If fewer than all of the Bonds are redeemed at any time, the District shall determine the maturity or maturities and the amounts thereof to be redeemed, in integral multiples of \$5,000 in principal amount, and if fewer than all of the bonds within a maturity are to be redeemed, the Paying Agent/Registrar shall select by lot or other random selection method. The registered owner of any Bond, all or a portion of which has been called for redemption, shall be required to present same to the Paying Agent/Registrar for payment of the redemption price on the portion of the Bond so called for redemption and the issuance of a new Bond in the principal amount equal to the portion of the Bond not redeemed.

Any successful bidder may elect, in its written bid to alter the Maturity Schedule reflected on the cover by converting the principal amounts of Serial Bonds maturing in the years 2029 through 2049 in to “Terms Bonds,” such “Term Bonds” shall be subject to mandatory redemption on the April 1 next following the last maturity for Serial Bonds, and annually thereafter on each April 1, until the stated principal amount of the term bonds to be redeemed on each mandatory redemption date shall be the principal amount that would have been due and payable in the Maturity Schedule shown on the cover had no conversion to Term Bonds occurred. At least 30 days prior to each mandatory redemption date, the Paying Agent/Registrar shall select by lot the term Bonds to be redeemed and issue a notice of redemption in the manner provided below.

Successor Paying Agent/Registrar:

Provision is made in the Bond Resolution for replacement of the Paying Agent/Registrar. If the Paying Agent/Registrar is replaced by the District, the new Paying Agent/Registrar shall accept the previous Paying Agent/Registrar's records and act in the same capacity as the previous Paying Agent/Registrar. Any Paying Agent/Registrar selected by the District shall be either a national or state banking institution, trust company, financial institution, or other entity duly qualified and legally authorized to serve and perform the duties as Paying Agent/Registrar.

Security for Payment:

The Bonds when issued will constitute valid and binding obligations of the District, payable as to the principal and interest from the proceeds of a continuing, direct annual ad valorem tax, without legal limitation as to rate or amount, levied against all taxable property within the District, all to the extent and upon the conditions described in the Official Statement.

Municipal Bond Rating:

In connection with the sale of the Bonds the District has made application to Moody's Investor Services, Inc. ("Moody's") which has assigned the underlying rating of "Baa3" on the Bonds based upon the District's underlying credit without bond insurance. The underlying rating to be released by Moody's of the District will be maintained by Moody's in addition to the rating by virtue of the bond insurance, if applicable. See "BOND INSURANCE." An explanation of the significance of such rating may be obtained from Moody's. The rating reflects only the view of Moody's, and the District makes no representation as to the appropriateness of such rating.

The District can make no assurance that Moody's rating will continue for any period of time or that such rating will not be revised downward or withdrawn entirely by Moody's if in the judgment of Moody's circumstances so warrant. Any such downward revision or withdrawal of the rating may have an adverse effect on the market price of the Bonds.

Municipal Bond Insurance:

The District has applied to Assured Guaranty Municipal Corp. ("AGM") and Build America Mutual Assurance Company ("BAM") for qualification of the Bonds for bond insurance. Potential purchasers may bid for the Bonds with or without bond insurance. If the Underwriters bid for a series of the Bonds with bond insurance, the cost of the bond insurance premium must be paid for by the Underwriters. The District will pay for the cost of the Moody's Investors Services, Inc. ("Moody's") rating. The Underwriters must pay for the cost of any rating other than the Moody's rating. If the Underwriters purchase a series of the Bonds with bond insurance and, subsequent to the sale date and prior to the closing date, the bond insurer's credit rating is down-graded; the Underwriters are still obligated to accept delivery of the Bonds. Information relative to the cost of the insurance premium will be available from AGM or BAM on the day of the sale.

CONDITIONS OF SALE

Types of Bids and Interest Rates:

The Bonds will be sold in one block on an "all or none" basis and at a price of not less than 97% of the par value thereof plus accrued interest from the date of the Bonds to the date of delivery. Bidders are to name the rates of interest to be borne by the Bonds, provided that each rate bid must be in a multiple of 1/8 of 1% or 1/20 of 1%. All Bonds maturing within a single year must bear the same rate of interest.

The net effective interest rate on the Bonds may not exceed 5.21% as calculated pursuant to Chapter 1204, Texas Government Code, as amended. Subject to the above conditions, no limitation will be imposed upon bidders as to the number of interest rates or changes in interest rates which may be used, but the highest interest rate bid for any maturity may not exceed the lowest interest rate bid for any maturity by more than 3.0 percentage points. Each bidder shall state in its bid the total and net interest cost in dollars and the net effective interest rate determined thereby, which shall be considered informative only and not as a part of the bid.

