TERMS OF SALE

**Best Bid:** The Notes will be awarded to the best bid on the basis of the annually compounded lowest NIC of the proposal, as calculated by the Municipal Advisor.

If two or more bidders offer bids at the same lowest NIC, the best bid will be the first bid received in the determination of the County Treasurer, whose determination is final; provided, however, that the County Treasurer reserves the right to exercise her discretion and judgment in making the award and may award the Notes on a pro rata basis in such denominations as the County Treasurer shall determine.

By submission of its bid, a bidder shall be deemed to have made the following representations:

(1) The bidder has received and reviewed the Preliminary Official Statement and, as a condition to bidding on the Notes, has determined that it can comply with the requirements of Rule 15c2-12 of the Securities and Exchange Commission under the Securities Exchange Act of 1934, as amended.

(2) As of the date of its bid and as of the date of delivery of the Notes, all members of the bidder's syndicate either participate in The Depository Trust Company, New York, New York ("DTC") or clear through or maintain a custodial relationship with an entity that participates in said depository.

(3) Keygent LLC, the District's Municipal Advisor with respect to the Notes, is not a participant in this bidding syndicate or other similar account formed for the purpose of

purchasing the Notes directly or indirectly from the District, nor is any parent company, subsidiary of, or entity controlled by or controlling Keygent LLC.

Minimum Bid: The County Treasurer, in consultation with the District, will not accept any bid for less than all of the Notes or for a purchase price of less than 100.3% of the principal amount of the Notes. The foregoing provision does not preclude premium on the Notes so long as the bid is at least equal to 100.3% of the aggregate principal amount of the Notes

Adjustment of Principal Amount: The County Treasurer, in consultation with the District, reserves the right following receipt of bids and determination of the winning bid to increase or decrease the principal amount of the Notes, including as may be necessary to take account of premium bid by the winning bidder, provided that in no event may the adjusted principal amount exceed \$24,000,000. In such event, the County Treasurer, in consultation with the District, will award such amount of Notes and the purchase price of the accepted bid will be adjusted accordingly. **THE SUCCESSFUL BIDDER MAY NOT WITHDRAW ITS BID OR CHANGE THE INTEREST RATE BID OR THE INITIAL REOFFERING PRICE AS A RESULT OF ANY CHANGES MADE TO THE STATED PRINCIPAL AMOUNT.**

Form of Bid: All bids must be unconditional. ***All bids shall be deemed to incorporate all of the terms of this Official Notice of Sale.***

Hand Delivery: Hand delivered bids will not be accepted. All bids must use the i-Deal/Parity bid system.

***WARNINGS:*** The County Treasurer assumes no responsibility for ensuring or verifying bidder compliance with Parity’s procedures. The County Treasurer shall be entitled to assume that any bid received via Parity has been made by a duly authorized agent of the bidder. The County Treasurer, the Municipal Advisor, and Bond Counsel (defined herein) assume no responsibility for any malfunction of the Parity system, any failure of a bid to be received at the official time, or any error contained in any bid submitted electronically. The official time for receipt of bids will be determined by the County Treasurer, and the County Treasurer shall not be required to accept the time kept by Parity as the official time. In the event of a malfunction of the Parity system, all bids will be rejected and the Notes will be offered for competitive sale on a later date.

**THE COUNTY TREASURER RETAINS ABSOLUTE DISCRETION TO DETERMINE WHETHER ANY BID, DELIVERED BY ANY MEANS, IS TIMELY AND COMPLETE.**

Multiple Bids: In the event multiple bids are received from a single bidder by any means or combination thereof, the County Treasurer, in consultation with the District, shall accept the bid representing the lowest NIC, and each bidder agrees by submitting any bid to be bound by such best bid.

Statement of Net Interest Cost (NIC): Each bidder is requested, but not required, to state in its bid the total percentage NIC, which shall be considered as informative only and not binding on either the bidder or the County Treasurer.

