Upon the issuance of the Series 2022A Bonds, the total outstanding principal amount of the Bonds will be approximately \$225,013,000*.

NEITHER THE COMMONWEALTH, THE ISSUER, OR ANY OTHER MUNICIPAL CORPORATION, QUASIMUNICIPAL CORPORATION, SUBDIVISION, OR AGENCY OF THE COMMONWEALTH IS OBLIGATED TO PAY THE PRINCIPAL OF OR THE INTEREST ON THE BONDS. NO TAX FUNDS OR GOVERNMENTAL REVENUE MAY BE USED TO PAY THE PRINCIPAL OF OR THE INTEREST ON THE BONDS. NEITHER ANY OR ALL OF THE FAITH AND CREDIT NOR THE TAXING POWER OF THE COMMONWEALTH, THE

ISSUER, OR ANY OTHER MUNICIPAL CORPORATION, QUASI MUNICIPAL CORPORATION, SUBDIVISION, OR AGENCY THEREOF IS PLEDGED TO THE PAYMENT OF THE PRINCIPAL OF OR THE INTEREST ON THE BONDS.

Brief descriptions of the security for the Bonds, the Issuer and the Program are included in this Official Statement. THIS OFFICIAL STATEMENT AND ITS APPENDICES SHOULD BE READ IN THEIR ENTIRETY. Such descriptions do not purport to be comprehensive or definitive. All references herein to the Indenture and the Assistance Agreements are qualified in their entirety by reference to such documents, and references herein to the Bonds are qualified in their entirety by reference to the forms thereof included in the Indenture, and the information with respect thereto in the aforementioned documents, copies of all of which are available for inspection in the principal corporate trust office of the Trustee. Capitalized terms used herein shall have the meanings specified in the Indenture and the Assistance Agreements unless otherwise indicated.

SECURITY FOR THE SERIES 2022A BONDS

Pledge Under the Indenture

The Series 2022A Bonds are limited obligations of the Issuer payable solely from and secured, to the extent and as provided in the Indenture, by a pledge of: (1) all rights of the Issuer (other than Retained Rights) in the Assistance Agreements, including the right to receive, collect or claim any of the moneys, income, revenues, issues, profits and other amounts payable or receivable thereunder and to bring actions and proceedings thereunder or for the enforcement thereof; (2) all payments to be received by, or on behalf of, the Issuer from or in connection with the Assistance Agreements, together with all other Revenues, and all moneys and securities held by the Trustee in the Funds and Accounts established under the Indenture, together with investment earnings thereon as provided in the Indenture; and (3) any and all other property from time to time pledged or assigned as and for additional security under the Indenture by the Issuer to the Trustee.

Under the Indenture, the Issuer may lend and Governmental Agencies may borrow pursuant to Assistance Agreements entered into from time to time. Payments by the Governmental Agencies pursuant to the Assistance Agreements are designed to permit the Issuer to provide sufficient moneys to the Trustee to make the payments when due of principal of and interest on the Bonds, including the possible redemption of Bonds prior to maturity.

The Trustee may draw funds from the Debt Service Reserve Fund (the "Reserve Fund") of the Issuer to pay the principal of, and/or the interest on the Bonds in the event payments for the Loans are insufficient to pay bondholders. In the event the Issuer is required to withdraw moneys from the Reserve Fund to pay the principal of and interest on the Bonds and any other payments due from a Governmental Agency pursuant to its Assistance Agreement (the "Reserve Withdrawal"), the Governmental Agency shall pay to the Trustee, in each month, an amount equal to at least 1/12 of the Reserve Withdrawal, plus accrued interest thereon at the rate equal to the highest rate of interest paid by the investments making up the Reserve Fund until such Reserve Withdrawal has been

replenished. The Reserve Fund has not been drawn upon by the Issuer to pay principal of and/or interest on the Bonds or any other payments due from a Governmental Agency. As of the date of issuance of the Series 2022A Bonds it is anticipated that the value of the investments at maturity in the Reserve Fund is anticipated to be \$23,607,732.

Trustee

Under the Original Indenture, Fifth Third Bank served as Trustee and Paying Agent for the Bonds.

On December 29, 2003, a subsidiary of The Bank of New York Company, Inc. acquired substantially all of the corporate trust assets of Fifth Third Bank. In March 2004, The Bank of New York Trust Company, N.A., began serving as Trustee and Paying Agent on the Bonds. On August 30, 2004, pursuant to the terms of the Indenture, the Issuer by Resolution replaced The Bank of New York Trust Company, N.A., as Trustee and Paying Agent by appointing Regions Bank as Trustee and Paying Agent for all of the Bonds. Regions Bank assumed its duties as Trustee and Paying Agent on October 1, 2004.

THE BONDS

Liens Against the Program Revenues

The Bonds are secured by an assignment to the Trustee of all of the Issuer's interests in the Assistance Agreements and the revenues of the Program (other than Retained Rights).

Description of the Series 2022A Bonds

The Series 2022A Bonds will accrue interest from the date of issuance, payable on February 1 and August 1 of each year, beginning August 1, 2022, and will mature on February 1 in the years set forth on the inside front cover of this Official Statement. The Series 2022A Bonds will bear interest at the interest rate set forth on the inside front cover of this Official Statement.

Interest on the Series 2022A Bonds shall be computed on the basis of a 360-day year consisting of twelve 30-day months.

Denomination and Payment of Bonds

The Depository Trust Company ("DTC"), New York, New York, will act as securities depository for the Series 2022A Bonds. The Series 2022A Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as maybe requested by an authorized representative of DTC. One fully-registered Bond certificate will be issued for each maturity of the Series 2022A Bonds, in the aggregate principal amount of such maturity, and will be deposited with DTC. So long as the Series 2022A Bonds are held in the book-

entry only system, DTC (or a successor securities depository) or its nominee will be the registered owner or holder of the Series 2022A Bonds for all purposes of the Indenture, the Series 2022A Bonds and this Official Statement. See "Book-Entry Only System" below.

In the event that the Series 2022A Bonds are not held in a book-entry only system, the principal of and any premium on the Series 2022A Bonds will be payable when due to the persons in whose name the Series 2022A Bonds are registered (the "Holders") upon presentation and surrender thereof at the principal corporate trust office of the Trustee in Nashville, Tennessee. The principal of and premium, if any, and interest on the Bonds are payable in any coin or currency of the United States of America. The principal of and premium, if any, on the Bonds will be paid upon surrender thereof at the principal corporate trust office of the Trustee. Interest on each Series 2022A Bond shall be paid by check mailed on the Interest Payment Date to the Person who is the Owner thereof as shown on the Bond Register as of 5:00 p.m., Eastern Time, on the applicable Record Date, at the address of the Owner as it appears on the Record Date on the Bond Register. At the direction of an Owner of \$1,000,000 or more of Series 2022A Bonds, payments of interest shall be made by electronic transfer by the Trustee in immediately available funds to an account in the United States designated in writing by such Owner to the Trustee not less than five days prior to the Interest Payment Date.

The Series 2022A Bonds will be issued in fully registered form in the denomination of \$5,000 or any integral multiple of \$5,000 ("Authorized Denominations").

Registration, Transfer and Exchange

The Trustee shall maintain books (the "Bond Register") for the registration and for the transfer of the Bonds.

Upon surrender for registration or transfer of any Bond at the principal office of the Trustee, the Trustee shall authenticate and shall deliver a new Bond or Bonds in the same aggregate principal amount as the Bond surrendered. No transfer of any Bond shall be binding upon the Trustee unless made at such office and shown on the Bond Register. Unless and until the Trustee notifies the Bondowners in writing of any change of Trustee or of any change of the principal corporate trust office thereof, the Trustee's principal office shall be 150 Fourth Avenue North, Suite 1500, Nashville, Tennessee 37219, Attention: Corporate Trust Administration.

The Trustee shall not be required to exchange or transfer any Bond or portion thereof which has been called for redemption.

Book-Entry Only System

The following information about the book-entry only system applicable to the Bonds has been supplied by DTC. The Issuer, the Trustee or the Underwriter make no representations, warranties or guarantees with respect to its accuracy or completeness.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC's records. The ownership interest of each actual purchaser of each Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Bond documents. For example, Beneficial Owners of Bonds may wish to ascertain that the nominee holding the Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Bonds within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions, and dividend payments on the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Issuer or the Trustee, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Trustee, or the Issuer, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Issuer or the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Bonds at any time by giving reasonable notice to the Issuer or the Trustee. Under such circumstances, in the event that a successor depository is not obtained, Bond certificates are required to be printed and delivered.

The Issuer may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, Bond certificates will be printed and delivered to DTC.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the Issuer believes to be reliable, but the Issuer takes no responsibility for the accuracy thereof.

Redemption of the Series 2022A Bonds

Optional Redemption. The Series 2022A Bonds maturing on and prior to February 1, 2030, shall not be subject to redemption prior to maturity. The Series 2022A Bonds, maturing on or after February 1, 2031, are subject to redemption, in whole or in part, by the Issuer prior to their stated maturity, at any time falling on or after February 1, 2030 at a redemption price equal to 100% of the principal amount of the Series 2022A Bonds called for redemption, plus unpaid interest accrued to the date of redemption.

Extraordinary Optional Redemption. The Bonds shall be subject to redemption with Eligible Funds at the option and direction of the Issuer, as a whole or in part, at par plus accrued interest to the redemption date, on the 95th day after the date the Trustee receives written notice of the occurrence of any of the following events:

- (a) the Project (as defined in the Indenture) shall have been substantially damaged or destroyed to such extent that, in the opinion of the Governmental Agency filed with the Trustee and the Issuer, it is not practicable or economically feasible to rebuild, repair or restore the damaged property within a reasonable period of time and the Governmental Agency will be prevented from carrying out its normal operations for a period of at least six months, or
- (b) a portion of the Project shall have been substantially damaged or destroyed to such extent that, in the opinion of the Governmental Agency filed with the Trustee and the Issuer, it is not practicable or economically feasible to rebuild, repair or restore that portion of the Project so damaged; provided however, that the Bonds called for redemption pursuant to this subparagraph shall not be redeemed in whole but shall be redeemed in part with the amount of funds remaining from the receipt of any insurance proceeds, after the costs of any other such repairs or restorations shall have been made, or
- (c) title to or the temporary use of all or substantially all of the Project shall be taken under a valid and lawful exercise of the power of eminent domain such as results or is likely to result (in the reasonable opinion of the Governmental Agency), in the Governmental Agency being thereby prevented from carrying out its normal operations at the Project for a period of at least six consecutive months.

Notwithstanding anything herein to the contrary, no optional redemption or extraordinary optional redemption shall occur if such redemption shall lower any then existing rating on the bonds.

Notice and Effect of Call for Redemption. The Trustee shall give notice of redemption or mandatory tender by first class mail, postage prepaid, mailed not less than 25 nor more than 45 days prior to the redemption date to each Owner of Bonds to be redeemed or tendered at the address of such Owner appearing in the Bond Register, and also to the Bank, the Underwriter and such other Persons as the Issuer shall deem appropriate.

Neither the failure of any Owner to receive notice mailed as provided herein nor any defect in notice so mailed shall affect the validity of the proceedings for redemption or mandatory tender in accordance with the Indenture.

All notices of redemption or mandatory tender shall state:

- (i) the redemption date;
- (ii) the redemption price (including premium, if any);
- (iii) the name of the Bonds to be redeemed, the principal amount of Bonds to be redeemed, and, if less than all Outstanding Bonds are to be redeemed, the identification (and, in the case of partial redemption, the respective principal amounts) of the Bonds to be redeemed;
- (iv) the reason for the redemption;
- (v) that on the redemption date, the redemption price, as appropriate, of each such Bond will become due and payable, that interest on each such Bond shall cease to accrue on and after such date, and that each such Bond will be deemed to have been redeemed or purchased, as the case may be;
- (vi) the place or places where such Bonds must be surrendered for payment of the redemption price thereof; and
- (vii) such additional information as the Issuer or the Trustee shall deem appropriate.

In the case for an optional redemption or an extraordinary optional redemption pursuant to the Indenture, the notice of redemption may state (i) that it is conditioned upon the deposit of moneys, in an amount equal to the amount necessary to effect the redemption, with the Trustee no later than the redemption date or (ii) that the Issuer retains the right to rescind such notice on or prior to the scheduled redemption date (in either case, a "Conditional Redemption"), and such notice and optional or extraordinary redemption shall be of no effect if such moneys are not so deposited or if the notice is rescinded in writing, and disseminated to each Owner of the Bonds in accordance with the procedures set forth in the Indenture, no later than 7 days prior to the redemption date.

Notice of redemption having been given as aforesaid, the Bonds so to be redeemed shall become due and payable on the redemption date at the redemption price specified, and on and after such date (unless the Issuer shall default in the payment of the redemption price) such Bonds shall cease to bear interest. Upon surrender of any such Bond for redemption in accordance with such notice, such Bond shall be paid at the redemption price thereof.

No Interest After Redemption Date. Notice of redemption having been given as provided in the Indenture, the Bonds or portions thereof designated for redemption shall become due and payable on the date fixed for redemption and, unless the Issuer defaults in the payment of the principal thereof, such Bonds or portions thereof shall cease to bear interest from and after the date fixed for redemption whether or not such Bonds are presented and surrendered for payment on such date. If any Bond or portion thereof called for redemption is not so paid upon presentation and surrender thereof for redemption, such Bond or portion thereof shall continue to bear interest at the rate set forth thereon until paid or until due provision is made for the payment of same.

THE ISSUER

General

The Issuer, organized by governmental entities of the Commonwealth as a non-profit and non-stock corporation pursuant to Chapters 58 and 273 of the Kentucky Revised Statutes, is and acts as an agency and instrumentality for said Governmental Agencies. The Issuer was organized for the purpose of providing a source of funding for interim and permanent financing of public projects to be undertaken by communities throughout the Commonwealth.

The Act authorizes the Issuer to issue its notes and bonds in an unlimited aggregate amount in order to accomplish its public purpose of making Loans available to Governmental Agencies in order to assist in financing the acquisition and construction of Projects. The availability of such financing enables Governmental Agencies to consolidate separate financing transactions of relatively small amounts into a single financing transaction by the Issuer, thus resulting in increased participation by the investing public, centralized debt management and other economies. The Issuer expects to issue future series of notes and bonds regularly for the benefit of participating Governmental Agencies.

Governance

The governing body of the Issuer is a Board consisting of nine members. The eight members of the Board of Directors of the Kentucky Rural Water Association, Inc. (the "Association") and the Association's Executive Director constitute the Board of Directors of the Issuer. Five members of the Board of the Issuer constitute a quorum for the transaction of business. The Issuer's officers and other directors are as follows:

Russell D. Rose	President and Director
Roger Colburn	Vice President and Director
Gary Larimore	Secretary, Treasurer and Director
Bob Pack	Director
David Peterson	Director
John Dix	Director
William Ballard	Director
Daren Thompson	Director
Christina O'Bryan	Director

The office of the Issuer is located at 1151 Old Porter Pike, Bowling Green, Kentucky 42103.

THE PROGRAM

The Issuer, organized by governmental entities of the Commonwealth as a non-profit and non-stock corporation pursuant to Chapters 58 and 273 of the Kentucky Revised Statutes, is and acts as an agency and instrumentality for said Governmental Agencies. The Issuer was organized for the purpose of providing a source of funding for interim and permanent financing of public projects to be undertaken by communities throughout the Commonwealth.

The Issuer's Public Projects — Flexible Term Finance Program (the "Program") is designed to allow participants, with varying projects sizes, access to the rated tax-exempt bond market through variable rate or fixed rate borrowings. The Program is a managed structure having a diverse portfolio of Participants and Projects located throughout the Commonwealth. Participants may borrow from the Program for a variety of purposes to include capital construction, infrastructure line extensions, equipment and other utility related appurtenances.

The Kentucky Rural Water Association (the "KRWA") serves as the Program Administrator. The Association is a statewide association that offers membership to water and wastewater utilities throughout the Commonwealth and associate membership to manufactures, suppliers and other professionals serving member utilities. Since its creation in 1979, the Association has provided training, technical assistance, advocacy and a variety of other services to its membership as an affiliate to the National Rural Water Association. The Association has over 300 voting members consisting of cities, water and sewer districts, sanitation districts, water associations and water commissions.

The Program is reviewed and overseen by a Compliance Group consisting of Raymond James & Associates, Inc., or its successor in interest, the KRWA and Rubin & Hays. The Compliance Group duties include the review and recommendation for funding of projects to the Issuer, maintaining the integrity of the Program's structure and cashflows and assuring that the portfolio of loans participating in the Program will not adversely effect the rating, then presently in existence, on the Bonds.

The Program is modeled after and utilizes specific criteria formulated by Standard & Poor's Rating Services ("Standard & Poor's") for Program loan structures. The Program's structure is similar to those established by Standard & Poor's for state revolving loan programs. The Program's structure utilizes a Program level Reserve Fund, maintains a diverse portfolio of participants, requires participant debt coverage ratios of 1.20x or higher and has a managed default structure criteria.