Basis of Award:

For the purpose of awarding the sale of the Bonds, the interest cost of each bid will be computed by determining, at the interest rates specified therein, the total dollar value of all interest on the Bonds from the date thereof to their respective maturities and adding thereto the discount, if any. Subject to the District's right to reject any or all bids, sale of the Bonds will be awarded to the bidder (the "Underwriter") whose bid, under the above computation, produces the lowest net interest cost to the District subject to compliance with Texas Government Code § 2252.908. In the event of mathematical discrepancies between the interest rates and the interest costs determined therefrom, as both appear on the Official Bid Form the bid will be solely governed by the interest rates named therein.

Provision of Texas Ethics Commission Form 1295 (“TEC Form 1295”) and Certification of Filing by Bidders:

Pursuant to Texas Government Code § 2252.908 (the "Interested Party Disclosure Act" or the "Act"), the District may not award the Bonds to a bidder that is a privately held entity unless the bidder, and each privately held syndicate member listed on the Official Bid Form, unless such bidder or syndicate member is exempt from such requirements pursuant to Texas Government Code § 2252.908(c)(4), have provided to the District (c/o Allen Boone Humphries Robinson LLP, 3200 Southwest Freeway, Suite 2600, Houston, Texas, 77027) a completed and signed TEC Form 1295 which has been assigned a certificate number by the Texas Ethics Commission (the "TEC"). Pursuant to the rules prescribed by the TEC, the TEC Form 1295 must be completed online through the TEC's website, assigned a certificate number, printed, signed, and provided to the District. The TEC Form 1295 may accompany the Official Bid Form or may be submitted separately, but must be provided to the District prior to 12:00 p.m., Houston time on Tuesday, May 17, 2022. However, the original signed TEC Form 1295 complete with certificate number must be physically delivered to the District (c/o Allen Boone Humphries Robinson LLP, 3200 Southwest Freeway, Suite 2600, Houston, Texas, 77027) within three business days of the award (Friday, May 20, 2022). Following the award of the Bonds, the District will notify the TEC of the receipt of each completed TEC Form 1295. The District reserves the right to reject any bid that does not comply with the requirements prescribed herein or to waive any such requirements. For purposes of completing the TEC Form 1295, the entity's name is Galveston County Municipal Utility District No. 31 and the contract ID number is GCMUD31-S2022-B. Neither the District nor its consultants have the ability to verify the information included in a TEC Form 1295, and neither have an obligation nor undertake responsibility for advising any bidder with respect to the proper completion of the TEC Form 1295. Consequently, an entity intending to bid on the Bonds should consult its own advisors to the extent it deems necessary and be prepared to submit the completed form promptly upon notification from the District that its bid is the apparent winning bid.

Competitive Bidding and Certificate of Underwriter:

In the event that the District does not receive sufficient qualified bids to satisfy the competitive sale requirements of Treasury Regulation § 1.148-1(f)(3)(i), allowing the District to treat the reasonably expected initial offering price to the public as of the sale date as the issue price of the Bonds, the "hold-the-offering-price rule" shall apply, which will allow the District to treat the initial offering price to the public of each maturity as of the sale date as the issue price of that maturity (the "hold-the-offering-price rule"). So long as the hold-the-offering-price rule applies to any maturity of the Bonds, the Underwriter will neither offer nor sell that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following: (i) the date on which the Underwriter has sold at least 10 percent of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public or (b) the close of the fifth business day after the sale date. Alternative Certificates of Underwriter are attached for use (I) when the competitive sale requirements of Treasury Regulation § 1.148-1(f)(3)(i) are met and (II) when such requirements are not met.

DELIVERY AND ACCOMPANYING DOCUMENTS

CUSIP Numbers:

It is anticipated that CUSIP identification numbers will be printed on the Bonds, but neither the failure to print such number on any Bond nor any error with respect thereto shall constitute cause for failure or refusal by the Underwriter to accept delivery of or make payment for the Bonds in accordance with the terms of the Official Bid Form and this Official Notice of Sale. All expenses in relation to the printing of CUSIP numbers on the Bonds shall be paid by the District; however, the CUSIP Service Bureau charge for the assignment of the numbers shall be paid by the Underwriter.