Good Faith Deposit: A good faith deposit of \$100,000 (the “Deposit”) is required to bid on the Notes, and a good faith deposit will be required from the winning bidder. The Deposit shall be wired to:

No interest on the Deposit will accrue to any bidder. The Deposit (without accruing interest) of the winning bidder will be applied to the purchase price of the Notes. In the event the winning bidder fails to honor its accepted bid, the Deposit plus any interest accrued on the Deposit will be retained by the District. Any investment income earned on the Deposit will be paid to the successful bidder in the event the District is unable to deliver the Notes. Deposits accompanying bids other than the bid which is accepted will be returned promptly upon the determination of the best bidder.

Costs of Issuance: Costs of issuance, excluding the winning bidder's compensation, will be paid by the District solely from the aggregate proceeds of the Notes. The winning bidder's compensation will be paid by the District from the premium or proceeds generated from the sale of the Notes. The District further reserves the right to instruct the winning bidder to wire a portion of the purchase price to U.S. Bank Trust National Association, in its capacity as costs of issuance custodian for the Notes.

The Underwriter shall pay all out-of-pocket expenses of the Underwriter, including the California Debt and Investment Advisory Commission fee, CUSIP Bureau fees and other expenses (except those expressly provided above), without limitation.

Right of Rejection: The County Treasurer reserves the right to reject any and all bids and to waive any irregularity or informality in any bid which does not have a material effect and whose waiver will not change the ranking of the bids received.

Prompt Award: The County Treasurer will take action awarding the Notes or rejecting all bids not later than 26 hours after the expiration of the time herein prescribed for the receipt of the bids, unless such time of award is waived by the successful bidder. Notice of the award will be given promptly to the successful bidder.

CLOSING PROCEDURES AND DOCUMENTS

Delivery and Payment: Delivery of the Notes through the facilities of DTC will be made to the successful bidder in New York, New York, as soon as the Notes can be prepared, which it is estimated will be on August 24, 2022. Payment for the Notes must be made in funds immediately available, on the date of delivery. Any expense of providing immediately available funds, whether by transfer of Federal Reserve Bank funds or otherwise, shall be borne by the successful bidder or bidders. The cost of printing the Notes will be borne by the District.

Right of Cancellation: The successful bidder shall have the right, at its option, to cancel its obligation to purchase the Notes if the Notes are not executed and tendered for delivery within 60 days from the date of sale thereof.

CUSIP Numbers and Other Fees: It is expected that the successful bidder will apply for CUSIP identification numbers for the Notes, and furnish such numbers to Bond Counsel.

**Sequoia Union High School District  
2022-23 TRANS – Official Notice of Sale**

It is anticipated that such CUSIP numbers will be printed on the Notes being delivered to DTC, but neither the failure to print such number on any Note nor any error with respect thereto shall constitute cause for a failure or refusal by the successful bidder to accept delivery of and pay for the Notes in accordance with the terms and conditions of its bid. All expenses in relation to the printing of CUSIP numbers on the Notes shall be paid by the District, but the CUSIP Service Bureau charge for the assignment of such numbers shall be paid by the successful bidder. The successful bidder shall also be required to pay all fees required by DTC, the Securities Industry and Financial Markets Association, the Municipal Securities Rulemaking Board, and any other similar entity imposing a fee in connection with the issuance of the Notes.

California Debt and Investment Advisory Commission Fee: Attention of bidders is directed to California Government Code Section 8856, which provides that the lead underwriter or the purchaser of the Notes shall be charged any California Debt and Investment Advisory Commission fee payable with respect to the Notes.

Establishment of Issue Price:

(a) The Underwriter shall assist the District in establishing the issue price of the Notes and shall execute and deliver to the District on the Closing Date an “issue price” or similar certificate setting forth the reasonably expected initial offering price to the public of the Notes, together with the supporting pricing wires or equivalent communications, substantially in the form attached hereto as Exhibit A, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Underwriter, the District and the District’s Bond Counsel. All actions to be taken by the District under this Official Notice of Sale to establish the issue price of the Notes may be taken on behalf of the District by the District’s Municipal Advisor and any notice or report to be provided to the District may be provided to the District’s Municipal Advisor. The Municipal Advisor shall execute and deliver to the District on the Closing Date an “issue price” or similar certificate setting forth the bids received and a bids comparison, substantially in the form attached hereto as Exhibit B, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Municipal Advisor, the District and the District’s Bond Counsel.