The Program requires loan participants to utilize the ACH Debit Direct Payment Method for the purpose make monthly loan payments pursuant to a participant's Assistance Agreement. Participant loan payments are made forty days in advance of the Program's need for a debt service payment on the Bonds. Since the Program's inception 20 years ago, no loan participant has failed to make a monthly loan payment.

The Program level Reserve Fund, which is available to all Participants, is structured and maintained assuming and utilizing certain Standard & Poor's default scenario requirements allowing for an over-collateralized loan portfolio. The Program loan portfolio and the required Reserve Fund is monitored by the Compliance Group and Standard & Poor's. As new loans are originated in the Program, the Compliance Group reviews each loan to maintain proper balance in the Program so that the rating then in existence on the Bonds will not be reduced due to the inclusion of one or more loans into the Program. Upon the issuance of the Series 2022A Bonds the value of the investments at maturity in the Reserve Fund is anticipated to be \$23,607,732. The Participants, their loan amounts, maturity dates and outstanding balances are detailed in Appendix A attached to this Official Statement.

CERTAIN RISKS ASSOCIATED WITH THE BONDS

The following is a discussion of certain risks that could affect payments to be made with respect to the Bonds. Such discussion is not, and is not intended to be, exhaustive and should be read in conjunction with all other parts of this Official Statement and should not be considered as a complete description of all risks that could affect such payments. Prospective purchasers of the Bonds should analyze carefully the information contained in this Official Statement, including the Appendices hereto, and additional information in the form of the complete documents summarized herein and in Appendix C, copies of which are available as described herein.

1. *Security for the Bonds.* The Bonds are limited obligations of the Issuer payable exclusively out of the payments payable under the Assistance Agreement and, in certain circumstances, Bond proceeds and income from the temporary investment thereof. The Bonds are secured by a pledge by the Issuer of the Trust Estate to the Trustee in favor of the Bondowners in accordance with the Indenture. A brief description of the Trust Estate is contained in *Appendix C*.

2. *Default by a Governmental Agency under an Assistance Agreement.* No representation or assurance can be made that revenues will be realized by the Governmental Agency in amounts necessary to make the payments required under its Assistance Agreement. If the Governmental Agency is unable to make the payments required under the Assistance Agreement, the Trustee will have the right to declare an event of default under the Assistance Agreement and thereafter take such remedies and actions that might cause a redemption, tender or acceleration of all or a portion of the Bonds.

3. *Limitation on Enforcement of Remedies.* Enforcement of the remedies under the Indenture and any Assistance Agreement may be limited or restricted by laws relating to bankruptcy and insolvency, and rights of creditors under application of general principles of equity, and may be substantially delayed in the event of litigation or statutory remedy procedures. All legal opinions delivered in connection with the Bonds relating to the enforceability exception relating to the limitations which may be imposed by bankruptcy and insolvency laws, and the rights of creditors under general principals of equity.

4. *Suitability of Investment.* An investment in the Bonds involves a certain degree of risk. The interest rate borne by the Bonds is intended to compensate the investor for assuming this element of risk. Prospective investors should carefully examine this Official Statement, including the Appendices hereto, and their ability to bear the economic risk of such an investment, and to determine whether or not the Bonds are an appropriate investment for them.

5. *General Factors Affecting Governmental Agencies.* No representation or assurance can be made that revenues will be realized by any of the Governmental Agencies in amounts necessary to make the payments required under the Assistance Agreements or to make other payments in amounts sufficient to pay the principal of and interest on the Bonds. Future revenues and expenses are subject to, among other things, the capabilities of the Governmental Agencies and future economic and other conditions that are unpredictable.

Recently the Commonwealth of Kentucky experienced severe weather conditions which caused the Governor of Kentucky to declare states of emergency. These emergency declarations, which occurred in December, 2021 and January, 2022, were the result of damaging tornadoes and wind sheers, excessive rain and flooding, and heavy snow accompanied by strong winds. A number of Kentucky utilities, including water and wastewater systems which participate in the Program, suffered damages and lost a portion of their customer base as a result of damaged homes and businesses. The Issuer has reached out to those Governmental Agencies participating in the Program which were directly affected by the weather conditions and the Issuer remains confident that those participants will not suffer financial costs or losses which might cause them to be unable to meet their obligations under their respective Assistance Agreements.

COVID-19

The recent outbreak of COVID-19, a respiratory disease caused by a new strain of coronavirus, has been detected and has spread in a pandemic manner in many countries, including the United States of America, as well as to each of its states, including the Commonwealth of Kentucky. The disease has been declared a Public Health Emergency of International Concern by the World Health Organization. The outbreak of the disease has affected travel, commerce and financial markets globally and is widely expected to affect economic growth worldwide. Given the substantial and grave impact of COVID-19 on the health and well being of Kentuckians, Governor Andy Beshear declared a state of emergency on March 6, 2020, in order to provide the

Commonwealth with the necessary personnel, equipment and resources to address the impact of COVID-19.

While the potential impact on the Governmental Agencies cannot be predicted at this time, the continued spread of the outbreak could have a material adverse effect on one or more of the Governmental Agencies, their respective economies and the Program. Governmental Agencies are anticipating delays and possibly reductions in the collection and receipt of revenues and fee income. The Issuer has not been advised that any Governmental Agency would have difficulty or be unable to make loan payments under the Program loans. In addition, the Issuer is unable to predict the effect the spread of the COVID-19 virus will have on the finances or operations of any of the Governmental Agencies or the rating on the Issuer's Bonds (see "RATINGS" herein).

TAX MATTERS

Under existing laws, regulations, rulings and decisions in effect on the date of delivery of the Series 2022A Bonds and based upon certain covenants, representations and certifications of the Issuer, which Bond Counsel has not independently verified, and assuming continuing compliance therewith, as set forth below, in the opinion of Bond Counsel interest on the Series 2022A Bonds is excludable from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax.

The Code requires that the Issuer comply on an ongoing basis with certain obligations in order for the Series 2022A Bonds not to be used in such a manner that would cause the Series 2022A Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code and for the interest on the Series 2022A Bonds to be and remain excludable from gross income for federal income tax purposes. Failure to meet those obligations could result in the interest on the Series 2022A Bonds becoming subject to federal income taxation, retroactive to the date of the Series 2022A Bonds. The Issuer has covenanted to comply with all such obligations.

Bond Counsel has not opined on any other federal income tax consequences arising for holders of the Series 2022A Bonds. Interest on the Series 2022A Bonds will be includable in effectively connected earnings and profits for purposes of computing the branch profits tax on certain foreign corporations doing business in the United States. In addition, the Code disallows certain federal income tax deductions of certain financial institutions and property and casualty insurance companies which acquire the Series 2022A Bonds.

In the opinion of Bond Counsel, interest on the Series 2022A Bonds is also exempt from income taxation by the Commonwealth and the Series 2022A Bonds are exempt from ad valorem taxation by the Commonwealth and any of its political subdivisions.

From time to time, legislation is proposed which, if enacted, could alter one or more of the federal tax matters referred to above or would adversely affect the market value of the Series 2022A Bonds. It cannot be predicted whether or in what form any of such proposals may be enacted and

whether, if enacted, such proposals will apply to obligations (such as the Series 2022A Bonds) issued prior to enactment.

Certain Federal Income Tax Consequences

The following is a discussion of certain federal tax matters under the Code. This discussion does not purport to deal with all aspects of federal taxation that may be relevant to particular Bondowners. Prospective Bondowners, particularly those who may be subject to special rules, are advised to consult their own tax consequences arising under the laws of any state or other taxing jurisdiction.

Financial Institutions. The Code denies banks, thrift institutions and other financial institutions a deduction for 100% of their interest expense allocable to tax-exempt obligations, such as the Series 2022A Bonds, acquired after August 7, 1986.

Borrowed Funds. The Code provides that interest paid on funds borrowed to purchase or carry tax-exempt obligations during a tax year is not deductible. In addition, under rules used by the Internal Revenue Service for determining when borrowed funds are considered used for the purposes of purchasing or when carrying particular assets, the purchase of obligations may be considered to have been made with borrowed funds even though the borrowed funds are not directly traceable to the purchases of such obligations.

Property and Casualty Insurance Companies. The deduction for loss reserves for property and casualty insurance companies is reduced by 15% of the sum of certain items, including the interest received on tax-exempt bonds, such as the Series 2022A Bonds.

Social Security and Railroad Retirement Benefits. The Code also requires recipients of certain Social Security or a Railroad Retirement benefits to take into account, in determining gross income, receipts or accruals of interest that is exempt from federal income tax.

Branch Profits Tax. Certain foreign corporations doing business in the United States may be subject to a branch profits tax on their effectively connected earnings and profits, including tax-exempt interest on obligations such as the Series 2022A Bonds.

S Corporations. Certain S corporations that have subchapter C earnings and profits at the close of a taxable year and gross receipts more than 25% of which are passive investment income, which includes interest on tax-exempt obligations, such as the Series 2022A Bonds, may be subject to a tax on excess net passive income.

Original Issue Discount

The Series 2022A Bonds or a portion thereof ("Discount Bonds") may be offered and sold to the public at a discount ("OID") from the amounts payable at maturity thereon. OID is the excess of the stated redemption price of a bond at maturity (the face amount) over the "issue price" of such bond. The issue price is the initial offering price to the public (other than to bond houses, brokers or similar persons acting in the capacity of underwriters or wholesalers) at which a substantial amount of bonds of the same maturity are sold pursuant to that initial offering. For federal income tax purposes, OID on each Discount Bond will accrue over the term of the Discount Bond. The amount accrued will be based on a single rate of interest, compounded semiannually (the "yield to maturity") and, during each semi-annual period, the amount will accrue ratably on a daily basis. The OID accrued during the period that an initial purchaser owns a Discount Bond purchased at its issue price is added to the purchaser's tax basis for purposes of determining gain or loss at the maturity, redemption, sale or other disposition of that Discount Bond. In practical effect, accrued OID on the Series 2022A Bonds is treated as stated interest, that is, as excludable from gross income for federal income tax purposes.

In addition, OID that accrues in each year to an owner of a Discount Bond is included in the calculation of the distribution requirements of certain regulated investment companies and may result in some of the collateral federal income tax consequences discussed above. Consequently, owners of any Discount Bond should be aware that the accrual of OID in each year may result in additional federal income tax consequences.

Holders of Discount Bonds should consult their own tax advisors as to the treatment of OID and the tax consequences of the purchase of such Discount Bonds other than at the issue price during the initial public offering and as to the treatment of OID for state tax purposes.

Original Issue Premium

The Series 2022A Bonds or a portion thereof ("Premium Bonds") may be offered and sold to the public at a premium ("Acquisition Premium") from the amounts payable at maturity thereon. Acquisition Premium is the excess of the cost of a bond over the stated redemption price of such bond. For federal income tax purposes, the amount of Acquisition Premium on the Premium Bonds must be amortized and will reduce the Holder's adjusted basis in that Premium Bond. However, no amount of amortized Acquisition Premium on the Premium Bonds may be deducted in determining Bondholder's taxable income for federal income tax purposes. The amount of any Acquisition Premium paid on the Premium Bonds that must be amortized during any period will be based on the "constant yield" method, using the original Bondholder's basis in such Premium Bonds and compounding semiannually. This amount is amortized ratably over that semiannual period on a daily basis.

In addition, for any Premium Bonds that are callable prior to their stated maturity, the required amortization period for the Acquisition Premium will depend on which call date produces the greatest

diminution in the yield to the holder. For any Premium Bonds not callable prior to their stated maturity date, the amortization period will end on the stated maturity date.

Holders of any Premium Bonds, both original purchasers and any subsequent purchasers, should consult their own tax advisors as to the actual effect of any Acquisition Premium with respect to their own federal income tax situation and as to the treatment of the Acquisition Premium for state tax purposes.

Future Tax Legislation

Proposed, pending or future tax legislation, administrative actions taken by tax authorities, or court decisions, whether at the federal or state level, may adversely affect the tax-exempt status of the interest on the Series 2022A Bonds subsequent to their issuance. Future legislation could directly or indirectly reduce or eliminate the value of certain deductions and exclusions, including the benefit of the exclusion of tax-exempt interest on the Series 2022A Bonds from gross income for federal income tax purposes. Any such proposed legislation, actions or decisions, whether or not enacted, taken or rendered, could also adversely affect the value and liquidity of the Series 2022A Bonds. Prospective purchasers of the Series 2022A Bonds should consult their own tax advisors regarding the forgoing matters.

CERTAIN LEGAL MATTERS

Certain legal matters incident to the authorization, issuance and sale and delivery by the Issuer of the Series 2022A Bonds to the original purchasers thereof under existing laws were subject to the approving opinion of Rubin & Hays, Louisville, Kentucky, Bond Counsel. Certain legal matters will be passed upon for the Issuer by its counsel, Stoll Keenon & Ogden PLLC, Hodgenville, Kentucky.

ABSENCE OF LITIGATION

No litigation is pending or, to the knowledge of the Issuer, threatened in any court (i) to restrain or enjoin the issuance or delivery of the Series 2022A Bonds, or the collection of revenues pledged or to be pledged to pay the principal of and interest on the Series 2022A Bonds; (ii) in any way contesting or affecting the validity of the Series 2022A Bonds or the Indenture, or the power to collect and pledge the revenues to pay the Series 2022A Bonds, or contesting the power or authority of the Issuer to issue the Series 2022A Bonds; or (iii) which, if successful, would have a material adverse affect on the financial condition of the Issuer.

The Issuer will deliver a certificate at closing to the effect that there is no action, suit or proceedings known to be pending or threatened restraining or enjoining the execution or delivery of the Series 2022A Bonds or the Indenture or in any way contesting or affecting the validity of the foregoing.

DISCLOSURE COMPLIANCE

In accordance with the requirements of Rule 15c2-12 (the "Rule") promulgated by the Securities and Exchange Commission (the "SEC"), the Issuer has agreed to provide or cause to be provided through a designated agent (the "Agent"), in a timely manner not in excess of 10 business days after the occurrence of such event, to the Electronic Municipal Market Access system ("EMMA") at <http://www.emma.msrb.org>, notice of the occurrence of any of the following events with respect to the Bonds:

- (a) principal and interest payment delinquencies;
- (b) non-payment related defaults, if material;
- (c) unscheduled draws on debt service reserves reflecting financial difficulties;
- (d) unscheduled draws on credit enhancements reflecting financial difficulties;
- (e) substitution of credit or liquidity providers, or their failure to perform;
- (f) adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax-exempt status of the Bonds;
- (g) modifications to rights of the Bondholders, if material;
- (h) Bond calls, if material and tender offers;
- (i) defeasances;
- (j) release, substitution or sale of property securing repayment of the Bonds, if material;
- (k) rating changes;
- (l) bankruptcy, insolvency, receivership or similar event of the Issuer or the borrowers;
- (m) consummation of a merger, consolidation, or acquisition involving the Issuer or the borrowers or the sale of all or substantially all of the assets of the Issuer or the borrowers, other than in the ordinary course of business, the entry into a definitive agreement to undertake such action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material;
- (n) appointment of a successor or additional trustee or the change of name of a trustee, if material;
- (o) incurrence of a financial obligation of the Issuer, if material, or agreement to covenants, events of default, remedies, priority rights, or other similar terms of a financial obligation of the Issuer, any of which affect Bondholders, if material; and/or
- (p) default, event of acceleration, termination event, modification of terms, or other similar events under the terms of a financial obligation of the Issuer, any of which reflect financial difficulties.

The Issuer may from time to time choose to provide notice of the occurrence of certain other events, in addition to those listed above, if the Issuer determines that such other event is material with respect to the Bonds, but the Issuer does not undertake to commit to provide any such notice of the occurrence of any material event except those events listed above.

The Issuer also agrees to provide to EMMA, in accordance with the Rule, its Annual Financial Report (the "Annual Report") which contains certain annual financial data of the Program consisting of Program debt service requirements, cash flows and revenues which may be available for debt service and the Issuer's Internal Administration Fund Audit prepared in accordance with generally accepted accounting principles ("GAAP") and a list of the Program's existing and former participants (the "Participants") generally consistent with the information contained in *Appendix A*. The Annual Report shall be available on or before 180 days after the end of each Program year (December 31), beginning with the Program year ending December 31, 2021 and each Program year thereafter.

The Issuer's Annual Report for the Program year ending December 31, 2015, was filed on July 22, 2016, which was 24 days after the stated filing deadline. A Notice of Late Filing of the Annual Report was filed late and was provided to EMMA.

If the Issuer is unable to provide to EMMA an Annual Report by the date required in the Indenture, then the Issuer shall send a notice to EMMA notifying it of the inability, at that time, to file the Annual Report.

