bidder.

At the time of delivery of the Certificates, payment of the amount due for the Certificates must be made by the successful bidder to the order of the County immediately available in federal funds or other funds immediately available to the County, or by such other means as may be acceptable to the Director of Finance of the County. Any expense incurred in providing immediately available funds, whether by transfer of federal funds or otherwise, shall be borne by the successful bidder.

The successful bidder for the Certificates is required to submit such Good Faith Deposit payable to the order of the County in the form of a wire transfer in federal funds as instructed by the County's Financial Advisor, PFM Financial Advisors LLC. The successful bidder shall submit the Good Faith Deposit not more than two hours after verbal award is made. The successful bidder should provide as quickly as it is available, evidence of wire transfer by providing the County the federal funds reference number. If the Good Faith Deposit is not received in the time allotted, the bid of the successful bidder may be rejected and the County may direct the next lowest bidder to submit a Good Faith Deposit and thereafter may award the sale of the Certificates to the same. If the successful bidder fails to comply with the Good Faith Deposit requirement as described herein, that bidder is nonetheless obligated to pay to the County the sum of \$418,100 as liquidated damages due to the failure of the successful bidder to timely deposit the Good Faith Deposit.

***Submission of a bid to purchase the Certificates serves as acknowledgement and acceptance of the terms of the Good Faith Deposit requirement.***

The Good Faith Deposit so wired will be retained by the County until the delivery of the Certificates, at which time the Good Faith Deposit will be applied against the purchase price of the Certificates or the Good Faith Deposit will be retained by the County as partial liquidated damages in the event of the failure of the successful bidder to take up and pay for such Certificates in compliance with the terms of this Official Notice of Sale and of its bid. No interest on the Good Faith Deposit will be paid by the County. The balance of the purchase price must be wired in federal funds to the account detailed in the closing memorandum, simultaneously with delivery of the Certificates.

### ***CUSIP Numbers; Expenses of the Bidder***

CUSIP identification numbers will be applied for by the County's Financial Advisor, PFM Financial Advisors LLC, with respect to the Certificates, but the County will assume no obligation for the assignment or printing of such numbers on the Certificates or the correctness of such numbers, and neither the failure to print such numbers on any Certificate nor any error with respect thereto shall constitute cause for a failure or refusal by the successful bidder to accept delivery of and pay for the Certificates in accordance with the terms of this Notice of Sale.

All charges of DTC and all other expenses of the successful bidder will be the responsibility of the successful bidder for the Certificates.

### ***Reoffering Prices and Certificate***

The successful bidder shall make a bona fide public offering of all of the Certificates and shall represent to the County that such reoffering is in compliance with all applicable securities laws of the jurisdictions in which such Certificates are offered. **Within 30 minutes after being notified of the tentative award of the Certificates, the successful bidder shall advise the County in writing (via facsimile or e-mail**

transmission) to Geoffrey Stewart at [StewartG@pfm.com](mailto:StewartG@pfm.com) or Cailin Nappi at [nappic@pfm.com](mailto:nappic@pfm.com) of the initial public offering prices of the Certificates. The County will review the initial public offering prices for compliance with applicable securities laws prior to final confirmation of the award.

***Tax Status, Legal Opinions, Closing Documents and No Litigation***

The approving legal opinion of McKennon Shelton & Henn LLP, Baltimore, Maryland, Special Counsel, will be furnished without cost to purchasers of the Certificates. A summary description of the tax treatment of the Certificates is contained in the Preliminary Official Statement under the heading "Tax Matters." The proposed form of legal opinion of Special Counsel is attached as Appendix A to the Preliminary Official Statement.

## **APPENDIX E**

### **BOOK-ENTRY ONLY SYSTEM**

*The information contained in this Appendix E has been extracted from a schedule prepared by The Depository Trust Company (“DTC”) entitled “SAMPLE OFFERING DOCUMENT LANGUAGE DESCRIBING BOOK-ENTRY-ONLY ISSUANCE.” The County makes no representation as to the completeness or the accuracy of such information or as to the absence of material adverse changes in such information subsequent to the date hereof.*

#### **General**

DTC will act as securities depository for the Series 2021 Certificates. The Series 2021 Certificates will be issued as fully-registered securities registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Series 2021 Certificate will be issued for each maturity of the Series 2021 Certificates in principal amount equal to the aggregate principal amount of the Series 2021 Certificates of such maturity, and will be deposited with DTC.