(b) The District intends that the provisions of Treasury Regulation Section 1.148-1(f)(3)(i) (defining “competitive sale” for purposes of establishing the issue price of the Notes) will apply to the initial sale of the Notes (the “competitive sale requirements”) because:

(i) the District shall disseminate this Official Notice of Sale to potential underwriters in a manner that is reasonably designed to reach potential underwriters;

(ii) all bidders shall have an equal opportunity to bid;

(iii) the District may receive bids from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds; and

(iv) the District anticipates awarding the sale of the Notes to the bidder who submits a firm offer to purchase the Notes at the lowest NIC, as noted above.

Bidders should prepare their bids on the assumption that the issue price of the Notes will be the reasonably expected initial offering price to the public.

**Sequoia Union High School District  
2022-23 TRANS – Official Notice of Sale**

(c) *Hold-the-Offering-Price Rule May Apply.* In the event that the competitive sale requirements are not satisfied for the Notes, the District will so advise the winning bidder. The District will treat the first price at which 10% of the Notes (the "10% test") is sold to the public as the issue price of the Notes if the 10% test is satisfied as of the date and time of the award of the Notes. If the 10% test is not met as of the date and time of the award of the Notes, the District will treat the initial offering price to the public as of the sale date of the Notes as the issue price of the Notes (the "hold-the-offering-price rule"). The winning bidder for the Notes shall advise the District if the Notes satisfy the 10% test as of the date and time of the award of the Notes.

As stated above, the hold-the-offering-price rule will apply if the 10% test is not met as of the sale date. By submitting a bid, the winning bidder for the Notes shall (i) confirm that the underwriters have offered or will offer the Notes to the public on or before the date of award at the offering price or prices (the "initial offering price"), or at the corresponding yield or yields, set forth in the bid submitted by the winning bidder, and (ii) agree, on behalf of the underwriters participating in the purchase of the Notes, that the underwriters will neither offer nor sell unsold Notes to which the hold-the-offering-price rule shall apply to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

- (i) the close of the fifth (5th) business day after the sale date; or
- (ii) the date on which the underwriters have sold at least 10% of the Notes to the public at a price that is no higher than the initial offering price to the public.

The winning bidder for the Notes shall promptly advise the District when the underwriters have sold 10% of the Notes to the public at a price that is no higher than the initial offering price to the public, if that occurs prior to the close of the fifth (5th) business day after the sale date.

The District acknowledges that, in making the representation set forth above, such winning bidder will rely on:

- (i) the agreement of each underwriter to comply with the hold-the-offering-price rule, as set forth in an agreement among underwriters and the related pricing wires;
- (ii) in the event a selling group has been created in connection with the initial sale of the Notes to the public, the agreement of each dealer who is a member of the selling group to comply with the hold-the-offering-price rule, as set forth in a selling group agreement and the related pricing wires; and
- (iii) in the event that an underwriter is a party to a retail distribution agreement that was employed in connection with the initial sale of the Notes to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the hold-the-offering-price rule, as set forth in the retail distribution agreement and the related pricing wires.

The District further acknowledges that each underwriter shall be solely liable for its failure to comply with its agreement regarding the hold-the-offering-price rule and that no underwriter shall be liable for the failure of any other underwriter, or of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a retail distribution

**Sequoia Union High School District  
2022-23 TRANS – Official Notice of Sale**

agreement to comply with its corresponding agreement regarding the hold-the-offering-price rule as applicable to the Notes.