If the Issuer's fiscal year changes, then the Issuer shall send a notice of such change to EMMA. If such change will result in the Issuer's fiscal year ending on a date later than the ending date prior to such change, the Issuer shall provide notice of such change to EMMA on or prior to the deadline for filing the Annual Report in effect when the Issuer operated under its prior fiscal year. Such notice may be provided to EMMA, along with the Annual Report, provided that it is filed at or prior to the deadline described above.

As of the date of this Official Statement, the Issuer is in material compliance with the reporting requirements of the Rule for all undertakings for which they are an "obligated person" as defined in the Rule. In addition, for the previous five year period, the Issuer, to the best of its knowledge, believes that it has materially complied with the reporting requirements of the Rule for its previous undertakings.

Financial information regarding the Issuer can be obtained from the Secretary of the Issuer, 1151 Old Porter Pike, Bowling Green, Kentucky 42103.

The obligations of the Issuer described above will remain in effect only for such period that (i) the Bonds are outstanding in accordance with their terms and (ii) that Issuer remains an obligated person with respect to the Bonds within the meaning of the Rule. The Issuer reserves the right to terminate its obligation to provide notices of material events, as set forth above, if and when the Issuer no longer remains an obligated person with respect to the Bonds within the meaning of the Rule. The Issuer acknowledges that its undertaking pursuant to the Rule described under this heading is intended to be for the benefit of the Bondholders (including holders of beneficial interests in the Bonds).

The requirements for disclosure in the Indenture may be amended, if the Issuer receives an opinion of independent legal counsel to the effect that:

- (i) such amendment is made in connection with a change in circumstances that arises from a change in legal requirements, a change in law or a change in the types of activities in which the Issuer is engaged;
- (ii) the amendment would have complied with the requirements of the Rule at the time of the primary offering of the Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and
- (iii) such amendment does not materially impair the interests of the Bondholders.

In the event of a failure of the Issuer to comply with the disclosure requirements set forth in the Indenture, any Bondholder may take such actions as may be necessary and appropriate, including seeking mandamus or specific performance by court order, to cause the Issuer to comply with its obligations under the Indenture. A default in compliance with the disclosure requirements under the Indenture shall not be deemed an Event of Default under the Indenture, and the sole remedy under the Indenture in the event of any failure of the Issuer to comply with the disclosure requirements shall be an action to compel performance.

RATING

The Series 2022A Bonds have been assigned a rating of "A+" by Standard & Poor's based upon the underlying credit of the Program. This rating reflects only the views of Standard & Poor's, and any explanation of the significance of this rating must be obtained from Standard & Poor's. There is no assurance that this rating will continue for any given period of time or that it will not be revised or withdrawn entirely if, in the judgment of Standard & Poor's, circumstances so warrant. Bondowners or prospective Bondowners should contact the Underwriter for information on the then current rating(s), if any, on the Series 2022A Bonds.

Additionally, due to the ongoing uncertainty regarding the debt of the United States of America, including without limitation, the general economic conditions in the country, and other political and economic developments that may affect the financial condition of the United States government, the United States debt limit, and the bond ratings of the United States and its instrumentalities, obligations issued by state and local governments, such as the Series 2022A Bonds, could be subject to a rating downgrade. Furthermore, if a significant default or other financial crisis should occur in the affairs of the United States or of any of its agencies or political subdivisions, then such event could also adversely affect the market for and ratings, liquidity, and market value of outstanding debt obligations, such as the Series 2022A Bonds.

FINANCIAL ADVISOR

Raymond James & Associates, Inc. (the "Financial Advisor") has been employed as Financial Advisor in connection with the issuance of the Series 2022A Bonds. The Financial Advisor will solicit bids for the purchase of the Series 2022A Bonds. The Financial Advisor's fee for services rendered with respect to the sale of the Series 2022A Bonds is contingent upon the issuance and delivery thereof.

The Financial Advisor and/or its parent or affiliates may receive additional fees for providing services as the investment broker or bidding agent with respect to the proceeds of the Series 2022A Bonds.

ROCHESTER DAM REGIONAL WATER COMMISSION

The Rochester Dam Regional Water Commission (RDRWC) was formed in 2013 with a mission to provide an adequate and dependable supply of water for the region which derives its water supply from Pool 3 of the Green River. In 2015, the RDRWC signed a lease agreement with USACE that allows RDRWC to perform maintenance on the dam facility. In late 2017, ownership of the Facility is expected to transfer from USACE to RDRWC.

The RDRWC is made up of three members: Ohio County Water District, Butler County Water System, Inc., and Morgantown Utilities Commission. Ohio County Water District makes up 2/3 of the Commission and will pass a resolution agreeing to assume the payment of the debt relating to the Assistance Agreement should long term financing not materialize. Long term financing is anticipated to be in the form of grants and a Rural Development loan.

This particular project provides interim financing for installation of an upstream sheet piling and concrete cap at the historic elevation, grouted derrick stone, concrete bulkhead wall at upper and lower gates, new reinforced concrete wire across the mill race and rock shelf, signage and safety railing.

Ohio County had an estimated population of 23,772 in 2020, and is located 120 miles from Lexington, Kentucky, 197 miles from Louisville, Kentucky, and 251 miles from Nashville, Tennessee. Butler County had an estimated population of 12,371 in 2020, and is located 145 miles from Lexington, Kentucky, 105 miles from Louisville, Kentucky, and 88 miles from Nashville, Tennessee. Morgantown is located in Bulter County and had an estimated population of 2,505 in 2020.

Any money remaining in the Liquidity Account, the Eligible Funds Account and the Remarketing Proceeds Account after payment of such Purchase Price or interest, principal or premium shall be delivered to the Bank for application pursuant to the Liquidity Agreement.

The Trustee shall deposit in or transfer to the Principal and Interest Account:

(iii) for transfer to the Redemption Account of funds in the Principal and Interest Account in excess of those necessary for the purposes described in paragraphs (i) and (ii) above, upon written request from an Authorized Representative of the Governmental Agency, for the payment of accrued interest and premium, if any, on and principal of any Outstanding Bonds that are optionally redeemed; and

Upon receipt of and in accordance with a written request from an Authorized Representative of the Issuer, funds in the Redemption Account in excess of the amount necessary to redeem Bonds for which notice of redemption has been given pursuant to the Indenture shall be used for any one or more of the following purposes:

- (i) for the optional redemption of Bonds prior to the maturity thereof pursuant to the Indenture; or

The Purchase Price of Bonds tendered for purchase pursuant to the Demand Purchase Option shall be paid from the sources and in the priority indicated in the Indenture.

Pending application of money in the Bond Fund as set forth in this the Indenture, such money shall be invested and reinvested by the Trustee in Authorized Investments pursuant to the Indenture.

In the absence of written direction from the Issuer with respect to investment of moneys held in the Funds, the Trustee is hereby directed to invest funds in money market mutual funds of the Trustee or its affiliates that qualify as Authorized Investments under the Indenture.

Project Fund

The Trustee shall maintain the Project Fund until no money remains therein. The Project Fund shall consist of the following Accounts:

- (i) the Costs of Issuance Account;
- (ii) the Governmental Agencies Accounts; and
- (iii) the Project Account.

Immediately upon receipt thereof, the Trustee shall deposit into the Costs of Issuance Account all amounts derived from Bond proceeds required to be deposited therein pursuant to the Indenture and all amounts received by the Trustee from the Issuer or from any other source (other than proceeds of the Bonds) for purposes of paying Financing Expenses.

The Trustee shall deposit in or transfer to the Project Account:

- (a) immediately upon receipt thereof, the amounts derived from Bond proceeds required to be deposited therein pursuant to the Indenture;
- (b) all amounts required to be transferred to the Project Account from the Costs of Issuance Account pursuant to the Indenture; and
- (c) immediately upon receipt thereof, such amounts as are received by the Trustee from the Issuer or from any other source (other than proceeds of the Bonds) for purposes of paying costs of establishing and operating the Program.

The money and investments in the Project Fund and its accounts shall be held in trust by the Trustee and applied in accordance with and subject to the provisions of this the Indenture and, pending such application, shall be held for the further security of the Owners of the Bonds and the Bank until applied as provided in the Indenture. Until actually disbursed by the Trustee to or upon the order of the Issuer in accordance with this the Indenture, the Issuer shall have no interest in such money and investments.

Immediately upon giving a Declaration of Acceleration pursuant to the Indenture, the Trustee shall transfer all funds in the accounts of the Project Fund to the Principal and Interest Account.

The Issuer has no obligation under the Indenture or under the Act to deposit any money in the Project Fund (other than the proceeds of the Bonds as provided in the Indenture) nor to apply any money to payment of Financing Expenses or the costs of completing the Project except the money in the Project Fund.

Financing Expenses shall be paid by the Trustee from the Costs of Issuance Account, but only to the extent of the balance therein, within five Business Days following receipt by the Trustee of a written request for payment from an Authorized Representative of the Issuer, accompanied by the statements or billings therefor provided, however, that the Issuer may pay such Financing Expenses in which case the Trustee shall reimburse the Issuer from the Costs of Issuance Account, but only to the extent of the balance therein, within five Business Days of the Trustee's receipt of the written request of an Authorized Representative of the Issuer, accompanied by the statements or billings therefor and evidence that such costs have been paid by the Issuer. All payments made from the Costs of Issuance Account pursuant to a written request for payment from an Authorized Representative of the Issuer shall be presumed to be made properly and the Trustee shall not be required to see to the application of any payments made from the Costs of Issuance Account. Any money remaining in the Costs of Issuance Account after the later of payment of all Financing Expenses (or reimbursement of the Issuer for payment of such expenses), shall be deposited in the Project Account of the Project Fund.

The Trustee shall transfer moneys from the Project Account to the Administrative Fund to pay, or to reimburse the Issuer for payment of, costs of the Program (including the fees payable to the Bank on the Date of Issue, and if and when directed by the Issuer to transfer money to the Principal and Interest Account of the Bond Fund for such purpose, interest on the Bonds prior to completion of the Program or reimbursement of the Bank for draws on the Liquidity Agreement to pay such interest), and to transfer to Governmental Agencies such amounts necessary to purchase obligations issued by Governmental Agencies pursuant to Assistance Agreements. Such payments and transfers shall be made by the Trustee upon receipt of requisitions therefor in the form of the exhibit attached to the Indenture duly executed by an Authorized Representative of the Issuer and if a Liquidity Agreement is in place, consented to by the Bank, which consent shall not be unreasonably withheld. All payments and transfers made from the Project Account pursuant to such a requisition shall be presumed to be made properly and the Trustee shall not be required to see to the application of any payments and transfers made from the Project Account.

The Trustee shall transfer from the Project Account to the respective Governmental Agency Account such amounts necessary to purchase obligations issued by a Governmental Agency pursuant to an Assistance Agreement entered into and executed by a Governmental Agency.

The Trustee shall pay out or permit the withdrawal of moneys from any Governmental Agency's Account, upon receipt by the Trustee of a written requisition of the Governmental Agency in the form attached to the Assistance Agreement executed by an authorized representative of the Governmental Agency and the engineers of the Governmental Agency containing the following with respect to each payment or disbursement to be made:

- (i) the name of the person or parties to whom the payment or disbursement is to be made;
- (ii) the amount to be paid to such person or party; and
- (iii) the applicable Assistance Agreement in respect of which the payment or disbursement is to be made.

All such written requisitions of the Governmental Agency duly conforming to the Indenture received by the Trustee as therein set forth may be relied upon by and shall be retained in the possession of the Trustee, subject at all times to the inspection of the Compliance Group, the Issuer and its officials and the Governmental Agencies which have entered into Assistance Agreements, together with their respective agents and representatives.

Such payments shall be made by the Trustee upon receipt of the Assistance Agreement and such other documentation as may be required by the Issuer or the Compliance Group. All payments made from a Governmental Agency Account pursuant to the receipt of an Assistance Agreement shall be presumed to be made properly and the Trustee shall not be required to see to the application of any payments made from the Governmental Agency Account.

The date of completion of the Program with respect to the Series 2001 Bonds shall be the date when the Trustee shall have received a certificate in the form attached to the Indenture of an Authorized Representative of the Issuer to the effect that all Financing Expenses and costs of the Program to be paid from the Costs of Issuance Account have been paid in full, the date on which no money remains in the Project Account.

On the first Wednesday in March, 2004, the Trustee shall transfer any money and investments remaining in the accounts in the Project Account to the Redemption Account of the Bond Fund to be used to redeem Variable Rate Bonds on said date (or to pay to the Bank an amount equal to but not exceeding the amount of any moneys used to purchase Bonds under the Liquidity Agreement to effect such redemption for which the Bank has not been reimbursed).

Pending application of money in the Project Fund as set forth in the Indenture, such money shall be invested and reinvested by the Trustee in accordance with the requirements of the Indenture. All investment earnings, if any, on money in any account in the Project Fund, except the Governmental Agencies Accounts, shall be deposited in the Revenue Fund.

All investment earnings, if any, on money in any Governmental Agencies Accounts, shall remain in the respective Governmental Agency Account.

In the absence of written direction from the Issuer with respect to investment of moneys held in the Funds, the Trustee is hereby directed to invest funds in money market mutual funds of the Trustee or its affiliates that qualify as Authorized Investments under the Indenture.

Reserve Fund

The Reserve Fund shall be held for the benefit of the Bondowners and shall be used solely for the purpose of paying principal of or interest on such Bonds as to which there would otherwise be a default.

Provided, that in the event that any funds then on deposit shall be withdrawn from the Reserve Fund for the purpose of paying the loan payments due on or under an Assistance Agreement securing the Bonds, the Issuer shall be thereafter pursuant to the respective Assistance Agreement assess against the Governmental Agency an amount necessary to replenish the Reserve Fund to the Required Reserve, plus accrued interest on such amounts at a rate equal to the rate of interest being earned by funds on deposit in the Reserve Account.

Provided, however, that no further payments need be made into the Bond Fund after and so long as such amount of the Bonds shall have been retired that the amount then held in the Bond Fund, including the Reserve Fund, shall be equal to the entire amount required to retire and/or redeem all Bonds then outstanding and paying all interest that will accrue to or at the time of such retirement and/or redemption.

All investment earnings, if any, on money in the Reserve Fund shall be deposited to the Revenue Fund; provided, however, if the amount in the Reserve Fund is less than the Required Reserve then such investment earnings shall remain in the Reserve Fund until the amount of the Reserve Fund is equal to the Required Reserve.

All amounts on deposit in the Reserve Fund shall constitute a trust fund and shall be and are hereby earmarked and pledged for the security and source of payment for the Bonds.

Amounts on deposit in the Reserve Fund may be withdrawn and used by the Issuer, when necessary, and shall be so withdrawn and used if and to the extent necessary to prevent the occurrence of an Event of Default, for the purpose of making payments of principal of and interest on the Bonds (including both principal maturities and mandatory redemptions) if the amounts on deposit in the Bond Fund are not sufficient to make such payments.

Rebate Fund

(a) The Issuer hereby authorizes the Trustee to establish a separate special fund designated as the "Rebate Fund," which shall be segregated from all other funds and accounts held by the Trustee. If such a fund is established, the Trustee shall maintain the Rebate Fund until the expiration of 60 days after the retirement of the last outstanding Bond.

(b) The Trustee shall maintain records of investment transactions of the gross proceeds of the Bonds held in the Project Fund and the Bond Fund on an investment-by-investment basis and shall make such records available at the request of the Issuer to the Rebate Analyst. The Issuer shall cause the Rebate Amount to be calculated as of each Installment Computation Date and as of the Final Computation Date. The Issuer shall employ a Rebate Analyst to calculate the Rebate Amount.

(c) The Issuer shall cause the rebate calculations to be completed and filed with the Trustee not later than 45 days after each Installment Computation Date, or 45 days after the Final Computation Date.

(d) The Trustee shall transfer from the Revenue Fund, from time to time, such amounts as directed by the Issuer for deposit to the Rebate Fund for the purpose of accruing funds to pay to the United States the amounts required to be paid under the Indenture. Not later than three Business Days after the rebate calculations are filed with the Trustee, the Trustee shall transfer from the Revenue Fund for deposit to the Rebate Fund an amount such that the balance in the Rebate Fund is at least equal to the Rebate Amount.

(e) Not later than 55 days after each Installment Computation Date, or 55 days after the Final Computation Date, the Issuer shall cause to be paid to the United States any amount which is required to be paid under Section 148(f)(3) of the Code. Each payment shall be mailed to the Internal Revenue Service Center, Philadelphia, Pennsylvania 19255, and shall be accompanied by a copy of I.R.S. Form 8038-T prepared by the Issuer. The Trustee shall disburse money from the Rebate Fund to the United States for such payments.

(f) Money in the Rebate Fund shall be invested by the Trustee at the written direction of the Issuer in Authorized Investments which mature no later than the date that is 55 days after the earlier of the next Installment Computation Date or the Final Computation Date.