DTC, the world’s largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC’s participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry-only transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at [www.dtcc.com](http://www.dtcc.com) and [www.dtc.org](http://www.dtc.org).

Purchases of Series 2021 Certificates under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2021 Certificates on DTC’s records. The ownership interest of each actual purchaser of each Series 2021 Certificate (“Beneficial Owner”) is in turn to be recorded on the Direct and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2021 Certificates are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Series 2021 Certificates, except in the event that use of the book-entry system for the Series 2021 Certificates is discontinued.

To facilitate subsequent transfers, all Series 2021 Certificates deposited by Direct Participants with DTC are registered in the name of DTC’s partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Series 2021 Certificates with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2021 Certificates; DTC’s records reflect only the identity of the Direct Participants to whose accounts such

Series 2021 Certificates are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Redemption notices shall be sent to DTC. If less than all of the Series 2021 Certificates within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Series 2021 Certificates unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the County as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Series 2021 Certificates are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal and interest payments and any premium on the Series 2021 Certificates will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the County or the Trustee, on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Direct and Indirect Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Direct or Indirect Participant and not of DTC, DTC's nominee, the Trustee or the County, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest or premium, if any, to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the County or its Trustee, disbursement of such payments to Direct Participants shall be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners shall be the responsibility of Direct and Indirect Participants.

#### ***Book-Entry-Only System — Miscellaneous***

The information in the Section "Book-Entry-Only System -- General" has been obtained from DTC. The County takes no responsibility for the accuracy or completeness thereof. The County will have no responsibility or obligations to DTC Participants or the persons for whom they act as nominees with respect to the payments to or the providing of notice to the DTC Participants, or the Indirect Participants, or Beneficial Owners. The County cannot and does not give any assurance that DTC Participants or others will distribute principal and interest payments paid to DTC or its nominees, as the registered owner, or any redemption or other notices, to the Beneficial Owners, or that they will do so on a timely basis or that DTC will serve and act in the manner described in this Official Statement.

#### ***Discontinuation of Book-Entry-Only System***

DTC may discontinue providing its services as securities depository with respect to the Series 2021 Certificates at any time by giving reasonable notice to the County. Under such circumstances, in the event that a successor securities depository is not obtained, Series 2021 Certificate certificates are required to be printed and delivered. The County may also decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, Series 2021 Certificate certificates will be printed and delivered.

In the event that the Book-Entry Only System is discontinued, the Series 2021 Certificates in fully certificated form will be issued as fully registered Series 2021 Certificates without coupons in the denomination of \$5,000 each or any integral multiple thereof. Such Series 2021 Certificates will be transferable only upon the registration books kept at the principal office of the Trustee, by the registered

owner thereof in person, or by an attorney duly authorized in writing, upon surrender thereof together with a written instrument of transfer in the form attached thereto and satisfactory to the Trustee, and duly executed by the registered owner or a duly authorized attorney. Within a reasonable time of such surrender, the County shall cause to be issued in the name of the transferee a new registered Series 2021 Certificate or Series 2021 Certificates of any of the authorized denominations in an aggregate principal amount equal to the principal amount of the Series 2021 Certificate surrendered and maturing on the same date and bearing interest at the same rate. The new Series 2021 Certificate or Series 2021 Certificates shall be delivered to the transferee only after due authentication by an authorized officer of the Trustee. The County may deem and treat the person in whose name a Series 2021 Certificate is registered as the absolute owner thereof for the purpose of receiving payment of or on account of the principal or redemption price thereof and interest due thereon and for all other purposes.

The Trustee shall not be required to transfer or exchange any Series 2021 Certificate after the mailing of notice calling such Series 2021 Certificate or portion thereof for redemption as previously described; provided, however, that the foregoing limitation shall not apply to that portion of a Series 2021 Certificate in excess of \$5,000 which is not being called for redemption.

Neither the County nor the Trustee will have any responsibility or obligation to Participants, to Indirect Participants or to any Beneficial Owner with respect to 1) the accuracy of any records maintained by DTC, any DTC Participant or any Indirect Participant; 2) the payment by DTC, any DTC Participant or any Indirect Participant of any amount with respect to the principal of or premium, if any, or interest on the Series 2021 Certificates; 3) any notice which is permitted or required to be given to holders; 4) any consent given by DTC or other action taken by DTC as holder; or 5) the selection by DTC, any DTC Participant or any Indirect Participant of any Beneficial Owner to receive payment in the event of partial redemption of Series 2021 Certificates.