By submitting a bid for the Notes, each bidder confirms that:

(i) any agreement among underwriters, any selling group agreement, and each retail distribution agreement (to which the bidder is a party) relating to the initial sale of the Notes to the public, together with the related pricing wires, contains or will contain language obligating each underwriter, each dealer who is a member of the selling group, and each broker-dealer that is a party to such retail distribution agreement, as applicable, to (A) report the prices at which it sells to the public the unsold Notes allotted to it until it is notified by the winning bidder that either the 10% test has been satisfied as to the Notes or all Notes have been sold to the public, and (B) comply with the hold-the-offering-price rule (if applicable), in each case if and for so long as directed by the winning bidder and as set forth in the related pricing wires, and

(ii) any agreement among underwriters relating to the initial sale of the Notes to the public, together with the related pricing wires, contains or will contain language obligating each underwriter that is a party to a retail distribution agreement to be employed in connection with the initial sale of the Notes to the public to require each broker-dealer that is a party to such retail distribution agreement to (A) report the prices at which it sells to the public the unsold Notes allotted to it until it is notified by the winning bidder or such underwriter that either the 10% test has been satisfied as to the Notes or all Notes have been sold to the public, and (B) comply with the hold-the-offering-price rule (if applicable), in each case if and for so long as directed by the winning bidder or such underwriter and as set forth in the related pricing wires.

Sales of any Notes to any person who is a related party to an underwriter shall not constitute sales to the public for purposes of this Official Notice of Sale. Further, for purposes of this Official Notice of Sale:

(i) “public” means any person other than an underwriter or a related party,

(ii) “underwriter” means (A) any person that agrees pursuant to a written contract with the District (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Notes to the public, and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Notes to the public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Notes to the public),

(iii) a purchaser of any of the Notes is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (A) at least 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (B) more than 50% common ownership of their capital interests or profit interests, if both entities are partnerships (including direct ownership by one partnership of another), or (C) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and

**Sequoia Union High School District  
2022-23 TRANS – Official Notice of Sale**

(iv) “sale date” means the date that the Notes are awarded by the District to the winning bidder.

Litigation: There is no litigation pending concerning the validity of the Notes, the corporate existence of the District or the entitlement to their respective offices of the officers of the District who will execute the Notes and other documents or certificates, or the power of the County of San Mateo to levy and collect taxes on behalf of the District for payment of, and to pay principal of and interest on, the Notes, and the District will furnish to the successful bidder or bidders a no-litigation certificate or certificates certifying the foregoing as of and at the time of the delivery of the Notes.

Legal Opinion: The legal opinion of Dannis Woliver Kelley, serving as bond counsel to the District (“Bond Counsel”), approving the validity of the Notes, addressed to the District, will be furnished to the successful bidder upon delivery of the Notes. Copies of the opinion will be filed with DTC and with the County Treasurer, as Paying Agent.

Tax Matters: Dannis Woliver Kelley will render to the District its legal opinion with respect to tax-exemption of the interest paid on the Notes. See the discussion of Tax Matters in the Official Statement hereinafter referred to. In the event that prior to the delivery of the Notes (a) the income received by private holders from obligations of the same type and character shall be declared to be includable in gross income (either at the time of such declaration or at any future date) for purposes of federal income tax laws, either by the terms of such laws or by ruling of a federal income tax authority or official which is followed by the Internal Revenue Service, or by decision of any federal court, or (b) any federal income tax law is adopted which will have a substantial adverse tax effect on holders of the Notes as such, the successful bidder may, at its option, prior to the tender of the Notes by the District, be relieved of its obligation to purchase the Notes, and in such case the deposit accompanying its bid will be returned. For purposes of the preceding sentence, interest will be treated as excludable from gross income for federal income tax purposes whether or not it is includable as an item of tax preference for calculating alternative minimum taxes or otherwise includable for purposes of calculating certain other tax liabilities.