(g) No earlier than 120 and no later than 90 days prior to each Installment Computation Date and the Final Computation Date, the Trustee shall notify the Issuer of the action which is required by the foregoing subsections. No earlier than 15 and no later than 10 days prior to the date on which the rebate calculations must be completed under Subsection (c) of this Section, the Trustee shall use its best efforts to notify the Issuer of the action required by Subsection (c) of this Section. No notice need be given if the required action already has been taken by the Issuer.

(h) In addition to the records required under paragraph (a) above, the Trustee shall maintain such records of investments, deposits and disbursements in the Funds as the Issuer may specifically instruct the Trustee to maintain to comply with the provisions of Section 148 of the Code and the Indenture.

(i) If the calculation of the Rebate Amount under the Indenture indicates that the balance in the Rebate Fund exceeds the Rebate Amount as of the date on which a payment is made to the United States pursuant to Subsection (e) of this Section, then the Trustee shall, if directed by the Issuer, transfer all or any portion of such excess to the Revenue Fund.

(j) The Issuer shall be responsible for the calculation and paying of all Rebate Amounts due under Section 148 of the Code. The Trustee shall not be obligated to calculate or pay Rebate Amounts on behalf of the Issuer. The obligation of the Trustee under this Section is limited to giving notice to the Issuer on a best efforts basis, keeping records, investing money and depositing and disbursing money in and from the Rebate Fund in accordance with instructions from the Issuer and under the Indenture.

(k) The intent of the Indenture is to require funding of the Rebate Fund so that money in that account will be available to pay Rebate Amounts when they are required to be paid under Section 148 of the Code. Notwithstanding

anything to the contrary in the Indenture, the Issuer may cause the Trustee to amend the Indenture, without consent of the Bondowners, in any manner consistent with the intent of this Section, if the Issuer provides the Trustee with an opinion of Tax Counsel to the effect that:

(i) the Indenture, as amended, states in reasonable detail the procedures with which the Issuer must comply under the applicable provisions of the regulations and rulings under Section 148 of the Code that are then in effect, and requires the Trustee to notify the Issuer in advance of the date on which action is required to comply with Section 148(f) of the Code; and

(ii) the amendment will not cause interest on the Bonds to become includable in gross income for federal income tax purposes; and

(iii) the amendment is consistent with the stated intent of the Indenture prior to its amendment.

(l) The Trustee shall retain records of the source of and determination of the Rebate Amounts required to be deposited and credited to the Rebate Fund, of the proceeds of any investments of money in the Rebate Fund, and of the amounts paid to the United States Treasury from the Rebate Fund for six years after the retirement of the last outstanding Bond, or such shorter period as may be permitted by Section 148 of the Code.

(m) The Trustee may, in its discretion, establish such accounts within the Rebate Fund established under the Indenture, and subaccounts within any of such accounts, as the Trustee may deem necessary or useful for the purpose of identifying more precisely the sources of payments into and disbursements from such accounts or subaccounts, but the establishment of any such additional account or subaccount shall not alter or modify any of the requirements of the Indenture with respect to the deposit or use of money in the Rebate Fund established hereunder or result in commingling of funds not permitted hereunder.

The Trustee shall deposit in or transfer to the Administrative Fund:

(i) immediately upon receipt thereof, funds on deposit in the Project Fund that are to be transferred to the Administrative Fund for the purpose of paying the Administrative Expenses of the Program;

(ii) immediately upon receipt thereof, funds on deposit in the Revenue Fund that represent Loan Payments allocable to the Administrative Expenses of the Program;

(iii) immediately upon receipt thereof, the net earnings on investments of money in the Administrative Fund; and

(iv) all other money required to be transferred to or deposited in the Administrative Fund pursuant to any provision of the Indenture or any Assistance Agreement.

The Trustee shall make payments from the Administrative Fund to pay, or to reimburse the Issuer for payment of costs and the Administrative Expenses of the Program. Payments from the Administrative Fund shall be made upon a written request of the Program Administrator.

All investment earnings, if any, on money in the Administrative Fund shall be deposited to the Revenue Fund.

Upon payment of all principal of and premium, if any, and interest on the Bonds, and upon payment of all sums properly due and payable thereunder and under the Assistance Agreement (including all fees, charges and expenses of the Trustee and the Issuer which are properly due and payable thereunder and under the Assistance Agreement as of such date),

all money remaining in all Funds and accounts, except money held by the Trustee pursuant to the Indenture, shall be remitted to the Bank to the extent of any outstanding obligation of the Issuer to the Bank, as certified by the Bank to the Trustee and the Issuer, and any remaining balance shall be paid to the Issuer.

Investment of Funds

Money on deposit in the Project Fund shall be invested and reinvested by the Trustee in Authorized Investments, as directed by the Issuer and confirmed in writing.

In the absence of written direction from the Issuer with respect to investment of moneys held in the Project Fund, the Trustee is hereby directed to invest funds in money market mutual funds of the Trustee or its affiliates that qualify as Authorized Investments under the Indenture.

Money on deposit in the Principal and Interest Account or Redemption Account of the Bond Fund shall be invested and reinvested by the Trustee in Authorized Investments as directed by the Issuer and confirmed in writing, but in the event of the failure of the Issuer to provide timely directions as to such investments or reinvestments, the Trustee shall invest or reinvest any or all money held by it in the Bond Fund in the uninvested cash account maintained by the Trustee. Money in the Liquidity Account of the Bond Fund representing a draw under the Liquidity Agreement shall be invested only in accordance with the provisions of the Indenture. Money in the Remarketing Proceeds Account representing remarketing proceeds shall not be invested. In all cases money in the accounts in the Bond Fund shall be invested only in Authorized Investments maturing no later than the date money in such account or accounts is needed to make the payments authorized to be made therefrom.

Money on deposit in the Reserve Fund shall be invested and reinvested by the Trustee in Authorized Investments, as directed by the Issuer and confirmed in writing.

In the absence of written direction from the Issuer with respect to investment of moneys held in the Reserve Fund, the Trustee is hereby directed to invest funds in money market mutual funds of the Trustee or its affiliates that qualify as Authorized Investments under the Indenture.

Money on deposit in the Rebate Fund, if created, shall be invested only in accordance with the provisions of the Indenture.

The interest and income received with respect to the investments in any Fund or account held by the Trustee under the Indenture, and any profit or loss resulting from the sale of any such investments, shall be deposited and credited upon receipt, or charged to such Fund or such account, and all earnings received from the investment of money in any Fund or account shall be credited as described in the Indenture.

Whenever any transfer or payment is required to be made from any particular Fund or account, such transfer or payment shall be made from such combination of maturing principal, redemption or repurchase prices, liquidation proceeds and withdrawals of principal as the Trustee deems appropriate for such purposes, after taking into account such factors as the Trustee may deem appropriate.

Neither the Issuer nor the Trustee shall be accountable for any depreciation in the value of the investments or any losses incurred upon any authorized disposition thereof.

Investments; Arbitrage; Special Arbitrage Restriction

The Trustee may make any and all investments permitted by the provisions of the Indenture through its own trust department. As and when any amount invested pursuant to the Indenture may be needed for disbursement, the Trustee shall cause a sufficient amount of such investments to be sold and reduced to cash to the credit of such Funds. The Trustee

covenants that at any time that it has discretion as to such investments it will not use or invest the proceeds of the Bonds in any manner which will cause the Bonds to become "arbitrage bonds" within the meaning of Section 148 of the Code and any lawful regulation proposed or promulgated thereunder, as the same exist on this date or may from time to time hereafter be amended, supplemented or revised. The Trustee may rely upon certificates of certified public accountants and opinions of Tax Counsel or Bond Counsel with respect to the foregoing covenants.

Performance of and Authority for Covenants

The Issuer covenants and represents that it will faithfully perform at all times any and all covenants, undertakings, stipulations and provisions contained in the Indenture and in the Related Documents, in any and every Bond executed, authenticated and delivered thereunder and in all proceedings of its Board of Directors pertaining thereto; that it is duly authorized under the Constitution and laws of the State, including particularly and without limitation the Act, to issue the Bonds and to pledge and grant a security interest in the Trust Estate in the manner and to the extent set forth therein; that all action on its part for the issuance of the Bonds and for the execution and delivery thereof will be duly and effectively taken and that such Bonds in the hands of the Owners thereof will be valid and enforceable special and limited obligations of the Issuer according to the terms thereof.

The Issuer acknowledges and agrees that all covenants contained in the Indenture are with and for the benefit of all Bondowners and the Bank and can be enforced by the Trustee, in its discretion or at the direction of the Bank or the Bondowners, as provided therein, or by the Bank or the Bondowners in accordance with the provisions of the Indenture.

Extensions of Payments of Bonds

The Issuer will not directly or indirectly extend or assent to the extension of the maturity of any of the Bonds or the time of payment of interest thereon without the consent of the Trustee, the Owners of all Outstanding Bonds and the Bank.

Concerning the Assistance Agreement

The Issuer will do or cause to be done all things on its part to be performed under the Assistance Agreement so that the obligations of the Issuer thereunder shall not be impaired or excused.

Lien of Indenture

The Issuer will not knowingly create or suffer to be created any lien having priority or preference over the lien of the Indenture upon the Trust Estate or any part thereof, other than the security interests granted by it to the Trustee thereunder. The Issuer agrees that it will issue no obligations, the payment of which is secured by money or amounts derived from the Revenues. Except to the extent otherwise provided in the Indenture, the Issuer will not knowingly enter into any contract or take any action by which the rights of the Trustee or the Bondowners will be impaired.

Instruments of Further Assurance

The Issuer will do, execute, acknowledge and deliver, or cause to be done, executed, acknowledged and delivered, such indentures supplemental hereto and such further acts, instruments, and transfers for the better conveying, assuring, transferring, assigning, pledging and hypothecating unto the Trustee the rights, title and interests of the Issuer in the Assistance Agreements as security for the payment of the Purchase Price and principal of and premium, if any, and interest on the Bonds in the manner and to the extent contemplated therein. The Issuer shall be entitled to reimbursement from the Governmental Agency for any action taken pursuant to this Section.

Tax-Exempt Status of Bonds

The Issuer covenants and agrees not to use or permit the use of any of the proceeds of the Bonds in such manner, and not to take or omit to take any other action in such manner, as will impair the exclusion of interest on the Bonds from

gross income for federal income tax purposes. The Issuer further covenants and agrees to comply with applicable arbitrage rebate requirements under Section 148 of the Code.

Events of Default

The following events shall be Events of Default:

- (1) default in the due and punctual payment of the Purchase Price or principal of or premium, if any, or interest on any Bond when and as the same shall become due and payable, whether on any Purchase Date or Mandatory Tender Date, at maturity as therein expressed, by proceedings for redemption, by acceleration or otherwise;
- (2) failure of the Bank to honor a demand for purchase under the Liquidity Agreement made in accordance with its terms;
- (3) default by the Issuer in the observance of any of the other covenants, agreements or conditions on its part contained in the Indenture or in the Bonds (other than as shall cause the mandatory redemption of Bonds under the Indenture), if such default shall have continued for a period of 90 days after written notice thereof, specifying such default and requiring the same to be remedied, shall have been given to the Issuer, the Remarketing Agent and the Bank by the Trustee, or to the Issuer, the Bank, the Remarketing Agent and the Trustee by the Owners of not less than a majority in aggregate principal amount of the Bonds at the time Outstanding; or
- (4) receipt by the Trustee of written notice from the Bank of the occurrence of an event of default under the Liquidity Agreement and directing the Trustee to accelerate payment of the Bonds and demand a purchase under the Liquidity Agreement.

The Trustee shall notify the Issuer of the occurrence of any event described in paragraph (2) above.

Acceleration of Maturity

If any Event of Default described in paragraphs (1), (2) or (4) above shall occur, the Trustee shall, and in every case during the continuance of any other Event of Default may, upon notice in writing to the Issuer and the Bank, declare the principal of all of the Bonds then Outstanding, and the interest accrued thereon, to be due and payable immediately, and upon any such Declaration of Acceleration the same shall become and shall be immediately due and payable, anything contained in the Indenture or in the Bonds to the contrary notwithstanding.

Upon any Declaration of Acceleration of the Bonds hereunder, the Trustee shall give notice of such declaration by mail to the respective Owners of the Bonds at their addresses appearing on the Bond Register.

Upon the occurrence and continuance of an Event of Default, then and in every such case the Trustee in its discretion may, and upon the written direction of the Bank or Owners of a majority in aggregate principal amount of the Bonds then Outstanding and receipt of indemnity against anticipated expenses and liability to its satisfaction (which indemnity is a condition precedent to its duties hereunder), shall, in its own name and as the Trustee of an express trust:

- (1) by mandamus, or other suit, action or proceeding at law or in equity, enforce all rights of the Owners and require the Issuer, the Bank or any Governmental Agency to carry out any agreements with or for the benefit of the Owners of Bonds and to perform its or their duties under the Act, the Assistance Agreement, the Liquidity Agreement and the Indenture, provided that any such remedy may be taken only to the extent permitted under the applicable provisions of the Liquidity Agreement, the Assistance Agreement or the Indenture, as the case may be;

- (2) bring suit upon the Bonds;
- (3) by action or suit in equity enjoin any acts or things which may be unlawful or in violation of the rights of the Owners of Bonds;
- (4) accelerate any Assistance Agreement which may have the occurrence of an Assistance Agreement Default Event; or
- (5) exercise any other remedies available at law or in equity.

Application of Revenues and Other Funds After Default

If an Event of Default shall occur and be continuing, all Revenues and any other funds then held or thereafter received by the Trustee under any of the provisions of the Indenture (subject to certain Sections titled "Rebate Fund" and "Unclaimed Money" and provided that (i) proceeds from a demand for purchase under the Liquidity Agreement, (ii) remarketing proceeds, (iii) Eligible Funds and (iv) money described in the Section titled "Unclaimed Money" herein below shall not be used for purposes other than payment of the Bonds or for the purpose of reimbursing the Bank if the Bonds have been paid in full from the proceeds of a demand for purchase under the Liquidity Agreement) shall be applied by the Trustee as follows and in the following order:

- (1) To the payment of any expenses necessary in the opinion of the Trustee to protect the interests of the Owners of the Bonds and payment of reasonable charges and expenses of the Trustee (including reasonable fees and disbursements of its counsel) incurred in and about the performance of its powers and duties under the Indenture;

- (3) To the Bank to be applied pursuant to the terms of the Liquidity Agreement, and the Trustee shall give written notice to the Issuer of the date and amount of such transfer.

Trustee to Represent Bondowners

The Trustee is hereby irrevocably appointed (and the successive respective Owners of the Bonds, by taking and holding the same, shall be conclusively deemed to have so appointed the Trustee) as trustee and true and lawful attorney-in-fact of the Owners of the Bonds for the purpose of exercising and prosecuting on their behalf such rights and remedies as may be available to such Owners under the provisions of the Bonds, the Indenture, the Liquidity Agreement, the Assistance Agreements and applicable provisions of any other law. Upon the occurrence and continuance of an Event of Default or other occasion giving rise to a right in the Trustee to represent the Bondowners, the Trustee in its discretion may, and upon the written request of the Bank or of Owners of a majority in aggregate principal amount of the Bonds then Outstanding as provided in the Indenture, and upon being indemnified against anticipated expenses and liabilities to its satisfaction therefor (which indemnity is a condition precedent to its duties hereunder), shall, proceed to protect or enforce its rights or the rights of such Owners by such appropriate action, suit, mandamus or other proceedings as it shall deem most effectual to protect and enforce any such right, at law or in equity, either for the specific performance of any covenant or agreement contained therein, or in aid of the execution of any power therein granted, or for the enforcement of any other appropriate legal or equitable right or remedy vested in the Trustee or in such Owners under the Indenture, the Liquidity Agreement, the Assistance Agreements or any other law; and upon instituting such proceeding, the Trustee shall be entitled, as a matter of right, to the appointment of a receiver of the Revenues and other assets pledged under the Indenture, pending such proceedings. Notwithstanding the foregoing, the Trustee shall not require indemnification prior to making draws on the

Liquidity Agreement, accelerating the Bonds as required therein, or making payment of principal of or premium, if any, or interest on the Bonds.

All rights of action under the Indenture or the Bonds or otherwise may be prosecuted and enforced by the Trustee without the possession of any of the Bonds or the production thereof in any proceeding relating thereto, and any such suit, action or proceeding instituted by the Trustee shall be brought in the name of the Trustee for the benefit and protection of all the Owners of such Bonds, subject to the provisions of the Indenture.