Delivery of Initial Bonds:

Initial delivery will be accomplished by the issuance of one initial Bond for the entire principal amount of the Bonds, payable in stated installments (the "Initial Bonds"), either in typed or printed form, in the aggregate principal amount of \$4,100,000 registered to the person or entity designated by the Underwriter in the Official Bid Forms, signed manually or in

facsimile by the President and Secretary of the Board, approved by the Attorney General of Texas, and registered and manually signed by the Comptroller of Public Accounts of the State of Texas or her authorized representative. Initial delivery will be through DTC. One definitive Bond for each maturity will be registered and delivered in the name of Cede & Co., and deposited with or under agreement with DTC in connection with DTC's Book-Entry-Only System. Payment for the Initial Bonds must be made in immediately available funds for unconditional credit to the District, or as otherwise directed by the District. If for any reason the District is unable to make delivery on or before July 14, 2022, then, the District shall immediately contact the Underwriter and offer to allow the Underwriter to extend its offer for an additional 30 days. If the Underwriter does not elect to extend its offer within six days thereafter, then its Good Faith Deposit will be returned, and both the District and the Underwriter shall be relieved of any further obligation. In no event shall the District be liable for any damages by reason of its failure to deliver the Initial Bonds, provided such failure is due to circumstances beyond the District's reasonable control.

Initial Exchange for Definitive Bonds:

Upon presentation by the Underwriter of the Initial Bond to the Paying Agent/Registrar, the Paying Agent/Registrar shall, in the time and manner provided in the, exchange the Initial Bonds for registered Bonds in denominations of \$5,000 or any integral multiple thereof, to be deposited in accordance with the requirements of the Depository Trust Company and registered in the name of Cede & Co.

Conditions of Delivery:

The Underwriter's obligation to take delivery and pay for the Initial Bonds is subject to the issuance of the Texas Attorney General's opinion and the Underwriter's receipt of the legal opinion of Bond Counsel and the no-litigation certificate, all as described below.

Continuing Disclosure Agreement:

The District will agree in the Bond Resolution to provide certain periodic information and notices of material events in accordance with Securities and Exchange Commission Rule 15c2-12, as described in the Preliminary Official Statement under "Continuing Disclosure of Information." The Underwriter's obligation to accept and pay for the Bonds is conditioned upon delivery to the Underwriter or its agent of a certified copy of the Bond Resolution containing the agreement described under such heading.

Legal Opinion:

The District will furnish to the Underwriter a transcript of certain proceedings held incident to the authorization and issuance of the Bonds, including a certified copy of the approving opinion of the Attorney General of Texas, as recorded in the Bond Register of the Comptroller of Public Accounts of the State of Texas, to the effect that the Bonds are valid and legally binding obligations of the District. The District will also furnish the approving legal opinion of Allen Boone Humphries Robinson LLP, Houston, Texas, Bond Counsel for the District ("Bond Counsel"), to the effect that, based upon an examination of such transcript, the Bonds are validly issued under the Constitution and laws of the State of Texas, and to the effect that, under existing law, interest on the Bonds is excludable from gross income for federal income tax purposes, and interest on the Bonds is not subject to the alternative minimum tax on individuals.

Certain legal matters will be passed upon for the District by Norton Rose Fulbright US LLP, Houston, Texas, as Disclosure Counsel.

No-Litigation Certificate:

On the date of delivery of the Initial Bonds to the Underwriter, the District will deliver to the Underwriter a certificate, dated as of the same date, to the effect that the District has no knowledge of litigation of any nature filed or pending to restrain or enjoin the issuance or delivery of the Bonds, or which would affect the provisions made for their payment or security or in any manner question the validity of the Bonds.

Certification Regarding Issue Price:

To provide the District with information to enable it to comply with certain conditions of the Internal Revenue Code of 1986, as amended, relating to the exclusion of interest on the Bonds from gross income for federal income tax purposes, the Underwriter will be required to complete, execute, and deliver to the District, on or before the date of delivery of the Bonds, a certification regarding "issue price" in the form accompanying this Notice of Sale. Each bidder, by submitting its

bid, agrees to complete, execute, and deliver such certificate by the date of delivery of the Bonds if its bid is accepted by the District. It will be the responsibility of the successful bidder to institute such syndicated reporting requirements, to make such investigation, or otherwise to ascertain the facts necessary to enable it to make such certification with reasonable certainty. Any questions concerning such certification should be directed to Bond Counsel.

In those jurisdictions where persons registered or licensed as dealers or brokers may offer and sell the Bonds, it is assumed that such persons have complied and will comply with all applicable statutes and regulations concerning dealers and brokers and concerning the registration or licensing of agents or salesmen.