Official Statement: The District has authorized the use of an official statement relating to the Notes. A copy of the Preliminary Official Statement will be furnished upon request to the District’s Municipal Advisor. The Preliminary Official Statement is in form “deemed final” by the issuer for purposes of Securities and Exchange Commission Rule 15c2-12(b)(1), but is subject to revision, amendment and completion in a final Official Statement. The District will furnish to the successful bidder, at no expense to the successful bidder, up to 10 copies of the final Official Statement within 7 business days of the award date.

Official Statement Certificate: The District will provide to the successful bidder for the Notes a certificate, signed by an official of the District, confirming to the successful bidder that, to the best knowledge of such official, at the time of the acceptance of the bid for the Notes, the Preliminary Official Statement did not, and at the time of delivery of the Notes, the Official Statement does not, contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading (except that no view will be expressed concerning information regarding DTC and its book-entry only system, information provided by the County Treasurer regarding County investments and information provided by the successful bidder regarding the underwriting, reoffering, and CUSIP identification numbers of the Notes, as to all of which no view shall be expressed),

**Sequoia Union High School District  
2022-23 TRANS – Official Notice of Sale**

and that there has been no material adverse change in the financial condition or affairs of the District which would make it unreasonable for the purchaser of the Notes to rely upon the Official Statement in connection with the resale of the Notes.

Continuing Disclosure Certificate: In order to assist bidders in complying with Securities and Exchange Commission Rule 15c2-12(b)(5), the District will undertake, pursuant to a Continuing Disclosure Certificate, to provide notices of the occurrence of certain events. A description of this undertaking is set forth in the Preliminary Official Statement and will also be set forth in the final Official Statement.

The undersigned, on behalf of \_\_\_\_\_ (the "Underwriter"), hereby certifies as set forth below with respect to the sale of the Sequoia Union High School District 2022-23 Tax and Revenue Anticipation Notes (the "Notes").

[If competitive safe harbors are met, the following terms shall be included:]

1. Reasonably Expected Initial Offering Price.

(a) As of the Sale Date, the reasonably expected initial offering price of the Notes to the Public by the Underwriter is \_\_\_\_\_% (the "Expected Offering Price"). Attached as Schedule 1 is a true and correct copy of the bid provided by the Underwriter to purchase the Notes.

(b) The Underwriter was not given the opportunity to review other bids prior to submitting its bid.

(c) The bid submitted by the Underwriter constituted a firm offer to purchase the Notes.

2. Defined Terms.

(a) "Maturity" means Notes with the same credit and payment terms. Notes with different maturity dates, or Notes with the same maturity date but different stated interest rates, are treated as separate Maturities.

(b) "Public" means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter or a related party to an Underwriter. The term "related party" for purposes of this certificate generally means any two or more persons who have greater than 50 percent common ownership, directly or indirectly.

(c) "Sale Date" means the first day on which there is a binding contract in writing for the sale of a Maturity of the Notes. The Sale Date of the Notes is \_\_\_\_\_, 2022.

(d) "Underwriter" means (i) any person that agrees pursuant to a written contract with the District (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Notes to the Public, and (ii) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (i) of this paragraph to participate in the initial sale of the Notes to the Public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Notes to the Public).

[If the competitive sale safe harbors are not met, the following provisions shall be included:]

The Underwriter has purchased the Notes from the Issuer pursuant to a Certificate of Award dated \_\_\_\_\_ (the "Sale Date").

a. The Underwriter offered the Notes to the Public for purchase at the initial offering price listed in the attached schedule (the "Initial Offering Price") on or before the Sale Date. A copy of the pricing wire for the Notes is attached.

3. As set forth in the Notice of Sale and Certificate of Award, the Underwriter [and all members of the Underwriting Group] agreed in writing that (i) [it] would neither offer nor sell any of the Notes to any person at a price that is higher than the Initial Offering Price during the Holding Period (the "hold-the-offering-price rule"), and (ii) any selling group agreement will contain the agreement of each dealer who is a member of the selling group, and any retail distribution agreement will contain the agreement of each broker-dealer who is a party to the retail distribution agreement, to comply with the hold-the-offering-price rule. During the Holding Period, no Underwriter (as defined in Treasury Regulation 1.148-1(f)) has offered or sold any of the Notes at a price that is higher than the respective Initial Offering Price.