Bank's or Bondowners' Direction of Proceedings

Anything in the Indenture to the contrary notwithstanding, the Bank, so long as the Liquidity Agreement is in effect and the Bank is not in default in its obligations thereunder, or, if not, the Owners of a majority in aggregate principal amount of the Bonds Outstanding, shall have the right, by an instrument or concurrent instruments in writing executed and delivered to the Trustee, to direct the time, place and method of conducting all remedial proceedings taken by the Trustee thereunder, provided that such direction shall not be otherwise than in accordance with law and the provisions of the Indenture, and that the Trustee shall have the right to decline to follow any such direction that in the sole discretion of the Trustee would be unjustly prejudicial to Bondowners not parties to such direction. Before the Owners may take or require the Trustee to take any action not otherwise required thereunder, the Trustee may require that it be furnished an indemnity bond satisfactory to it for the reimbursement of all expenses to which it may be put and to protect it against all liability, except liability which is adjudicated to have resulted from the negligence or willful misconduct of the Trustee, by reason of any action so taken by the Owners or the Trustee. The Trustee shall not be responsible for the propriety of or liable for the consequences of following such a direction given by the Bank or the Owners of a majority in aggregate principal amount of the Bonds Outstanding. The Bank shall have no rights to direct proceedings hereunder in respect of remedies available to the Trustee against the Bank, including without limitation drawings to be made under the Liquidity Agreement, or against the Remarketing Agent or Underwriter when the Bank is acting in such capacity.

Limitation on Bondowners' Right to Sue

Except as otherwise provided in the Indenture, no Owner of any Bond shall have the right to institute any suit, action or proceeding at law or in equity, for the protection or enforcement of any right or remedy under the Indenture, any Assistance Agreement or any other applicable law with respect to such Bond, unless (1) the Liquidity Agreement is not available to pay the principal of or interest on the Bonds or the Bank is in default in its obligations under the Liquidity Agreement; (2) such Owner shall have given to the Trustee written notice of the occurrence of an Event of Default; (3) the Owners of not less than 50% in aggregate principal amount of the Bonds then Outstanding shall have made written request upon the Trustee to exercise the powers hereinbefore granted or to institute such suit, action or proceeding in its own name; (4) such Owner or Owners shall have tendered to the Trustee reasonable indemnity against the costs, expenses and liabilities to be incurred in compliance with such request; and (5) the Trustee shall have refused or failed to comply with such request for a period of 90 days after such written request shall have been received by, and such tender of indemnity shall have been made to, the Trustee.

Such notification, request, tender of indemnity and refusal or failure are hereby declared, in every case, to be conditions precedent to the exercise by any Owner of Bonds of any remedy under the Indenture or under law; it being understood and intended that no one or more Bondowners shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the security of the Indenture or the rights of any other Bondowners, or to enforce any right under the Indenture, the Assistance Agreements or applicable law with respect to the Bonds, except in the manner therein provided, and that all proceedings at law or in equity to enforce any such right shall be instituted, had and maintained in the manner provided therein and for the benefit and protection of all Owners of the Outstanding Bonds, subject to the provisions of the Indenture.

Notwithstanding the foregoing, nothing in the Indenture shall be construed as limiting or otherwise modifying the rights of the Owners and the Trustee under the Indenture, and in no event shall anything therein impair the absolute and unconditional right of the Owner of each Bond to receive payment of the Purchase Price or principal thereof and interest

and premium, if any, thereon at the times provided in such Bond and in the Indenture and to institute suit solely for the purpose of enforcing any such payment or purchase.

Absolute Obligation of Issuer

Nothing in the Indenture or in any other provision of the Indenture, or in the Bonds, shall affect or impair the obligation of the Issuer, which is absolute and unconditional, to pay the Purchase Price or principal of and premium, if any, and interest on the Bonds to the respective Owners of the Bonds at the times stated therein, but only out of the Revenues and other assets pledged therefor, or affect or impair the right of such Owners, which is also absolute and unconditional, to enforce such payment by virtue of the contract embodied in the Bonds.

Termination of Proceedings

In case any proceedings taken by the Trustee, the Bank or any one or more Bondowners on account of any Event of Default shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Trustee, the Bank or the Bondowners, then in every such case the Issuer, the Bank, the Trustee and the Bondowners, subject to any determination in such proceedings, shall be restored to their former positions and rights thereunder, severally and respectively, and all rights, remedies, powers and duties of the Issuer, the Bank, the Trustee and the Bondowners shall continue as though no such proceedings had been taken.

Remedies Not Exclusive

Except as otherwise provided in the Indenture, no remedy therein conferred upon or reserved to the Trustee or the Bank or to the Owners of the Bonds is intended to be exclusive of any other remedy or remedies, and each and every such remedy, to the extent permitted by law, shall be cumulative and in addition to any other remedy given thereunder or now or hereafter existing at law or in equity or otherwise.

No Implied Waiver of Default

No delay or omission of the Trustee, the Bank or any Owner of the Bonds to exercise any right or power arising upon the occurrence of any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein, and every power and remedy given by the Indenture to the Trustee or to the Owners of the Bonds may be exercised from time to time and as often as may be deemed expedient.

Waivers of Events of Default

Unless a Declaration of Acceleration has been given by the Trustee, the Trustee in its discretion may, if all arrearages of principal and interest, if any, on the Bonds and all expenses of the Trustee and/or the Issuer have been paid and all other defaults shall have been cured or provision satisfactory to the Trustee, the Issuer and the Bank has been made therefor, waive any Event of Default thereunder other than a default under Subsection (2) or (4) of "Events of Default" herein, and, with the written request of the Bank, shall waive any Event of Default thereunder other than a default under Subsection (2) of "Events of Default" and rescind its consequences; provided, however, the Trustee may not in any event waive an Event of Default unless the Liquidity Agreement or an Alternate Credit Facility is in effect at the time of such waiver and such Liquidity Agreement or Alternate Credit Facility has been fully reinstated with respect to the payment of the principal of and the interest on the Outstanding Bonds. In the case of any such waiver and rescission, the Issuer, the Trustee and the Bondowners shall be restored to their former positions and rights thereunder, respectively, but no such waiver and rescission shall extend to any subsequent or other default, or impair any right consequent thereon. All waivers under the Indenture shall be subject to the prior written approval of the Bank, other than a default under Subsection (2) of "Events of Default", and shall be in writing, and a copy thereof shall be delivered to the Issuer and the Bank.

Acceptance of Trust and Prudent Performance Thereof

The Trustee, as evidenced by its due execution of the Indenture, hereby accepts the conveyance set forth in the preamble, in trust, and agrees to keep, perform and observe faithfully all of the covenants, conditions and requirements imposed upon it in the Indenture and in the Bonds and the covenants, conditions, requirements, duties and obligations imposed upon the Issuer in the Assistance Agreements and assigned to the Trustee.

The Trustee shall be required to take notice or be deemed to have notice of any Event of Default thereunder other than Assistance Agreement Default Events that are not otherwise Events of Default thereunder, and shall be required to take notice or deemed to have notice of the Assistance Agreement Default Events described in Section 9.1(a), (c) and (f) of the Assistance Agreement. The Trustee shall be required to take notice or be deemed to have notice of any other Assistance Agreement Default Event only if the Trustee shall have received specific notice thereof delivered to the address set forth in the Indenture. All notices or other instruments required by the Indenture or the Assistance Agreement to be delivered to the Trustee, in order to be effective, must be delivered at the principal corporate trust office of the Trustee; and in the absence of such notice so delivered, the Trustee may conclusively assume that there is no default or Event of Default. Nonetheless, the Trustee may in its sole discretion take notice of an Assistance Agreement Default Event without specific notification thereof. In such case, the Trustee shall proceed as if it had received such specific notification and all provisions of the Indenture applying to the Trustee after having received such specific notification shall apply to the Trustee in actions without such specific notification.

The Trustee shall not be liable with respect to any action taken or omitted to be taken thereunder except for its own negligent failure to act or its own negligence or willful misconduct; provided, that:

(a) In the absence of an Event of Default, the duties and obligations of the Trustee shall be determined solely by the express provisions of the Indenture; the Trustee shall be obligated to take only such actions as are specifically set forth therein or as are specifically required to be taken by the Trustee when requested from time to time by the Bank or the Owners of not less than the aggregate principal amount of Outstanding Bonds specified therein with respect to the action in question; and

(b) In the absence of willful misconduct on the part of the Trustee, the Trustee may conclusively rely, as to the truth of the statements and to the correctness of the opinions expressed therein, upon any certificate or opinion furnished to the Trustee conforming to the procedural requirements of the Indenture or the Assistance Agreement; but in the case of any such certificate or opinion which by any provision is specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not it conforms to the procedural requirements of the Indenture or the Assistance Agreement; and

(c) The Trustee shall not be liable for any error of judgment made in good faith by the Trustee unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts; and

(d) The Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Bank or the Owners of not less than 50% in aggregate principal amount of Outstanding Bonds or in accordance with the express provisions of the Indenture.

Appointment of Trustee

There shall at all times be a trustee under the Indenture which shall be an association or a corporation organized and doing business under the laws of the United States or any state thereof, authorized under such laws to exercise corporate trust powers, having a combined capital and surplus of at least \$100,000,000 (or a subsidiary of an association or corporation having such combined capital and surplus), and subject to supervision or examination by federal or state authority. The written consent of the Rating Agency, if any, shall be required for the appointment of any successor to the Trustee unless the obligations of such successor are rated Baa3/P-3 or higher by the Rating Agency. If such association or corporation publishes reports of condition at least annually, pursuant to law or to the requirements of any supervising or examining authority referred to above, then for the purposes of the Indenture, the combined capital and surplus of such association or

corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section and another association or corporation is eligible, the Trustee shall resign immediately in the manner and with the effect specified in the Indenture.

Resignation of Trustee

The Trustee may resign and be discharged from the trusts created by the Indenture by giving to the Issuer, the Bank and the Remarketing Agent 45 days' advance written notice. Such resignation shall take effect on the day specified in such notice, but the Trustee shall not be discharged from the trusts created hereby until a successor trustee has been approved and appointed. Subsequent to such date, the Trustee shall have no further duties and obligations under the Indenture or any Assistance Agreement.

Removal of Trustee

(a) Subject to the provisions of the Indenture, the Trustee may be removed at any time, either with or without cause, by the Owners of a majority in aggregate principal amount of Outstanding Bonds, provided that all fees of the Trustee due and owing pursuant to the Indenture shall first be paid.

(b) Subject to the provisions of the Indenture, the Trustee may be removed, either with or without cause, by the Issuer so long as there has been no Event of Default which then remains uncured and provided that all fees of the Trustee due and owing pursuant to the Indenture shall first be paid.

(c) Any removal of the Trustee pursuant to the Indenture shall be effected by delivery to the Trustee of a written instrument to that effect.

(d) No resignation or removal of the Trustee shall be effective until a successor to the Trustee, not objected to by the Bank or the Remarketing Agent and qualified to carry out the functions of Trustee under the Indenture, shall have been appointed and shall have assumed those functions.

Appointment of Successor Trustee

(a) If at any time the Trustee shall resign, be removed or otherwise become incapable of acting, or shall be adjudged a bankrupt or insolvent, or if a receiver of the Trustee or of its property shall be appointed, or if a public supervisory office shall take charge or control of the Trustee or of its property or affairs, a vacancy shall forthwith and *ipso facto* be created in the office of such Trustee thereunder, and the Issuer shall promptly appoint a successor Trustee not objected to by the Remarketing Agent or the Bank and meeting the requirements of the Indenture.

(b) If, in a proper case, no appointment of a successor Trustee shall be made pursuant to the Indenture within 45 days after notice of removal or resignation of the Trustee, any Owner or the retiring Trustee may apply to any court of competent jurisdiction to appoint a successor Trustee. The court may thereupon, after such notice, if any, as such court may deem proper and prescribe, appoint a successor Trustee.

(c) The Issuer shall notify the Rating Agency of the appointment of a successor Trustee within 30 days of such appointment.

Merger of Trustee

Any corporation or association into which the Trustee may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer its trust business and assets as a whole or substantially as a whole, or any corporation or association resulting from any such conversion, sale, merger, consolidation or transfer to which it is a party, *ipso facto*, shall be and become successor trustee thereunder and vested with all of the title to the Trust Estate and all the trusts, powers, discretions, immunities, privileges and all other matters as was its predecessor, without the execution or filing

of any instrument or any further act, deed or conveyance on the part of any of the parties to the Indenture, anything therein to the contrary notwithstanding, provided that such resulting entity shall be entitled under state or federal law to exercise corporate trust powers.

Transfer of Rights and Property to Successor Trustee

Every successor Trustee appointed under the Indenture shall execute, acknowledge and deliver to its predecessor and also to the Issuer a written instrument accepting such appointment thereunder, and thereupon such successor, without any further act, deed or conveyance, shall become fully vested with the Trust Estate and the rights, powers, trusts, duties and obligations of its predecessor; but such predecessor shall, nevertheless, on the written request from the Authorized Representative of the Issuer or of its successor execute and deliver a written instrument transferring to such successor all the Trust Estate and the rights, powers, trusts, duties and obligations of such predecessor thereunder, and every predecessor Trustee shall deliver all funds held by it as Trustee thereunder to its successor. Should any assignment, conveyance or written instrument from the Issuer be required by any successor Trustee for more fully and certainly vesting in such successor Trustee the Trust Estate and rights, powers, trusts, duties and obligations hereby vested or intended to be vested in the predecessor Trustee, any and all such assignments, conveyances and written instruments shall, on request, be executed, acknowledged and delivered by the Issuer. Each successor Trustee shall give notice of its appointment to all Owners appearing on the Bond Register as of the date of appointment. The successor Trustee shall reimburse the predecessor Trustee for any expenses incurred under the Indenture.

The Trustee's rights to immunity and protection from liability thereunder and its right to receive payment of its fees and expenses shall survive its removal or resignation and the final payment, defeasance or discharge of the Bonds and the termination of the lien of the Indenture.

Defeasance

If the Issuer shall issue refunding bonds or have money available from any other lawful source to pay the Purchase Price, if applicable, or principal of and premium, if any, and interest (calculated at the Maximum Interest Rate unless the Bonds are in a Fixed Interest Rate Period that continues until the maturity date of the Bonds) on the Bonds, or such portion thereof included in the refunding or defeasance plan, as the same become due and to pay the costs of refunding or defeasance, and shall have set aside irrevocably in a special fund for and pledged to such payment, refunding or defeasance, Eligible Funds in the form of money and/or Government Obligations that are not subject to redemption prior to maturity sufficient in amount, together with known earned income from the investments thereof but without regard to any reinvestment thereof, to make such payments and to accomplish the refunding or defeasance as scheduled (hereinafter called the "trust account"), and shall make irrevocable provisions for redemption of such Bonds, if such redemption is included in the refunding or defeasance plan, then in that case all right and interest of the Owners of the Bonds to be so retired, refunded or defeased (hereinafter collectively called the "Defeased Bonds") in the covenants of the Indenture, in the Revenues and Funds, and in the funds and accounts obligated to the payment of such defeased Bonds, other than the right to receive the funds so set aside and pledged, thereupon shall cease and become void. Notwithstanding the foregoing, in the event the funds in the trust account are not available for such payment, the Owners of the Defeased Bonds shall have the residual right to receive payment of the Purchase Price, if applicable, and principal of and premium, if any, and interest on the defeased Bonds from the Revenues and Funds without any priority of lien or charge against those Revenues or Funds or covenants with respect thereto except to be paid therefrom (except such rights as exist with respect to payment, exchange and transfer of such Bonds under the pertinent provisions of the Indenture, and except that the covenants contained in the Indenture shall continue in full force and effect). After the establishing and full funding of such trust account, the Defeased Bonds shall be deemed to be discharged and the Issuer then may apply any money in any other fund or account established for the payment or redemption of the Defeased Bonds to any lawful purposes as it shall determine, subject only to the rights of the Owners of any other Bonds then Outstanding.

Anything in the Indenture to the contrary notwithstanding, if such Eligible Funds in the form of cash or Government Obligations have been deposited or set aside with the Trustee pursuant to the Indenture for the payment of Bonds and interest and premium thereon, if any, and such Bonds shall not yet have been paid in full, no amendment to the provisions of the Indenture shall be made without the consent of the Owner of each Bond affected thereby.

It shall be a condition of any such defeasance of Bonds that the Issuer has obtained (i) the opinion of counsel recognized in the area of bankruptcy matters that payment of the Defeased Bonds from the money and securities in the trust account will not constitute a voidable preference under the Bankruptcy Code, (ii) written evidence from the Rating Agency that the defeasance of the Variable Rate Bonds will not result in either a reduction or a withdrawal of its then current rating on the Variable Rate Bonds, and (iii) a certificate of a nationally recognized accounting firm that the money and securities in the trust account are sufficient to discharge and defease the Defeased Bonds.

Upon the discharge and defeasance of the Defeased Bonds, the Trustee shall send written notice to each Owner of a Defeased Bond stating that the Owner's Bond has been defeased and the time and manner of presenting the Defeased Bond for payment. If any of the Defeased Bonds are purchased and remarketed pursuant to a Demand Purchase Option, the Trustee shall send written notice to the Remarketing Agent and the purchaser of such defeased Bonds stating that such Defeased Bonds have been defeased and the time and manner of presenting the Defeased Bonds for payment.