By the submission of its bid, the Underwriter represents that the offer and sale of the Bonds in states other than Texas will be made only pursuant to exemptions from registration or qualification, or where necessary, the Underwriter will register or qualify the Bonds in accordance with the securities laws of the states in which the Bonds are offered or sold. The District agrees to cooperate, at the Underwriter's written request and expense, in registering or qualifying the Bonds, or in obtaining an exemption from registration or qualification in any state where such action is necessary, provided that the District shall not be required to file a general consent to service of process in any jurisdiction.

Qualified Tax-Exempt Obligations:

Section 265(a) of the Internal Revenue Code of 1986, as amended, ("the Code") requires a pro rata reduction in the interest expense deduction of a financial institution to reflect such financial institution's investment in tax-exempt obligations acquired after August 7, 1986. An exception to the foregoing provision is provided in the Code for "qualified tax-exempt obligations," which include tax-exempt obligations, such as the Bonds that are: (a) designated by the issuer as "qualified tax-exempt obligations," and (b) issued by a political subdivision for which the aggregate amount of tax-exempt

obligations (not including private activity bonds other than qualified 501(c) (3) bonds) to be issued during the calendar year is not expected to exceed \$10,000,000.

The District will designate the Bonds as "qualified tax-exempt obligations" and will represent that the aggregate amount of tax-exempt bonds (including the Bonds) issued by the District and entities aggregated with the District under the Code during calendar year 2022 is not expected to exceed \$10,000,000 and that the District and entities aggregated with the District under the Code have not designated more than \$10,000,000 in "qualified tax-exempt obligations" (including the Bonds) during calendar year 2022.

Notwithstanding this exception, financial institutions acquiring the Bonds will be subject to a twenty percent (20%) disallowance of allocable interest expense.

Final Official Statement:

The District has prepared the accompanying Preliminary Official Statement for dissemination to potential purchasers of the Bonds. The District will prepare a final Official Statement which will describe the reoffering yields and underwriting discount bid, the interest rates for the Bonds determined as described above, and the final debt service schedule and ratios and tax rates consequent thereon. The District does not intend to amend or supplement the Preliminary or final Official Statement, except to take into account certain subsequent events, if any, as described below. Accordingly, the District deems the accompanying Preliminary Official Statement to be final as of its date, within the meaning of SEC Rule 15c2-12(b)(1), except for the omission of the foregoing items. By delivering the final Official Statement or any amendment or supplement thereto in the requested quantity to the Underwriter on or after the sale date, the District represents the same to be complete as of such date, within the meaning of SEC Rule 15c2-12(e)(3). Notwithstanding the foregoing, the only representations concerning the absence of material misstatements or omissions from the Official Statement which are or will be made by the District are those described in the Official Statement under "OFFICIAL STATEMENT--Certification of Official Statement."

Changes to Official Statement:

If, subsequent to the date of the Official Statement, the District learns or is notified by the Underwriter of any adverse event which causes any of the representations in the Official Statement to be materially misleading, the District will promptly prepare and supply to the Underwriter a supplement to the Official Statement which corrects such representation to the reasonable satisfaction of the Underwriter, unless the Underwriter elect to terminate their obligation to purchase the Bonds as described above. See "DELIVERY AND ACCOMPANYING DOCUMENTS--Conditions of Delivery." The obligation of the District to supplement the Official Statement will terminate when the District delivers the Bonds to the Underwriter, unless the Underwriter notify the District that less than all of the Bonds have been sold to ultimate customers on or before such date, in which case the obligation will extend for an additional period of time (but not for more than 90 days after the sale date) until all of the Bonds have been sold to ultimate purchasers.

Delivery of Official Statements:

The District will furnish to the Underwriter (and to each other participating underwriter of the Bonds, within the meaning of SEC Rule 15c2-12(a), designated by the Underwriter), within seven business days after the sale date, the aggregate number of Official Statements as requested by the Underwriter. The District will also furnish to the Underwriter a like number of any supplements or amendments prepared by the District for dissemination to potential purchasers of the Bonds as described above, as well as such additional copies of the Official Statement or any supplements or amendments as the Underwriter may request prior to the 90th day after the end of the underwriting period referred to in SEC Rule 15c2-12(e)(2). The District will pay the expense of preparing up to 50 copies of the Official Statement and all copies of any supplements or amendments issued on or before the delivery date, but the Underwriter must pay for all other copies of the Official Statement or any supplement or amendment thereto. The District assumes no responsibility or obligation for the distribution or delivery of any copies of the Official Statement to anyone other than the Underwriter.

Additional Copies:

Additional copies of this Official Notice of Sale, the Official Bid Form and the Preliminary Official Statement may be obtained from John Howell, Senior Vice President, The GMS Group, L.L.C., 5075 Westheimer, Suite 1175, Houston, Texas 77056-5606; phone number (713) 622-7620.