"Holding Period" means the period starting on the Sale Date and ending on the earlier of (i) the close of the 5th business day after the Sale Date, or (ii) the date on which the Underwriter has sold at least 10% of the Notes to the Public at prices that are no higher than the applicable Initial Offering Price.

4. The expected issue price of the Notes is \$\_\_\_\_\_ (the "Issue Price").

The representations set forth in this certificate are limited to factual matters only. Nothing in this certificate represents the Underwriter's interpretation of any laws, including specifically Sections 103 and 148 of the Internal Revenue Code of 1986, as amended, and the Treasury Regulations thereunder. The undersigned understands that the foregoing information will be relied upon by the District with respect to certain of the representations set forth in the Tax Certificate and with respect to compliance with the federal income tax rules affecting the Notes, and by Dannis Woliver Kelley, as Bond Counsel, in connection with rendering its opinion that the interest on the Notes is excluded from gross income for federal income tax purposes, the preparation of the Internal Revenue Service Form 8038-G, and other federal income tax advice that it may give to the District from time to time relating to the Notes.

### FORM OF CERTIFICATE OF MUNICIPAL ADVISOR

The undersigned, on behalf of Keygent LLC, as the municipal advisor (the "Municipal Advisor") to Sequoia Union High School District (the "District") in connection with the issuance of its 2022-23 Tax and Revenue Anticipation Notes (the "Notes"), has assisted the District in soliciting and receiving bids from potential underwriters in connection with the sale of the Notes in a competitive bidding process in which bids were requested for the purchase of the Notes at specified written terms, and hereby certifies as set forth below with respect to the bidding process and award of the Notes.

1. The Notes were offered for sale at specified written terms more particularly described in the Official Notice of Sale (the "Notice of Sale"), which was distributed to potential bidders, a copy of which is attached to this certificate as Attachment 1.

2. The Notice of Sale was disseminated electronically through the i-Deal/Parity system, and a copy of the Notice of Sale (or a summary thereof) was published in The Bond Buyer® newspaper on August 10, 2022. The methods of distribution of the Notice of Sale are regularly used for purposes of disseminating notices of sale of new issuances of municipal bonds and notes, and notices disseminated in such manner are widely available to potential bidders.

3. To the knowledge of the Municipal Advisor, all bidders were offered an equal opportunity to bid to purchase the Notes so that, for example, if the bidding process afforded any opportunity for bidders to review other bids before providing a bid, no bidder was given an opportunity to review other bids that was not equally given to all other bidders (that is, no exclusive "last-look").

4. The District received bids from at least three bidders who represented that they have established industry reputations for underwriting new issuances of municipal bonds and notes. Copies of the bids received are attached to this certificate as Attachment 2.

5. The winning bidder was \_\_\_\_\_ (the "Underwriter"), whose bid was determined to be the best conforming bid in accordance with the terms set forth in the Notice of Sale, as shown in the bid comparison attached as Attachment 3 to this certificate. The District awarded the Notes to the Underwriter.

The representations set forth in this certificate are limited to factual matters only. Nothing in this certificate represents the Municipal Advisor's interpretation of any laws, including specifically Sections 103 and 148 of the Internal Revenue Code of 1986, as amended, and the Treasury Regulations thereunder, The undersigned understands that the foregoing information will be relied upon by the District with respect to certain of the representations set forth in the Tax Certificate and with respect to compliance with the federal income tax rules affecting the Notes, and by Dannis Woliver Kelley, as Bond Counsel in connection with rendering its opinion that the interest on the Notes is excluded from gross income for federal income tax purposes, the preparation of the Internal Revenue Service Form 8038-G, and other federal income tax advice that it may give to the District from time to time relating to the Notes. No other persons may rely on the representations set forth in this certificate without the prior written consent of the Municipal Advisor.