Unclaimed Money

Notwithstanding any other provision of the Indenture, any money held by the Trustee for the payment and discharge of any Bond shall be held in cash and shall not be invested by the Trustee. Any money held by the Trustee for the payment and discharge of any Bond which remains unclaimed for more than one year after the discharge of such Bond (or such longer period as the Issuer may approve in writing) shall be free from such trust and shall promptly thereafter be transferred to the Bank by the Trustee for application in accordance with the Liquidity Agreement, or, if no amounts are due to the Bank under the Liquidity Agreement, to the Issuer, and the Trustee shall be released and discharged with respect thereto, and the Owners of Bonds payable from any such money shall look only to the Issuer for the payment thereof (or to the State if the Issuer has delivered such money to the State in accordance with the laws of the State relating to the escheat of unclaimed funds).

The Trustee shall not be responsible for accounting for, or paying to, the Issuer, the Bank or any Bondowner any return on or benefit from money held for the payment of unredeemed Bonds or outstanding checks, and no calculation of the same shall affect or result in any offset against fees due to the Trustee under the Indenture.

Amendment of Indenture

(a) The Indenture shall not be supplemented or amended in any respect subsequent to the initial issuance of the Bonds, except as provided in and in accordance with and subject to the provisions of the Indenture.

(b) The Issuer may from time to time and at any time, with the consent of the Bank, but without the consent of or notice to the Owners of the Bonds, enter into Supplemental Indentures for the following purposes:

(1) to cure any formal defect, omission, inconsistency or ambiguity in the Indenture in a manner not adverse to the Owner of any Bonds;

(2) to impose upon the Trustee for the benefit of the Owners of the Bonds any additional rights, remedies, powers, authority, security, liabilities or duties which may lawfully be granted, conferred or imposed and which are not contrary to or inconsistent with the Indenture as theretofore in effect;

(3) to add to the covenants and agreements of, and limitations and restrictions upon, the Issuer or any Governmental Agency in the Indenture other covenants, agreements, limitations and restrictions to be observed by the Issuer or any Governmental Agency which are not contrary to or inconsistent with the Indenture as theretofore in effect;

(4) to confirm, as further assurance, any pledge under, and the subjection to any claim, lien or pledge created or to be created by, the Indenture of any other money, securities or funds;

(5) to comply with any federal law or interpretation, including those relating to arbitrage rebate, to prevent the occurrence of an event that in the opinion of Bond Counsel would lead to a Determination of Taxability;

(6) to modify, amend or supplement the Indenture in such manner as necessary to provide for the substitution of an Alternate Credit Facility;

(7) to modify, amend or supplement the Indenture in such manner as to permit the qualification hereof under the Trust Indenture Act of 1939, as amended, or any similar federal statute hereafter in effect, and to add such other terms, conditions and provisions as may be permitted by that act or statute, in a manner not adverse to the Owner of any Bond;

(8) to authorize different denominations of the Bonds and to make correlative amendments and modifications to the Indenture regarding exchangeability of Bonds of different Authorized Denominations, redemptions of portions of Bonds of particular Authorized Denominations and similar amendments and modifications of a technical nature;

(9) to make such changes as are elsewhere expressly permitted by the Indenture; and

(10) to modify, alter, amend or supplement the Indenture in any other respect, including modifications required by the Rating Agency, which in the reasonable judgment of the Trustee is not materially adverse to the Owners of the Bonds and which does not involve a change described in paragraph (c) below.

Concurrently with or prior to the adoption by the Issuer of any such Supplemental Indenture pursuant to the Indenture, there shall have been delivered to the Issuer, the Remarketing Agent and the Trustee an opinion of Bond Counsel stating that such Supplemental Indenture is authorized or permitted by the Indenture and will, upon the execution and delivery thereof, be valid and binding upon the Issuer in accordance with its terms and will not cause the interest on the Bonds to be included in gross income of the Owners for federal income tax purposes.

(c) Except for any Supplemental Indenture entered into pursuant to paragraph (b) above, subject to the terms and provisions contained in this paragraph (c) and in any Related Documents and not otherwise, the Bank and the Owners of 60% in aggregate principal amount of Bonds then Outstanding shall have the right from time to time to consent to and approve the entering into by the Issuer of any Supplemental Indenture deemed necessary or desirable by the Issuer for the purpose of modifying, altering, amending, supplementing or rescinding, in any particular, any of the terms or provisions contained in the Indenture; except that, unless approved in writing by the Owners of all Bonds then Outstanding, nothing contained in the Indenture shall permit, or be construed as permitting:

(1) a change in the times, amounts or currency of payment of the principal of or premium, if any, or interest on any outstanding Bond, or a reduction in the principal amount or redemption price of any outstanding Bond or a change in the method of redemption or redemption price of any outstanding Bond or an extension of the final maturity thereof;

(2) a preference or priority of any Bond over any other Bond;

(3) a reduction in the aggregate principal amount of Bonds the consent of the Owners of which is required for any such Supplemental Indenture;

(4) the creation of any lien ranking prior to or on a parity with the lien of any Bonds; or

(5) the modification of any of the provisions of the Indenture.

If at any time the Issuer shall desire to enter into any Supplemental Indenture for any of the purposes of this paragraph (c), the Trustee shall cause notice of the proposed Supplemental Indenture to be given by first-class United States

Mail, postage prepaid, to all Owners of the then Outstanding Bonds and to the Rating Agency, the Remarketing Agent and the Bank. Such notice shall briefly set forth the nature of the proposed Supplemental Indenture and shall state that a copy thereof is on file at the office of the Trustee for inspection by all Owners of the Outstanding Bonds.

Within 60 days after the date of the mailing of such notice or such longer period as shall be prescribed from time to time by the Issuer, the Issuer may enter into such Supplemental Indenture in substantially the form described in such notice, but only if there shall have first or concurrently been delivered to the Trustee (i) the required consents, in writing, of the Bank, the Owners of the Bonds and any other Person whose consent is required under the terms of any Related Documents, and (ii) an opinion of Bond Counsel, stating that such Supplemental Indenture is authorized or permitted by the Indenture and, upon the execution and delivery thereof, will be valid and binding upon the Issuer in accordance with its terms and will not cause interest on the Bonds to be includable in gross income of the Owners for federal income tax purposes.

If the Owners of not less than 60% in aggregate principal amount of Bonds shall have consented to and approved the execution and delivery of a Supplemental Indenture as provided therein, no Owner of any Bond shall have any right to object to the adoption of such Supplemental Indenture, or to object to any of the terms and provisions contained therein or the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Issuer or the Trustee from entering into the same or from taking any action pursuant to the provisions thereof. Any written consent to a permitted amendment may be embodied in and evidenced by one or any number of concurrent written instruments of substantially similar tenor signed by such Bondowners in person or by an agent duly appointed in writing, and such consent shall become effective when such instrument or instruments are delivered to the Issuer or the Trustee.

(d) Proof of the execution of any such consent or of a writing appointing any such agent shall be sufficient for any purpose and shall be conclusive in favor of the Issuer if made in the following manner: the fact and date of the execution by any Person of any such consent or appointment may be proved by the affidavit of any witness of such execution or by the certificate of any notary public or other officer authorized by law to take acknowledgments of deeds, certifying that the Person signing such consent or appointment acknowledged to him the execution thereof. The fact and date of execution of such consent or appointment may also be proved in any other manner which the Issuer may deem sufficient; but the Issuer may nevertheless, in its discretion, require further proof in cases where it deems further proof desirable. Any consent by the Owner of any Bond shall bind any future Owner of the same Bond with respect to any Supplemental Indenture executed by the Issuer pursuant to such consent.

(e) Upon the execution and delivery of any Supplemental Indenture pursuant to the provisions of the Indenture, the Indenture shall be, and be deemed to be, modified and amended in accordance therewith, and the respective rights, duties and obligations under the Indenture of the Issuer, the Trustee, the Remarketing Agent, the Bank and all Owners of Bonds then Outstanding shall thereafter be determined, exercised and enforced under the Indenture subject in all respects to such modifications and amendments.

Amendment of Assistance Agreement

(a) Without the consent of or notice to the Owners but with the consent of the Compliance Group and the Trustee, the Issuer and the Governmental Agency may modify, alter, amend or supplement the Assistance Agreement, and the Trustee may consent thereto, as may be required by the provisions of the Assistance Agreement and the Indenture (i) for the purpose of curing any formal defect, omission, inconsistency or ambiguity therein, (ii) for the purpose of avoiding a withdrawal or a reduction in the rating, if any, on the Bonds, (iii) for the purpose of providing for the substitution of an Alternate Credit Facility, (iv) based on an opinion of Bond Counsel, to preserve the tax-exempt status of interest on the Bonds, or (v) in connection with any other change therein which is not materially adverse to the Owners of the Bonds.

(b) Except in the case of modifications, alterations, amendments or supplements referred to in the Indenture, the Issuer shall not enter into any amendment, change or modification of the Assistance Agreement without the written approval or consent of the Trustee and the Owners of 60% in aggregate principal amount of the Bonds then Outstanding; provided, however, that, unless approved in writing by the Owners of all Bonds then Outstanding, nothing contained in this Subsection shall permit, or be construed as permitting, a change in the obligations of the Governmental Agency under the Assistance Agreement. If at any time the Issuer or the Governmental Agency shall request the consent of the Trustee to any

such proposed modification, alteration, amendment or supplement, the Trustee shall cause notice thereof to be given in the same manner as provided with respect to Supplemental Indentures. Such notice shall briefly set forth the nature of such proposed modification, alteration, amendment or supplement and shall state that copies of the instrument embodying the same are on file at the principal office of the Trustee for inspection by all Owners. The Issuer may enter into, and the Trustee may consent to, any such proposed modification, alteration, amendment or supplement subject to the same conditions and with the same effect as provided with respect to Supplemental Indentures.

(c) Concurrently with or prior to entering into or consenting to, as the case may be, any modification, alteration, amendment or supplement to the Assistance Agreement pursuant to the Indenture, the Issuer and the Trustee shall have received an opinion of Bond Counsel stating that such modification, alteration, amendment or supplement is authorized or permitted by the Indenture, the Assistance Agreement and the Act, complies with their respective terms, will, upon the execution and delivery thereof, be valid and binding upon the Issuer and the Governmental Agency in accordance with its terms, and will not adversely affect the exclusion from gross income of the Owners of interest on the Bonds for federal income tax purposes.

Remarketing Agent

The Remarketing Agent shall be Raymond James & Associates, Inc., Lexington, Kentucky. The Issuer shall, with the consent of the Bank, appoint any successor Remarketing Agent for the Bonds, subject to the conditions set forth in the Indenture. The Remarketing Agent shall designate its principal office and signify its acceptance of the duties and obligations imposed upon it hereunder by a written instrument of acceptance delivered to the Issuer and the Trustee under which the Remarketing Agent will agree, particularly, to keep such books and records as shall be consistent with prudent industry practice and to make such books and records available for inspection by the Issuer and the Trustee at all reasonable times.

While any agent is so appointed and acting, the Trustee shall, subject to the provisions of the Indenture, at all times be and remain responsible for the timely and faithful performance by such agent of the acts and duties of the Trustee under the Indenture. Any person appointed as agent of the Trustee pursuant to the Indenture may resign at any time by giving notice to the Trustee not less than 60 days prior to such resignation and may be removed as such agent at any time by written notice delivered to such agent by the Trustee. The Trustee shall give written notice to the Remarketing Agent, the Issuer and each Owner at the address of such Owner as it last appears in the Bond Register of any resignation or removal of such agent and of the identity and the address of the principal office of any successor agent.

The Trustee agrees, particularly, as follows:

(1) The Trustee shall, upon receipt of a notice of the exercise by any Owner of the Demand Purchase Option, give prompt telephonic notice thereof to the Remarketing Agent, specifying the amount of Bonds to be purchased and the Purchase Date, and shall, not later than the following Business Day, confirm such telephonic notice in writing and deliver to the Remarketing Agent and the Bank a copy of such notice.

(2) On each Purchase Date, the Trustee shall give the Remarketing Agent telephonic notice, confirmed in writing by the following Business Day, of the amount of Bonds delivered pursuant to the Indenture.

(3) The Trustee shall hold all Bonds delivered to it pursuant to any provision of the Indenture in trust for the benefit of the respective Owners which shall have so delivered such Bonds until new Bonds are required by the Indenture to be delivered to the respective purchasers thereof.

(4) The Trustee shall cancel all Bonds that it has received pursuant to the Demand Purchase Option or on a Mandatory Tender Date and shall register and authenticate new Bonds in a like aggregate principal amount in the names and in the denominations set forth in the written notice given to the Trustee by the Remarketing Agent pursuant to the Indenture.

(5) The Trustee shall deliver Bonds to the purchasers thereof in accordance with the Indenture. The Trustee shall remit the Purchase Price of tendered Bonds to the tendering Owners of Bonds in accordance with the Indenture.

(6) The Trustee shall hold all tendered Bonds cancelled following receipt of such Bonds from the Owners thereof.

(7) The Trustee shall keep such books and records as shall be consistent with prudent industry practice and shall make such books and records available for inspection by the Issuer and the Bank at all reasonable times.

(8) The Trustee shall hold all money (without investment thereof) delivered to it thereunder for the purchase of Bonds pursuant to the Demand Purchase Option or on a Mandatory Tender Date as agent and bailee of, and in escrow for the benefit of, the person or entity which shall have so delivered such money until the Bonds purchased with such money shall have been delivered to or for the account of such person or entity.

(9) The Trustee shall hold all money delivered to it for the purchase of Bonds pursuant to the Demand Purchase Option or on a Mandatory Tender Date as agent and bailee of, and in escrow for the benefit of, the former Owner or Owners who shall deliver Bonds to it for purchase until the Bonds purchased with such money shall have been delivered to the new Owners; provided, however, that if the Bonds shall at any time become due and payable prior to their delivery, the Trustee shall cause such money to be deposited into the Bond Fund.

Qualifications of Remarketing Agent; Resignation; Removal

The Remarketing Agent shall be a member of the National Association of Securities Dealers, Inc., or a bank or banking association or subsidiary thereof, in either case having a combined capital stock, surplus and undivided profits of at least \$10,000,000 and authorized by law to perform all the duties imposed upon it by the Indenture. The written consent of the Rating Agency, if any, shall be required for the appointment of any successor to the Remarketing Agent unless the obligations of such successor are rated Baa3/P-3 or higher by the Rating Agency. The Remarketing Agent may at any time resign and be discharged of the duties and obligations created by the Indenture by giving notice at least 90 days prior to the proposed date of such resignation to the Issuer, the Trustee and the Bank. Such resignation shall take effect on the day a successor Remarketing Agent shall have been appointed and shall have accepted such appointment. The Remarketing Agent may be removed at anytime, by an instrument, signed by the Issuer, filed with the Remarketing Agent, the Trustee and the Bank; provided, however, that such removal shall not be effective unless and until a successor Remarketing Agent shall have accepted such appointment.

Remarketing Of Bonds; Notice of Interest Rates

(a) Upon the receipt of notice of the exercise by any Owner of the Demand Purchase Option or of the occurrence of a Mandatory Tender Date, unless otherwise directed by the Issuer with the consent of the Bank, the Remarketing Agent shall offer for placement and use its best efforts to market such Bonds, any such sale to be made on, or as soon as practicable after, the date of such purchase by the Trustee, at a Variable Interest Rate or the Fixed Interest Rate, as applicable, provided, however, that if the Liquidity Agreement shall be in effect, the Remarketing Agent shall not market any of such Bonds at a price below the principal amount thereof plus accrued interest thereon. The Remarketing Agent shall not remarket any Bond to any Governmental Agency, any affiliate of any Governmental Agency, any other party to the Liquidity Agreement or to the Issuer.

(b) The Remarketing Agent shall determine the rate of interest to be borne by the Bonds during each Interest Rate Period and shall furnish to the Trustee by telephone or telefacsimile on the day of such determination (promptly confirmed in writing if appropriate) all information necessary for the Trustee to carry out its duties under the Indenture.

(c) The Remarketing Agent shall give telephonic or telegraphic notice by 10:30 a.m., Cincinnati time, promptly confirmed by a written notice, to the Trustee, on the Business Day immediately preceding each date on which

Bonds are to be purchased pursuant to the Indenture, specifying the principal amount of Bonds, if any, sold by it pursuant to the Indenture.

(d) The Remarketing Agent shall determine a Variable Interest Rate or a Fixed Interest Rate on each date contained in a direction delivered pursuant to the Indenture, respectively, and shall give notice thereof by telephone or telefacsimile promptly confirmed by a written notice (if applicable) to the Trustee and the Issuer.

(e) The Remarketing Agent shall determine the redemption dates and the redemption prices of the Bonds if the Bonds are to be converted to a Fixed Interest Rate Period or if the Bonds are to remain in a Fixed Interest Rate Period upon the expiration of a Fixed Interest Rate Period.

(f) From the date on which the Remarketing Agent receives notice of any Mandatory Tender Date or redemption date until such date, the Remarketing Agent will not place any Bond except to a person who acknowledges in writing that it has knowledge of the matters stated in the notice of such Mandatory Tender Date, or redemption given by the Trustee pursuant to the Indenture and shall have agreed in writing not to sell such Bond, other than pursuant to the Demand Purchase Option.

(g) The purchasers of tendered Bonds shall pay or cause to be paid the Purchase Price thereof to the Trustee.

Delivery of Bonds

(a) Bonds remarketed by the Remarketing Agent upon the exercise of the Demand Purchase Option or the occurrence of a Mandatory Tender Date shall be delivered to the Trustee for cancellation pursuant to the Indenture, and the Trustee shall deliver, to the purchasers thereof, Bonds in all applicable respects equivalent to the cancelled Bonds.

(b) Bonds purchased with money described in clause (1) of Subsection (b) of the section of the Indenture titled "Notice of Bonds Tendered for Purchase; Purchase of Bonds" shall be delivered to the Trustee for cancellation.

(c) Bonds tendered pursuant to the Demand Purchase Option or on a Mandatory Tender Date, not remarketed and purchased with money described in the Indenture shall be delivered to the Trustee to be held in trust for the benefit of the Bank (or its designee) in respect of the applicable purchase under the Liquidity Agreement and may be released for redelivery upon notice from the Remarketing Agent that it has arranged for the Bonds so held to be remarketed. The Trustee shall not release such Bonds for delivery, and the Remarketing Agent shall not deliver such Bonds to the new Owners thereof, until the Trustee has been notified in writing by the Bank that the Liquidity Agreement has been reinstated pursuant to the Liquidity Agreement.

(d) Bonds delivered as provided in the Indenture shall be registered in the manner directed by the recipient thereof.

Demands on Liquidity Agreement

Except as provided in the Indenture, Bonds which are to be purchased pursuant to the Demand Purchase Option or on a Mandatory Tender Date (except to the extent that money described in the Indenture shall be available for the purchase of such Bonds), shall be paid from moneys derived from the purchase of Bonds by the Bank pursuant to the Liquidity Agreement, and the Trustee promptly shall demand a purchase under the Liquidity Agreement in such an amount sufficient to make timely payment of the Purchase Price of such Bonds.

Delivery of Proceeds of Remarketing

The proceeds of the remarketing by the Remarketing Agent of any Bonds shall be furnished to the Trustee for delivery to the former Owners of such Bonds; provided, however, that if any Bond so remarketed by the Remarketing Agent is a Bond held by the Trustee for the benefit of the Bank in respect of which a Liquidity Purchase (as defined in the Liquidity Agreement) had been made under the Liquidity Agreement, the proceeds of such remarketing shall be delivered (1) if, at

that time, there shall be amounts due and payable to the Bank pursuant to the Liquidity Agreement, to the Bank, or (2) if no such amounts shall be so due and payable, to the Issuer.

No Purchases, Sales or Drawings After Default

Anything in the Indenture to the contrary notwithstanding, if there shall have occurred and be continuing an Event of Default and the Trustee shall have declared an acceleration of the Bonds, there shall be no purchases or sales of Bonds pursuant to the Indenture and the Trustee shall make no drawings under the Liquidity Agreement to pay the Purchase Price of Bonds, except in accordance with the provisions of the Indenture relating to remedies on an Event of Default.

THE ASSISTANCE AGREEMENT

Obligations Payable Out of Revenues on a Parity with Prior Bonds

All of the Obligations and Prior Bonds, together with the interest thereon and such additional bonds ranking on a parity therewith issued by the Governmental Agency and outstanding and that may be thereafter issued and outstanding from time to time under the conditions and restrictions set forth in the Assistance Agreement, shall be payable out of the Sinking Fund, as heretofore created in the Prior Bond Legislation and as hereinafter more specifically provided and shall be a valid claim of the holder thereof only against said fund and the fixed portion or amount of the income and revenues of the System of said Governmental Agency pledged to said fund.

Compliance with Parity Coverage Requirements of the Prior Bond Legislation

The Assistance Agreement declares that in accordance with the provisions of the Prior Bond Legislation, and prior to the issuance of any of the Obligations authorized, there will be procured and filed with the Governmental Agency Clerk of said Governmental Agency any and all statements or certifications for the purpose of having both principal and interest on the Prior Bonds and the Obligations authorized in the Assistance Agreement payable on a parity from the income and revenues of said System with said outstanding Prior Bonds.

Flow of Funds

All proceedings preliminary to and in connection with the issuance of the Prior Bonds, whereby provision was made for the receipt, custody, and application of the proceeds of the Prior Bonds; for the operation of said System on a revenue-producing basis; for the segregation, allocation, and custody of the revenues derived from the operation of the System; and for the enforcement and payment of the Prior Bonds; and all other covenants for the benefit of the bondholders set out in the Prior Bond Legislation, are ratified and confirmed by the Assistance Agreement and shall continue in force and inure to the security and benefit of the Bonds, the same as if such provisions and proceedings were repeated in full herein.

Provided, however, notwithstanding anything to the contrary in any Prior Bond Legislation, the Governmental Agency shall be allowed a credit to the extent of moneys on deposit in the Program Reserve Fund for the purpose of meeting any parity requirements in any Prior Bond Legislation; subject however, to the limitation that moneys in the Program Reserve Fund may only be used to make payments of the Governmental Agency due under the Assistance Agreement, if necessary, and; provided further, that the Trustee may not seek payment for any reserve funds held by Governmental Agency under any Prior Bond Legislation for payment of any amounts due from the Governmental Agency under the Assistance Agreement.

Disposition of Proceeds of the Loan; Governmental Agency Account

Upon (i) the execution of the Assistance Agreement, (ii) the deliverance of the Assistance Agreement to the Trustee, (iii) certification of the Compliance Group that the Loan is to be accepted in the Program and (iv) upon receipt by the Governmental Agency of the proceeds of the Obligations, the proceeds shall be applied as follows:

(a) Disposition of the Proceeds. There shall first be deducted and paid from the proceeds of the Obligations the fees and costs incurred by the Governmental Agency and any other pertinent expenses incident to the issuance, sale and delivery of the Obligations and such other appropriate expenses as may be approved by the Governmental Agency Chief Executive, including but not limited to the Governmental Agency's pro rata share of the Program's fees and expenses.

The balance shall be deposited to the Governmental Agency Account to be used to construct the Project.

(b) Governmental Agency Account. A Governmental Agency Account has been created and maintained by the Trustee pursuant to the Indenture; and the amount on deposit in said Governmental Agency Account shall be applied to the extent necessary, to pay the cost of additions and improvements to and the construction of the Project.

Investment income derived from investment of the Governmental Agency Account, which shall be invested in Permitted Investments accordance with the Assistance Agreement, shall, as received, be deposited in the Governmental Agency Account.

The Trustee shall be obligated to send written notice to the Governmental Agency of the need for investment directions if and whenever funds in excess of \$50,000 shall remain uninvested for a period of more than five days. In the absence of written direction from the Governmental Agency with respect to investment of moneys held in the Governmental Agency Account, the Trustee is hereby directed to invest funds in money market mutual funds of the Trustee or its affiliates that qualify as Permitted Investments under the Assistance Agreement.

Payment from the Governmental Agency Account for costs in connection with the Project shall be made only upon a Requisition Certificate delivered to the Trustee which has been approved by the Engineers having charge of supervising such acquisition, improvement and construction, and countersigned by the Governmental Agency Chief Executive, said Engineers to certify in each instance that the Requisition Certificate represents a sum actually earned by and due to the proposed payee under a contract with said Governmental Agency for work performed and/or materials furnished in connection with the Project, or represents a sum necessary to be expended for land and/or rights of way necessary to be acquired by the Governmental Agency in connection with said Project.

No expenditure shall be made from the Governmental Agency Account except for proper and authorized expenses relating to the acquisition, improvement and construction of the Project in accordance with the contracts, plans and specifications approved by the Governmental Agency.

After completion of the Project, as certified by the Engineers, any balance then remaining on deposit in the Governmental Agency Account shall, subject to any and all applicable legal provisions and applicable arbitrage regulations necessary to assure the exemption of interest on the Obligations from Federal income taxation, upon orders of the Governing Body, be transferred to the Sinking Fund, to be used for the purposes thereof.

Arbitrage Limitations

(1) The Governmental Agency covenants that neither the proceeds of the Obligations, nor "Non-Exempt Revenues" of the System, as defined below, will be invested in investments which will produce a net adjusted yield in excess of the net interest cost (effective yield) of the Obligations, if such investment would cause such Obligations to be treated as "arbitrage bonds" within the meaning of Section 148 of the Internal Revenue Code, as amended, and the applicable regulations thereunder; provided, however, that such proceeds and/or revenues may be invested to whatever extent and whenever the Code and/or applicable regulations permit same to be invested without causing the Obligations to be treated as "arbitrage bonds."

(2) "Non-Exempt Revenues" within the meaning of the foregoing shall be deemed to refer to revenues of the System deposited in any of the funds earmarked for or reasonably expected to be used for the payment of debt service on the Obligations, in excess of "Exempt Revenues," which Exempt Revenues are:

(a) amounts deposited in the Sinking Fund for the purpose of paying debt service on any Obligations against the System within thirteen (13) months from the date of deposit;

(b) amounts deposited in the Depreciation Fund or any similar reserve for replacements, reasonably expected to be used for extensions, additions, improvements or replacements to the System, and not reasonably expected to be used to pay debt service (even if pledged to be used to pay debt service in the event of the unexpected inadequacy of other funds pledged for that purpose).

(3) If, and to the extent that any Non-Exempt Revenues are on deposit and are available for investment by reason of the foregoing, such funds shall be subject to the investment limitations set out in the Indenture.

On the basis of information furnished to the Governmental Agency, on known facts, circumstances and reasonable expectations on the date of enactment of the Assistance Agreement, the Governmental Agency certifies as follows:

(a) That it is not expected or contemplated that the proceeds of the Obligations will be used or invested in any manner which will cause any of the Obligations to be treated as "arbitrage bonds" within the meaning of Section 148 of the Code and the applicable regulations thereunder.

(b) That it is not expected or contemplated that the Governmental Agency will make any use of the proceeds of the Obligations, which, if such use had been reasonably anticipated on the date of issuance of the Obligations, would have caused the Obligations to be arbitrage bonds.

(c) That it is expected and contemplated that the Governmental Agency will comply with (i) all of the requirements of Section 148 of the Code; and (ii) all of the requirements of the applicable regulations thereunder, to whatever extent is necessary to assure that the Obligations will not be treated as arbitrage bonds.

(d) That it is anticipated that amounts on deposit in the Sinking Fund will be used within 13 months from the date of deposit for the payment of debt service on the outstanding Obligations and all Prior Bonds payable from said Sinking Fund.

(e) That amounts accumulated in the Sinking Fund Reserve shall not exceed the limitations set forth in the Assistance Agreement.

(f) That it is not reasonably anticipated that amounts accumulated in the Depreciation Fund will be used for payment of debt service on any bonds payable from the revenues of the System, even though such Depreciation Fund will be so available if necessary to prevent a default in the payment of principal and interest on such bonds.

Prior to or at the time of delivery of the Obligations, the Governmental Agency Chief Executive and/or the Governmental Agency Treasurer are authorized to execute the appropriate certification with reference to the matters referred to above, setting out all known and contemplated facts concerning such anticipated investment of the proceeds of the Obligations, including the execution of necessary and/or desirable certifications of the type contemplated by the Code and applicable regulations, as amended, in order to assure that interest on the Obligations will be exempt from all federal income taxes and that the Obligations will not constitute or be treated as arbitrage bonds.

Parity Obligations

The Obligations shall not be entitled to priority one over the other in the application of the income and revenues of the System, regardless of the time or times of their issuance, it being the intention that there shall be no priority among the Obligations, regardless of the fact they may be actually issued and delivered at different times, and provided further that the lien and security of and for any bonds or obligations hereafter issued that are payable from the income and revenues of the System, shall, except as set out in the Assistance Agreement, be subject to the priority of the Prior Bonds and the Obligations as may from time to time be outstanding; provided the Governmental Agency has in said Prior Bond Legislation

reserved the right and privilege, and does reserve the right and privilege, of issuing additional bonds from time to time payable from the income and revenues of the System ranking on a parity with the Prior Bonds and with the Obligations, but only under the conditions specified in the Prior Bond Legislation, which conditions are repeated in the Assistance Agreement, taking into account the issuance of the Obligations.

The Governmental Agency reserves the right to finance future extensions, additions, and/or improvements to the System by the issuance of one or more additional series of bonds to be secured by a parity lien on and ratably payable from, the revenues of the System pledged to the Prior Bonds and the Obligations, provided;

(a) The facility or facilities to be constructed from the proceeds of the additional parity bonds is or are made a part of the System and its or their revenues are pledged as additional security for the additional parity obligations and the outstanding Prior Bonds and Obligations.

(b) The Governmental Agency is in compliance with all covenants and undertakings in connection with all of the bonds then outstanding and payable from the revenues of the System or any part thereof.

(c) The annual net revenues (defined as gross revenues less essential operation and maintenance expenses) of the then existing System for the fiscal year preceding the year in which such parity bonds are to be issued, adjusted as hereinafter provided, shall equal at least the required percentage set forth in the Prior Bond Legislation of the maximum annual debt service requirements for principal of and interest on all outstanding Bonds payable from the revenues of the System, plus the anticipated requirements of any Parity Obligations then proposed to be issued. The calculation of maximum annual debt service requirements of principal and interest on the additional Parity Obligations to be issued shall, regardless of whether such Parity Obligations are to be serial or term bonds, be determined on the basis of the principal of and interest on such Parity Obligations being payable in approximately equal annual installments.

(d) The "annual net revenues" referred to above may be adjusted for the purpose of the foregoing computations to reflect:

(i) any revision in the schedule of rates or charges being imposed at the time of the issuance of any such additional Parity Obligations, and

(ii) any increase in the "annual net revenues" to be realized, within 12 months of the completion of the Project, from the proposed extensions, additions, and/or improvements being financed (in whole or in part) by such additional Parity Obligations; provided all such adjustments shall be based upon and included in a certification of a Certified Public Accountant.

(e) Reference is made to the necessity of obtaining the written consent of the United States Department of Agriculture Rural Development or its successor [the "RD"] for the issuance of future bonds encumbering the System while the RD holds any bonds payable from the revenues of the System.

The Governmental Agency hereby covenants and agrees that in the event any additional Parity Obligations are issued, the Governmental Agency shall:

(1) Adjust the monthly amount to be deposited into the Sinking Fund on the same basis as that prescribed in the provisions establishing such Sinking Fund, to reflect the annual debt service requirements of the additional Parity Obligations; and

(2) Adjust the minimum annual amount to be deposited monthly into the Sinking Fund Reserve on the same basis as that prescribed in the provisions establishing such Sinking Fund Reserve, taking into account the future debt service requirements of all bonds which will then be outstanding against the System.

The Governmental Agency reserves the right to issue parity bonds to refund or refinance any part or all of the Prior Bonds and the Obligations, provided that prior to the issuance of such additional parity bonds for that purpose, there shall

have been procured and filed with the Governmental Agency Clerk of the Governmental Agency a statement by a Certified Public Accountant, as defined therein, reciting the opinion based upon necessary investigation that:

(a) after the issuance of such parity bonds, the annual net revenues, as adjusted and defined above, of the then existing system for the fiscal year preceding the date of issuance of such Parity Obligations, after taking into account the revised debt service requirements resulting from the issuance of such Parity Obligations and from the elimination of the Bonds being refunded or refinanced thereby, are equal to not less than the required percentage set forth in the Prior Bond Legislation [*to be not less than 120%*] of the maximum debt service requirements then scheduled to fall due in any fiscal year thereafter for principal of and interest on all of the then outstanding Bonds payable from the revenues of the System, calculated in the manner specified above; or

(b) in the alternative, that the maximum debt service requirements for the Prior Bonds, the Obligations, any previously issued Parity Obligations and the proposed refunding Parity Obligations, in any year of maturities thereof after the redemption of the Bonds scheduled to be refunded through the issuance of such proposed refunding Parity Obligations, shall not exceed the maximum debt service requirements applicable to the then outstanding Prior Bonds, the Obligations and any previously issued Parity Obligations for any year prior to the issuance of such proposed Parity Bonds and the redemption of the Bonds to be refunded.

Rates and Charges for Services of the System

While any Bonds are outstanding and unpaid, the rates for all services and facilities rendered by the System to the Governmental Agency and to its citizens, corporations, or others requiring the same, shall be reasonable and just, taking into account and consideration the cost and value of said System, the cost of maintaining and operating the same, the proper and necessary allowances for depreciation thereof, and the amounts necessary for the retirement of the outstanding Bonds and the accruing interest on all such Bonds as may be outstanding under the provisions of the Assistance Agreement and the Prior Bond Legislation, and there shall be charged such rates and amounts as shall be adequate to meet all requirements of the provisions of the Assistance Agreement. Compensation for services and facilities rendered to the Governmental Agency shall be paid for out of the corporate funds of the Governmental Agency by monthly payments into the Revenue Fund the same as other income and revenues of the System are paid, and shall then be apportioned among the various funds. Prior to the issuance of the Obligations a schedule of rates and charges for the services rendered by the System to all users adequate to meet all requirements of the Assistance Agreement has been established and adopted.

The Governmental Agency covenants that it will not reduce the rates and charges for the services rendered by the System without first filing with the Governmental Agency Clerk a certification of an Independent Consulting Engineer or a Certified Public Accountant that the annual net revenues (defined as gross revenues less current expenses) of the then existing System for the fiscal year preceding the year in which such reduction is proposed, as such annual net revenues are adjusted, after taking into account the projected reduction in "annual net revenues" anticipated to result from any such proposed rate decrease, are equal to not less than the required percentage set forth in the Prior Bond Legislation [*to be not less than 120%*] of the maximum annual debt service requirements for principal and interest on all of the then outstanding bonds payable from the revenues of the System, calculated in the manner specified in the Indenture.

The Governmental Agency also covenants to cause a report to be filed with the Governing Body within four months after the end of each fiscal year by a Certified Public Accountant, setting forth the precise debt service coverage percentage of the maximum annual debt service requirements falling due in any fiscal year thereafter for principal of and interest on all of the then Outstanding Bonds payable from the revenues of the System, produced or provided by the net revenues of the System in that fiscal year, calculated in the manner specified in the Indenture; and the Governmental Agency covenants that if and whenever such report so filed shall establish that such coverage of net revenues for such year was less than the required percentage set forth in the Prior Bond Legislation [*to be not less than 120%*] of the maximum debt service requirements, the Governmental Agency shall increase the rates by an amount sufficient, in the opinion of such Certified Public Accountant, to establish the existence of or immediate projection of, such minimum percentage set forth in the Prior Bond Legislation [*to be not less than 120%*] coverage.

All Obligations of this Issue Are Equal

The Obligations authorized and permitted to be issued thereunder, and from time to time outstanding, shall not be entitled to priority one over the other in the application of the income and revenues of the System regardless of the time or times of their issuance, it being the intention that there shall be no priority among the Obligations, the Prior Bonds and any Parity Bonds authorized or permitted to be issued under the provisions of the Assistance Agreement, regardless of the fact that they may be actually issued and delivered at different times.

Defeasance and/or Refunding of Obligations

The Governmental Agency reserves the right, at any time, to cause the pledge of the revenues securing the outstanding Obligations to be defeased and released by paying an amount into an escrow fund sufficient, when invested (or sufficient without such investment, as the case may be) in direct obligations of or obligations guaranteed by the United States of America, including book entry obligations and trust receipts representing an ownership in direct obligations of the United States of America, to assure the availability in such escrow fund of an adequate amount (a) to call for redemption and to redeem and retire all of such outstanding Obligations, both as to principal and as to interest, on the next or any optional redemption date, including all costs and expenses in connection therewith, and to pay all principal and interest falling due on the outstanding Obligations to and on said date, or (b) to pay all principal and interest requirements on the outstanding Obligations as same mature, without redemption in advance of maturity, the determination of whether to defease under (a) or (b) or both to be made by the Governing Body. Such Permitted Investments shall have such maturities as to assure that there will be sufficient funds for such purpose. If such defeasance is to be accomplished pursuant to (a), the Governmental Agency shall take all steps necessary to publish the required notice of the redemption of the outstanding Obligations and the applicable redemption date. Upon the proper amount of such investments being placed in escrow and so secured, such revenue pledge shall be automatically fully defeased and released without any further action being necessary.

Contractual Nature of Assistance Agreement

The provisions of the Assistance Agreement shall constitute a contract between the Governmental Agency and the Issuer; and after the issuance of any of such Obligations, no change, variation or alteration of any kind in the provisions of the Assistance Agreement, nor of the Prior Bond Legislation, shall be made in any manner except as herein or therein provided until such time as all of the Bonds authorized thereby and the interest thereon have been paid or provided for in full, or as otherwise provided therein; provided (a) that the Governing Body may enact legislation for any other purpose not inconsistent with the terms of the Assistance Agreement, and which shall not impair the security of the Issuer and/or for the purpose of curing any ambiguity, or of curing, correcting or supplementing any defective or inconsistent provisions contained therein or in any ordinance or other proceedings pertaining to the Assistance Agreement.

Appointment and Duties of Trustee

The Trustee is hereby designated as the bond registrar and paying agent with respect to the Obligations.

Its duties as Trustee shall be as follows:

- (1) To register all of the Obligations in the names of the Issuer;
- (2) To cancel and destroy (or remit to the Governmental Agency for destruction, if so requested by the Governmental Agency) all exchanged, matured, retired and redeemed Obligations, and to maintain adequate records relevant thereto.
- (3) To remit, but only to the extent that all required funds are made available to the Trustee by the Governmental Agency, interest payments directly to the Issuer's accounts for the Program.
- (4) To notify the Issuer of any Obligations to be redeemed and to redeem Obligations prior to their stated maturity upon receiving sufficient funds; and

(5) To supply the Governmental Agency with a written accounting evidencing the payment of interest on and principal of the Obligations within thirty (30) days following each respective due date.

The Trustee shall be entitled to the advice of counsel and shall be protected for any acts taken by it in good faith in reliance upon such advice. The Trustee shall not be liable for any actions taken in good faith and believed by it to be within its discretion or the power conferred upon it by the Assistance Agreement, or the responsibility for the consequences of any oversight or error in judgment.

The Trustee may at any time resign from its duties set forth in the Assistance Agreement by filing its resignation with the Governmental Agency Clerk and notifying the Issuer. Thereupon, the Issuer shall notify the Governmental Agency of a successor Trustee which shall be an incorporated bank or trust company authorized to transact business in the United States of America. Notwithstanding the foregoing, in the event of the resignation of the Trustee, provision shall be made for the orderly transition of the books, records and accounts relating to the Obligations to the successor Trustee in order that there will be no delinquencies in the payment of interest or principal due on the Obligations.

Provisions in Conflict Repealed

All ordinances, resolutions and orders, or parts thereof, in conflict herewith are, to the extent of such conflict, hereby repealed; and it is hereby specifically ordered and provided that any proceedings heretofore taken for the issuance of other bonds payable or secured in any manner by all or any part of the income and revenues of the System, or any part thereof, and which have not heretofore been issued and delivered, are hereby revoked and rescinded, and none of such other bonds shall be issued and delivered.

Covenant of Governmental Agency to Take All Action Necessary to Assure Compliance with the Internal Revenue Code of 1986

In order to assure purchasers of the Obligations that interest thereon will continue to be exempt from federal and Kentucky income taxation (subject to certain exceptions set out below), the Governmental Agency covenants to and with the Issuer that (1) the Governmental Agency will take all actions necessary to comply with the provisions of the Code, (2) the Governmental Agency will take no actions which will violate any of the provisions of the Code, or would cause the Obligations to become "private activity bonds" within the meaning of the Code, (3) none of the proceeds of the Obligations will be used for any purpose which would cause the interest on the Obligations to become subject to federal income taxation, and the Governmental Agency will comply with any and all requirements as to rebate (and reports with reference thereto) to the United States of America of certain investment earnings on the proceeds of the Obligations.

The Governmental Agency hereby certifies that it does not reasonably expect to issue bonds or other obligations considered under the Code to be "tax-exempt obligations" in the aggregate principal amount in excess of \$5,000,000 during the calendar year in which the Obligations are being issued, and has irrevocably allocated that portion of its \$5,000,000 small issuer exemption equal to the principal amount of the Obligations, and for that reason the Governmental Agency has been advised by Bond Counsel that pursuant to Section 148(f)(4)(C) of the Code, neither the debt service fund nor any other fund or account established under the provisions of the Assistance Agreement is subject to the "rebate requirements" on excess earnings in favor of the United States of America imposed by the Code. The Governmental Agency covenants and agrees that in the event it is subsequently determined, upon advice of nationally recognized bond counsel, that any fund or account established under the Assistance Agreement, are subject to said rebate requirements and do, in fact, generate earnings from "non-purpose investments" in excess of the amount which said investments would have earned at a rate equal to the "yield" on the Obligations, plus any income attributable to such excess, it shall rebate to the United States of America any such excess generated from such investments and remit such excess to the United States of America on or before five (5) years from the date of issuance of the Obligations, and once every five years thereafter until the final retirement of the Obligations; the last installment, to the extent required, to be made no later than sixty (60) days following the date on which funds sufficient for the complete retirement of the Obligations are deposited with the Paying Agent or any escrow agent.

The Governmental Agency reserves the right to amend the Assistance Agreement but only with the consent of the Issuer (i) to whatever extent shall, in the opinion of Bond Counsel, be deemed necessary to assure that interest on the Obligations shall be exempt from federal income taxation, and (ii) to whatever extent shall be permissible (without jeopardizing such tax exemption or the security of such owners) to eliminate or reduce any restrictions concerning the investment of the proceeds of these Obligations, or the application of such proceeds or of the revenues of the System. The purchasers of these Obligations are deemed to have relied fully upon these covenants and undertakings on the part of the Governmental Agency as part of the consideration for the purchase of the Obligations. To the extent that the Governmental Agency obtains an opinion of nationally recognized bond counsel to the effect that non-compliance with any of the covenants contained in the Assistance Agreement or referred to in the Assistance Agreement would not subject interest on the Obligations to federal income taxes or Kentucky income taxes, the Governmental Agency shall not be required to comply with such covenants or requirements.

The Assistance Agreement is enacted in contemplation that Bond Counsel will render an opinion as to exemption of principal of the Obligations from Kentucky ad valorem taxation and as to exemption of interest on the Obligations from federal and Kentucky income taxation, based on the assumption by Bond Counsel that the Governmental Agency complies with covenants made by the Governmental Agency with respect to compliance with the provisions of the Code, and based on the assumption of compliance by the Governmental Agency with requirements as to any required rebate (and reports with reference thereto) to the United States of America of certain investment earnings on the proceeds of the Obligations. The Governmental Agency has been advised that based on the foregoing assumptions of compliance, Bond Counsel is of the opinion that the Obligations are not "arbitrage bonds" within the meaning of Section 148 of the Code.

Insurance

(a) Fire and Extended Coverage. If and to the extent that the System includes structures above ground level, the Governmental Agency shall, upon receipt of the proceeds of the sale of the Obligations, if such insurance is not already in force, procure fire and extended coverage insurance on the insurable portion of all of the facilities of the System, of a kind and in such amounts as would ordinarily be carried by private companies or public bodies engaged in operating a similar utility.

The foregoing fire and extended coverage insurance shall be maintained so long as any of the Obligations are outstanding and shall be in amounts sufficient to provide for not less than full recovery whenever a loss from perils insured against does not exceed eighty percent (80%) of the full insurable value of the damaged facility.

In the event of any damage to or destruction of any part of the System the Governmental Agency shall promptly arrange for the application of the insurance proceeds for the repair or reconstruction of the damaged or destroyed portion thereof.

(c) Vehicle Liability Insurance. If and to the extent that the Governmental Agency owns or operates vehicles in the operation of the System, upon receipt of the proceeds of the Obligations, the Governmental Agency shall, if such insurance is not already in force, procure and maintain, so long as any of the Obligations are outstanding, vehicular public liability insurance with limits of not less than \$200,000 for one person and \$1,000,000 for more than one person involved in one accident, to protect the Governmental Agency from claims for bodily injury and/or death, and not less than \$200,000 against claims for damage to property of others which may arise from the operation of such vehicles by the Governmental Agency.

- (d) The failure to promptly repair, replace or reconstruct essential facilities of the System after any major damage and/or destruction thereof.

Upon the occurrence of an Event of Default, the Issuer or the Trustee on its behalf, as owner of the Obligations, may enforce and compel the performance of all duties and obligations of the Governmental Agency as set forth therein. Upon the occurrence of an Event of Default, then, upon the filing of suit by the Trustee or the Issuer, any court having jurisdiction of the action may appoint a receiver to administer the System on behalf of the Governmental Agency, with power to charge and collect rates sufficient to provide for the payment of the principal of and interest on the Obligations, and for the payment of operation and maintenance expenses of the System, and to provide and apply the income and revenues in conformity with the Assistance Agreement and with the laws of the Commonwealth of Kentucky.

In addition to and apart from the foregoing, upon the occurrence of an Event of Default, the owner of any of the Obligations may require the Governmental Agency by demand, court order, injunction, or otherwise, to raise all applicable rates charged for services of the System a reasonable amount, consistent with the requirements of the Assistance Agreement.

Annual Reports

The Governmental Agency hereby agrees to provide or cause to be provided to the Issuer and the Compliance Group audited financial statements prepared in accordance with generally accepted accounting principals and such other financial information and/or operating data as requested by the Issuer or the Compliance Group.

The annual financial information and operating data, including audited financial statements, will be made available on or before 120 days after the end of each fiscal year.

We have examined such portions of the Constitution, Statutes and laws of the United States, the Constitution, Statutes and laws of the Commonwealth, and such applicable court decisions, regulations, rulings and opinions as we have deemed necessary or relevant for the purposes of the opinions set forth below.

We have also examined records and the transcript of proceedings relating to the authorization and issuance of the Series 2022A Bonds, including a specimen bond, and other relevant matters. We have also made such investigation as we have deemed necessary for the purposes of such opinions, and relied upon certificates of officials of the Commonwealth and the Corporation as to certain factual matters.

Terms not defined herein are defined in the Original Indenture as supplemented by the Supplemental Indenture (hereinafter the Original Indenture and the Supplemental Indenture shall be collectively referred to as the "Indenture") and shall have the same meanings herein, unless the context otherwise requires.

Based upon the foregoing, it is our opinion, under the law existing on the date of this opinion, that:

1. The Corporation is a non-profit corporation and instrumentality of various governmental entities of the Commonwealth, duly organized and validly existing under the laws of the Commonwealth and has the legal right and authority to issue the Series 2022A Bonds.
2. The Original Indenture has been duly authorized, executed and delivered by the Corporation and is a valid and binding obligation of the Corporation enforceable in accordance with its terms.
3. The Supplemental Indenture is authorized and permitted by the Original Indenture and complies with the amendment provisions of the Original Indenture. All consents or approvals required for the execution and delivery of the Supplemental Indenture have been obtained. The Supplemental Indenture has been duly authorized, executed and delivered by the Issuer and is a valid and binding obligation of the Issuer enforceable upon the Issuer.
4. The Assistance Agreements (the "Assistance Agreements") described in the Supplemental Indenture have been duly authorized, executed and delivered by the Issuer and are valid and binding obligations of the Issuer enforceable upon the Issuer.

5. The Series 2022A Bonds have been duly authorized and issued by the Corporation and are valid and binding limited and special obligations of the Corporation enforceable in accordance with their terms.

6. The Series 2022A Bonds are payable as to principal, premium, if any, and interest from and are secured by a pledge of and a first lien on the Trust Estate, as defined in the Indenture.

7. The Series 2022A Bonds are special and limited obligations of the Corporation payable solely and only as provided for by the Indenture. The Series 2022A Bonds do not pledge the general credit or taxing power, if any, of the Commonwealth, the Corporation or any other agency or political subdivision of the Commonwealth.

8. The Series 2022A Bonds are "state or local bonds" as defined and described in Section 103(c)(1) of the Internal Revenue Code of 1986, as amended.

9. Interest payable on the Series 2022A Bonds is excludable from gross income for federal income tax purposes under the Internal Revenue Code of 1986, as amended (the "Code") and is not an item of tax preference for purposes of computing the federal alternative minimum tax. The Corporation has covenanted to comply with the applicable provisions of the Code, and such compliance by the Corporation is necessary to maintain the federal income tax status described above. We express no opinion regarding other federal tax consequences arising with respect to the Series 2022A Bonds.

10. The interest on the Series 2022A Bonds is exempt from income taxation and the Series 2022A Bonds are exempt from ad valorem taxation by the Commonwealth and any of its political subdivisions.

Our opinion set forth above is subject to the qualification that the enforceability of the Indenture, the Assistance Agreements, the Series 2022A Bonds and agreements relating thereto may be limited by bankruptcy, reorganization, moratorium, insolvency, or other similar laws relating to or affecting the enforcement of creditors' rights, and to the exercise of judicial discretion in accordance with general equitable principles.
